**334.610.** Any person who holds himself or herself out to be a physical therapist or a licensed physical therapist within this state or any person who advertises as a physical therapist or claims that the person can render physical therapy services and who, in fact, does not hold a valid physical therapist license is guilty of a class B misdemeanor and, upon conviction, shall be punished as provided by law. Any person who, in any manner, represents himself or herself as a physical therapist, or who uses in connection with such person's name the words or letters "physical therapist", "physiotherapist", "registered physical therapist", "**doctor of physical therapy**", "P.T.", "Ph.T.", "P.T.T.", "R.P.T.", "**D.P.T.**", "**M.P.T.**", or any other letters, words, abbreviations or insignia, indicating or implying that the person is a physical therapist without a valid existing license as a physical therapist issued to such person pursuant to the provisions of sections 334.500 to 334.620, is guilty of a class B misdemeanor. Nothing in sections 334.500 to 334.620 shall prohibit any person licensed in this state under chapter 331, RSMo, from carrying out the practice for which the person is duly licensed, or from advertising the use of physiologic and rehabilitative modalities; nor shall it prohibit any person licensed or registered in this state under section 334.735 or any other law from carrying out the practice for which the person is duly licensed or registered; nor shall it prevent professional and semiprofessional teams, schools, YMCA clubs, athletic clubs and similar organizations from furnishing treatment to their players and members. This section, also, shall not be construed so as to prohibit masseurs and masseuses from engaging in their practice not otherwise prohibited by law and provided they do not represent themselves as physical therapists. This section shall not apply to physicians and surgeons licensed under this chapter or to a person in an entry level of a professional education program approved by the commission for accreditation of physical therapists and physical therapist assistant education (CAPTE) who is satisfying supervised clinical education requirements related to the person's physical therapist or physical therapist assistant education while under on-site supervision of a physical therapist; or to a physical therapist who is practicing in the United States Armed Services, United States Public Health Service, or Veterans Administration under federal regulations for state licensure for health care providers.

**334.611.** Notwithstanding any other provision of law to the contrary, any qualified physical therapist who is legally authorized to practice under the laws of another state may practice as a physical therapist in this state without examination by the board or payment of any fee if such practice consists solely of the provision of gratuitous services provided for a summer camp or teaching or participating in a continuing educational seminar for a period not to exceed fourteen days in any one calendar year. Nothing in sections 334.500 to 334.625 shall be construed to prohibit isolated or occasional gratuitous service to and treatment of the afflicted or to prohibit

physical therapists from other nations, states, or territories from performing their duties for their respective teams or organizations during the course of their teams' or organizations' stay in this state.

**334.612. 1.** If the board finds merit to a complaint by an individual incarcerated or under the care and control of the department of corrections and takes further investigative action, no documentation shall appear on file or disciplinary action shall be taken in regards to the licensee's license unless the provisions of subsection 2 of section 334.613 have been violated. Any case file documentation that does not result in the board filing an action under subsection 2 of section 334.613 shall be destroyed within three months after the final case disposition by the board. No notification to any other licensing board in another state or any national registry regarding any investigative action shall be made unless the provisions of subsection 2 of section 334.613 have been violated.

**2.** Upon written request of the physical therapist or physical therapist assistant subject to a complaint prior to August 28, 1999, by an individual incarcerated or under the care and control of the department of corrections that did not result in the board filing an action described in subsection 2 of section 334.613, the board and the division of professional registration shall in a timely fashion:

- (1)** Destroy all documentation regarding the complaint;
- (2)** If previously notified of the complaint, notify any other licensing board in another state or any national registry regarding the board's actions; and
- (3)** Send a letter to the licensee that clearly states that the board found the complaint to be unsubstantiated, that the board has taken the requested action, and notify the licensee of the provisions of subsection 3 of this section.

**3.** Any person who has been the subject of an unsubstantiated complaint as provided in subsection 1 or 2 of this section shall not be required to disclose the existence of such complaint in subsequent applications or representations relating to their practice.

**334.613. 1.** The board may refuse to issue or renew a license to practice as a physical therapist or physical therapist assistant for one or any combination of causes stated in subsection 2 of this section. The board shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of the applicant's right to file a complaint with the administrative hearing commission as provided by chapter 621, RSMo. As an alternative to a refusal to issue or renew a license to practice as a physical therapist or physical therapist assistant, the board may, at its discretion, issue a license which is subject to probation, restriction, or limitation to an applicant for licensure for any one or any combination of causes stated in subsection 2 of this section. The board's order of probation, limitation, or restriction shall contain a statement of the discipline imposed, the basis therefor, the date such action shall become effective, and a statement that the applicant has thirty days to request in writing a hearing before the administrative hearing commission. If the board issues a probationary, limited, or restricted license to an applicant for licensure, either party may file a written petition with the administrative hearing commission within thirty days of the effective date of the probationary, limited, or restricted license seeking review of the board's determination. If no written request for a hearing is received by the administrative hearing commission within the thirty-day period, the right to seek review of the board's decision shall be considered as waived.

**2.** The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621, RSMo, against any holder of a license to practice as a physical therapist or physical therapist assistant who has failed to renew or has surrendered his or her license for any one or any combination of the following causes:

- (1)** Use of any controlled substance, as defined in chapter 195, RSMo, or alcoholic beverage to an extent that such use impairs a person's ability to perform the work of a physical therapist or physical therapist assistant;
- (2)** The person has been finally adjudicated and found guilty, or entered a plea of guilty or nolo contendere, in a criminal prosecution under the laws of any state or of the United States, for any offense reasonably related to the qualifications, functions, or duties of a physical therapist or physical therapist assistant, for any offense an essential element of which is fraud, dishonesty, or an act of violence, or for any offense involving moral turpitude, whether or not sentence is imposed;
- (3)** Use of fraud, deception, misrepresentation, or bribery in securing any certificate of registration or authority, permit, or license issued under this chapter or in obtaining permission to take any examination given or required under this chapter;

(4) Misconduct, fraud, misrepresentation, dishonesty, unethical conduct, or unprofessional conduct in the performance of the functions or duties of a physical therapist or physical therapist assistant, including but not limited to the following:

(h) Administering treatment without sufficient examination, or for other than medically accepted therapeutic or experimental or investigative purposes duly authorized by a state or federal agency, or not in the course of professional physical therapy practice;

(i) Engaging in or soliciting sexual relationships, whether consensual or nonconsensual, while a physical therapist or physical therapist assistant/patient relationship exists; making sexual advances, requesting sexual favors, or engaging in other verbal conduct or physical contact of a sexual nature with patients or clients;

(j) Terminating the care of a patient without adequate notice or without making other arrangements for the continued care of the patient;

(14) Soliciting patronage in person or by agents or representatives, or by any other means or manner, under the person's own name or under the name of another person or concern, actual or pretended, in such a manner as to confuse, deceive, or mislead the public as to the need or necessity for or appropriateness of physical therapy services for all patients, or the qualifications of an individual person or persons to render, or perform physical therapy services;

(15) Using, or permitting the use of, the person's name under the designation of "physical therapist", "physiotherapist", "registered physical therapist", "P.T.", "Ph.T.", "P.T.T.", "D.P.T.", "M.P.T." or "R.P.T.", "physical therapist assistant", "P.T.A.", "L.P.T.A.", "C.P.T.A.", or any similar designation with reference to the commercial exploitation of any goods, wares or merchandise;

(18) Any candidate for licensure or person licensed to practice as a physical therapist or physical therapist assistant, paying or offering to pay a referral fee or, notwithstanding section 334.010 to the contrary, practicing or offering to practice professional physical therapy independent of the prescription and direction of a person licensed and registered as a physician and surgeon under this chapter, as a physician assistant under this chapter, as a chiropractor under chapter 331, RSMo, as a dentist under chapter 332, RSMo, as a podiatrist under chapter 330, RSMo, or any licensed and registered physician, chiropractor, dentist, or podiatrist practicing in another jurisdiction, whose license is in good standing;

(19) Any candidate for licensure or person licensed to practice as a physical therapist or physical therapist assistant, treating or attempting to treat ailments or other health conditions of human beings other than by professional physical therapy and as authorized by sections 334.500 to 334.685;

(24) Being unable to practice as a physical therapist or physical therapist assistant with reasonable skill and safety to patients by reasons of incompetency, or because of illness, drunkenness, excessive use of drugs, narcotics, chemicals, or as a result of any mental or physical condition. The following shall apply to this subdivision:

(a) In enforcing this subdivision the board shall, after a hearing by the board, upon a finding of probable cause, require a physical therapist or physical therapist assistant to submit to a reexamination for the purpose of establishing his or her competency to practice as a physical therapist or physical therapist assistant conducted in accordance with rules adopted for this purpose by the board, including rules to allow the examination of the pattern and practice of such physical therapist's or physical therapist assistant's professional conduct, or to submit to a mental or physical examination or combination thereof by a facility or professional approved by the board;

(b) For the purpose of this subdivision, every physical therapist and physical therapist assistant licensed under this chapter is deemed to have consented to submit to a mental or physical examination when directed in writing by the board;

(c) In addition to ordering a physical or mental examination to determine competency, the board may, notwithstanding any other law limiting access to medical or other health data, obtain medical data and health records relating to a physical therapist, physical therapist assistant or applicant without the physical therapist's, physical therapist assistant's or applicant's consent;

(d) Written notice of the reexamination or the physical or mental examination shall be sent to the physical therapist or physical therapist assistant, by registered mail, addressed to the physical therapist or physical therapist assistant at the physical therapist's or physical therapist assistant's last known address. Failure of a physical therapist or physical therapist assistant to submit to the examination when directed shall constitute an admission of the allegations against the physical therapist or physical therapist assistant, in which case the board may enter a final order without the presentation of evidence, unless the failure was due to circumstances beyond the physical therapist's or physical therapist assistant's control. A physical therapist or physical therapist assistant whose right to practice has been affected under this subdivision shall, at reasonable intervals, be afforded an opportunity to demonstrate that the physical therapist or physical therapist assistant can resume the competent practice as a physical therapist or physical therapist assistant with reasonable skill and safety to patients;

(e) In any proceeding under this subdivision neither the record of proceedings nor the orders entered by the board shall be used against a physical therapist or physical therapist assistant in any other proceeding. Proceedings under this subdivision shall be conducted by the board without the filing of a complaint with the administrative hearing commission;

(f) When the board finds any person unqualified because of any of the grounds set forth in this subdivision, it may enter an order imposing one or more of the disciplinary measures set forth in subsection 3 of this section.

3. After the filing of such complaint before the administrative hearing commission, the proceedings shall be conducted in accordance with the provisions of chapter 621, RSMo. Upon a finding by the administrative hearing commission that the grounds provided in subsection 2 of this section for disciplinary action are met, the board may, singly or in combination:

(1) Warn, censure or place the physical therapist or physical therapist assistant named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed ten years;

(2) Suspend the physical therapist's or physical therapist assistant's license for a period not to exceed three years;

(3) Restrict or limit the physical therapist's or physical therapist assistant's license for an indefinite period of time;

(4) Revoke the physical therapist's or physical therapist assistant's license;

(5) Administer a public or private reprimand;

(6) Deny the physical therapist's or physical therapist assistant's application for a license;

(7) Permanently withhold issuance of a license;

(8) Require the physical therapist or physical therapist assistant to submit to the care, counseling or treatment of physicians designated by the board at the expense of the physical therapist or physical therapist assistant to be examined;

(9) Require the physical therapist or physical therapist assistant to attend such continuing educational courses and pass such examinations as the board may direct.

4. In any order of revocation, the board may provide that the physical therapist or physical therapist assistant shall not apply for reinstatement of the physical therapist's or physical therapist assistant's license for a period of time ranging from two to seven years following the date of the order of revocation. All stay orders shall toll this time period.

5. Before restoring to good standing a license issued under this chapter which has been in a revoked, suspended, or inactive state for any cause for more than two years, the board may require the applicant to attend such continuing medical education courses and pass such examinations as the board may direct.

6. In any investigation, hearing or other proceeding to determine a physical therapist's, physical therapist assistant's or applicant's fitness to practice, any record relating to any patient of the physical therapist, physical therapist assistant, or applicant shall be discoverable by the board and admissible into evidence, regardless of any statutory or common law privilege which such physical therapist, physical therapist assistant, applicant, record custodian, or patient might otherwise invoke. In addition, no such physical therapist, physical therapist assistant, applicant, or record custodian may withhold records or testimony bearing upon a physical therapist's, physical therapist assistant's, or applicant's fitness to practice on the ground of privilege between such physical therapist, physical therapist assistant, applicant, or record custodian and a patient.

334.614. 1. Notwithstanding any other provisions of section 620.010, RSMo, to the contrary, the board shall at least quarterly publish a list of the names and addresses of all physical therapists and physical therapist assistants who hold licenses under the provisions of this chapter, and shall publish a list of all physical therapists and physical therapist assistants whose licenses have been suspended, revoked, surrendered, restricted, denied, or withheld.

2. Notwithstanding any other provisions of section 620.010, RSMo, to the contrary, in addition, the board shall prepare and make available to the public a report upon the disciplinary matters submitted to them where the board recommends disciplinary action, except in those instances when physical therapists and physical therapist assistants possessing licenses voluntarily enter treatment and monitoring programs for purposes of rehabilitation and, in such instances, only such specific action shall not be reported with any other actions taken prior to, as part of, or following voluntary entrance into such treatment programs. The report shall set forth findings of fact and any final disciplinary actions of the board. If the board does not recommend disciplinary action, a report stating that no action is recommended shall be prepared and forwarded to the complaining party.

334.615. 1. Upon receipt of information that the holder of any license as a physical therapist or physical therapist assistant issued under this chapter may present a clear and present danger to the public health and safety, the executive director shall direct that the information be brought to the board in the form of sworn testimony or affidavits during a meeting of the board.

2. The board may issue an order suspending or restricting the holder of a license as a physical therapist or physical therapist assistant if it believes:

(1) The licensee's acts, conduct, or condition may have violated subsection 2 of section 334.613; and

(2) A licensee is practicing, attempting, or intending to practice in Missouri; and

(3) (a) A licensee is unable by reason of any physical or mental condition to receive and evaluate information or to communicate decisions to the extent that the licensee's condition or actions significantly affect the licensee's ability to practice; or

(b) Another state, territory, federal agency, or country has issued an order suspending or restricting the physical therapist's or physical therapist assistant's right to practice his or her profession; or

(c) The licensee has engaged in repeated acts of life-threatening negligence as defined in subsection 2 of section 334.613; and

(4) The acts, conduct, or condition of the licensee constitute a clear and present danger to the public health and safety.

3. (1) The order of suspension or restriction:

- (a) Shall be based on the sworn testimony or affidavits presented to the board;
  - (b) May be issued without notice and hearing to the licensee;
  - (c) Shall include the facts which lead the board to conclude that the acts, conduct, or condition of the licensee constitute a clear and present danger to the public health and safety.
- (2) The board or the administrative hearing commission shall serve the licensee, in person or by certified mail, with a copy of the order of suspension or restriction and all sworn testimony or affidavits presented to the board, a copy of the complaint and the request for expedited hearing, and a notice of the place of and the date upon which the preliminary hearing will be held.
- (3) The order of restriction shall be effective upon service of the documents required in subdivision (2) of this subsection.
- (4) The order of suspension shall become effective upon the entry of the preliminary order of the administrative hearing commission.
- (5) The licensee may seek a stay order from the circuit court of Cole County from the preliminary order of suspension, pending the issuance of a final order by the administrative hearing commission.
4. The board shall file a complaint in the administrative hearing commission with a request for expedited preliminary hearing and shall certify the order of suspension or restriction and all sworn testimony or affidavits presented to the board. Immediately upon receipt of a complaint filed under this section, the administrative hearing commission shall set the place and date of the expedited preliminary hearing which shall be conducted as soon as possible, but not later than five days after the date of service upon the licensee. The administrative hearing commission shall grant a licensee's request for a continuance of the preliminary hearing; however, the board's order shall remain in full force and effect until the preliminary hearing, which shall be held not later than forty-five days after service of the documents required in subdivision (2) of subsection 3 of this section.
5. At the preliminary hearing, the administrative hearing commission shall receive into evidence all information certified by the board and shall only hear evidence on the issue of whether the board's order of suspension or restriction should be terminated or modified. Within one hour after the preliminary hearing, the administrative hearing commission shall issue its oral or written preliminary order, with or without findings of fact and conclusions of law, that adopts, terminates, or modifies the board's order. The administrative hearing commission shall reduce to writing any oral preliminary order within five business days, but the effective date of the order shall be the date orally issued.
6. The preliminary order of the administrative hearing commission shall become a final order and shall remain in effect for three years unless either party files a request for a full hearing on the merits of the complaint filed by the board within thirty days from the date of the issuance of the preliminary order of the administrative hearing commission.
7. Upon receipt of a request for full hearing, the administrative hearing commission shall set a date for hearing and notify the parties in writing of the time and place of the hearing. If a request for full hearing is timely filed, the preliminary order of the administrative hearing commission shall remain in effect until the administrative hearing commission enters an order terminating, modifying, or dismissing its preliminary order or until the board issues an order of discipline following its consideration of the decision of the administrative hearing commission under section 621.110, RSMo, and subsection 3 of section 334.100.
8. In cases where the board initiates summary suspension or restriction proceedings against a physical therapist or physical therapist assistant licensed under this chapter, and such petition is subsequently denied by the administrative hearing commission, in addition to any award made under sections 536.085 and 536.087, RSMo, the board, but not individual members of the board, shall pay actual damages incurred during any period of suspension or restriction.
9. Notwithstanding the provisions of this chapter or chapter 610, RSMo, or chapter 621, RSMo, to the contrary, the proceedings under this section shall be closed and no order shall be made public until it is final, for purposes of appeal.
10. The burden of proving the elements listed in subsection 2 of this section shall be upon the state board of registration for the healing arts.

334.616. 1. A license issued under this chapter by the Missouri state board of registration for the healing arts shall be automatically revoked at such time as the final trial proceedings are concluded whereby a licensee has been adjudicated and found guilty, or has entered a plea of guilty or nolo contendere, in a felony criminal prosecution under the laws of the state of Missouri, the laws of any other state, or the laws of the United States

of America for any offense reasonably related to the qualifications, functions or duties of their profession, or for any felony offense, an essential element of which is fraud, dishonesty or an act of violence, or for any felony offense involving moral turpitude, whether or not sentence is imposed, or, upon the final and unconditional revocation of the license to practice their profession in another state or territory upon grounds for which revocation is authorized in this state following a review of the record of the proceedings and upon a formal motion of the state board of registration for the healing arts. The license of any such licensee shall be automatically reinstated if the conviction or the revocation is ultimately set aside upon final appeal in any court of competent jurisdiction.

2. Anyone who has been denied a license, permit, or certificate to practice in another state shall automatically be denied a license to practice in this state. However, the board of healing arts may set up other qualifications by which such person may ultimately be qualified and licensed to practice in Missouri.

334.617. 1. Upon application by the board and the necessary burden having been met, a court of general jurisdiction may grant an injunction, restraining order, or other order as may be appropriate to enjoin a person from:

(1) Offering to engage or engaging in the performance of any acts or practices for which a license is required by chapters 334.500 to 334.687 upon a showing that such acts or practices were performed or offered to be performed without a license; or

(2) Engaging in any practice or business authorized by a license issued under chapters 334.500 to 334.687 upon a showing that the holder presents a substantial probability of serious danger to the health, safety, or welfare of any resident of the state or client or patient of the licensee.

2. Any such action shall be commenced in the county in which such conduct occurred or in the county in which the defendant resides or Cole County.

3. Any action brought under this section shall be in addition to and not in lieu of any penalty provided by chapters 334.500 to 334.687 and may be brought concurrently with other actions to enforce chapters 334.500 to 334.687.

334.618. Upon receiving information that any provision of sections 334.500 to 334.687 has been or is being violated, the executive director of the board or other person designated by the board shall investigate, and upon probable cause appearing, the executive director shall, under the direction of the board, file a complaint with the administrative hearing commission or appropriate official or court. All such complaints shall be handled as provided by rule promulgated under subdivision (6) of subsection 16 of section 620.010, RSMo.

334.650. 1. After January 1, 1997, no person shall hold himself or herself out as being a physical therapist assistant in this state unless the person is licensed as provided in sections 334.650 to 334.685.

2. A licensed physical therapist shall direct and supervise a physical therapist assistant [at all times. The licensed physical therapist shall have the responsibility of supervising the physical therapy treatment program]. **The physical therapist shall retain ultimate authority and responsibility for the physical therapy treatment. No licensed physical therapist shall have under their direct supervision more than four **full-time equivalent** physical therapist assistants.

334.655. 1. A candidate for licensure to practice as a physical therapist assistant shall be at least nineteen years of age. A candidate shall furnish evidence of the person's good moral character and of the person's educational qualifications. The educational requirements for licensure as a physical therapist assistant are:

Applications for examination shall be [in writing,] on a form furnished by the board and shall include evidence satisfactory to the board that the applicant possesses the qualifications provided in subsection 1 of this section. Each application shall contain a statement that the statement is

made under oath of affirmation and that its representations are true and correct to the best knowledge and belief of the person signing the statement, subject to the penalties of making a false affidavit or declaration.

3. The examination of qualified candidates for licensure to practice as physical therapist assistants shall embrace [a written] **an** examination [and] which shall cover the curriculum taught in accredited associate degree programs of physical therapy assistant education. Such examination shall be sufficient to test the qualification of the candidates as practitioners.

4. [The board shall not issue a license to practice as a physical therapist assistant or allow any person to sit for the Missouri state board examination for physical therapist assistants who has failed three or more times any physical therapist licensing examination administered in one or more states or territories of the United States or the District of Columbia.

5. The board may waive the provisions of subsection 4 if the applicant has met one of the following provisions: the applicant is licensed and has maintained an active clinical practice for the previous three years in another state of the United States, the District of Columbia or Canada and the applicant has achieved a passing score on a licensing examination administered in a state or territory of the United States, the District of Columbia and no license issued to the applicant has been disciplined or limited in any state or territory of the United States, the District of Columbia or Canada.

**5. The applicant shall pass a test administered by the board on the laws and rules related to the practice as a physical therapist assistant in this state.**

[7.] 6. The board shall license without examination any legally qualified person who is a resident of this state and who was actively engaged in practice as a physical therapist assistant on August 28, 1993. The board may license such person pursuant to this subsection until ninety days after the effective date of this section.

[8.] 7. A candidate to practice as a physical therapist assistant who does not meet the educational qualifications may submit to the board an application for examination if such person can furnish written evidence to the board that the person has been employed in this state for at least three of the last five years under the supervision of a licensed physical therapist and such person possesses the knowledge and training equivalent to that obtained in an accredited school. The board may license such persons pursuant to this subsection until ninety days after rules developed by the state board of healing arts regarding physical therapist assistant licensing become effective.

334.660. 1. The board shall license without examination legally qualified persons who [hold] **possess active** certificates of licensure, registration or certification in any state or territory of the United States or the District of Columbia, who have had no violations, suspensions or revocations of such license, registration or certification, if such persons have passed [a written] **an** examination to practice as a physical therapist assistant that was substantially equal to the examination requirements of this state and in all other aspects, including education, the requirements for such certificates of licensure, registration or certification were, at the date of issuance, substantially equal to the requirements for licensure in this state.

2. [The board shall not issue a license to any applicant who has failed three or more times any physical therapist assistant licensing examination administered in one or more states or territories of the United States or the District of Columbia.

3. The board may waive the provisions of subsection 1 if the applicant has met one of the following provisions: the applicant is licensed and has maintained an active clinical practice for the previous three years in another state of the United States, the District of Columbia or Canada and the applicant has achieved a passing score on a licensing examination administered in a state or territory of the United States, the District of Columbia and no license issued to the applicant has been disciplined or limited in any state or territory of the United States, the District of Columbia or Canada.

4.] Every applicant for a license pursuant to this section, upon making application and providing documentation of the necessary qualifications as provided in this section, shall pay the same fee required of applicants to take the examination before the board. Within the limits of this section, the board may negotiate reciprocal contracts with licensing boards of other states for the admission of licensed practitioners from Missouri in other states.

**3. The applicant shall successfully pass a test administered by the board on the laws and rules related to practice as a physical therapist assistant in this state.**

334.665. 1. An applicant who has not been previously examined in another jurisdiction and meets the qualifications of subsection 1 of section 334.655 **or an applicant applying for reinstatement of an inactive license under a supervised active practice** may pay a temporary license fee and submit an agreement-to-supervise form which is signed by the applicant's supervising physical therapist to the board and obtain without examination a nonrenewable temporary license. Such temporary licensee may only practice under the supervision of a licensed physical therapist. **The supervising physical therapist shall hold an unencumbered license to practice physical therapy in the state of Missouri and shall provide the board proof of active clinical practice in the state of Missouri for a minimum of one year prior to supervising the temporary licensee. The supervising physical therapist shall not be an immediate family member of the applicant. The board shall define immediate family member and the scope of such supervision by rule. The supervising physical therapist for the first-time examinee applicant shall submit to the board a signed notarized form prescribed by the board attesting that the applicant for temporary license shall begin employment at a location in this state within seven days of issuance of the temporary license. The supervising physical therapist shall notify the board within three days if the temporary licensee's employment ceases.** A licensed physical therapist shall supervise no more than one temporary licensee. [The board shall define the scope of such supervision by rules and regulations.]

2. The temporary license **for the first-time examinee applicant** shall expire on [either] the date the applicant receives the results of the applicant's initial examination, **the date the applicant withdraws from sitting for the examination, the date the board is notified by the supervising physical therapist that the temporary licensee's employment has ceased,** or within ninety days of its issuance, whichever occurs first.

3. **The temporary license for the reinstatement applicant under the supervised active practice shall expire effective one year from the date of issuance.**

334.670. The board shall charge a person, who applies for examination for a license to practice as a physical therapist assistant, an examination fee. If the person does not score a passing grade on the examination, the board may refuse to issue a license. Any applicant who fails to pass the examination may reapply and be reexamined upon payment of a reexamination fee. [No temporary license may be issued to any person who has previously failed the examination in Missouri or any other state or jurisdiction.]

334.675. 1. Every person licensed pursuant to sections 334.650 to 334.685 shall, on or before the licensing renewal date, apply to the board for a certificate of licensure for the next licensing period. The application for renewal shall be made **under oath** on a form furnished to the applicant [and shall state] **by the board. The application shall include, but not be limited to, disclosure of the following:**

- (1) The applicant's full name [and the address at which the applicant practices and the address at which the applicant resides and];
- (2) **The applicant's office address or addresses and telephone number or numbers;**
- (3) **The applicant's home address and telephone number;**
- (4) The date and number of the applicant's license;
- (5) **All final disciplinary actions taken against the applicant by any professional association or society, licensed hospital or medical staff of the hospital, physical therapy facility, state, territory, federal agency or country; and**
- (6) **Information concerning the applicant's current physical and mental fitness to practice the applicant's profession.**

**The applicant may be required to successfully complete a test administered by the board on the laws and rules related to the practice of physical therapy in this state. The test process, dates, and passing scores shall be established by the board by rule.**

2. A [blank application form] **notice** shall be [mailed] **made available** to each person licensed in this state [pursuant to sections 334.650 to 334.685 at the person's last known address of practice or residence. The failure to mail the application for or the failure to receive the application form]. **The failure to receive the notice** does not relieve any person of the duty to renew the person's license and pay the renewal fee as required by sections 334.650 to 334.685 nor shall it exempt the person from the penalties provided by sections 334.650 to 334.685 for failure to renew a license.

3. **If a physical therapist assistant does not renew such license for two consecutive renewal periods, such license shall be deemed voided.**

4. Each applicant for registration shall accompany the application for registration with a registration fee to be paid to the director of revenue for the licensing period for which registration is sought.

5. If the application is filed and the fee paid after the registration renewal date, a delinquent fee shall be paid; except that, if in the opinion of the board the applicant's failure to register is caused by extenuating circumstances, including illness of the applicant as defined by rule, the delinquent fee may be waived by the board.

6. Upon due application therefore and upon submission by such person of evidence satisfactory to the board that he or she is licensed to practice in this state and upon the payment of fees required to be paid by this chapter, the board shall issue to such person a certificate of registration. The certificate of registration shall contain the name of the person to whom it is issued and his or her office address, the expiration date, and the number of the license to practice.

7. Upon receiving such certificate, every person shall cause it to be readily available or conspicuously displayed at all times in every practice location maintained by such licensee in the state. If the licensee maintains more than one practice location in this state, the board shall without additional fee issue to them duplicate certificates of registration for each practice location so maintained. If any licensee changes practice locations during the period for which any certificate of registration has been issued, such licensee shall, within fifteen days thereafter, notify the board of such change and the board shall issue to the licensee, without additional fee, a new registration certificate showing the new location.

8. Whenever any new license is granted to any physical therapist or physical therapist assistant under the provisions of this chapter, the board shall, upon application therefore, issue to such physical therapist or physical therapist assistant a certificate of registration covering a period from the date of the issuance of the license to the next renewal date without the payment of any registration fee.

**334.686.** Any person who holds himself or herself out to be a physical therapist assistant or a licensed physical therapist assistant within this state or any person who advertises as a physical therapist assistant and who, in fact, does not hold a valid physical therapist assistant license is guilty of a class B misdemeanor and, upon conviction, shall be punished as provided by law. Any person who, in any manner, represents himself or herself as a physical therapist assistant, or who uses in connection with such person's name the words or letters, "physical therapist assistant", the letters "P.T.A.", "L.P.T.A.", "C.P.T.A.", or any other letters, words, abbreviations or insignia, indicating or implying that the person is a physical therapist assistant without a valid existing license as a physical therapist assistant issued to such person under the provisions of sections 334.500 to 334.620, is guilty of a class B misdemeanor. This section shall not apply to physicians and surgeons licensed under this chapter or to a person in an entry level of a professional education program approved by the Commission for Accreditation of Physical Therapists and Physical Therapist Assistant Education (CAPTE) who is satisfying supervised clinical education requirements related to the person's physical therapist or physical therapist assistant education while under onsite supervision of a physical therapist; or to a physical therapist who is practicing in the United States Armed Forces, United States Public Health Service, or Veterans Administration under federal regulations for state licensure for health care providers.

**334.687. 1.** For purposes of this section, the licensing of physical therapists and physical therapist assistants shall take place within processes established by the state board of registration for the healing arts through rules. The board of healing arts is authorized to adopt rules establishing licensing and renewal procedures, supervision of physical therapist assistants, and former licensees who wish to return to the practice of physical therapy, fees, and addressing such other matters as are necessary to protect the public and discipline the profession.

**2.** Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void."; and

Further amend said title, enacting clause and intersectional references accordingly.

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

FIFTY-EIGHTH DAY, WEDNESDAY, APRIL 23, 2008

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Reverend James Earl Jackson.

Lord God, holy, pure, undefiled; You are self-sufficient, we are not. We are reminded daily of our insufficiency. Our sufficiency is of You.

Knowing that fretful minds weigh us down, but a word of encouragement does wonders, we choose to speak of Your glory and majesty and meditate on Your wonderful deeds. May anxiety give way to peace, discouragement to encouragement, sluggishness to motivation, divine guidance to a cure.

Your blessing is our greatest wealth and all of our work adds nothing to it. May we continue in Your blessings throughout this day and the remainder of this week.

Now may You, Who have made us and sustained us, strengthened, encouraged and comforted us by Your will; grant us grace for each moment of this day.

In the name of Your Son, we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Grace Dunker, Blake Barth, Emily Arthur, Grant Pace, Casey Thater, Travis Williams, Anna Peterson, Sam Pey, Mark Curtin, Julian Roscoe, Anna Marie Tihen, Jessica Morgan Bailey, Grace Rusenstrom, Rose Rusenstrom and Ireland Rusenstrom.

*House Amendment No. 1*

AMEND House Committee Substitute for House Bill No. 1516, Section 192.2178, Page 35, Line 88, by inserting immediately after the number "566" the following:

", **568**"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Schaaf offered **House Amendment No. 2**.

*House Amendment No. 2*

AMEND House Committee Substitute for House Bill No. 1516, Section A, Page 2, Line 15, by inserting after all of said section the following:

"192.667. 1. All health care providers shall at least annually provide to the department charge data as required by the department. All hospitals shall at least annually provide patient abstract data and financial data as required by the department. Hospitals as defined in section 197.020, RSMo, shall report patient abstract data for outpatients and inpatients. Within one year of August 28, 1992, ambulatory surgical centers as defined in section 197.200, RSMo, shall provide patient abstract data to the department. The department shall specify by rule the types of information which shall be submitted and the method of submission.

2. The department shall collect data on required nosocomial infection incidence rates from hospitals, ambulatory surgical centers, and other facilities as necessary to generate the reports required by this section. Hospitals, ambulatory surgical centers, and other facilities shall provide such data in compliance with this section.

3. No later than July 1, 2005, the department shall promulgate rules specifying the standards and procedures for the collection, analysis, risk adjustment, and reporting of nosocomial infection incidence rates and the types of infections and procedures to be monitored pursuant to subsection 12 of this section. In promulgating such rules, the department shall:

(1) Use methodologies and systems for data collection established by the federal Centers for Disease Control and Prevention National [Nosocomial Infection Surveillance System] **Healthcare Safety Network**, or its successor; and

(2) Consider the findings and recommendations of the infection control advisory panel established pursuant to section 197.165, RSMo.

4. The infection control advisory panel created by section 197.165, RSMo, shall make a recommendation to the department regarding the appropriateness of implementing all or part of the nosocomial infection data collection, analysis, and public reporting requirements of this act by authorizing hospitals, ambulatory surgical centers, and other facilities to participate in the federal Centers for Disease Control and Prevention's National [Nosocomial Infection Surveillance System] **Healthcare Safety Network**, or its successor. The advisory panel shall consider the following factors in developing its recommendation:

(1) Whether the public is afforded the same or greater access to facility-specific infection control indicators and rates than would be provided under subsections 2, 3, and 6 to 12 of this section;

(2) Whether the data provided to the public are subject to the same or greater accuracy of risk adjustment than would be provided under subsections 2, 3, and 6 to 12 of this section;

(3) Whether the public is provided with the same or greater specificity of reporting of infections by type of facility infections and procedures than would be provided under subsections 2, 3, and 6 to 12 of this section;

(4) Whether the data are subject to the same or greater level of confidentiality of the identity of an individual patient than would be provided under subsections 2, 3, and 6 to 12 of this section;

(5) Whether the National [Nosocomial Infection Surveillance System] **Healthcare Safety Network**, or its successor, has the capacity to receive, analyze, and report the required data for all facilities;

(6) Whether the cost to implement the nosocomial infection data collection and reporting system is the same or less than under subsections 2, 3, and 6 to 12 of this section.

5. Based on the affirmative recommendation of the infection control advisory panel, and provided that the requirements of subsection 12 of this section can be met, the department may or may not implement the federal Centers for Disease Control and Prevention [Nosocomial Infection Surveillance System] **National Healthcare Safety Network**, or its successor, as an alternative means of complying with the requirements of subsections 2, 3, and 6 to 12 of this section. If the department chooses to implement the use of the federal Centers for Disease Control Prevention [Nosocomial Infection Surveillance System] **National Healthcare Safety Network**, or its successor, as an alternative means of complying with the requirements of subsections 2, 3, and 6 to 12 of this section, it shall be a condition of licensure for hospitals and ambulatory surgical centers which opt to participate in the federal program to permit the federal program to disclose facility-specific data to the department as necessary to provide the public reports required by the department. Any hospital or ambulatory surgical center which does not voluntarily participate in the National [Nosocomial Infection Surveillance System] **Healthcare Safety Network**, or its successor, shall be required to abide by all of the requirements of subsections 2, 3, and 6 to 12 of this section.

6. The department shall not require the resubmission of data which has been submitted to the department of health and senior services or the department of social services under any other provision of law. The department of health and senior services shall accept data submitted by associations or related organizations on behalf of health care providers by entering into binding agreements negotiated with such associations or related organizations to obtain data required pursuant to section 192.665 and this section. A health care provider shall submit the required information to the department of health and senior services:

(1) If the provider does not submit the required data through such associations or related organizations;

(2) If no binding agreement has been reached within ninety days of August 28, 1992, between the department of health and senior services and such associations or related organizations; or

(3) If a binding agreement has expired for more than ninety days.

7. Information obtained by the department under the provisions of section 192.665 and this section shall not be public information. Reports and studies prepared by the department based upon such information shall be public information and may identify individual health care providers. The department of health and senior services may authorize the use of the data by other research organizations pursuant to the provisions of section 192.067. The department shall not use or release any information provided under section 192.665 and this section which would enable any person to determine any health care provider's negotiated discounts with specific preferred provider organizations or other managed care organizations. The department shall not release data in a form which could be used to identify a patient. Any violation of this subsection is a class A misdemeanor.

8. The department shall undertake a reasonable number of studies and publish information, including at least an annual consumer guide, in collaboration with health care providers, business coalitions and consumers based upon the information obtained pursuant to the provisions of section 192.665 and this section. The department shall allow all health care providers and associations and related organizations who have submitted data which will be used in any

report to review and comment on the report prior to its publication or release for general use. The department shall include any comments of a health care provider, at the option of the provider, and associations and related organizations in the publication if the department does not change the publication based upon those comments. The report shall be made available to the public for a reasonable charge.

9. Any health care provider which continually and substantially, as these terms are defined by rule, fails to comply with the provisions of this section shall not be allowed to participate in any program administered by the state or to receive any moneys from the state.

10. A hospital, as defined in section 197.020, RSMo, aggrieved by the department's determination of ineligibility for state moneys pursuant to subsection 9 of this section may appeal as provided in section 197.071, RSMo. An ambulatory surgical center as defined in section 197.200, RSMo, aggrieved by the department's determination of ineligibility for state moneys pursuant to subsection 9 of this section may appeal as provided in section 197.221, RSMo.

11. The department of health may promulgate rules providing for collection of data and publication of nosocomial infection incidence rates for other types of health facilities determined to be sources of infections; except that, physicians' offices shall be exempt from reporting and disclosure of infection incidence rates.

12. In consultation with the infection control advisory panel established pursuant to section 197.165, RSMo, the department shall develop and disseminate to the public reports based on data compiled for a period of twelve months. Such reports shall be updated quarterly and shall show for each hospital, ambulatory surgical center, and other facility a risk-adjusted nosocomial infection incidence rate for the following types of infection:

- (1) Class I surgical site infections;
- (2) Ventilator-associated pneumonia; **provided that, upon the recommendation of the infection control advisory panel one or more other quality indicators designed to better measure the risk of acquiring ventilator-associated pneumonia can be substituted for a risk-adjusted nosocomial infection incidence rate;**
- (3) Central line-related bloodstream infections;
- (4) Other categories of infections that may be established by rule by the department.

The department, in consultation with the advisory panel, shall be authorized to collect and report data on subsets of each type of infection described in this subsection.

13. In the event the provisions of this act are implemented by requiring hospitals, ambulatory surgical centers, and other facilities to participate in the federal Centers for Disease Control and Prevention National [Nosocomial Infection Surveillance System] **Healthcare Safety Network**, or its successor, the types of infections to be publicly reported shall be determined by the department by rule and shall be consistent with the infections tracked by the National Nosocomial Infection Surveillance System, or its successor.

14. Reports published pursuant to subsection 12 of this section shall be published on the department's Internet web site. The initial report shall be issued by the department not later than December 31, 2006. The reports shall be distributed at least annually to the governor and members of the general assembly.

15. The Hospital Industry Data Institute shall publish a report of Missouri hospitals' and ambulatory surgical centers' compliance with standardized quality of care measures established by the federal Centers for Medicare and Medicaid Services for prevention of infections related to surgical procedures. If the Hospital Industry Data Institute fails to do so by July 31, 2008, and annually thereafter, the department shall be authorized to collect information from the Centers for Medicare and Medicaid Services or from hospitals and ambulatory surgical centers and publish such information in accordance with subsection 14 of this section.

16. The data collected or published pursuant to this section shall be available to the department for purposes of licensing hospitals and ambulatory surgical centers pursuant to chapter 197, RSMo.

17. The department shall promulgate rules to implement the provisions of section 192.131 and sections 197.150 to 197.160, RSMo. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void."; and

Further amend said bill, Section 192.2253, Page 48, Line 4, by inserting after all of said section the following:

"197.150. **1.** The department shall require that each hospital, ambulatory surgical center, and other facility have in place procedures for monitoring and enforcing compliance with infection control regulations and standards. Such procedures shall be coordinated with administrative staff, personnel staff, and the quality improvement program. Such

procedures shall include, at a minimum, requirements for the facility's infection control program to conduct surveillance of personnel with a portion of the surveillance to be done in such manner that employees and medical staff are observed without their knowledge of such observation, provided that this unobserved surveillance requirement shall not be considered to be grounds for licensure enforcement action by the department until the department establishes clear and verifiable criteria for determining compliance. Such surveillance also may include monitoring of the rate of use of hand hygiene products.

**2. Beginning January 1, 2009, the department shall require every hospital licensed in this state to establish a methicillin-resistant staphylococcus aureus (MRSA) control program. The program shall be developed by the hospital's administrative staff, medical staff, and quality improvement program, and shall:**

**(1) Establish procedures to isolate identified MRSA-colonized and MRSA-infected patients or use alternative methods to reduce the risk of MRSA transmission when private rooms are not available;**

**(2) Establish procedures, protocols, and education for staff known to be MRSA-colonized or MRSA-infected;**

**(3) Establish an infection-control intervention protocol that includes at a minimum the following elements:**

**(a) Infection control precautions, based on nationally recognized standards, for general surveillance of infected or colonized patients;**

**(b) Intervention protocols based on evidence-based standards;**

**(c) Physical plant operations related to infection control and environmental cleaning;**

**(d) Strict hand washing hygiene protocols and the use of contact barriers;**

**(e) Appropriate use of antimicrobial agents; and**

**(f) Mandatory educational programs for personnel."; and**

Representative Ruestman offered **House Amendment No. 3**.

*House Amendment No. 3*

AMEND House Committee Substitute for House Bill No. 1516, Section 208.909, Page 59, Line 37, by inserting after all of said line the following:

**"210.305. 1. If emergency placement of a child in a private home is deemed necessary, the children's division shall make diligent efforts to contact and place the child with a grandparent or grandparents of the child, except when the children's division determines that placement with a grandparent or grandparents is not in the best interest of the child. Such an emergency placement with a grandparent or grandparents shall be subject to the provisions of section 210.482 regarding background checks for emergency placements.**

**2. For purposes of this section, the following terms shall mean:**

**(1) "Diligent efforts", a good faith attempt by the children's division, which exercises reasonable efforts and care to utilize all available services and resources related to meeting the ongoing health and safety needs of the child, to locate a grandparent or grandparents of the child after all of the child's physical health needs have been attended to by the children's division;**

**(2) "Emergency placement", those limited instances when the children's division is placing a child in the home of private individuals, including neighbors, friends, or relatives, as a result of a sudden unavailability of the child's primary caretaker.**

**3. Diligent efforts shall be made, if possible, to contact the grandparent or grandparents of the child within three hours from the time the emergency placement is deemed necessary for the child. If a grandparent or grandparents of the child cannot be located within the three-hour period, the child may be placed in a foster home; except that, during the initial twenty-four-hour period after the emergency placement is deemed necessary, the children's division shall continue to make diligent efforts to locate and place the child with a grandparent or grandparents.**

210.565. 1. Whenever a child is placed in a foster home and the court has determined pursuant to subsection 3 of this section that foster home placement with relatives is not contrary to the best interest of the child, the children's division shall give foster home placement to relatives of the child. Notwithstanding any rule of the division to the contrary, **the children's division shall make diligent efforts to locate the grandparents of the child and determine whether they wish to be considered for placement of the child.** Grandparents who request consideration shall be given preference and first consideration for foster home placement **of the child.**

2. As used in this section, the term "relative" means a **grandparent or any other** person related to another by blood or affinity within the third degree. The status of a grandparent shall not be affected by the death or the dissolution of the marriage of a son or daughter.

3. The preference for placement with **grandparents or other** relatives created by this section shall only apply where the court finds that placement with such **grandparents or other** relatives is not contrary to the best interest of the child considering all circumstances. If the court finds that it is contrary to the best interest of a child to be placed with **grandparents or other** relatives, the court shall make specific findings on the record detailing the reasons why the best interests of the child necessitate placement of the child with persons other than **grandparents or other** relatives.

4. The age of the child's **grandparent or other** relative shall not be the only factor that the children's division takes into consideration when it makes placement decisions and recommendations to the court about placing the child with such **grandparent or other** relative.

5. For any Native American child placed in protective custody, the children's division shall comply with the placement requirements set forth in 25 U.S.C. Section 1915.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

5. All skilled nursing and intermediate care facilities not required prior to August 28, 2007, to install and maintain an approved sprinkler system shall install and maintain an approved sprinkler system in accordance with NFPA

13 by December 31, 2012, unless the facility receives an exemption from the department and presents evidence in writing from a certified sprinkler system representative or licensed engineer that the facility is unable to install an approved [National Fire Protection Association] **NFPA 13** system due to the unavailability of water supply requirements associated with this system or the facility meets the safety requirements of Chapter 33 of existing residential board and care occupancies of NFPA 101 life safety code.

(1) Ten years for those facilities approved for the loan and whose average total reimbursement rate for the care of persons eligible for Medicaid public assistance is equal to forty-eight and no more than forty-nine dollars per day;

(2) Eight years for those facilities approved for the loan and whose average total reimbursement rate for the care of persons eligible for Medicaid public assistance is greater than forty-nine and no more than fifty-two dollars per day; or

(3) Five years for those facilities approved for the loan and whose average total reimbursement rate for the care of persons eligible for Medicaid public assistance is greater than fifty-two dollars per day.

(4) No payments or interest shall be due until the average total reimbursement rate for the care of persons eligible for Medicaid public assistance is equal to or greater than forty-eight dollars.

7. A complete fire alarm system shall include, but not be limited to, interconnected smoke detectors throughout the facility, automatic transmission to the fire department, dispatching agency, or central monitoring company, manual pull stations at each required exit and attendant's station, heat detectors, and audible and visual alarm indicators.

(2) In addition, each floor accessed by residents shall be divided into at least two smoke sections by one-hour rated smoke partitions. No smoke section shall exceed one hundred fifty feet in length. If neither the length nor the width of the floor exceeds seventy-five feet, no smoke-stop partition shall be required. Facilities initially licensed on or after August 28, 2007, shall comply with such requirements beginning August 28, 2007, or on the effective date of licensure.

(3) Except as otherwise provided in this subsection, the requirements for complete fire alarm systems and smoke sections shall be enforceable on December 31, 2008.

8. The requirements of this section shall be construed to supersede the provisions of section 198.058 relating to the exemption of facilities from construction standards.

9. Fire safety inspections of facilities licensed under this chapter for compliance with this section shall be conducted annually by the state fire marshal [if such inspections are not available to be conducted by local fire protection districts or fire departments. The provisions of this section shall be enforced by the state fire marshal or by the local fire protection district or fire department, depending on which entity conducted the inspection] **or by local fire protection districts or fire departments if such districts or departments are deemed qualified to conduct facility inspections by the state fire marshal. The state fire marshal shall report the results of facility inspections to the department in order for the department to make licensure and other appropriate decisions.**

10. By July 1, [2008] **2009**, all facilities licensed under this chapter shall submit a plan for compliance with the provisions of this section to the state fire marshal.

2. Qualifying facilities shall make an application to the department of health and senior services upon forms provided by the department. **Such application and loan shall be available to facilities by January 1, 2009.** Upon receipt of an application for a loan, the department shall review the application and advise the governor before state funds are allocated for a loan. For purposes of this section, a "qualifying facility" shall mean a facility licensed under this chapter that is in substantial compliance. "Substantial compliance" shall mean a facility that has no uncorrected deficiencies and is in compliance with department of health and senior services rules and regulations governing such facility.

*House Amendment No. 7*

AMEND House Committee Substitute for House Bill No. 1516, Section 198.708, Page 58, Line 14, by inserting after all of said section the following:

"208.152. 1. MO HealthNet payments shall be made on behalf of those eligible needy persons as defined in section 208.151 who are unable to provide for it in whole or in part, with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the MO HealthNet division, unless otherwise hereinafter provided, for the following:

(1) Inpatient hospital services, except to persons in an institution for mental diseases who are under the age of sixty-five years and over the age of twenty-one years; provided that the MO HealthNet division shall provide through rule and regulation an exception process for coverage of inpatient costs in those cases requiring treatment beyond the seventy-fifth percentile professional activities study (PAS) or the MO HealthNet children's diagnosis length-of-stay schedule; and provided further that the MO HealthNet division shall take into account through its payment system for hospital services the situation of hospitals which serve a disproportionate number of low-income patients;

(2) All outpatient hospital services, payments therefor to be in amounts which represent no more than eighty percent of the lesser of reasonable costs or customary charges for such services, determined in accordance with the principles set forth in Title XVIII A and B, Public Law 89-97, 1965 amendments to the federal Social Security Act (42 U.S.C. 301, et seq.), but the MO HealthNet division may evaluate outpatient hospital services rendered under this section and deny payment for services which are determined by the MO HealthNet division not to be medically necessary, in accordance with federal law and regulations;

(3) Laboratory and X-ray services;

(4) Nursing home services for participants, except to persons with more than five hundred thousand dollars equity in their home or except for persons in an institution for mental diseases who are under the age of sixty-five years, when residing in a hospital licensed by the department of health and senior services or a nursing home licensed by the department of health and senior services or appropriate licensing authority of other states or government-owned and -operated institutions which are determined to conform to standards equivalent to licensing requirements in Title XIX of the federal Social Security Act (42 U.S.C. 301, et seq.), as amended, for nursing facilities. The MO HealthNet division may recognize through its payment methodology for nursing facilities those nursing facilities which serve a high volume of MO HealthNet patients. The MO HealthNet division when determining the amount of the benefit payments to be made on behalf of persons under the age of twenty-one in a nursing facility may consider nursing facilities furnishing care to persons under the age of twenty-one as a classification separate from other nursing facilities;

(5) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection for those days, which shall not exceed twelve per any period of six consecutive months, during which the participant is on a temporary leave of absence from the hospital or nursing home, provided that no such participant shall be allowed a temporary leave of absence unless it is specifically provided for in his plan of care. As used in this subdivision, the term "temporary leave of absence" shall include all periods of time during which a participant is away from the hospital or nursing home overnight because he is visiting a friend or relative;

(6) Physicians' services, whether furnished in the office, home, hospital, nursing home, or elsewhere;

(7) Drugs and medicines when prescribed by a licensed physician, dentist, or podiatrist; except that no payment for drugs and medicines prescribed on and after January 1, 2006, by a licensed physician, dentist, or podiatrist may be made on behalf of any person who qualifies for prescription drug coverage under the provisions of P.L. 108-173;

(8) Emergency ambulance services and, effective January 1, 1990, medically necessary transportation to scheduled, physician-prescribed nonelective treatments;

(9) Early and periodic screening and diagnosis of individuals who are under the age of twenty-one to ascertain their physical or mental defects, and health care, treatment, and other measures to correct or ameliorate defects and chronic conditions discovered thereby. Such services shall be provided in accordance with the provisions of Section 6403 of P.L. 101-239 and federal regulations promulgated thereunder;

(10) Home health care services;

(11) Family planning as defined by federal rules and regulations; provided, however, that such family planning services shall not include abortions unless such abortions are certified in writing by a physician to the MO HealthNet agency that, in his professional judgment, the life of the mother would be endangered if the fetus were carried to term;

(12) Inpatient psychiatric hospital services for individuals under age twenty-one as defined in Title XIX of the federal Social Security Act (42 U.S.C. 1396d, et seq.);

(13) Outpatient surgical procedures, including presurgical diagnostic services performed in ambulatory surgical facilities which are licensed by the department of health and senior services of the state of Missouri; except, that such

outpatient surgical services shall not include persons who are eligible for coverage under Part B of Title XVIII, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended, if exclusion of such persons is permitted under Title XIX, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended;

(14) Personal care services which are medically oriented tasks having to do with a person's physical requirements, as opposed to housekeeping requirements, which enable a person to be treated by his physician on an outpatient rather than on an inpatient or residential basis in a hospital, intermediate care facility, or skilled nursing facility. Personal care services shall be rendered by an individual not a member of the participant's family who is qualified to provide such services where the services are prescribed by a physician in accordance with a plan of treatment and are supervised by a licensed nurse. Persons eligible to receive personal care services shall be those persons who would otherwise require placement in a hospital, intermediate care facility, or skilled nursing facility. Benefits payable for personal care services shall not exceed for any one participant one hundred percent of the average statewide charge for care and treatment in an intermediate care facility for a comparable period of time. Such services, when delivered in a residential care facility or assisted living facility licensed under chapter 198, RSMo, shall be authorized on a tier level based on the services the resident requires and the frequency of the services. A resident of such facility who qualifies for assistance under section 208.030 shall, at a minimum, if prescribed by a physician, qualify for the tier level with the fewest services. The rate paid to providers for each tier of service shall be set subject to appropriations. Subject to appropriations, each resident of such facility who qualifies for assistance under section 208.030 and meets the level of care required in this section shall, at a minimum, if prescribed by a physician, be authorized up to one hour of personal care services per day. Authorized units of personal care services shall not be reduced or tier level lowered unless an order approving such reduction or lowering is obtained from the resident's personal physician. Such authorized units of personal care services or tier level shall be transferred with such resident if her or she transfers to another such facility. Such provision shall terminate upon receipt of relevant waivers from the federal Department of Health and Human Services. If the Centers for Medicare and Medicaid Services determines that such provision does not comply with the state plan, this provision shall be null and void. The MO HealthNet division shall notify the revisor of statutes as to whether the relevant waivers are approved or a determination of noncompliance is made;

(15) Mental health services. The state plan for providing medical assistance under Title XIX of the Social Security Act, 42 U.S.C. 301, as amended, shall include the following mental health services when such services are provided by community mental health facilities operated by the department of mental health or designated by the department of mental health as a community mental health facility or as an alcohol and drug abuse facility or as a child-serving agency within the comprehensive children's mental health service system established in section 630.097, RSMo. The department of mental health shall establish by administrative rule the definition and criteria for designation as a community mental health facility and for designation as an alcohol and drug abuse facility. Such mental health services shall include:

(a) Outpatient mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(b) Clinic mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(c) Rehabilitative mental health and alcohol and drug abuse services including home and community-based preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health or alcohol and drug abuse professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management. As used in this section, mental health professional and alcohol and drug abuse professional shall be defined by the department of mental health pursuant to duly promulgated rules.

With respect to services established by this subdivision, the department of social services, MO HealthNet division, shall enter into an agreement with the department of mental health. Matching funds for outpatient mental health services, clinic mental health services, and rehabilitation services for mental health and alcohol and drug abuse shall be certified by the department of mental health to the MO HealthNet division. The agreement shall establish a mechanism for the joint implementation of the provisions of this subdivision. In addition, the agreement shall establish a mechanism by which rates for services may be jointly developed;

(16) Such additional services as defined by the MO HealthNet division to be furnished under waivers of federal statutory requirements as provided for and authorized by the federal Social Security Act (42 U.S.C. 301, et seq.) subject to appropriation by the general assembly;

(17) Beginning July 1, 1990, the services of a certified pediatric or family nursing practitioner with a collaborative practice agreement to the extent that such services are provided in accordance with chapters 334 and 335, RSMo, and regulations promulgated thereunder;

(18) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection to reserve a bed for the participant in the nursing home during the time that the participant is absent due to admission to a hospital for services which cannot be performed on an outpatient basis, subject to the provisions of this subdivision:

(a) The provisions of this subdivision shall apply only if:

a. The occupancy rate of the nursing home is at or above ninety-seven percent of MO HealthNet certified licensed beds, according to the most recent quarterly census provided to the department of health and senior services which was taken prior to when the participant is admitted to the hospital; and

b. The patient is admitted to a hospital for a medical condition with an anticipated stay of three days or less;

(b) The payment to be made under this subdivision shall be provided for a maximum of three days per hospital stay;

(c) For each day that nursing home costs are paid on behalf of a participant under this subdivision during any period of six consecutive months such participant shall, during the same period of six consecutive months, be ineligible for payment of nursing home costs of two otherwise available temporary leave of absence days provided under subdivision (5) of this subsection; and

(d) The provisions of this subdivision shall not apply unless the nursing home receives notice from the participant or the participant's responsible party that the participant intends to return to the nursing home following the hospital stay. If the nursing home receives such notification and all other provisions of this subsection have been satisfied, the nursing home shall provide notice to the participant or the participant's responsible party prior to release of the reserved bed;

(19) Prescribed medically necessary durable medical equipment. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(20) Hospice care. As used in this subsection, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(21) Prescribed medically necessary dental services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(22) Prescribed medically necessary optometric services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(23) The MO HealthNet division shall, by January 1, 2008, and annually thereafter, report the status of MO HealthNet provider reimbursement rates as compared to one hundred percent of the Medicare reimbursement rates and compared to the average dental reimbursement rates paid by third-party payors licensed by the state. The MO HealthNet division shall, by July 1, 2008, provide to the general assembly a four-year plan to achieve parity with Medicare reimbursement rates and for third-party payor average dental reimbursement rates. Such plan shall be subject to appropriation and the division shall include in its annual budget request to the governor the necessary funding needed to complete the four-year plan developed under this subdivision;

**(24) (a) Subject to appropriations, home nursing visits for newborn infants. Such nursing services shall consist of home visits by registered nurses designed to prevent infant mortality, child abuse and neglect for at-risk infants by providing health care, health education, and positive parenting skills, and shall be capable of providing follow-up care as needed until the infant's second birthday. For purposes of this subdivision, "at risk" may include infants born medically fragile, chemically dependent, or deemed by the treating physician as displaying**

failure to thrive or born to a chemically dependent mother, a teenage mother, a mentally or physically challenged mother, or into a family where there has been a history of prior premature births, abuse or neglect, or domestic violence.

(b) Such services shall be developed as a three-year pilot project in a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, in a county of the first classification with more than eighty-five thousand but fewer than eighty-seven thousand inhabitants, and in a county of the first classification with more than two hundred forty thousand three hundred but fewer than two hundred forty thousand four hundred inhabitants, with no more than five hundred thousand dollars to be expended in each county.

(c) The division shall request appropriate waivers or state plan amendments from the Secretary of the federal Department of Health and Human Services to carry out the requirements of this section.

2. Additional benefit payments for medical assistance shall be made on behalf of those eligible needy children, pregnant women and blind persons with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the division of medical services, unless otherwise hereinafter provided, for the following:

- (1) Dental services;
- (2) Services of podiatrists as defined in section 330.010, RSMo;
- (3) Optometric services as defined in section 336.010, RSMo;
- (4) Orthopedic devices or other prosthetics, including eye glasses, dentures, hearing aids, and wheelchairs;
- (5) Hospice care. As used in this subsection, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(6) Comprehensive day rehabilitation services beginning early posttrauma as part of a coordinated system of care for individuals with disabling impairments. Rehabilitation services must be based on an individualized, goal-oriented, comprehensive and coordinated treatment plan developed, implemented, and monitored through an interdisciplinary assessment designed to restore an individual to optimal level of physical, cognitive, and behavioral function. The MO HealthNet division shall establish by administrative rule the definition and criteria for designation of a comprehensive day rehabilitation service facility, benefit limitations and payment mechanism. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this subdivision shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

3. The MO HealthNet division may require any participant receiving MO HealthNet benefits to pay part of the charge or cost until July 1, 2008, and an additional payment after July 1, 2008, as defined by rule duly promulgated by the MO HealthNet division, for all covered services except for those services covered under subdivisions (14) and (15) of subsection 1 of this section and sections 208.631 to 208.657 to the extent and in the manner authorized by Title XIX of the federal Social Security Act (42 U.S.C. 1396, et seq.) and regulations thereunder. When substitution of a generic drug is permitted by the prescriber according to section 338.056, RSMo, and a generic drug is substituted for a name-brand drug, the MO HealthNet division may not lower or delete the requirement to make a co-payment pursuant to regulations of Title XIX of the federal Social Security Act. A provider of goods or services described under this section must collect from all participants the additional payment that may be required by the MO HealthNet division under authority granted herein, if the division exercises that authority, to remain eligible as a provider. Any payments made by participants under this section shall be in addition to and not in lieu of payments made by the state for goods or services described herein except the participant portion of the pharmacy professional dispensing fee shall be in addition to and not in lieu of payments to pharmacists. A provider may collect the co-payment at the time a service is provided or at a later date. A provider shall not refuse to provide a service if a participant is unable to pay a required payment. If it is the routine business practice of a provider to terminate future services to an individual with an

unclaimed debt, the provider may include uncollected co-payments under this practice. Providers who elect not to undertake the provision of services based on a history of bad debt shall give participants advance notice and a reasonable opportunity for payment. A provider, representative, employee, independent contractor, or agent of a pharmaceutical manufacturer shall not make co-payment for a participant. This subsection shall not apply to other qualified children, pregnant women, or blind persons. If the Centers for Medicare and Medicaid Services does not approve the Missouri MO HealthNet state plan amendment submitted by the department of social services that would allow a provider to deny future services to an individual with uncollected co-payments, the denial of services shall not be allowed. The department of social services shall inform providers regarding the acceptability of denying services as the result of unpaid co-payments.

4. The MO HealthNet division shall have the right to collect medication samples from participants in order to maintain program integrity.

5. Reimbursement for obstetrical and pediatric services under subdivision (6) of subsection 1 of this section shall be timely and sufficient to enlist enough health care providers so that care and services are available under the state plan for MO HealthNet benefits at least to the extent that such care and services are available to the general population in the geographic area, as required under subparagraph (a)(30)(A) of 42 U.S.C. 1396a and federal regulations promulgated thereunder.

6. Beginning July 1, 1990, reimbursement for services rendered in federally funded health centers shall be in accordance with the provisions of subsection 6402(c) and Section 6404 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989) and federal regulations promulgated thereunder.

7. Beginning July 1, 1990, the department of social services shall provide notification and referral of children below age five, and pregnant, breast-feeding, or postpartum women who are determined to be eligible for MO HealthNet benefits under section 208.151 to the special supplemental food programs for women, infants and children administered by the department of health and senior services. Such notification and referral shall conform to the requirements of Section 6406 of P.L. 101-239 and regulations promulgated thereunder.

8. Providers of long-term care services shall be reimbursed for their costs in accordance with the provisions of Section 1902 (a)(13)(A) of the Social Security Act, 42 U.S.C. 1396a, as amended, and regulations promulgated thereunder.

9. Reimbursement rates to long-term care providers with respect to a total change in ownership, at arm's length, for any facility previously licensed and certified for participation in the MO HealthNet program shall not increase payments in excess of the increase that would result from the application of Section 1902 (a)(13)(C) of the Social Security Act, 42 U.S.C. 1396a (a)(13)(C).

10. The MO HealthNet division, may enroll qualified residential care facilities and assisted living facilities, as defined in chapter 198, RSMo, as MO HealthNet personal care providers.

11. Any income earned by individuals eligible for certified extended employment at a sheltered workshop under chapter 178, RSMo, shall not be considered as income for purposes of determining eligibility under this section."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

*House Amendment No. 1*

AMEND House Committee Substitute for House Bill No. 1990, Section 191.890, Page 3, Line 52, by inserting after all of said line the following:

“354.618. 1. A health carrier shall be required to offer as an additional health plan, an open referral health plan whenever it markets a gatekeeper group plan as an exclusive or full replacement health plan offering to a group contract holder:

(1) In the case of group health plans offered to employers of fifty or fewer employees, the decision to accept or reject the additional open referral plan offering shall be made by the group contract holder. For health plans marketed to employers of over fifty employees, the decision to accept or reject shall be made by the employee;

(2) Contracts currently in existence shall offer the additional open referral health plan at the next annual renewal after August 28, 1997; however, multiyear group contracts need not comply until the expiration of their current multiyear term unless the group contract holder elects to comply before that time;

(3) If an employer provides more than one health plan to its employees and at least one is an open referral plan, then all health benefit plans offered by such employer shall be exempt from the requirements of this section.

2. For the purposes of this act, the following terms shall mean:

(1) "Open referral plan", a plan in which the enrollee is allowed to obtain treatment for covered benefits without a referral from a primary care physician from any person licensed to provide such treatment;

(2) "Gatekeeper group plan", a plan in which the enrollee is required to obtain a referral from a primary care professional in order to access specialty care.

3. Any health benefit plan provided pursuant to the Medicaid program shall be exempt from the requirements of this section.

4. A health carrier shall have a procedure by which a female enrollee may seek the health care services of an obstetrician/gynecologist at least once a year without first obtaining prior approval from the enrollee's primary care provider if the benefits are covered under the enrollee's health benefit plan, and the obstetrician/gynecologist is a member of the health carrier's network. In no event shall a health carrier be required to permit an enrollee to have health care services delivered by a nonparticipating obstetrician/gynecologist. An obstetrician/gynecologist who delivers health care services directly to an enrollee shall report such visit and health care services provided to the enrollee's primary care provider. A health carrier may require an enrollee to obtain a referral from the primary care physician, if such enrollee requires more than one annual visit with an obstetrician/gynecologist.

[5. Except for good cause, a health carrier shall be prohibited either directly, or indirectly through intermediaries, from discriminating between eye care providers when selecting among providers of health services for enrollment in the network and when referring enrollees for health services provided within the scope of those professional licenses and when reimbursing amounts for covered services among persons duly licensed to provide such services. For the purposes of this section, an eye care provider may be either an optometrist licensed pursuant to chapter 336, RSMo, or a physician who specializes in ophthalmologic medicine, licensed pursuant to chapter 334, RSMo.]

[6]5. Nothing contained in this section shall be construed as to require a health carrier to pay for health care services not provided for in the terms of a health benefit plan.

[7]6. Any health carrier, which is sponsored by a federally qualified health center and is presently in existence and which has been in existence for less than three years shall be exempt from this section for a period not to exceed two years from August 28, 1997.

[8]7. A health carrier shall not be required to offer the direct access rider for a group contract holder's health benefit plan if the health benefit plan is being provided pursuant to the terms of a collective bargaining agreement with a labor union, in accordance with federal law and the labor union has declined such option on behalf of its members.

[9]8. Nothing in this act shall be construed to preempt the employer's right to select the health care provider pursuant to section 287.140, RSMo, in a case where an employee incurs a work-related injury covered by the provisions of chapter 287, RSMo.

[10]9. Nothing contained in this act shall apply to certified managed care organizations while providing medical treatment to injured employees entitled to receive health benefits under chapter 287, RSMo, pursuant to contractual arrangements with employers, or their insurers, under section 287.135, RSMo.

**354.619. 1. Except for good cause, a health carrier shall be prohibited either directly, or indirectly through intermediaries, from discriminating between eye care providers when selecting among providers of health services for enrollment in the network and when referring enrollees for health services provided within the scope of those professional licenses and when reimbursing amounts for covered services among persons duly licensed to provide such services. For the purposes of this section, an eye care provider may be either an optometrist licensed pursuant to chapter 336, RSMo, or a physician who specializes in ophthalmologic medicine, licensed pursuant to chapter 334, RSMo.**

**2. A health carrier shall not directly or indirectly through intermediaries refuse to select an eye care provider for the network solely on the grounds that:**

**(1) not all eye care providers in a group practice agree to participate in the health carrier's provider network; or**

**(2) the provider is not a retailer of frames and corrective lenses.**

**3. If optometric services are being provided in connection to a treatment plan for corrective surgery, then a health carrier shall not directly or indirectly through intermediaries refuse to select an eye care provider for the network, refuse to refer an enroll for health services provided within the scope of an eye care provider's license or reimburse for covered services in a discriminatory manner.**

**4. A health carrier may not require a licensed optometrist who provides basic medical eye care to participate solely through an intermediary if that health carrier permits ophthalmologists to contract directly with the health carrier."; and**

(6) Any person whose health insurance coverage is involuntarily terminated for any reason other than nonpayment of premium or fraud, and who is not otherwise ineligible under subdivision (4) of subsection 3 of this section. If application for pool coverage is made not later than sixty-three days after the involuntary termination, the effective date of the coverage shall be the date of termination of the previous coverage;

(7) Any person whose premiums for health insurance coverage have increased above the rate established by the board under paragraph (a) of subdivision (1) of subsection 3 of this section;

(8) Any person currently insured who would have qualified as a federally defined eligible individual or a trade act eligible individual between the effective date of the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the effective date of this act;

**(9) Any person who has exhausted his or her maximum in benefits from a health insurer.**

3. The following individual persons shall not be eligible for coverage under the pool:

(1) Persons who have, on the date of issue of coverage by the pool, or obtain coverage under health insurance or an insurance arrangement substantially similar to or more comprehensive than a plan policy, or would be eligible to have coverage if the person elected to obtain it, except that:

(a) This exclusion shall not apply to a person who has such coverage but whose premiums have increased to [one hundred fifty percent to] **beyond the eligibility limit set by the board. The board shall not set the eligibility limit in excess of** two hundred percent of rates established by the board as applicable for individual standard risks[. After December 31, 2009, this exclusion shall not apply to a person who has such coverage but whose premiums have increased to three hundred percent or more of rates established by the board as applicable for individual standard risks];

(b) A person may maintain other coverage for the period of time the person is satisfying any preexisting condition waiting period under a pool policy; and

(c) A person may maintain plan coverage for the period of time the person is satisfying a preexisting condition waiting period under another health insurance policy intended to replace the pool policy;

(2) Any person who is at the time of pool application receiving health care benefits under section 208.151, RSMo;

(3) Any person having terminated coverage in the pool unless twelve months have elapsed since such termination, unless such person is a federally defined eligible individual;

(4) Any person on whose behalf the pool has paid out [one] **two** million dollars in benefits;

(5) Inmates or residents of public institutions, unless such person is a federally defined eligible individual, and persons eligible for public programs;

(6) Any person whose medical condition which precludes other insurance coverage is directly due to alcohol or drug abuse or self-inflicted injury, unless such person is a federally defined eligible individual or a trade act eligible individual;

(7) Any person who is eligible for Medicare coverage.

4. Any person who ceases to meet the eligibility requirements of this section may be terminated at the end of such person's policy period.

5. If an insurer issues one or more of the following or takes any other action based wholly or partially on medical underwriting considerations which is likely to render any person eligible for pool coverage, the insurer shall notify all persons affected of the existence of the pool, as well as the eligibility requirements and methods of applying for pool coverage:

(1) A notice of rejection or cancellation of coverage;

(2) A notice of reduction or limitation of coverage, including restrictive riders, if the effect of the reduction or limitation is to substantially reduce coverage compared to the coverage available to a person considered a standard risk for the type of coverage provided by the plan.

**6. When an insurer determines an insured has exhausted eighty-five percent of his or her total lifetime benefits, the insurer shall notify any affected person of the existence of the pool, of the person's eligibility for the pool when all lifetime benefits have been exhausted, and of methods of applying for pool coverage. When any affected person has exhausted one hundred percent of his or her total lifetime benefits, the insurer shall notify the affected person of his or her eligibility for pool coverage and of the methods of applying for such coverage. The insurer shall provide a copy of such notice to the pool with the name and address of such affected person.**

376.986. 1. The pool shall offer major medical expense coverage to every person eligible for coverage under section 376.966 **and may offer other health plans that the board determines to be in the best interest of the individuals covered under the pool.** The coverage to be issued by the pool and its schedule of benefits, exclusions and other limitations, shall be established by the board with the advice and recommendations of the pool members, and such plan of pool coverage shall be submitted to the director for approval. The pool shall also offer coverage for drugs and supplies requiring a medical prescription and coverage for patient education services, to be provided at the direction of a physician, encompassing the provision of information, therapy, programs, or other services on an inpatient or outpatient basis, designed to restrict, control, or otherwise cause remission of the covered condition, illness or defect.

2. In establishing the pool coverage the board shall take into consideration the levels of health insurance provided in this state and medical economic factors as may be deemed appropriate, and shall promulgate benefit levels, deductibles, coinsurance factors, exclusions and limitations determined to be generally reflective of and commensurate with health insurance provided through a representative number of insurers in this state.

3. The pool shall establish premium rates for pool coverage as provided in [subsection 4] **subsections 4 and 5** of this section. Separate schedules of premium rates based on age, sex and geographical location may apply for individual risks. Premium rates and schedules shall be submitted to the director for approval prior to use.

4. The pool, with the assistance of the director, shall determine the standard risk rate by considering the premium rates charged by other insurers offering health insurance coverage to individuals. The standard risk rate shall be established using reasonable actuarial techniques and shall reflect anticipated experience and expenses for such coverage. [Initial rates for pool coverage shall not be less than one hundred twenty-five percent of rates established as applicable for individual standard risks.] Subject to the limits provided in this subsection, [subsequent] rates shall be established **in accordance with the premium rate schedule in subsection 5 of this section** to provide fully for the expected costs of claims including recovery of prior losses, expenses of operation, investment income of claim reserves, and any other cost factors subject to the limitations described herein. In no event shall pool rates exceed the following:

(1) For federally defined eligible individuals and trade act eligible individuals, rates shall be equal to the percent of rates applicable to individual standard risks actuarially determined to be sufficient to recover the sum of the cost of benefits paid under the pool for federally defined and trade act eligible individuals plus the proportion of the pool's administrative expense applicable to federally defined and trade act eligible individuals enrolled for pool coverage, provided that such rates shall not exceed [one hundred fifty percent of rates applicable to individual standard risks] **the limits established in subsection 5 of this section; and**

(2) For all other individuals covered under the pool, [one hundred fifty percent of rates] **the rate limits established under subsection 5 of this section** applicable to individual standard risks.

5. **Premium rates for pool coverage shall be established in accordance with the following schedule:**

(1) **For individuals with incomes of less than three hundred percent of the federal poverty level, a premium rate equal to the standard risk rates;**

(2) **For individuals with incomes of three hundred percent of the federal poverty level or more, a sliding scale premium rate based on income which is between one hundred and one hundred twenty-five percent of the standard risk rates established by rule.**

6. Pool coverage established pursuant to this section shall provide an appropriate high and low deductible to be selected by the pool applicant. The deductibles and coinsurance factors may be adjusted annually in accordance with the medical component of the consumer price index.

[6.] 7. Pool coverage shall exclude charges or expenses incurred during the first [twelve] **six** months following the effective date of coverage as to any condition for which medical advice, care or treatment was recommended or received as to such condition during the six-month period immediately preceding the effective date of coverage. Such preexisting condition exclusions shall be waived to the extent to which similar exclusions, if any, have been satisfied under any prior health insurance coverage which was involuntarily terminated, if application for pool coverage is made not later than sixty-three days following such involuntary termination and, in such case, coverage in the pool shall be effective from the date on which such prior coverage was terminated.

[7.] 8. No preexisting condition exclusion shall be applied to the following:

(1) A federally defined eligible individual who has not experienced a significant gap in coverage; or  
 (2) A trade act eligible individual who maintained creditable health insurance coverage for an aggregate period of three months prior to loss of employment and who has not experienced a significant gap in coverage since that time.

[8.] 9. Benefits otherwise payable under pool coverage shall be reduced by all amounts paid or payable through any other health insurance, or insurance arrangement, and by all hospital and medical expense benefits paid or payable under any workers' compensation coverage, automobile medical payment or liability insurance whether provided on the basis of fault or nonfault, and by any hospital or medical benefits paid or payable under or provided pursuant to any state or federal law or program except Medicaid. The insurer or the pool shall have a cause of action against an eligible

person for the recovery of the amount of benefits paid which are not for covered expenses. Benefits due from the pool may be reduced or refused as a setoff against any amount recoverable under this subsection.

[9.] **10.** Medical expenses shall include expenses for comparable benefits for those who rely solely on spiritual means through prayer for healing."; and

Further amend said bill, Section 376.1373, Page 4, Line 69, by inserting after all of said section the following:

"[376.990. The board of directors of the state health insurance pool is hereby directed to conduct a study regarding the financing of the state health insurance pool. Such study shall include, but not be limited to, research and findings of how other states finance their state high-risk pools. The study shall consider alternative assessment approaches to the current assessment method employed in section 376.975. In addition to studying alternative financing mechanisms employed by other state high-risk pools, the board shall explore the ramifications of eliminating or reducing a carrier's ability to offset their assessments against their premium tax liability. The polestar of the study shall be establishing a stable funding source for the Missouri state health insurance pool while providing adequate health insurance coverage to Missouri's uninsurable population. The board of directors of the state health insurance pool shall submit a report of its findings and recommendations to each member of the general assembly no later than January 1, 2008.]" and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

# JOURNAL OF THE HOUSE

(We are at the end of Administrative Professionals Week)

Almighty God, we praise and thank You for the grace and help of the Holy Spirit, which comes to us through the goodness and graciousness of those who assist us. Thank You for those who assist us, are our aides, do the secretarial work, those who have the necessary technical skills. We ask Your blessing upon them for doing what we delegate, remembering what we forget, making us look good.

As we complete this week's work in this Assembly, help us to do so with great justice, fairness and courage.

As we leave this Assembly for the weekend, give us peaceful rest we need, and help us to accomplish efficiently the remaining work that must be done.

To You, Almighty God, be glory and honor forever. Amen.

## **MESSAGES FROM THE SENATE**

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 29**.

### **SENATE CONCURRENT RESOLUTION NO. 29**

WHEREAS, the United States Department of Agriculture's National Agricultural Statistics Service collects and publishes information on the prices and inventories of rice; and

WHEREAS, this information is used for estimations of farm income and determinations of government program payments to farmers; and

WHEREAS, it is essential to the rice industry that the estimations of farm income and determinations of government program payments more accurately reflect the current market prices and stocks of rice:

NOW, THEREFORE, BE IT RESOLVED that the members of the Missouri Senate, Ninety-Fourth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby request that the United States Department of Agriculture's National Agricultural Statistics Service add the dates of June 1 and September 1 as additional reporting dates to the "Agricultural Statistics Board" calendar to more accurately reflect prices and stocks; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare a properly inscribed copy of this resolution for the United States Secretary of Agriculture, the United States Department of Agriculture's National Agriculture Statistics Service, and to each member of Missouri's Congressional delegation.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 31**.

SENATE CONCURRENT RESOLUTION NO. 31

WHEREAS, Chamois, Missouri, is a community located along the Missouri River in northern Osage County which has no means to cross the river except by way of bridges located approximately 45 miles to the west and 30 miles to the east; and

WHEREAS, the people who live in Chamois incur increasingly high costs using present routes in order to reach destinations on the north side of the Missouri River for employment, recreation, and business; and

WHEREAS, people who live on the north side of the Missouri River are equally restricted from accessing destinations on the south side of the Missouri River, respectively; and

WHEREAS, locating a ferryboat on the Missouri River at Chamois would allow residents on both sides to cross the River, reducing travel times and travel costs, provide a safer route, and conserve fuel; and

WHEREAS, locating a ferryboat at Chamois would establish the only reported ferry on the Missouri River and would thereby promote tourism on both sides of the River by attracting more visitors to the area and creating a driving destination for tourists visiting such communities as Hermann, Fulton, and Jefferson City; and

WHEREAS, locating a ferryboat at Chamois would likewise give residents on the south side of the River access to the Katy Trail located on the north side of the River; and

WHEREAS, numerous organizations have endorsed the ferryboat at Chamois, including but not limited to the Hermann Area Chamber of Commerce, the Fulton Area Chamber of Commerce, the county commissions for Osage and Callaway counties, the City of Mokane, the City of Chamois, and the Missouri Division of Tourism; and

WHEREAS, the promoters of the ferryboat at Chamois have requested federal and state funding for the project:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-Fourth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby express support for the Chamois ferryboat and urge the Missouri Department of Economic Development and the Missouri Department of Transportation, along with other state agencies and the Missouri Congressional Delegation, to assist in securing moneys for locating and construction of the ferryboat; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for Governor Matt Blunt, Gregory A. Steinhoff, the Director of the Department of Economic Development, Peter Rahn, the Director of the Missouri Department of Transportation, and each member of the Missouri Congressional Delegation.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 36**.

SENATE CONCURRENT RESOLUTION NO. 36

WHEREAS, the U.S. Air Force announced one of the largest military acquisition programs in U.S. history, saying the service had chosen Northrop Grumman over Boeing to replace its aging air refueling tanker fleet; and

WHEREAS, members of the Missouri General Assembly are shocked that the United States Air Force selected a European company and its foreign workers to provide a tanker to our American military; and

WHEREAS, at a time when the U.S. economy is hurting, this decision to outsource U.S. tankers is a blow to the American aerospace industry, American workers and America's military; and

WHEREAS, Boeing has 75 years of experience building tankers, and its workers are the best in the world; and

WHEREAS, it's stunning that the U.S. Air Force would outsource the production of these airplanes to Europe instead of building them in America; and

WHEREAS, Missouri workers rely on a thriving U.S. aerospace industry; and

WHEREAS, awarding the contract to Boeing, and not Airbus, would have created more than 44,000 jobs in Washington, Kansas, and other states; and

WHEREAS, this decision was about whether U.S. workers or European workers will produce the aircraft used as tankers for the U.S. Air Force for decades in the future; and

WHEREAS, the Boeing tanker takes advantage of 50 years of aerial refueling technology experience; and

WHEREAS, the KC-767 Advance Tanker is the best aircraft for the job. It makes sense for U.S. military aircraft programs, which are funded by American taxpayer dollars, to be designed and built by American companies that provide jobs to U.S. citizens; and

WHEREAS, approving the Boeing KC-767 Advanced Tanker would have given our men and women in the U.S. Air Force the best product, with the most advanced technology, available today; and

WHEREAS, Missouri is home to Boeing Integrated Defense Systems team, Phantom Works, Boeing's advanced research and development unit, and Boeing's Shared Services Group:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-Fourth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby condemn the actions of the United States Air Force in outsourcing jobs by failing to award the contract to replace the refueling tanker fleet to an American company; and

BE IT FURTHER RESOLVED that the General Assembly calls upon the members of the Missouri congressional delegation to ask tough questions to the U.S. Air Force regarding how it reached this decision, including the selection process used to make this decision; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution to each member of the Missouri congressional delegation and the Secretary of the Air Force.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCS SCR 39**.

SENATE COMMITTEE SUBSTITUTE  
FOR  
SENATE CONCURRENT RESOLUTION NO. 39

WHEREAS, public and teaching hospitals in Missouri serve as an integral part of the safety net system in this state. Major teaching hospitals account for approximately twenty-five percent of all Medicaid discharges; and

WHEREAS, currently there are thirty-three teaching hospitals and mental health centers in Missouri receiving graduate medical education funds. Such funding is used to train cardiologists, oncologists, neurologists, pediatricians, and numerous other types of physicians; and

WHEREAS, such hospitals are recognized for offering the most advanced and state-of-the-art services. Therefore, such training for the future health care workforce is an important and critical policy objective for this state; and

WHEREAS, such public and teaching hospitals are concerned about proposed regulations from the federal Centers for Medicare and Medicaid Services asserting that the federal Medicaid program lacks statutory authority to match payments for direct graduate medical education and activities. Such a rule change represents a significant reversal of long-standing Medicaid policy; and

WHEREAS, the State of Missouri will annually lose between 65 and 70 million dollars in lost federal funding starting May 25, 2008, should the rule take effect; and

WHEREAS, Truman Medical Center, in particular, is concerned that the proposed regulations would narrow the definition of "public" so that many current public hospitals, including Truman Medical Center, would no longer qualify as public for purposes of providing the local match required to obtain federal Medicaid funds. Initial estimates of the impact to Truman Medical Center are that it would exceed \$37 million in lost Medicaid funding; and

WHEREAS, the United States House of Representatives is considering extending the proposed rule by one year until May 25, 2009, prohibiting implementation of the proposed rule on Medicaid match for direct graduate medical education:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-Fourth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby request that the Missouri Congressional delegation ask the Centers for Medicare and Medicaid Services to withdraw this rule or delay implementation until May 25, 2009; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution to each member of Missouri's Congressional delegation and to the administrator of the Centers for Medicare and Medicaid Services.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SJR 45**.

#### JOINT RESOLUTION

Submitting to the qualified voters of Missouri, an amendment repealing section 37(h) of article III of the Constitution of Missouri, and adopting one new section in lieu thereof relating to storm water control assistance.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SCS SB 1172**, entitled:

An act to repeal sections 571.010, 571.020, and 571.070, RSMo, and to enact in lieu thereof three new sections relating to weapons, with penalty provisions.

In which the concurrence of the House is respectfully requested.

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SIXTIETH DAY, MONDAY, APRIL 28, 2008

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Dwain Carter, Harmony Baptist Church, Waynesville, Missouri.

Our God and Our Father,

Today, I come here before You on behalf of these men and women of the House of Representatives of the Great State of Missouri in the greatest country in the world, United States of America. I come Lord to You praising and worshipping Your name. You are the only and most awesome God. I want to lift You up and praise You for Your worth, Your wisdom, Your knowledge, Your understanding and Your foresight. Without You we just go about our days without eternal understanding and we are doing everything that we do on our own. I confess that we need You in the forefront of our lives. Today Lord show us Your love and guide us in everything that we do.

God, please forgive us for moving forward without consulting You and following Your decrees and laws. Please forgive us for the sin in our lives, even the little inconspicuous things that we do every day without even thinking about it. God, forgive us when we think that we can do things on our own. God, open our eyes so we can see and open our hearts so we can feel and open our ears so we can listen, in the way that You see, feel and listen. Lord, lead us to follow all Your perfect ways and to never question You or the things that You stand for. God, show these men and women how to look around and see the needs of the people that You have put them in charge of. Show us how we are to treat and help those in need. Give us compassion for those who are not as blessed as we are. Make our hearts beat in the same passionate way that Yours does. Find us faithfully fulfilling the duties of our jobs for Your Glory.

God, as we strive to move forward for the benefits of this state, may everything that is done in this great room be done for the uplifting of those that the laws that are made for. Lord, may we never oppress the people that are under our charge. Lord, these men and women have a hard job, Father, please work through them in everything that they are doing so they will be right in their decision making. God, guide them.

Lord, bless this Great State and these men and women with blessings that can only come from You, and can only be explained through Your word.

God, show us that You love us and that Your love for us is in our best interest. Lord, may we fall deeper and deeper in love with You.

I pray these things in the name of our Lord and Savior Jesus Christ. Amen.

The Pledge of Allegiance to the flag was recited.

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SIXTY-FIRST DAY, TUESDAY, APRIL 29, 2008

The House met pursuant to adjournment.

Speaker Jetton in the Chair.

Prayer by Msgr. Donald W. Lammers.

Holy Lord, Almighty God, send us the gifts of Your Holy Spirit, so that we may understand the issues of today's agenda in the light of Your Divine Plan. Keep us humble so that we do not become victims of self-righteousness, but rather act as instruments of service to the people we represent and to the entire State.

Drain our hearts of the will to misuse power while attempting to achieve desired results. May our respect for those who oppose what we believe in be visible to all.

May the work we begin at this hour advance the common good among all the people and advance Your Kingdom in our world.

To You be glory and honor forever. Amen.

*(Adapted from **Prayers For the Servants of God**)*

Representative Cooper (120) offered **House Amendment No. 2.**

*House Amendment No. 2*

AMEND House Committee Substitute for Senate Bill No. 841, Page 8, Section 304.190, Line 50, by inserting after said line the following:

"304.230. 1. It shall be the duty of the sheriff of each county or city to see that the provisions of sections 304.170 to 304.230 are enforced, and any peace officer or police officer of any county or city or any highway patrol officer shall have the power to arrest on sight or upon a warrant any person found violating or having violated the provisions of such sections.

2. The sheriff or any peace officer or any highway patrol officer is hereby given the power to stop any such conveyance or vehicle as above described upon the public highway for the purpose of determining whether such vehicle is loaded in excess of the provisions of sections 304.170 to 304.230, and if he or she finds such vehicle loaded in violation of the provisions thereof he or she shall have a right at that time and place to cause the excess load to be removed from such vehicle; and provided further, that any regularly employed maintenance man of the department of transportation shall have the right and authority in any part of this state to stop any such conveyance or vehicle upon the public highway for the purpose of determining whether such vehicle is loaded in excess of the provisions of sections 304.170 to 304.230, and if he or she finds such vehicle loaded in violation of the provisions thereof, he or she shall have the right at that time and place to cause the excess load to be removed from such vehicle. When only an axle or a tandem axle group of a vehicle is overloaded, the operator shall be permitted to shift the load, if this will not overload some other axle or axles, without being charged with a violation; provided, however, the privilege of shifting the weight without being charged with a violation shall not extend to or include vehicles while traveling on the federal interstate system of highways. When only an axle or tandem axle group of the vehicle traveling on the federal interstate system of highways is overloaded and a court authorized to enforce the provisions of sections 304.170 to 304.230 finds that the overloading was due to the inadvertent shifting of the load changing axle weights in transit through no fault of the operator of the vehicle and that the load thereafter had been shifted so that no axle had been overloaded, then the court may find that no violation has been committed. The operator of any vehicle shall be permitted to back up and reweigh, or to turn around and weigh from the opposite direction. Any operator whose vehicle is weighed and found to be within five

percent of any legal limit may request and receive a weight ticket, memorandum or statement showing the weight or weights on each axle or any combinations of axles. Once a vehicle is found to be within the limits of section 304.180 after having been weighed on any state scale and there is no evidence that any cargo or fuel has been added, no violation shall occur, but a presumption shall exist that cargo or fuel has been added if upon reweighing on another state scale the total gross weight exceeds the applicable limits of section 304.180 or 304.190. The highways and transportation commission of this state may deputize and appoint any number of their regularly employed maintenance men to enforce the provisions of such sections, and the maintenance men delegated and appointed in this section shall report to the proper officers any violations of sections 304.170 to 304.230 for prosecution by such proper officers.

3. The superintendent of the Missouri state highway patrol may assign qualified persons who are not highway patrol officers to supervise or operate permanent or portable weigh stations used in the enforcement of commercial vehicle laws. These persons shall be designated as commercial vehicle inspectors and have limited police powers:

(1) To issue uniform traffic tickets at a permanent or portable weigh station for violations of rules and regulations of the division of motor carrier and railroad safety of the department of economic development and department of public safety, and laws, rules, and regulations pertaining to commercial motor vehicles and trailers and related to size, weight, fuel tax, registration, equipment, driver requirements, transportation of hazardous materials and operators' or chauffeurs' licenses, and the provisions of sections 303.024 and 303.025, RSMo;

(2) To require the operator of any commercial vehicle to stop and submit to a vehicle and driver inspection to determine compliance with commercial vehicle laws, rules, and regulations, the provisions of sections 303.024 and 303.025, RSMo, and to submit to a cargo inspection when reasonable grounds exist to cause belief that a vehicle is transporting hazardous materials as defined by Title 49 of the Code of Federal Regulations;

(3) To make arrests for violation of subdivisions (1) and (2) of this subsection. Commercial vehicle inspectors shall not have the authority to exercise the powers granted in subdivisions (1), (2) and (3) of this subsection until they have successfully completed training approved by the superintendent of the Missouri state highway patrol; nor shall they have the right as peace officers to bear arms.

4. The superintendent of the Missouri state highway patrol may appoint qualified persons, who are not members of the highway patrol, designated as commercial vehicle enforcement officers, with the powers:

(1) To issue uniform traffic tickets for violations of laws, rules and regulations pertaining to commercial vehicles, trailers, special mobile equipment and drivers of such vehicles, and the provisions of sections 303.024 and 303.025, RSMo;

(2) To require the operator of any commercial vehicle to stop and submit to a vehicle and driver inspection to determine compliance with commercial vehicle laws, rules, and regulations, compliance with the provisions of sections 303.024 and 303.025, RSMo, and to submit to a cargo inspection when reasonable grounds exist to cause belief that a vehicle is transporting hazardous materials as defined by Title 49 of the Code of Federal Regulations;

(3) To make arrests upon warrants and for violations of subdivisions (1) and (2) of this subsection. Commercial vehicle enforcement officers shall not have the authority to exercise the powers granted in subdivisions (1), (2) and (3) of this subsection until they have successfully completed training approved by the superintendent of the Missouri state highway patrol. Commercial vehicle enforcement officers shall have the right as peace officers to bear arms.

5. Any additional employees needed for the implementation of this section shall be hired in conformity with the provisions of the federal fair employment and antidiscrimination acts.

6. Any part of this section which shall be construed to be in conflict with the axle or tandem axle load limits permitted by the Federal-Aid Highway Act, Section 127 of Title 23 of the United States Code (Public Law 85-767, 85th Congress) shall be null, void and of no effect.

**7. Beginning January 1, 2009, no local law enforcement officer may conduct a random commercial motor vehicle roadside inspection to determine compliance with the provisions of sections 304.170 to 304.230 unless the law enforcement officer has satisfactorily completed, as a part of his or her training, the basic course of instruction developed by the Commercial Vehicle Safety Alliance and has been approved by the Missouri state highway patrol under this section. Law enforcement officers authorized to enforce the provisions of sections 304.170 to 304.230 shall annually receive in-service training related to commercial motor vehicle operations, including but not limited to training in current federal motor carrier safety regulations, safety inspection procedures, and out-of-service criteria. The annual training requirements shall be approved by the superintendent of the state highway patrol.";** and

**SB 839**, relating to lease-purchase school properties, was taken up by Representative Harris (110).

Representative Nolte offered **House Amendment No. 1**.

*House Amendment No. 1*

AMEND Senate Bill No. 839, Section 177.088, Pages 1 through 4, by removing all of said section from the bill and inserting in lieu thereof the following:

"177.088. 1. As used in this section, the following terms shall mean:

(1) "Board", the board of education, board of trustees, board of regents, or board of governors of an educational institution;

(2) "Educational institution", any school district, including all junior college districts, and any state college or university organized under chapter 174, RSMo.

2. The board of any educational institution may enter into agreements as authorized in this section with a not-for-profit corporation formed under the general not for profit corporation law of Missouri, chapter 355, RSMo, in order to provide for the acquisition, construction, improvement, extension, repair, remodeling, renovation and financing of sites, buildings, facilities, furnishings and equipment for the use of the educational institution for educational purposes.

3. The board may on such terms as it shall approve:

(1) Lease from the corporation sites, buildings, facilities, furnishings and equipment which the corporation has acquired or constructed; or

(2) Notwithstanding the provisions of this chapter or any other provision of law to the contrary, sell or lease at fair market value, which may be determined by appraisal, to the corporation any existing sites owned by the educational institution, together with any existing buildings and facilities thereon, in order for the corporation to acquire, construct, improve, extend, repair, remodel, renovate, furnish and equip buildings and facilities thereon, and then lease back or purchase such sites, buildings and facilities from the corporation; provided that upon selling or leasing the sites, buildings or facilities, the corporation agrees to enter into a lease for not more than one year but with not more than twenty successive options by the educational institution to renew the lease under the same conditions; and provided further that the corporation agrees to convey or sell the sites, buildings or facilities, including any improvements, extensions, renovations, furnishings or equipment, back to the educational institution with clear title at the end of the period of successive one-year options or at any time bonds, notes or other obligations issued by the corporation to pay for the improvements, extensions, renovations, furnishings or equipment have been paid and discharged.

4. Any consideration, promissory note or deed of trust which an educational institution receives for selling or leasing property to a not-for-profit corporation pursuant to this section shall be placed in a separate fund or in escrow, and neither the principal or any interest thereon shall be commingled with any other funds of the educational institutions. At such time as the title or deed for property acquired, constructed, improved, extended, repaired, remodeled or renovated under this section is conveyed to the educational institution, the consideration shall be returned to the corporation.

5. The board may make rental payments to the corporation under such leases out of its general funds or out of any other available funds, provided that in no event shall the educational institution become indebted in an amount exceeding in any year the income and revenue of the educational institution for such year plus any unencumbered balances from previous years.

6. Any bonds, notes and other obligations issued by a corporation to pay for the acquisition, construction, improvements, extensions, repairs, remodeling or renovations of sites, buildings and facilities, pursuant to this section, may be secured by a mortgage, pledge or deed of trust of the sites, buildings and facilities and a pledge of the revenues received from the rental thereof to the educational institution. Such bonds, notes and other obligations issued by a

corporation shall not be a debt of the educational institution and the educational institution shall not be liable thereon, and in no event shall such bonds, notes or other obligations be payable out of any funds or properties other than those acquired for the purposes of this section, and such bonds, notes and obligations shall not constitute an indebtedness of the educational institution within the meaning of any constitutional or statutory debt limitation or restriction.

7. The interest on such bonds, notes and other obligations of the corporation and the income therefrom shall be exempt from taxation by the state and its political subdivisions, except for death and gift taxes on transfers. Sites, buildings, facilities, furnishings and equipment owned by a corporation in connection with any project pursuant to this section shall be exempt from taxation.

8. The board may make all other contracts or agreements with the corporation necessary or convenient in connection with any project pursuant to this section. The corporation shall comply with sections 290.210 to 290.340, RSMo.

9. Notice that the board is considering a project pursuant to this section shall be given by publication in a newspaper published within the county in which all or a part of the educational institution is located which has general circulation within the area of the educational institution, once a week for two consecutive weeks, the last publication to be at least seven days prior to the date of the meeting of the board at which such project will be considered and acted upon.

10. Provisions of other law to the contrary notwithstanding, the board may refinance any lease purchase agreement that satisfies at least one of the conditions specified in subsection 6 of section 165.011, RSMo, for the purpose of payment on any lease with the corporation under this section for sites, buildings, facilities, furnishings or equipment which the corporation has acquired or constructed, but such refinance shall not extend the date of maturity of any obligation, and the refinancing obligation shall not exceed the amount necessary to pay or provide for the payment of the principal of the outstanding obligations to be refinanced, together with the interest accrued thereon to the date of maturity or redemption of such obligations and any premium which may be due under the terms of such obligations and any amounts necessary for the payments of costs and expenses related to issuing such refunding obligations and to fund a capital projects reserve fund for the obligations.

11. Provisions of other law to the contrary notwithstanding, payments made from any source by a school district, after the latter of July 1, 1994, or July 12, 1994, that result in the transfer of the title of real property to the school district, other than those payments made from the capital projects fund, shall be deducted as an adjustment to the funds payable to the district pursuant to section 163.031, RSMo, beginning in the year following the transfer of title to the district, as determined by the department of elementary and secondary education. **No district with modular buildings leased in fiscal year 2004, with the lease payments made from the incidental fund and that initiates the transfer of title to the district after fiscal year 2007, shall have any adjustment to the funds payable to the district under section 163.031, RSMo, as a result of the transfer of title.**

12. Notwithstanding provisions of this section to the contrary, the board of education of any school district located within a county of the first classification with more than one hundred eighty-four thousand but fewer than one hundred eighty-eight thousand inhabitants may enter into agreements with such county, or a city, town, or village wholly or partially located within the boundaries of such school district, in order to provide for the acquisition, construction, improvement, extension, repair, remodeling, renovation, and financing of sites, buildings, facilities, furnishings, and equipment for the use of the school district for educational purposes. Such an agreement may provide for the present or future acquisition of an ownership interest in such facilities by the school district, by lease, lease purchase agreement, option to purchase agreement, or similar provisions, and may provide for a joint venture between the school district and other entity or entities that are parties to such an agreement providing for the sharing of the costs of acquisition, construction, repair, maintenance, and operation of such facilities. The school district may wholly own such facilities, or may acquire a partial ownership interest along with the county, city, town, or village with which the agreement was executed. Notwithstanding the provisions of subsection 11 of this section, the school district may expend funds from its general or incidental funds to satisfy its obligations for rent, lease payments, construction, improvements, maintenance, repairs, and operation of such facilities, and may acquire an ownership interest in such facilities, without being subject to the deductions from funds payable to the district under section 163.031, RSMo."; and

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SIXTY-SECOND DAY, WEDNESDAY, APRIL 30, 2008

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Reverend James Earl Jackson.

Lord God, we give thanks to You, for You are good and Your mercy endures forever. You are great and do amazing things.

As the days of this session dwindle; the time winding down; as the pressure mount and the hours become long; as our voices elevate and tempers flare; may You be a calming influence, granting us relief, in those intense moments.

May we remain respectful of the legislative process, of one another, and of our constituents, being prepared and willing to do any principled and honorable work. May we be harmonious, composed, and considerate to all.

Now, since we have received from You instructions which cannot be shaken, let us show gratitude, by which we may offer to You an acceptable service with reverence and awe.

In the name of Your Son, we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Robbie Loehner, Savannah Grace Holsman, Grant Thomas Holsman, Grace Meyer, Sean Utley, Rebekah Smith, Chloe Needy, Xavier Vaughn, Ryan Baysinger, Jake Abbot, Stacy Branson, Cody Wallace, Darren Jones, Rebecca Wood and Megan Stodden.

### THIRD READING OF SENATE BILLS

**SB 1068**, relating to a pharmacy rebate program, was taken up by Representative Sater.

Representative Sater offered **House Amendment No. 1**.

#### *House Amendment No. 1*

AMEND Senate Bill No. 1068, Section A, Page 1, Lines 1-2, by inserting after all of said section the following:

**"338.600. 1. Notwithstanding any other provision of law to the contrary, when an audit of the records of a pharmacy licensed in this state is conducted by a managed care company, insurance company, third-party payor, the department of insurance, financial institutions and professional registration, or any entity that represents such companies, groups, or department, such audit shall be conducted in accordance with the following:**

**(1) The entity conducting the initial on-site audit shall provide the pharmacy with notice at least one week prior to conducting the initial on-site audit for each audit cycle;**

**(2) Any audit which involves clinical judgment shall be conducted by or in consultation with a licensed pharmacist;**

**(3) Any clerical or recordkeeping error, such as a typographical error, scriveners error, or computer error, regarding a required document or record shall not in and of itself constitute fraud or grounds for recoupment. No claim arising under this subdivision shall be subject to criminal penalties without proof of intent to commit fraud;**

**(4) A pharmacy may use the records of a hospital, physician, or other authorized practitioner of the healing arts involving drugs or medicinal supplies written or transmitted by any means of communication for purposes of validating the pharmacy record with respect to orders or refills of a legend or narcotic drug. Electronically stored images of prescriptions, electronically created annotations and other related supporting documentation shall be considered valid prescription records. Hard copy and electronic signature logs that indicate the delivery of pharmacy services shall be considered valid proof of receipt of such services by a program enrollee;**

**(5) A finding of an overpayment or underpayment may be a projection based on the number of patients served and having a similar diagnosis or on the number of similar orders or refills for similar drugs; except that, recoupment of claims shall be based on the actual overpayment or underpayment unless the projection for overpayment or underpayment is part of a settlement as agreed to by the pharmacy;**

**(6) Each pharmacy shall be audited under the same standards and parameters as other similarly situated pharmacies audited by the entity;**

**(7) A pharmacy shall be allowed at least thirty days following receipt of the preliminary audit report in which to produce documentation to address any discrepancy found during an audit;**

**(8) The period covered by the audit shall not exceed a two-year period beginning two years prior to the initial date of the on-site portion of the audit unless otherwise provided by contractual agreement or if there has been a previous finding of fraud or as otherwise provided by state or federal law;**

**(9) An audit shall not be initiated or scheduled during the first three business days of any month due to the high volume of prescriptions filled during such time unless otherwise consented to by the pharmacy;**

(10) The preliminary audit report shall be delivered to the pharmacy within one hundred twenty days after conclusion of the audit, with reasonable extensions permitted. A final audit report shall be delivered to the pharmacy within six months of receipt by the pharmacy of the preliminary audit report or final appeal, as provided for in subsection 3 of this section, whichever is later;

(11) Notwithstanding any other provision in this subsection, the entity conducting the audit shall not use the accounting practice of extrapolation in calculating recoupments or penalties for audits, except as otherwise authorized under subdivision (5) of this subsection.

2. Recoupments of any disputed moneys shall only occur after final internal disposition of the audit, including the appeals process set forth in subsection 3 of this section. Should the identified discrepancy for an individual audit exceed twenty five thousand dollars, future payments to the pharmacy in excess of twenty five thousand dollars may be withheld pending finalization of the audit.

3. Each entity conducting an audit shall establish an appeals process, lasting no longer than six months, under which a licensed pharmacy may appeal an unfavorable preliminary audit report to the entity. If, following such appeal, the entity finds that an unfavorable audit report or any portion thereof is unsubstantiated, the entity shall dismiss the audit report or such portion without the necessity of any further proceedings.

4. Each entity conducting an audit shall provide a copy of the final audit report, after completion of any appeal process, to the plan sponsor.

5. This section shall not apply to any audit conducted as a part of an investigation regarding alleged criminal wrongdoing, willful misrepresentation, or abuse.

6. This section shall not apply to any audit conducted as part of any inspection or investigation conducted by the board of pharmacy."; and

## MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SS HB 1678**, entitled:

An act to repeal sections 41.1010, 42.007, 160.053, 160.518, 168.021, 170.011, and 620.515, RSMo, and to enact in lieu thereof nine new sections relating to members of the military and their families.

With Senate Amendment No. 2 and Senate Amendment No. 4.

### *Senate Amendment No. 2*

AMEND Senate Substitute for House Bill No. 1678, Page 56, Section 173.234, Line 18, by inserting immediately after all of said line the following:

**"173.900. 1. This act shall be known and may be cited as the "Missouri Returning Heroes' Education Act".**

**2. For the purpose of this section, the term "combat veteran" shall mean a person who served in armed combat in the military after September 11, 2001, and to whom the following criteria shall apply:**

- (1) The veteran was a Missouri resident when first entering the military; and**
- (2) The veteran was discharged from military service under honorable conditions.**

3. All public institutions of higher education that receive any state funds appropriated by the general assembly shall limit the amount of tuition such institutions charge to combat veterans to fifty dollars per credit hour, as long as the veteran achieves and maintains a cumulative grade point average of at least two and one-half on a four point scale, or its equivalent. The tuition limitation shall only be applicable if the combat veteran is enrolled in a program leading to a certificate, or an associate or baccalaureate degree. The period during which a combat veteran is eligible for a tuition limitation under this section shall expire at the end of the ten-year period beginning on the date of such veteran's last discharge from service.

4. The coordinating board for higher education shall ensure that all applicable institutions of higher education in this state comply with the provisions of this section and may promulgate rules for the efficient implementation of this section.

5. If a combat veteran is eligible to receive financial assistance under any other federal or state student aid program, public or private, the full amount of such aid shall be reported to the board by the institution and the veteran. The tuition limitation under this section shall be provided after all other federal and state aid for which the veteran is eligible has been applied, and no combat veteran shall receive more than the actual cost of attendance when the limitation is combined with other aid made available to such veteran.

6. Each institution may report to the board the amount of tuition waived in the previous fiscal year under the provisions of this act. This information may be included in each institution's request for appropriations to the board for the following year. The board may include this information in its appropriations recommendations to the governor and the general assembly. The general assembly may reimburse institutions for the cost of the waiver for the previous year as part of the operating budget. Nothing in this subsection shall be construed to deny a combat veteran a tuition limitation if the general assembly does not appropriate money for reimbursement to an institution.

7. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void."; and

Further amend the title and enacting clause accordingly.

*Senate Amendment No. 4*

AMEND Senate Substitute for House Bill No. 1678, Page 56, Section 173.234, Line 18, by inserting immediately after said line the following:

"452.412. A party's absence, relocation, or failure to comply with custody and visitation orders shall not, by itself, be sufficient to justify a modification of a custody or visitation order if the reason for the absence, relocation, or failure to comply is the party's activation to military service and deployment out-of-state."; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate refuses to concur in **HCS SB 841, as amended**, and requests the House recede from its position and failing to do so grant the Senate a conference thereon.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SCS SB 865**, entitled:

An act to repeal section 143.141, RSMo, and to enact in lieu thereof two new sections relating to prohibiting discrimination in life insurance based upon lawful travel destinations, with penalty provisions.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **HCS SCS SB 939** and has taken up and passed **HCS SCS SB 939**.

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SIXTY-THIRD DAY, THURSDAY, MAY 1, 2008

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Msgr. Donald W. Lammers.

Almighty God, we give You glory and bless Your Holy name.

Today, may we hear the Word You give us in the proverb, "To practice justice is a joy for the just, but terror for evildoers". (*Proverbs 21:15*)

Lord God, may justice be the theme that unites all the bills and topics of our work today. When we are weighing the content of one bill or considering the levels of importance among several, may justice be our standard.

In our decisions, may we distribute justice, and find Your Word living in us: To practice justice is a joy for the just.

To You be glory and honor forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Nichole Wilberg, Melissa Wilberg, Michelle Wilberg, Harry Godwin and Michaela Godwin.

"49.292. 1. Notwithstanding any other law to the contrary, the county commission of any county may reject the transfer of title of real property to the county by donation or dedication if the commission determines that such rejection is in the public interest of the county.

2. No transfer of title of real property to the county commission or any other political subdivision by donation or dedication authorized to be recorded in the office of the recorder of deeds shall be valid unless it has been proved or acknowledged. The preparer of the document relating to subsection 1 of this section shall not submit a document to the recorder of deeds for recording unless the acceptance thereof of the grantee named in the document has been proved or acknowledged. **No water or sewer line easement shall be construed as a transfer of title of real property under this subsection.**"; and

**"442.558. 1. As used in this section, the following terms shall mean:**

(1) **"Transfer", the sale, gift, conveyance, assignment, inheritance, or other transfer of ownership interest in real property located in this state;**

(2) **"Transfer fee", a fee or charge payable upon the transfer of an interest in real property, or payable for the right to make or accept such transfer, regardless of whether the fee or charge is a fixed amount or is determined as a percentage of the value of the property, the purchase price, or other consideration given for the transfer. Transfer fee shall not include the following:**

(a) **Any consideration payable by the grantee to the grantor for the interest in real property being transferred;**

(b) **Any commission payable to a licensed real estate broker for the transfer of real property under an agreement between the broker and the grantor or the grantee;**

(d) **Any rent, reimbursement, charge, fee, or other amount payable by a lessee to a lessor under a lease, including but not limited to any fee payable to the lessor for consenting to an assignment, subletting, encumbrance, or transfer of the lease;**

(e) **Any consideration payable to the holder of an option to purchase an interest in real property or the holder of a right of first refusal or first offer to purchase an interest in real property for waiving, releasing, or not exercising the option or right upon the transfer of the property to another person;**

(f) **Any tax, fee, charge, assessment, fine, or other amount payable to or imposed by a governmental authority;**

(3) **"Transfer fee covenant", a declaration or covenant purporting to affect real property which requires or purports to require the payment of a transfer fee to the declarant or other person specified in the declaration or covenant or to their successors or assigns upon a subsequent transfer of an interest in the real property.**

2. **A transfer fee covenant recorded in this state on or after September 1, 2008, shall not run with the title to real property and is not binding on or enforceable at law or in equity against any subsequent owner, purchaser, or mortgagee of any interest in real property as an equitable servitude or otherwise. Any lien purporting to secure the payment of a transfer fee under a transfer fee covenant recorded in this state on or after September 1, 2008, is void and unenforceable.**"; and

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SIXTY-FOURTH DAY, FRIDAY, MAY 2, 2008

The House met pursuant to adjournment.

Representative Deeken in the Chair.

Prayer by Chris Dunn, Public Information Specialist, House Communications.

Heavenly Father,

We praise You this morning for the rain outside and for the new month that will guide us to the end of this legislative session and into the summer.

“Your Word is a lamp unto my feet, and a light unto my path.” (*Psalm 119:105*)

I pray that Your Word would guide the paths of our locally elected officials, of our state elected officials, and of our nationally elected officials. I pray that Your Word would guide the paths of those who lead our businesses and industries. Most importantly, I pray that Your Word would light the path of those parents and grandparents who lead our families.

In Your Name we pray. Amen.

The Pledge of Allegiance to the flag was recited.

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SIXTY-FIFTH DAY, MONDAY, MAY 5, 2008

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Reverend James Earl Jackson.

Lord God, by Your great mercy, we come into Your presence; in reverence we bow our hearts before You. Lead us, this day and throughout this week in Your righteousness - make straight Your way before us. For surely, O Lord, You bless the righteous and shield them with Your kindness.

O Lord, hear our prayer and bring us together as a people. Give us strength to defend our cause; help us in the battle against itinerant thoughts.

Bless, O Lord, our skills and be pleased with our efforts; undergird us with strength as we carry out Your righteous will and thoughts concerning the state of Missouri.

Now may we abound with the richness of Your favor and overflow with the fruit of Your blessing.

In the name of Your Son, we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Blaise Phillips, Brad Phillips, Sadie Grigsby, Carter Joy, John McCormack and Lena Berhane.

The Journal of the sixty-third day was approved as corrected.

The Journal of the sixty-fourth day was approved as printed.

## HOUSE COURTESY RESOLUTIONS OFFERED AND ISSUED

House Resolution No. 2530 through House Resolution No. 2602

## HOUSE BILL WITH SENATE AMENDMENTS

**SS SCS HCS HB 1779, as amended**, relating to telecommunications services, was taken up by Representative Emery.

Representative Richard assumed the Chair.

Speaker Pro Tem Pratt resumed the Chair.

Representative Emery moved that **SS SCS HCS HB 1779, as amended**, be adopted.

Representative Bringer made a substitute motion that the House refuse to adopt **SS SCS HCS HB 1779, as amended**, and request the Senate to recede from its position and, failing to do so, grant the House a conference and that the House conferees be allowed to exceed the differences for the purpose of adding political robo calls to the no call list.

Representative Emery raised a point of order that the substitute motion goes beyond the scope of the bill.

The Chair ruled the point of order well taken.

Representative Cooper (120) assumed the Chair.

Speaker Pro Tem Pratt resumed the Chair.

Representative Tilley moved the previous question.

Which motion was adopted by the following vote:

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SIXTY-SIXTH DAY, TUESDAY, MAY 6, 2008

The House met pursuant to adjournment.

Speaker Jetton in the Chair.

Prayer by Most Rev. Mar Mathew Arackal, Bishop of the Catholic Diocese of Kanjirapally, Kerala, India.

Blessed are You Lord, God Almighty,  
Whose goodness fills our heart with joy.  
Blessed are You,  
Who have brought us together this day  
To work in harmony and peace,  
To ponder and decide what is good for this great state of  
Missouri.

We stand before You, Lord,  
Conscious of our strengths and weaknesses,  
But confident in Your greatness and mercy.

As Mother Theresa of Calcutta prayed,  
Lord, it is not how much we do,  
but how much love we put in the doing.  
It is not how much we give,  
but how much love we put in the giving.

Give us light and strength  
To know Your will,  
To make it our own  
And to live it in our lives.

Guide us by Your wisdom,  
Support us by Your power.

You desire justice for all:  
Enable us to uphold the rights of others;  
Do not allow us to be misled by ignorance;  
Or be corrupted by fear or favor.

Unite us to our fellow-citizens in the bond of love  
And keep us faithful to all that is true.

As we gather in this House of laws  
May we temper justice with love.

"Lead us from untruth to Truth;  
Lead us from darkness to Light;  
Lead us from death to immortality".  
Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Jenna Price, Nikki Larabee, Joshua Smith, Aaron Moser, Payton Scarbrough, Kourtney Sybert, Emily Summers, Bailey Sue Morris, Macae Mudd, Aaron Howerton, Reggie Stockman, Keiffer Buckels, Chelsea Wehrli, Jodi Sollars, Rachel Long, Jill Riley, Terry Graves, Michelle Sharp, Ashley Harbin, Cheyanne Murphy, Andrew Robert Huckaby, Kevin Le, Tonyelle Temple, Quinton Le and Joey Scally.

The Journal of the sixty-fifth day was approved as printed.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SS SCS HCR 30**.

#### SENATE SUBSTITUTE FOR SENATE COMMITTEE SUBSTITUTE FOR HOUSE CONCURRENT RESOLUTION NO. 30

WHEREAS, competition in the voice communications industry is developing rapidly and is widespread in the State of Missouri; and

WHEREAS, Missouri law governing the telecommunications industry must evolve to meet the needs of Missouri consumers; and

WHEREAS, consumer choice in voice communications is available through the traditional wireline, wireless, cable, and interconnected voice over Internet protocol industries; and

WHEREAS, the methodology by which carriers are compensated for the use of their network is, by its nature, complex, detailed, and inter-related to numerous other economic forces; and

WHEREAS, the need to make equitable changes in the inter-carrier compensation regime will require a comprehensive, holistic, and deliberate approach to reform; and

WHEREAS, due to the complex nature of inter-carrier compensation, comprehensive study and discussion is required; and

WHEREAS, pricing of voice telecommunications services is important to promote competition for the long-term benefit of consumers; and

WHEREAS, a forum for review and discussion between these very competitive industries will aid in addressing the concerns of both the industry and consumers:

NOW THEREFORE BE IT RESOLVED by the members of the House of Representatives of the Ninety-fourth General Assembly, Second Regular Session, the Senate concurring therein, that to ensure that thoughtful and necessary changes to the regulation of voice communications in Missouri and the need to protect Missouri consumers and provide them with more communications choices, the General Assembly must endeavor to comprehensively study further the matters detailed herein; and

BE IT FURTHER RESOLVED that the members of the House of Representatives of the Ninety-fourth General Assembly, Second Regular Session, the Senate concurring therein, hereby establish a Joint Interim Committee on Voice Communications Regulation to be composed of ten members, five of which shall be from the House of Representatives with three appointed by the Speaker of the House and two appointed by the Minority Floor Leader of the House, and five members shall be from the Senate with three appointed by the President Pro Tem of the Senate and two appointed by the Minority Floor Leader of the Senate; and

BE IT FURTHER RESOLVED that the Joint Interim Committee is authorized to function during the legislative interim between the Second Regular Session of the Ninety-fourth General Assembly through January 15, 2009, of the First Regular Session of the Ninety-fifth General Assembly to study the following:

- (1) The need to make changes to the inter-carrier compensation system wherein voice communications providers exchange traffic on other provider's networks; and
- (2) The issue of whether market-based pricing exists in the voice telecommunications industry, and any recommended action to be taken by the General Assembly, if any; and
- (3) Such other matters as the Joint Interim Committee may deem necessary in order to determine the proper course of future legislative and budgetary action regarding these issues; and

BE IT FURTHER RESOLVED that the Joint Interim Committee shall prepare a final report, together with its recommendations for any legislative action deemed necessary for submission to the General Assembly by January 15, 2009; and

BE IT FURTHER RESOLVED that the Joint Interim Committee may solicit input and information necessary to fulfill its obligations, including but not limited to soliciting input and information from any state department or agency the Joint Interim Committee deems relevant, consumer advocates, political subdivisions of this State, and the general public; and

BE IT FURTHER RESOLVED that the staffs of House Research, the Joint Committee on Legislative Research, and Senate Research shall provide such legal, research, clerical, technical, and bill drafting services as the Joint Interim Committee may require in the performance of its duties; and

BE IT FURTHER RESOLVED that the actual and necessary expenses of the Joint Interim Committee, its members, and any staff assigned to the Joint Interim Committee incurred by the Joint Interim Committee shall be paid by the Joint Contingent Fund.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate refuses to recede from its position on **SCS HCS HB 2023** and grants the House a conference thereon.

The President Pro Tem has appointed the following Conference Committee to act with a like Committee from the House on **SCS HCS HB 2023**: Senators Nodler, Mayer Rupp, Bray and Green.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 35**.

SENATE CONCURRENT RESOLUTION NO. 35

WHEREAS, horse processing is the most tightly regulated of any animal harvest, and the horse is the only animal that has its transportation to processing regulated. If horse processing plants are forced to close and export options are eliminated, the Horse Welfare Coalition estimates that 90,000 to 100,000 unwanted horses annually would be exposed to potential abandonment and neglect; and

WHEREAS, the 90,000 to 100,000 additional unwanted horses each year would compete for adoption with the 32,000 wild horses that United States taxpayers are already paying \$40 million to shelter and feed; and

WHEREAS, the nation's inadequate, overburdened, and unregulated horse rescue and adoption facilities cannot handle the influx of the approximately 60,000 or more additional horses each year that would result from a harvesting ban, according to the Congressional Research Service; and

WHEREAS, many zoo animal diets rely on equine protein because it mimics what the animal would receive in the wild. Veterinarians and animal nutritionists say it is the healthiest diet for big cats and rare birds. If legislation shuts down horse processing facilities, the only source for this meat that is inspected by the U.S. Department of Agriculture (USDA) will be eliminated:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-Fourth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the United States Congress to strongly support the continuation of horse processing in the United States and to offer incentives that help create horse processing plants throughout the United States, such as state-inspected horse harvest for export; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly strongly encourage Congress to support new horse processing facilities and the continuation of existing facilities on both the state and national level; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly urge Congress to oppose S. 311 and H.R. 503 of the 110th Congress and strongly support the transportation and processing of horses in the United States and internationally; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly support the location of USDA-approved horse processing facilities on state, tribal, or private lands under mutually-acceptable and market-driven land leases and, if necessary, a mutually-acceptable assignment of revenues that meet the needs of all parties involved with the facility; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President of the United States Senate, the Speaker of the United States House of Representatives and the members of the Missouri Congressional delegation.

In which the concurrence of the House is respectfully requested.

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SIXTY-SEVENTH DAY, WEDNESDAY, MAY 7, 2008

The House met pursuant to adjournment.

Speaker Jetton in the Chair.

Prayer by Reverend James Earl Jackson.

Lord God, Your Word declares, "Blessed is the nation whose God is the Lord, the people He chose for His inheritance." We consider ourselves to be blessed indeed.

As we turn to You, may You continue to bless our land with the choicest gifts of Heaven and of the fruit of the Earth. May we be blessed with the best of what the sun makes grow. May we be blessed with Your favor. May our children and grandchildren be blessed in this land with continual liberty, strength and splendor.

As we scramble to find meaningful completion to this Session, help us to earnestly seek You, rather than power, position, prestige, or riches.

Now, may we rejoice in our coming and going as You, Lord God, direct our steps, correct our thoughts, and guard our speech throughout this day.

We ask these things in the name of Your Son. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Harper Yates, Gabrielle Murphey, Amy Kaznica, David Walker, Dalton Olson, Brent Lamb, Ha Hoang, Christopher Morgan, Britany Phillips, Kody Austin, Jordan Elder, Jack Wright, Brianna Drew, Benjamin Collins Smith and Logan Page.

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 1715, Page 6, Section 306.015, Line 34, by inserting after all of said line the following:

"306.030. 1. The owner of each vessel requiring numbering by this state shall file an application for number with the department of revenue on forms provided by it. The application shall contain a full description of the vessel, factory number or serial number, together with a statement of the applicant's source of title and of any liens or encumbrances on the vessel. For good cause shown the director of revenue may extend the period of time for making such application. The director of revenue shall use reasonable diligence in ascertaining whether the facts stated in such application are true, and, if satisfied that the applicant is the lawful owner of such vessel, or otherwise entitled to have the same registered in his or her name, shall thereupon issue an appropriate certificate of title over the director's signature and sealed with the seal of the director's office, procured and used for such purpose, and a certificate of number stating the number awarded to the vessel. The application shall include a provision stating that the applicant will consent to any inspection necessary to determine compliance with the provisions of this chapter and shall be signed by the owner of the vessel and shall be accompanied by the fee specified in subsection 10 of this section. The owner shall paint on or attach to each side of the bow of the vessel the identification number in a manner as may be prescribed by rules and regulations of the division of water safety in order that it may be clearly visible. The number shall be maintained in legible condition. The certificate of number shall be pocket size and shall be available at all times for inspection on the vessel for which issued, whenever the vessel is in operation. The operator of a vessel in which such certificate of number is not available for inspection by the state water patrol or, if the operator cannot be determined, the person who is the registered owner of the vessel shall be subject to the penalties provided in section 306.210. Vessels owned by the state or a political subdivision shall be registered but no fee shall be assessed for such registration.

2. Each new vessel sold in this state after January 1, 1970, shall have die stamped on or within three feet of the transom or stern a factory number or serial number.

3. The recordation and payment of registration fee shall be in the manner and pursuant to the procedure required for the award of a number under subsection 1 of this section. No additional or substitute number shall be issued unless the number is a duplicate of an existing Missouri number.

4. In the event that an agency of the United States government shall have in force an overall system of identification numbering for vessels within the United States, the numbering system employed pursuant to this chapter by the department of revenue shall be in conformity therewith.

5. All records of the department of revenue made and kept pursuant to this section shall be public records.

6. Every certificate of number awarded pursuant to this chapter shall continue in force and effect for a period of three years unless sooner terminated or discontinued in accordance with the provisions of this chapter. Certificates of number may be renewed by the owner in the same manner provided for in the initial securing of the same or in accordance with the provisions of sections 306.010 to 306.030.

7. The department of revenue shall fix the days and months of the year on which certificates of number due to expire during the calendar year shall lapse and no longer be of any force and effect unless renewed pursuant to this chapter and may stagger such dates in order to distribute the workload.

8. When applying for or renewing a vessel's certificate of number, the owner shall submit a paid personal property tax receipt for the tax year which immediately precedes the year in which the application is made or the year in which the renewal is due and which reflects that the vessel being renewed is listed as personal property and that all personal property taxes, including delinquent taxes from prior years, have been paid, or a statement certified by the county or township in which the owner's property was assessed showing that the state and county tangible personal property taxes for such previous tax year and all delinquent taxes due have been paid by the applicant or that no such taxes were due.

9. When applying for or renewing a certificate of registration for a vessel documented with the United States Coast Guard under section 306.016, owners of vessels shall submit a paid personal property tax receipt for the tax year which immediately precedes the year in which the application is made or the renewal is due and which reflects that the vessel is listed as personal property and that all personal property taxes, including delinquent taxes from prior years, have been paid, or a statement certified by the county or township in which the owner's property was assessed showing that the state and county tangible personal property taxes for such previous tax year and all delinquent taxes due have been paid by the applicant or that no such taxes were due.

For vessels at least 40 feet and over . . . . .	\$150.00.

11. The certificate of title and certificate of number issued by the director of revenue shall be manufactured in a manner to prohibit as nearly as possible the ability to alter, counterfeit, duplicate, or forge such certificate without ready detection.

12. The first two million dollars collected annually under the provisions of this section shall be deposited into the state general revenue fund. All fees collected under the provisions of this section in excess of two million dollars annually shall be deposited in the Missouri state water patrol fund and shall be used exclusively for the Missouri state water patrol.

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SIXTY-EIGHTH DAY, THURSDAY, MAY 8, 2008

The House met pursuant to adjournment.

Speaker Jetton in the Chair.

Prayer by Msgr. Donald W. Lammers.

*(This prayer has been prayed all over our nation during the past week, beginning on the National Day of Prayer, of last Thursday.)*

## **2008 Prayer for Our Nation**

Holy Father, in a world where so many are hungry,  
You have given us food in abundance;

In a world where so many are hurting,  
You offer to bind up our wounds;

In a world where so many are lonely,  
You offer friendship to every heart;

In a world longing for peace,  
You offer hope.

Yet, we are so stubborn and resistant.  
Have mercy upon us, Lord.

Our nation is at a crossroads this year;  
We look to You to be our strength and shield.

Please give us the guidance to elect one who will honor You  
And to respond to the wisdom from above  
So that our hope may be renewed and our blessings be treasured.

In God's Holy name.

*Composed by Dr. Ravi Zacharias*

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Katie Misner, Andrew Chatmon and Matthew Chatmon.

The Journal of the sixty-seventh day was approved as printed.

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SIXTY-NINTH DAY, FRIDAY, MAY 9, 2008

The House met pursuant to adjournment.

Representative Ruestman in the Chair.

Prayer by Chris Dunn, Public Information Specialist, House Communications.

Heavenly Father,

Thank You for the love and kindness that You show us each day. We are grateful for the joy in our hearts and the privilege it is to work in this building.

This morning, I pray for all of us who work in the Legislature. *James 1:19-20* cautions us that "...Everyone should be quick to listen, slow to speak and slow to become angry, because our anger does not produce the righteousness that God desires." Help us all, legislators and staff, to be quick to listen, slow to speak and patient beyond our normal capacity. We need Your help to do so.

We thank You for the fine Session thus far, and ask that You would sustain us all as we work the long hours, with little sleep, that the final week of Session requires. We pray that Your will is done on behalf of the people of Missouri.

Your name is worthy and in Your name we pray. Amen.

The Pledge of Allegiance to the flag was recited.

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SEVENTIETH DAY, MONDAY, MAY 12, 2008

The House met pursuant to adjournment.

Speaker Jetton in the Chair.

Prayer by Reverend James Earl Jackson.

Lord God, our well-being and our honor depend on You. You are our stability, our safe haven. Great are You Lord and mighty in power; Your understanding has no limit.

Lord God, You who cause the rains to fall in season, the sun to rise and set on schedule, the stars to hang majestically in the heavens, and life to exist in all its beauty; surely You can penetrate our hearts and minds with the wisdom to break the confusion and futility that threatens to intensify the stress of our final days in session.

Fill us with the knowledge of Your will; with all the wisdom and understanding that Your Spirit gives. Enable us to live as You would want and do what pleases You. May our lives produce what is good and agreeable in Your sight: Growing in our understanding of Your design for our lives.

Now may Your grace and mercy abide with us throughout this week.

In the name of Your Son, we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Abigail Lee Ordway.

#### *House Amendment No. 2*

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 720, Page 3, Section 393.171, Lines 1 to 9, by deleting all of said lines and inserting in lieu thereof the following:

**"393.171. 1. The commission shall have the authority to grant the permission and approval specified in section 393.170, after the construction or acquisition of any electric plant located in a first class county without a charter form of government has been completed if the commission determines that the grant of such permission and approval is necessary or convenient for the public service. Any such permission and approval shall, for all purposes, have the same effect as the permission and approval granted prior to such construction or acquisition. This subsection is enacted to clarify and specify the law in existence at all times since the original enactment of section 393.170.**

**2. No permission or approval granted for an electric plant by the commission under subsection 1 of this section, nor any special use permit issued for any such electric plant by the governing body of the county in which the electric plant is located, shall extinguish, render moot, or mitigate any suit or claim pending or otherwise allowable by law by any landowner or other legal entity for monetary damages allegedly caused by the operation or existence of such electric plant.**

**3. The commission's authority under subsection 1 of this section shall expire on August 28, 2009.";** and

Further amend said bill, Pages 3 and 4, Section 393.275, Lines 1 to 25, by deleting all of said lines and inserting in lieu thereof the following:

**"393.275. 1. The commission shall notify the governing body of each city or county imposing a business license tax pursuant to section 66.300, 92.045, 94.110, 94.270 or 94.360, RSMo, or a similar tax adopted pursuant to charter provisions in any constitutional charter city with a population of at least three hundred fifty thousand inhabitants which is located in more than one county, on gross receipts of any gas corporation, electric corporation, water corporation or sewer corporation of any tariff increases authorized for such firm doing business in that city or county if the approved increase exceeds seven percent. The commission shall include with such notice to any city or county the percentage increase approved for the utility, together with an estimate of the annual increase in gross receipts resulting from the tariff increase on customers residing in that city or county. The provisions of this subsection shall not apply to rate adjustments in the purchase price of natural gas which are approved by the commission.**

**2. The governing body of each city or county notified of a tariff increase as provided in subsection 1 of this section shall reduce the tax rate of its business license tax on the gross receipts of utility corporations. Within sixty days of the effective date of the tariff increase, the tax rate shall be reduced to the extent necessary so that revenue for the ensuing twelve months will be approximately equal to the revenue received during the preceding twelve months plus a growth factor. The growth factor shall be equal to the average of the additional revenue received in each of the preceding three years. However, a city or county may maintain the tax rate of its business license tax on the gross receipts of utility corporations without reduction if an ordinance to maintain the tax rate is enacted by the governing body of the city or an order to maintain the tax rate is issued by the governing body of the county after September 28, 1985.**

The provisions of this subsection shall not apply to rate adjustments in the purchase price of natural gas which are approved by the commission **and such purchased gas adjustment rates shall include the gas cost portion of net write-offs incurred by the gas corporation in providing service to system sales customers upon the filing and approval of new rate schedules applicable to such customers. Such rate schedules shall be designed to simultaneously decrease the gas corporation's base rates and increase its purchased gas adjustment rates by like amounts so as to reasonably ensure that the gas cost portion of the net write-offs applicable to such customers, as such portion is determined by the commission, is only being recovered once through the gas corporation's purchased gas adjustment rates. Increases and decreases in the gas cost portion of net write-offs shall thereafter be reflected in the gas corporation's purchased gas adjustment rates pursuant to tariff provisions approved by the commission provided, however, that such tariff provisions shall:**

- (1) Limit increases or decreases in the gas cost portion of net write-offs as reflected in purchased gas adjustment rates to once each year;**
- (2) Require a true-up of the gas cost portion of net write-offs as reflected in purchased gas adjustment rates once each year; and**
- (3) Require commission review of the gas cost portion of net write-offs as reflected in purchased gas adjustment rates once each year to insure that the gas corporation is prudently pursuing collection of amounts owed by its customers."; and**

Further amend said bill, Section 394.320, Page 4, by removing all of said section from the bill; and

Further amend said bill, Pages 4 and 5, Section 407.300, Lines 1 to 31, by deleting all of said lines and inserting in lieu thereof the following:

"407.300. 1. Every **purchaser or** collector of, or dealer in, junk, **scrap metal**, or any secondhand property shall keep a register [which shall contain the name and address of the person from whom] **containing a written or electronic record for each purchase or trade in which each type of metal subject to the provisions of this section is obtained for value. There shall be a separate record for each transaction involving any:**

- (1) Copper, brass, or bronze;**
- (2) Aluminum wire [or is purchased,], cable, pipe, tubing, bar, ingot, rod, fitting, or fastener; or**
- (3) Material containing copper or aluminum that is knowingly used for farming purposes as "farming" is defined in section 350.010, RSMo;**

whatever may be the condition or length of such [copper wire or cable] **metal. The record shall contain the following data: A copy of the driver's license or photo identification issued by the state or by the United States government or agency thereof to the person from whom the material is obtained, which shall contain a current address of the person from whom the material is obtained; [the residence or place of business and driver's license number of such person;] and the date, time, and place of and a full description of each such purchase or trade including the quantity by weight thereof; and shall permit any peace officer to inspect the register at any reasonable time].**

**2. The records required under this section shall be maintained for a minimum of twenty-four months from when such material is obtained and shall be available for inspection by any law enforcement officer.**

**3. Anyone convicted of violating this section shall be [fined not less than twenty-five dollars nor more than five hundred dollars, or imprisoned for not less than thirty days nor more than six months, or both] guilty of a class A misdemeanor.**

**4. This section shall not apply to any of the following transactions:**

- (1) Any transaction for which the total amount paid for all regulated scrap metal purchased or sold does not exceed fifty dollars;**
- (2) Any transaction for which the seller, including a farm or farmer, has an existing business relationship with the scrap metal dealer and is known to the scrap metal dealer making the purchase to be an established business or political subdivision that operates a business with a fixed location that can be reasonably expected to generate regulated scrap metal and can be reasonably identified as such a business; or**
- (3) Any transaction for which the type of metal subject to subsection 1 of this section is a minor part of a larger item, except for equipment used in the generation and transmission of electrical power or telecommunications."; and**

**2. Notwithstanding the provisions of subsection 1 of this section, the following rules shall apply to the trimming, removing, and controlling of trees and other vegetation by any electric supplier:**

**(1) Every electric supplier that operates electric transmission or distribution lines shall have the authority to maintain the same by trimming, removing, and controlling trees and other vegetation posing a hazard to the continued safe and reliable operation thereof;**

**(2) An electric supplier may exercise its authority under subdivision (1) of this subsection if the trees and other vegetation are within the legal description of any recorded easement, or in the absence of a recorded easement, the following:**

(a) Within ten feet, plus one-half the length of any attached cross arm, of either side of the centerline of electricity lines potentially energized at or below 34.5 kilovolts measured line to line and located within the limits of any city; or

(b) Within thirty feet of either side of the centerline of electricity lines potentially energized at or below 34.5 kilovolts measured line to line and located outside the limits of any city; or

(c) Within fifty feet of either side of the centerline of electricity lines potentially energized between 34.5 and one hundred kilovolts measured line to line; or

(d) Within the greater of the following for any electricity lines potentially energized at one hundred kilovolts or more measured line to line:

a. Seventy-five feet to either side of the centerline; or

b. Any required clearance distance adopted by either the Federal Energy Regulatory Commission or an Electric Reliability Organization authorized by the Energy Policy Act of 2005, 16 U.S.C. Section 824o. Such exercise shall be considered reasonable and necessary for the proper and reliable operation of electric service and shall create a rebuttable presumption, in claims for property damage, that the electric supplier acted with reasonable care, operated within its rights regarding the operation and maintenance of its electricity lines, and has not committed a trespass;

(3) An electric supplier may trim, remove, and control trees and other vegetation outside the provisions in subdivision (2) of this subsection if such actions are necessary to maintain the continued safe and reliable operation of its electric lines;

(4) An electric supplier may secure from the owner or occupier of land greater authority to trim, remove, and control trees and other vegetation than the provisions set forth in subdivision (2) of this subsection and may exercise any and all rights regarding the trimming, removing, and controlling of trees and other vegetation granted in any easement held by the electric supplier;

(5) An electric supplier may trim or remove any tree of sufficient height outside the provisions of subdivision (2) of this subsection when such tree, if it were to fall, would threaten the integrity and safety of any electric transmission or distribution line and would pose a hazard to the continued safe and reliable operation thereof;

(6) Prior to the removal of any tree under the provisions of subdivision (5) of this subsection, an electric supplier shall notify the owner or occupier of land, if available, at least fourteen days prior to such removal, unless either the electric supplier deems the removal to be immediately necessary to continue the safe and reliable operation of its electricity lines, or the electric supplier is trimming or removing trees and other vegetation following a major weather event or other emergency situation;

(7) If any tree which is partially trimmed by an electric supplier dies within three months as a result of such trimming, the owner or occupier of land upon which the tree was trimmed may request in writing that the electric supplier remove such tree at the electric supplier's expense. The electric supplier shall respond to such request within ninety days;

(8) Nothing in this subsection shall be interpreted as requiring any electric supplier to fully exercise the authorities granted in this subsection.

3. For purposes of this section, the term "electric supplier" means any rural cooperative that is subject to the provisions of chapter 394, RSMo, and any electric corporation which is required by its bylaws to operate on the not-for-profit cooperative business plan, with its consumers who receive service as the stockholders of such corporation and that holds a certificate of public convenience and necessity to serve a majority of its customer-owners in counties of the third classification as of August 28, 2003."; and

9. If any person shall neglect or refuse to surrender the person's license, as provided herein, the director shall direct the state highway patrol or any peace or police officer to secure possession thereof and return it to the director.

Upon the issuance of a reinstatement or termination notice after a suspension or revocation of any person's license and driving privilege under the provisions of sections 302.010 to 302.540, the accumulated point value shall be reduced to four points, except that the points of any person serving as a member of the armed forces of the United States outside the limits of the United States during a period of suspension or revocation shall be reduced to zero upon the date of the reinstatement or termination of notice. It shall be the responsibility of such member of the armed forces to submit copies of official orders to the director of revenue to substantiate such overseas service. Any other provision of sections 302.010 to 302.540 to the contrary notwithstanding, the effective date of the four points remaining on the record upon reinstatement or termination shall be the date of the reinstatement or termination notice.

11. No credit toward reduction of points shall be given during periods of suspension or revocation or any period of driving under a limited driving privilege granted by a court or the director of revenue.

12. Any person or nonresident whose license or privilege to operate a motor vehicle in this state has been suspended or revoked under this or any other law shall, before having the license or privilege to operate a motor vehicle reinstated, pay to the director a reinstatement fee of twenty dollars which shall be in addition to all other fees provided by law.

13. Notwithstanding any other provision of law to the contrary, if after two years from the effective date of any suspension or revocation issued under this chapter, the person or nonresident has not paid the reinstatement fee of twenty dollars, the director shall reinstate such license or privilege to operate a motor vehicle in this state.

14. No person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (8), (9) or (10) of subsection 1 of section 302.302 shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 302.010, or a program determined to be comparable by the department of mental health. Assignment recommendations, based upon the needs assessment as described in subdivision (22) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517, RSMo. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.023, RSMo, or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

15. The fees for the program authorized in subsection 14 of this section, or a portion thereof to be determined by the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee in an amount to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010 and section 577.001, RSMo, or a program determined to be comparable by the department of mental health. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health on or before the fifteenth day of each month the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rate established pursuant to the provisions of section 32.065, RSMo, plus three percentage points. The supplemental fees and any interest received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053, RSMo.

16. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate

appropriate action of the collection of said fees and interest accrued. The court shall assess attorney fees and court costs against any delinquent program.

**17. Any person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (9) of subsection 1 of section 302.302 shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement of the license. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the person fails to maintain such proof with the director, the license shall be resuspended or revoked and the person shall be guilty of a class A misdemeanor.**

302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303, RSMo.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts or the director of revenue shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges. Any application may be made in writing to the director of revenue and the person's reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

- (a) A business, occupation, or employment;
- (b) Seeking medical treatment for such operator;
- (c) Attending school or other institution of higher education;
- (d) Attending alcohol or drug treatment programs; [or]
- (e) **Seeking the required services of a certified ignition interlock device provider; or**
- (f) Any other circumstance the court or director finds would create an undue hardship on the operator;

the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator's principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant's driving record as certified by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303, RSMo. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, RSMo, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has complied with chapter 303, RSMo, for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303, RSMo, for that vehicle.

**(4) No limited driving privilege shall be issued to any person otherwise eligible under the provisions of paragraph (a) of subdivision (6) of subsection 3 of this section on a license revocation resulting from a conviction under subdivision (9) of subsection 1 of section 302.302; or a license denial under paragraph (a) or (b) of subdivision (8) of subsection 3 of this section; until the applicant has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of limited driving privilege.**

(5) The court order or the director's grant of the limited **or restricted** driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. A copy of any court order shall be sent by the clerk of the court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of

the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. **Failure of the driver to maintain proof of financial responsibility, as required by chapter 303, or to maintain proof of installation of a functioning, certified ignition interlock device, as applicable, shall terminate the privilege.** The director shall notify by ordinary mail the driver whose privilege is so terminated.

[(5)] (6) Except as provided in subdivision [(7)] (8) of this subsection, no person is eligible to receive a limited driving privilege who at the time of application for a limited driving privilege has previously been granted such a privilege within the immediately preceding five years, or whose license has been suspended or revoked for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, RSMo, or any similar provision of any federal or state law, or a municipal or county law where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;

(c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5), (6), (7), (8), (9), (10) or (11) of section 302.060;

(d) Because of operating a motor vehicle under the influence of narcotic drugs, a controlled substance as defined in chapter 195, RSMo, or having left the scene of an accident as provided in section 577.060, RSMo;

(e) Due to a revocation for the first time for failure to submit to a chemical test pursuant to section 577.041, RSMo, or due to a refusal to submit to a chemical test in any other state, if such person has not completed the first ninety days of such revocation;

(f) Violation more than once of the provisions of section 577.041, RSMo, or a similar implied consent law of any other state; or

(g) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not completed the first thirty days of such suspension, provided the person is not otherwise ineligible for a limited driving privilege; or due to a revocation pursuant to subsection 2 of section 302.525 if such person has not completed such revocation.

[(6)] (7) No person who possesses a commercial driver's license shall receive a limited driving privilege issued for the purpose of operating a commercial motor vehicle if such person's driving privilege is suspended, revoked, canceled, denied, or disqualified. Nothing in this section shall prohibit the issuance of a limited driving privilege for the purpose of operating a noncommercial motor vehicle provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege.

[(7)] (8) (a) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of ten years, as prescribed in subdivision (9) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least three years of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding three years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state.

(b) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege or convicted of involuntary manslaughter while operating a motor vehicle in an intoxicated condition, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of five years because of two convictions of driving while intoxicated, as prescribed in subdivision (10) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least two years of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding two years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state. Any person who is denied a license permanently in this state because of an alcohol-related conviction subsequent to a restoration of such person's driving privileges pursuant to subdivision (9) of section 302.060 shall not be eligible for limited driving privilege pursuant to the provisions of this subdivision.

4. Any person who has received notice of denial of a request of limited driving privilege by the director of revenue may make a request for a review of the director's determination in the circuit court of the county in which the

person resides or the county in which is located the person's principal place of business or employment within thirty days of the date of mailing of the notice of denial. Such review shall be based upon the records of the department of revenue and other competent evidence and shall be limited to a review of whether the applicant was statutorily entitled to the limited driving privilege.

5. The director of revenue shall promulgate rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

302.525. 1. The license suspension or revocation shall become effective fifteen days after the subject person has received the notice of suspension or revocation as provided in section 302.520, or is deemed to have received the notice of suspension or revocation by mail as provided in section 302.515. If a request for a hearing is received by or postmarked to the department within that fifteen-day period, the effective date of the suspension or revocation shall be stayed until a final order is issued following the hearing; provided, that any delay in the hearing which is caused or requested by the subject person or counsel representing that person without good cause shown shall not result in a stay of the suspension or revocation during the period of delay.

2. The period of license suspension or revocation under this section shall be as follows:

(1) If the person's driving record shows no prior alcohol-related enforcement contacts during the immediately preceding five years, the period of suspension shall be thirty days after the effective date of suspension, followed by a sixty-day period of restricted driving privilege as defined in section 302.010 and issued by the director of revenue. The restricted driving privilege shall not be issued until he or she has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, RSMo, and is otherwise eligible. In no case shall restricted driving privileges be issued pursuant to this section or section 302.535 until the person has completed the first thirty days of a suspension under this section;

(2) The period of revocation shall be one year if the person's driving record shows one or more prior alcohol-related enforcement contacts during the immediately preceding five years;

**(3) In no case shall restricted driving privileges be issued under this section to any person whose driving record shows one or more prior alcohol-related enforcement contacts until the person has completed the first thirty days of a suspension under this section and has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of the restricted driving privilege. If the person fails to maintain such proof the restricted driving privilege shall be terminated.**

3. For purposes of this section, "alcohol-related enforcement contacts" shall include any suspension or revocation under sections 302.500 to 302.540, any suspension or revocation entered in this or any other state for a refusal to submit to chemical testing under an implied consent law, and any conviction in this or any other state for a violation which involves driving **while intoxicated, driving while under the influence of drugs or alcohol, or driving** a vehicle while having an unlawful alcohol concentration.

4. Where a license is suspended or revoked under this section and the person is also convicted on charges arising out of the same occurrence for a violation of section 577.010 or 577.012, RSMo, or for a violation of any county or municipal ordinance prohibiting driving while intoxicated or alcohol-related traffic offense, both the suspension or revocation under this section and any other suspension or revocation arising from such convictions shall be imposed, but the period of suspension or revocation under sections 302.500 to 302.540 shall be credited against any other suspension or revocation arising from such convictions, and the total period of suspension or revocation shall not exceed the longer of the two suspension or revocation periods.

**5. Any person who has had a license to operate a motor vehicle revoked under this section or suspended under this section with one or more prior alcohol-related enforcement contacts showing on their driver record shall be required to file proof with the director of revenue that any motor vehicle operated by that person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the person fails to maintain such proof with the director, the license shall be resuspended or revoked, as applicable.";** and

Further amend said bill, Page 48, Section 577.023, Line 112, by inserting after all of said line the following:

"577.041. 1. If a person under arrest, or who has been stopped pursuant to subdivision (2) or (3) of subsection 1 of section 577.020, refuses upon the request of the officer to submit to any test allowed pursuant to section 577.020, then none shall be given and evidence of the refusal shall be admissible in a proceeding pursuant to section 565.024, 565.060, or 565.082, RSMo, or section 577.010 or 577.012. The request of the officer shall include the reasons of the officer for requesting the person to submit to a test and also shall inform the person that evidence of refusal to take the test may be used against such person and that the person's license shall be immediately revoked upon refusal to take the test. If a person when requested to submit to any test allowed pursuant to section 577.020 requests to speak to an attorney, the person shall be granted twenty minutes in which to attempt to contact an attorney. If upon the completion of the twenty-minute period the person continues to refuse to submit to any test, it shall be deemed a refusal. In this event, the officer shall, on behalf of the director of revenue, serve the notice of license revocation personally upon the person and shall take possession of any license to operate a motor vehicle issued by this state which is held by that person. The officer shall issue a temporary permit, on behalf of the director of revenue, which is valid for fifteen days and shall also give the person a notice of such person's right to file a petition for review to contest the license revocation.

2. The officer shall make a certified report under penalties of perjury for making a false statement to a public official. The report shall be forwarded to the director of revenue and shall include the following:

(1) That the officer has:

(a) Reasonable grounds to believe that the arrested person was driving a motor vehicle while in an intoxicated or drugged condition; or

(b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or

(c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer has reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater;

(2) That the person refused to submit to a chemical test;

(3) Whether the officer secured the license to operate a motor vehicle of the person;

(4) Whether the officer issued a fifteen-day temporary permit;

(5) Copies of the notice of revocation, the fifteen-day temporary permit and the notice of the right to file a petition for review, which notices and permit may be combined in one document; and

(6) Any license to operate a motor vehicle which the officer has taken into possession.

3. Upon receipt of the officer's report, the director shall revoke the license of the person refusing to take the test for a period of one year; or if the person is a nonresident, such person's operating permit or privilege shall be revoked for one year; or if the person is a resident without a license or permit to operate a motor vehicle in this state, an order shall be issued denying the person the issuance of a license or permit for a period of one year.

4. If a person's license has been revoked because of the person's refusal to submit to a chemical test, such person may petition for a hearing before a circuit or associate circuit court in the county in which the arrest or stop occurred. The person may request such court to issue an order staying the revocation until such time as the petition for review can be heard. If the court, in its discretion, grants such stay, it shall enter the order upon a form prescribed by the director of revenue and shall send a copy of such order to the director. Such order shall serve as proof of the privilege to operate a motor vehicle in this state and the director shall maintain possession of the person's license to operate a motor vehicle until termination of any revocation pursuant to this section. Upon the person's request the clerk of the court shall notify the prosecuting attorney of the county and the prosecutor shall appear at the hearing on behalf of the director of revenue. At the hearing the court shall determine only:

(1) Whether or not the person was arrested or stopped;

(2) Whether or not the officer had:

(a) Reasonable grounds to believe that the person was driving a motor vehicle while in an intoxicated or drugged condition; or

(b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or

(c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer had reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater; and

(3) Whether or not the person refused to submit to the test.

5. If the court determines any issue not to be in the affirmative, the court shall order the director to reinstate the license or permit to drive.

6. Requests for review as provided in this section shall go to the head of the docket of the court wherein filed.

7. No person who has had a license to operate a motor vehicle suspended or revoked pursuant to the provisions of this section shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 577.001, or a program determined to be comparable by the department of mental health or the court. Assignment recommendations, based upon the needs assessment as described in subdivision (22) of section 302.010, RSMo, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517, RSMo. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.023, or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

8. The fees for the substance abuse traffic offender program, or a portion thereof to be determined by the division of alcohol and drug abuse of the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010, RSMo, and section 577.001. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health on or before the fifteenth day of each month the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rates established pursuant to the provisions of section 32.065, RSMo, plus three percentage points. The supplemental fees and any interest received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053, RSMo.

9. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate appropriate action of the collection of said fees and interest accrued. The court shall assess attorney fees and court costs against any delinquent program.

**10. Any person who has had a license to operate a motor vehicle revoked more than once for violation of the provisions of this section shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of license reinstatement. Such ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the person fails to maintain such proof with the director as required by this section, the license shall be rerevoked and the person shall be guilty of a class A misdemeanor.**

**11. The revocation period of any person whose license and driving privilege has been revoked under this section and who has filed proof of financial responsibility with the department of revenue in accordance with chapter 303, RSMo, and is otherwise eligible, shall be terminated by a notice from the director of revenue after one year from the effective date of the revocation. Unless proof of financial responsibility is filed with the department of revenue, the revocation shall remain in effect for a period of two years from its effective date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, RSMo, the person's license and driving privilege shall be rerevoked and the person shall be guilty of a class A misdemeanor.**

577.600. 1. In addition to any other provisions of law, a court may require that any person who is found guilty of or pleads guilty to a first intoxication-related traffic offense, as defined in section 577.023, and a court shall require that any person who is found guilty of or pleads guilty to a second or subsequent intoxication-related traffic offense, as defined in section 577.023, shall not operate any motor vehicle unless that vehicle is equipped with a functioning, certified ignition interlock device for a period of not less than [one month] **six months** from the date of reinstatement of the person's driver's license. In addition, any court authorized to grant a limited driving privilege under section 302.309, RSMo, to any person who is found guilty of or pleads guilty to a second or subsequent intoxication-related traffic offense shall require the use of an ignition interlock device on all vehicles operated by the person as a required condition of the limited driving privilege. **These requirements shall be in addition to any other provisions of this chapter or chapter 302, RSMo, requiring installation and maintenance of an ignition interlock device.** Any person required to use an ignition interlock device, **either under the provisions of this chapter or chapter 302, RSMo**, shall comply with [the court order.] **such requirement** subject to the penalties provided by this section.

2. No person shall knowingly rent, lease or lend a motor vehicle to a person known to have had that person's driving privilege restricted as provided in subsection 1 of this section, unless the vehicle is equipped with a functioning, certified ignition interlock device. Any person whose driving privilege is restricted as provided in subsection 1 of this section shall notify any other person who rents, leases or loans a motor vehicle to that person of the driving restriction imposed pursuant to this section.

3. Any person convicted of a violation of this section shall be guilty of a class A misdemeanor.

577.602. 1. If a court imposes a fine and requires the use of an ignition interlock device for the same offense, the amount of the fine may be reduced by the cost of the ignition interlock device.

2. If the court requires the use of an ignition interlock device, it shall order the installation of the device on any vehicle which the offender operates during the period of probation or limited driving privilege.

3. If the court imposes the use of an ignition interlock device on a person having full or limited driving privileges, the court shall require the person to provide proof of compliance with the order to the court or the probation officer within thirty days of this court's order or sooner, as required by the court, **in addition to any proof required to be filed with the director of revenue under the provisions of this chapter or chapter 302, RSMo.** If the person fails to provide proof of installation within that period, absent a finding by the court of good cause for that failure which is entered in the court record, the court shall revoke or terminate the person's probation or limited driving privilege.

4. Nothing in sections 577.600 to 577.614 shall be construed to authorize a person to operate a motor vehicle whose driving privileges have been suspended or revoked, unless the person has obtained a limited driving privilege or restricted driving privilege under other provisions of law.

5. The person whose driving privilege is restricted pursuant to section 577.600 shall report to the court or the probation officer at least once annually, or more frequently as the court may order, on the operation of each ignition interlock device in the person's vehicle or vehicles. Such person shall be responsible for the cost and maintenance of the ignition interlock device. If such device is broken, destroyed or stolen, such person shall also be liable for the cost of replacement of the device.

6. The court may require a person whose driving privilege is restricted under section 577.600 to report to any officer appointed by the court in lieu of a probation officer.

2. A vehicle protection product warrantor's accounts, books, and records shall include:

(1) Copies of all vehicle protection product warranties;

(2) The name and address of each warranty holder; and

(3) Claims files which shall contain at least the dates, amounts, and descriptions of all receipts, claims, and expenditures.

3. A vehicle protection product warrantor shall retain all required accounts, books, and records pertaining to each warranty holder for at least three years after the specified period of coverage has expired. A warrantor discontinuing business in the state shall maintain its records until it furnishes the director satisfactory proof that it has discharged all obligations to warranty holders in this state.

4. Vehicle protection product warrantors shall make all accounts, books, and records concerning transactions regulated under sections 385.400 to 385.436 available to the director for examination.

**385.430.** 1. The director may conduct examinations of warrantors, administrators, or other persons to enforce sections 385.400 to 385.436 and protect warranty holders in this state. Upon request of the director, a warrantor shall make available to the director all accounts, books, and records concerning vehicle protection products provided by the warrantor that are necessary to enable the director to reasonably determine compliance or noncompliance with sections 385.400 to 385.436.

2. If the director determines that a person has engaged, is engaging in, or has taken a substantial step toward engaging in an act, practice, or course of business constituting a violation of sections 385.400 to 385.436 or a rule adopted or order issued pursuant thereto, or a person has materially aided or is materially aiding an act, practice, omission, or course of business constituting a violation of sections 385.400 to 385.436 or a rule adopted or order issued pursuant thereto, the director may issue such administrative orders as authorized under section 374.046, RSMo. A violation of these sections is a level two violation under section 374.049, RSMo.

3. If the director believes that a person has engaged, is engaging in, or has taken a substantial step toward engaging in an act, practice, or course of business constituting a violation of sections 385.400 to 385.436 or a rule adopted or order issued pursuant thereto, or that a person has materially aided or is materially aiding an act, practice, omission, or course of business constituting a violation of sections 385.400 to 385.436 or a rule adopted or order issued pursuant thereto, the director may maintain a civil action for relief authorized under section 374.048, RSMo. A violation of these sections is a level two violation under section 374.049, RSMo.

**385.433.** The director may promulgate rules and regulations to implement the provisions of sections 385.400 to 385.436. Such rules and regulations shall include disclosures for the benefit of the warranty holder, record keeping, and procedures for public complaints. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general

assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after January 1, 2009, shall be invalid and void.

**385.436. Sections 385.400 to 385.436 applies to all vehicle protection products sold or offered for sale on or after January 1, 2009. The failure of any person to comply with sections 385.400 to 385.436 prior to January 1, 2009, shall not be admissible in any court proceeding, administrative proceeding, arbitration, or alternative dispute resolution proceeding and may not otherwise be used to prove that the action of any person or the affected vehicle protection product was unlawful or otherwise improper. The adoption of sections 385.400 to 385.436 does not imply that a vehicle protection product warranty was insurance prior to January 1, 2009. The penalty provision of sections 385.400 to 385.436 do not apply to any violation of sections 385.400 to 385.436 relating to or in connection with the sale or failure to disclose in a retail installment contract or lease, or contract or agreement that provides for payments under a vehicle protection product warranty so long as the sale of such product, contract, or agreement was otherwise disclosed to the purchaser in writing at the time of the purchase or lease.";** and

"233.155. 1. Whenever the inhabitants of any special road district already formed under sections 233.010 to 233.165 shall desire to extend the boundaries of such district to take in territory not included in the original district, and shall present a petition to the county commission of the county in which such district is located, or if the proposed district is to include portions of more than one county, then to the county commissions of each of such counties, signed by not less than thirty-five voters in the old district and not less than fifty percent of the voters in the territory proposed to be taken into said district, asking the county commission or commissions of such county or counties to submit the proposition of the proposed extension of such road district to a vote of the people of such proposed district for their adoption or rejection, the county commission of such county, or if the proposed district shall include parts of more than one county, the county commissions of all such counties, shall each make an order of record that the proposed extension of said road district under the provisions of this section, describing the same by its title and the date of its approval, and describing the boundaries of the district as proposed to be extended, be submitted to the voters of such proposed road district.

2. The question shall be submitted in substantially the following form:

Shall the special road district be extended?

3. If the territory of more than one county be included in said special road district, the county commission of each county in said district shall, as soon as the returns are in from said election, cause a certificate to be made out stating the number of votes cast for and against said proposition in said county, and cause such certificate to be filed with the county clerk of the county commission of every other county which shall form a part of said special road district. If it shall appear from the returns of said county and from said certificate that a majority of the votes cast upon the proposition in the whole proposed district be in favor of the extension of said road district, the county commission or county commissions in said proposed district shall declare the result of the vote thereon in said proposed district by an order of record, and shall make an order of record that the above specified road district laws shall extend to and be the law in such special road district, including the extension thereof, setting out the boundaries of said district as extended, the same to take effect and be in force from and after a day to be named in such order, said day to be not more than twenty days after said election.

4. If any territory added to any such original district be in any county outside of the county of such original district, each county outside of such original district may appoint one road commissioner to act with the commissioners appointed in the county of the original district. Such commissioners so appointed outside of the county of the original district shall serve for a term of three years from the date of such appointment, and until their successors shall be appointed and qualified. Such commissioners shall be voters of such added territory in such county of their appointment. Except as herein provided, such commissioners shall be governed by sections 233.010 to 233.165. No change shall be made in the number of commissioners appointed by the county of the original district or in the manner of their appointment. **In any special road district located in two counties with an additional fourth commissioner appointed by the county outside of the original district as provided in this subsection, a fifth commissioner may be appointed by the same county that appointed the fourth commissioner. Except as herein provided, a fifth commissioner shall be governed by sections 233.010 to 233.165, shall serve for a term of three years from the date of the appointment and until the fifth commissioner's successor shall be appointed and qualified, and shall be a voter of the county of appointment.**

5. If a majority of the votes of the proposed district, as extended, be cast in favor of such extension, then the territory of such district, as extended, shall be governed by sections 233.010 to 233.165. But if such extension proposition shall not receive a majority of the votes of said district, as extended, then said special road district shall remain as it was before said petition was filed. Any special road district extended under the provisions of this section may be extended so that after such extension it shall not be more than seventeen miles square."'; and ' and

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill Nos. 930 & 947, Section 302.177, Page 23, Line 56, by inserting immediately after said line the following:

"302.341. **1.** If a Missouri resident charged with a moving traffic violation of this state or any county or municipality of this state fails to dispose of the charges of which [he] **the resident** is accused through authorized prepayment of fine and court costs and fails to appear on the return date or at any subsequent date to which the case has been continued, or without good cause fails to pay any fine or court costs assessed against [him] **the resident** for any such violation within the period of time specified or in such installments as approved by the court or as otherwise provided by law, any court having jurisdiction over the charges shall within ten days of the failure to comply inform the defendant by ordinary mail at the last address shown on the court records that the court will order the director of revenue to suspend the defendant's driving privileges if the charges are not disposed of and fully paid within thirty days from the date of mailing. Thereafter, if the defendant fails to timely act to dispose of the charges and fully pay any applicable fines and court costs, the court shall notify the director of revenue of such failure and of the pending charges against the defendant. Upon receipt of this notification, the director shall suspend the license of the driver, effective immediately, and provide notice of the suspension to the driver at the last address for the driver shown on the records of the department of revenue. Such suspension shall remain in effect until the court with the subject pending charge requests setting aside

the noncompliance suspension pending final disposition, or satisfactory evidence of disposition of pending charges and payment of fine and court costs, if applicable, is furnished to the director by the individual. Upon proof of disposition of charges and payment of fine and court costs, if applicable, and payment of the reinstatement fee as set forth in section 302.304, the director shall reinstate the license. The filing of financial responsibility with the bureau of safety responsibility, department of revenue, shall not be required as a condition of reinstatement of a driver's license suspended solely under the provisions of this section.

2. If any city, town, or village receives more than [forty-five] **thirty-five** percent of its [total] annual **general operating** revenue from fines **and court costs** for traffic violations occurring on state highways, all revenues from such violations in excess of [forty-five] **thirty-five** percent of the [total] annual **general operating** revenue of the city, town, or village shall be sent to the director of the department of revenue and shall be distributed annually to the schools of the county in the same manner that proceeds of all penalties, forfeitures and fines collected for any breach of the penal laws of the state are distributed. For the purpose of this section the words "state highways" shall mean any state or federal highway, including any such highway continuing through the boundaries of a city, town or village with a designated street name other than the state highway number. **If any city, town, or village fails to send such excess revenues to the director of the department of revenue in a timely fashion which shall be set forth by the director by rule, such city, town, or village may submit to an annual audit by the state auditor under the authority of article IV, section 13 of the Missouri Constitution. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.**

3. Subsection 2 of this section shall not apply before January 1, 2010, to any city, town, or village located in any county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants."; and

#### *House Amendment No. 13*

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill Nos. 930 & 947, Section 302.177, Page 23, Line 56, by inserting immediately after said line the following:

"302.181. 1. The license issued pursuant to the provisions of sections 302.010 to 302.340 shall be in such form as the director shall prescribe, but the license shall be a card made of plastic or other comparable material. All licenses shall be manufactured of materials and processes that will prohibit, as nearly as possible, the ability to reproduce, alter, counterfeit, forge, or duplicate any license without ready detection. All licenses shall bear the licensee's Social Security number, if the licensee has one, and if not, a notarized affidavit must be signed by the licensee stating that the licensee does not possess a Social Security number, or, if applicable, a certified statement must be submitted as provided in subsection 4 of this section. The license shall also bear the expiration date of the license, the classification of the license, the name, date of birth, residence address including the county of residence or a code number corresponding to such county established by the department, and brief description and colored photograph or digitized image of the licensee, and a facsimile of the signature of the licensee. The director shall provide by administrative rule the procedure and format for a licensee to indicate on the back of the license together with the designation for an anatomical gift as provided in section 194.240, RSMo, the name and address of the person designated pursuant to sections 404.800 to 404.865, RSMo, as the licensee's attorney in fact for the purposes of a durable power of attorney for health care decisions. No license shall be valid until it has been so signed by the licensee. If any portion of the license is prepared by a private firm, any contract with such firm shall be made in accordance with the competitive purchasing procedures as established by the state director of the division of purchasing. For all licenses issued or renewed after March 1, 1992, the applicant's Social Security number shall serve as the applicant's license number. Where the licensee has no Social

Security number, or where the licensee is issued a license without a Social Security number in accordance with subsection 4 of this section, the director shall issue a license number for the licensee and such number shall also include an indicator showing that the number is not a Social Security number.

2. All film involved in the production of photographs for licenses shall become the property of the department of revenue.

3. The license issued shall be carried at all times by the holder thereof while driving a motor vehicle, and shall be displayed upon demand of any officer of the highway patrol, or any police officer or peace officer, or any other duly authorized person, for inspection when demand is made therefor. Failure of any operator of a motor vehicle to exhibit his or her license to any duly authorized officer shall be presumptive evidence that such person is not a duly licensed operator.

4. The director of revenue shall issue a commercial or noncommercial driver's license without a Social Security number to an applicant therefor, who is otherwise qualified to be licensed, upon presentation to the director of a certified statement that the applicant objects to the display of the Social Security number on the license. The director shall assign an identification number, that is not based on a Social Security number, to the applicant which shall be displayed on the license in lieu of the Social Security number.

5. The director of revenue shall not issue a license without a facial photograph or digital image of the license applicant, except as provided pursuant to subsection 8 of this section. A photograph or digital image of the applicant's full facial features shall be taken in a manner prescribed by the director. No photograph or digital image will be taken wearing anything which cloaks the facial features of the individual.

6. The department of revenue may issue a temporary license or a full license without the photograph or with the last photograph or digital image in the department's records to members of the armed forces, except that where such temporary license is issued it shall be valid only until the applicant shall have had time to appear and have his or her picture taken and a license with his or her photograph issued.

7. The department of revenue shall issue upon request a nondriver's license card containing essentially the same information and photograph or digital image, except as provided pursuant to subsection 8 of this section, as the driver's license upon payment of six dollars. All nondriver's licenses shall expire on the applicant's birthday in the sixth year after issuance. A person who has passed his or her seventieth birthday shall upon application be issued a nonexpiring nondriver's license card. The nondriver's license card shall be used for identification purposes only and shall not be valid as a license.

8. If otherwise eligible, an applicant may receive a driver's license or nondriver's license without a photograph or digital image of the applicant's full facial features except that such applicant's photograph or digital image shall be taken and maintained by the director and not printed on such license. In order to qualify for a license without a photograph or digital image pursuant to this section the applicant must:

(1) Present a form provided by the department of revenue requesting the applicant's photograph be omitted from the license or nondriver's license due to religious affiliations. The form shall be signed by the applicant and another member of the religious tenant verifying the photograph or digital image exemption on the license or nondriver's license is required as part of their religious affiliation. The required signatures on the prescribed form shall be properly notarized;

(2) Provide satisfactory proof to the director that the applicant has been a U.S. citizen for at least five years and a resident of this state for at least one year, except that an applicant moving to this state possessing a valid driver's license from another state without a photograph, shall be exempt from the one-year state residency requirement. The director may establish rules necessary to determine satisfactory proof of citizenship and residency pursuant to this section;

(3) Applications for a driver's license or nondriver's license without a photograph or digital image must be made in person at a license office determined by the director. The director is authorized to limit the number of offices that may issue a driver's or nondriver's license without a photograph or digital image pursuant to this section.

9. The department of revenue shall make available, at one or more locations within the state, an opportunity for individuals to have their full facial photograph taken by an employee of the department of revenue, or their designee, who is of the same sex as the individual being photographed, in a segregated location.

**10. An applicant who desires to receive a driver's license or nondriver's license without a photograph under subsection 8 of this section may receive such a driver's license or nondriver's license without having his or her photograph or digital image taken and maintained by the director provided that the applicant:**

**(1) Complies with all of the provisions of subsection 8 of this section except for the provision requiring the applicant's photograph or digital image be taken and maintained by the director;**

**(2) Submits a set of fingerprints in a format prescribed by the director upon application for the driver's license or nondriver's license. The fingerprints shall be maintained by the director in a manner prescribed by**

the director and shall be accessible to the Missouri highway patrol and other law enforcement officers as established by rule. The applicant shall pay a twenty five dollar fee for the submission of such fingerprints; and

(3) Presents evidence satisfactory to the director that the applicant is exempt from paying social security and Medicare taxes because the applicant is a member of a recognized religious group that:

(a) Has existed continuously since December 31, 1950;

(b) Conscientiously opposes accepting benefits of any private or public insurance that makes payments in the event of death, disability, old age, or retirement or that makes payments for the cost of medical care or provides services for medical care including the benefits of any insurance system established by the social security act and Medicare benefits; and

(c) Provides a reasonable level of living for its dependent members.

For purposes of this subdivision, a Form 4029, or a copy thereof, approved by the Internal Revenue Service shall be considered satisfactory evidence.

11. Beginning July 1, 2005, the director shall not issue a driver's license or a nondriver's license for a period that exceeds an applicant's lawful presence in the United States. The director may, by rule or regulation, establish procedures to verify the lawful presence of the applicant and establish the duration of any driver's license or nondriver's license issued under this section.

[11.] 12. No rule or portion of a rule promulgated pursuant to the authority of this chapter shall become effective unless it is promulgated pursuant to the provisions of chapter 536, RSMo."; and

  - (a) Within [the] a proposed or established district, **except for a district proposed under subsection 1 of section 238.207**, any persons residing therein who have registered to vote pursuant to chapter 115, RSMo[, and]; **or**
  - (b) **Within a district proposed or established under subsection 1 of section 238.207 which has no persons residing therein who have registered to vote pursuant to chapter 115, RSMo**, the owners of **record of all** real property **located in the district**, who shall receive one vote per acre, provided that [any] **if a** registered voter [who also

owns property] **subsequent to the creation of the district becomes a resident within the district and obtains ownership of property within the district, such registered voter must elect whether to vote as an owner of real property or as a registered voter, which election once made cannot thereafter be changed;**

(3) "Registered voters", persons qualified and registered to vote pursuant to chapter 115, RSMo.

238.207. 1. Whenever the creation of a district is desired, not less than fifty registered voters from each county partially or totally within the proposed district may file a petition requesting the creation of a district. However, if no persons eligible to be registered voters reside within the district, the owners of record of all of the real property, except public streets, located within the proposed district may file a petition requesting the creation of a district. The petition shall be filed in the circuit court of any county partially or totally within the proposed district.

2. Alternatively, the governing body of any local transportation authority within any county in which a proposed project may be located may file a petition in the circuit court of that county, requesting the creation of a district.

(b) The court finds that all of the real property located within the proposed district will benefit by the projects to be undertaken by the district; and

(c) Each parcel within the district is within five miles of every other parcel; and

(3) In the case of a district created pursuant to subsection 5 of this section, property separated only by public streets, easements, or rights-of-way or connected by a single public street, easement, or right-of-way shall be considered contiguous.

(5) The estimated project costs and the anticipated revenues to be collected from the project;

(6) The name of the proposed district;

(11) A statement that the proposed district shall not be an undue burden on any owner of property within the district and is not unjust or unreasonable.

5. (1) As an alternative to the methods described in subsections 1 and 2 of this section, if two or more local transportation authorities have adopted resolutions calling for the joint establishment of a district, the governing body of any one such local transportation authority may file a petition in the circuit court of any county in which the proposed project is located requesting the creation of a district; **or, if not less than fifty registered voters from each of two or more counties sign a petition calling for the joint establishment of a district for the purpose of developing a project that lies in whole or in part within those same counties, the petition may be filed in the circuit court of any of those counties in which not less than fifty registered voters have signed the petition.**

(2) The proposed district area shall be contiguous and may contain all or any portion of one or more municipalities and counties. Property separated only by public streets, easements, or rights-of-way or connected by a single public street, easement, or right-of-way shall be considered contiguous.

(3) The petition shall set forth:

(a) That the petitioner is the governing body of a local transportation authority acting in its official capacity; **or, if the petition was filed by obtaining the signatures of not less than fifty registered voters in each of two or more counties, it shall set forth the name, voting residence, and county of residence of each individual petitioner;**

(b) The name of each local transportation authority within the proposed district. The resolution of the governing body of each local transportation authority calling for the joint establishment of the district shall be attached to the petition;

(c) The name and address of each respondent. Respondents must include the commission and each affected local transportation authority within the proposed district, except a petitioning local transportation authority;

(d) A specific description of the proposed district boundaries including a map illustrating such boundaries;

(e) A general description of each project proposed to be undertaken by the district, including a description of the approximate location of each project;

(f) The name of the proposed district;

(g) The number of members of the board of directors of the proposed district;

(h) A request that the question be submitted to the qualified voters within the limits of the proposed district whether they will establish a transportation development district to develop the projects described in the petition;

(i) A proposal for funding the district initially, pursuant to the authority granted in sections 238.200 to 238.275, together with a request that the imposition of the funding proposal be submitted to the qualified voters residing within the limits of the proposed district; provided, however, the funding method of special assessments may also be approved as provided in subsection 1 of section 238.230; and

(j) A statement that the proposed district shall not be an undue burden on any owner of property within the district and is not unjust or unreasonable.

238.210. 1. Within thirty days after the petition is filed, the circuit court clerk shall serve a copy of the petition on the respondents who shall have thirty days after receipt of service to file an answer stating agreement with or opposition to the creation of the district. If any respondent files its answer opposing the creation of the district, it shall recite legal reasons why the petition is defective, why the proposed district is illegal or unconstitutional, or why the proposed method for funding the district is illegal or unconstitutional. The respondent shall ask the court for a declaratory judgment respecting these issues. The answer of each respondent shall be served on each petitioner and every other respondent named in the petition. Any resident, taxpayer, any other entity, or any local transportation authority within the proposed district may join in or file a petition supporting or answer opposing the creation of the district and seeking a declaratory judgment respecting these same issues within thirty days after the date notice is last published by the circuit clerk.

2. The court shall hear the case without a jury. If the court shall thereafter determine the petition is defective or the proposed district is illegal or unconstitutional, or shall be an undue burden on any owner of property within the district or is unjust and unreasonable, it shall enter its declaratory judgment to that effect and shall refuse to make the certifications requested in the pleadings. If the court determines that any proposed funding method is illegal or unconstitutional, it shall enter its judgment striking that funding method in whole or part. If the court determines the petition is not legally defective and the proposed district and method of funding are neither illegal nor unconstitutional, the court shall enter its judgment to that effect. If the petition was filed by registered voters or by a governing body, the court shall then certify the questions regarding district creation, project development, and proposed funding for voter approval. If the petition was filed by a governing body, **or by no less than fifty registered voters of two or more counties**, pursuant to subsection 5 of section 238.207, the court shall then certify the single question regarding district creation, project development, and proposed funding for voter approval. If the petition was filed by the owners of record of all of the real property located within the proposed district, the court shall declare the district organized and certify the funding methods stated in the petition for qualified voter approval; provided, however, the funding method of special assessments may also be approved as provided in subsection 1 of section 238.230. In either case, if no objections to the petition are timely filed, the court may make such certifications based upon the pleadings before it without any hearing.

3. Any party having filed an answer or petition may appeal the circuit court's order or declaratory judgment in the same manner provided for other appeals. **The circuit court shall have continuing jurisdiction to enter such orders as are required for the administration of the district after its formation.**"; and

Further amend said title, enacting clause and intersectional references accordingly.

A Program Plan developed by the Commission shall be available to the public for review and comment in advance of dates set by the Commission for submission of a ballot question to the electors in the District.

B. The governing body of each county in the District shall determine whether the provision of financial support for a Regional Program is in the best interests of the citizens of the county and whether the levy of a sales tax to provide, on a cooperative basis with another county or other counties, for financial support of the Regional Program would be economically practicable and cost beneficial to the citizens of the county and the District. Each governing body that makes an affirmative determination with respect hereto shall adopt a resolution evidencing that determination and authorizing a vote of its citizens on the ballot question for the Regional Program, by a two-thirds (2/3) majority vote of the members elect of the governing body.

C. Upon adoption of a resolution pursuant to Section B of this Article, the governing body of that county, promptly after adoption of the resolution, shall request the county election commissioner to submit the ballot question for that Regional Program to the qualified electors of that county. County for the support of a Regional Program that will produce significant benefit within the Regional Investment District, with such tax to extend no longer than ..... F. The question of whether a sales tax for the support of a Regional Program involving a Public Transit System shall be imposed shall be submitted to qualified electors at the first election to be held on Regional Programs, pursuant to this Compact.

G. The governing body of any county in the District that does not pass the resolution contemplated by Section B of this Article in time to cause the placement of the ballot question before the qualified electors of that county at the first election or any subsequent election to be held on Regional Programs, pursuant to this Compact, may adopt that resolution at any time thereafter, and that ballot question shall be provided to the election commissioner of that county and submitted to the qualified electors of the county at the next primary or general election, in accordance with Section C of this Article.

H. In each county where a majority of the qualified electors voting in an election shall have cast an affirmative vote on a ballot question, that ballot question shall be approved.

I. If a ballot question is submitted to the qualified electors of a county in the District, and the ballot question is not approved in that county, following defeat of the ballot question, the governing body of that county or counties may renew procedures to levy the sales tax in support of that Regional Program. A defeat of a ballot question in any county shall not affect the approval of that ballot question in any other county, which approval shall continue to have effect.

J. No county in the District shall levy a sales tax specified herein until the qualified electors in all the counties designated by the Commission in the Program Plan for the subject Regional Program, as those that must approve the sales tax, have approved the levy of the sales tax to support the Program Plan for that Regional Program.

K. When, but only when, the electors in all of the counties designated by the Commission in the Program Plan for the Regional Program, as those that must approve the sales tax, have approved that ballot question, the governing body of each county that has approved that ballot question, at the first available opportunity, shall take all required actions to begin levying this tax.

L. Any of the counties that have elected by a vote of its electors to levy a sales tax authorized by this Compact may cease to levy this sales tax upon the majority vote of the qualified electors of the county on a ballot question submitted to qualified electors asking if that county should cease to levy this sales tax. This vote shall take place in the same manner provided in this section for levying this sales tax; provided that, no vote to cease to levy this sales tax shall take place in any county on a date earlier than a date that is five years from the date that county approved this sales tax. Provided further, in no event shall any county cease to levy this sales tax until that county has entered into a written agreement with the Commission, which agreement shall provide for the terms of cessation, and shall specifically provide: (1) a means to ensure that the county pays a fair share of the outstanding obligations incurred by the District in furtherance of its established purposes; and (2) for the ongoing operations and maintenance or the termination of any facilities or services established in the county with support provided by the Commission. The governing body of a county that has decided by this vote to cease to levy this sales tax shall send formal written notice thereof to each of the other counties comprising the District. In no event, shall the county cease to levy the sales tax earlier than ninety days after this notice has been sent. If any county in the District decides to cease levying the sales tax, the status of the District as a political subdivision of the states of Kansas and Missouri shall be unaltered and that county shall continue to have the representation on the Commission, as set forth in Article V of this Compact.

If any revenue remains upon nullification and voidance of the Kansas and Missouri regional investment district compact, under section 70.515, the director of revenue shall authorize the state treasurer to remit the balance in the account to the county and close the account of that county.

The state treasurer shall be custodian of the fund and shall approve disbursements from the fund in accordance with sections 30.170 and 30.180, RSMo. Upon appropriation, money in the fund shall be used to conduct audits to ensure agency compliance with the provisions of sections 304.271**

(2) The offending vehicle; and

(3) The rear license plate of the offending vehicle. One of the images must be of sufficient resolution to show clearly, while the vehicle is in the intersection and while the traffic signal is emitting a steady red signal, all three elements set forth in this subdivision and subdivisions (1) and (2) of this subsection.

(2) Warning signs shall be installed within five hundred feet of the white stripe indicating the stop line;

The department of transportation shall also certify that the green light is not arbitrarily short. If an agency alters the signal phase timing at an intersection without prior written approval from the Missouri department of transportation and without certification by the department of transportation traffic engineer, the agency shall be assessed a municipal fine of fifty thousand dollars for a first offense and the red light device shall be removed upon a subsequent violation. In no case shall a private vendor have the ability to control the signal phase timing connected with a system.

9. compensation paid to a private vendor shall be based upon the value of the equipment and the services provided or rendered in support of the system.

301.162. 1. Before a notice may be issued, all violation images produced by a system shall be reviewed and approved by a law or code enforcement officer employed by the agency in which the alleged violation occurred. Such review and acceptance shall be based on a full review of the images that clearly demonstrate a violation.

2. Based on inspection of recorded images produced by a system, a notice of violation or copy of such notice alleging that the violation occurred and signed manually or digitally by a duly authorized agent of the agency shall be evidence of the facts contained therein and shall be admissible in any proceeding alleging a violation under sections 301.161 to 301.164.

If access to the video and other recorded images is provided through the Internet, the agency shall ensure that such video and recorded images are accessible only to the registered owner through a password-protected system;

(5) A manually or digitally signed statement by a law or code enforcement officer employed by the agency that, based on inspection of the two recorded images and video sequence, the motor vehicle was operated in violation of a traffic control device or prevailing traffic laws or statutes;

(6) Information advising the registered owner of the manner, time, and place in which liability as alleged in the notice of violation may be contested, and warning that failure to pay the civil penalty or to contest liability within fourteen days from the mailing of notice is an admission of liability; and

(7) Information advising the registered owner that he or she may file an affidavit under subsection 8 of this section stating that he or she was not the operator of the vehicle at the time of the violation.

4. A notice of violation issued under this section shall be mailed no later than three business days after the violation was recorded by the automated photo red light enforcement system. The issuance of a notice of violation under this section shall be made by the agency, and shall not be subcontracted to a third party.

5. The civil penalties and court costs imposed for a violation detected and enforced pursuant to a system shall not exceed an amount that would have been imposed if the violation had been detected by a law enforcement officer present when the violation occurred. In no event shall the combined fine and court costs exceed one hundred dollars. Any revenue generated from fines collected under this section shall be distributed as follows:

(1) One-third to the agency;

A penalty imposed by an agency for a violation detected pursuant to a system shall not be deemed a moving violation and shall not be made part of the operating record of the person upon whom such liability is imposed, nor shall such imposition of a penalty be subject to merit rating for insurance purposes and no surcharge points shall be imposed in the provision of motor vehicle insurance coverage. In no case shall points be assessed against any person under section 302.302, RSMo, for a violation detected by an automated photo red light enforcement system.

7. Payment of the established fine and any applicable civil penalties shall operate as a final disposition of the case. Payment of the fine and any penalties, whether before or after hearing, by one motor vehicle owner

shall be satisfaction of the fine as to all other motor vehicle owners of the same motor vehicle for the same violation.

8. In the prosecution of a steady red signal indication violation under sections 304.286 to 304.289, the agency shall have the burden of proving that the vehicle described in the notice of violation issued under this section was operated in violation of sections 301.161 to 301.164 and that the defendant was at the time of such violation the owner and the driver of such vehicle. The agency shall not enter into any plea-bargaining agreements in relation to any violation occurring under sections 301.161 to 301.164.

**301.163. 1.** For each automated photo red light enforcement system that is installed at an intersection by an agency, during the first thirty days the system is monitoring an intersection, the agency shall issue only warning notices and shall not issue any ticket or citation for any violation detected by the system.

**301.164.** Photographic and other recorded evidence obtained through the use of automated photo red light enforcement devices shall be maintained according to law and shall be maintained by the appropriate agency for a period of at least three years. Such photographic and other recorded evidence obtained through the use of an automated photo red light enforcement system shall be confidential and shall not be deemed a "public record" under section 610.010, RSMo, and shall not be subject to the provisions of section 109.180, RSMo, or chapter 610, RSMo."; and

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SEVENTY-FIRST DAY, TUESDAY, MAY 13, 2008

The House met pursuant to adjournment.

Speaker Jetton in the Chair.

Prayer by Msgr. Donald W. Lammers.

Almighty God, we pray for the people of our State, especially those who have lost their lives, lost loved ones, and lost their homes and property in the tornadoes. By Your inspiration continue sending good Samaritans to help them.

We pray for those who suffer from excessive rainfall and floodwaters, and for those in agriculture who struggle to get crops planted.

Lord God, by Your Fatherly care, bless the youth and children of our State; give them the grace to complete the school year with grades showing growth in wisdom, age and grace before God and man.

Finally, we pray for ourselves. We ask for the strength and perseverance to give each topic on the agenda of this day the attention it deserves. May Your Word in Psalm 106 be fulfilled in us. "Happy are they who observe what is right, who do always what is just" (*Psalm 106:3*).

To You be glory and honor. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Adam Kidwell.

The Journal of the seventieth day was approved as corrected.

  - (c) Who manufactures or manufactured equipment without affixing a brand;**
  - (d) Who manufactures or manufactured equipment to which the person affixes or affixed a brand that:**
    - a. The person does not or has not owned; or**

  - (e) Who imports or imported equipment manufactured outside the United States into the United States unless at the time of importation the company or licensee that sells or sold the equipment to the importer has or had assets or a presence in the United States sufficient to be considered the manufacturer.**

**260.1059. 1. The collection, recycling, and reuse provisions of sections 260.1050 to 260.1101 apply to equipment used and returned to the manufacturer by a consumer in this state and do not impose any obligation on an owner or operator of a solid waste facility.**

**2. Sections 260.1050 to 260.1101 do not apply to:**

- (1) Any part of a motor vehicle, a personal digital assistant, or a telephone, including wireless devices;**
- (2) A consumer's lease of equipment or a consumer's use of equipment under a lease agreement; or**
- (3) The sale or lease of equipment to an entity when the manufacturer and the entity enter into a contract that effectively addresses the collection, recycling, and reuse of equipment that has reached the end of its useful life.**

**260.1062. 1. Before a manufacturer may offer equipment for sale in this state, the manufacturer shall:**

- (1) Adopt and implement a recovery plan;**
- (2) Submit a written copy of the recovery plan to the department; and**
- (3) Affix a permanent, readily visible label to the equipment with the manufacturer's brand.**

**2. The recovery plan shall enable a consumer to recycle equipment without paying a separate fee at the time of recycling and shall include provisions for:**

- (1) The manufacturer's collection from a consumer of any equipment that has reached the end of its useful life and is labeled with the manufacturer's brand; and**
- (2) Recycling or reuse of equipment collected under subdivision (1) of this subsection.**

**3. The collection of equipment provided under the recovery plan shall be:**

- (1) Reasonably convenient and available to consumers in this state; and**
- (2) Designed to meet the collection needs of consumers in this state.**

4. Examples of collection methods that alone or combined meet the convenience requirements of this section include a system:

- (1) By which the manufacturer or the manufacturer's designee offers the consumer an option for returning equipment by mail at no charge to the consumer;
- (2) Using a physical collection site that the manufacturer or the manufacturer's designee keeps open and staffed and to which the consumer may return equipment; and
- (3) Using a collection event held by the manufacturer or the manufacturer's designee at which the consumer may return equipment.

5. Collection services under this section may use existing collection and consolidation infrastructure for handling equipment and may include systems jointly managed by a group of manufacturers, electronic recyclers and repair shops, recyclers of other commodities, reuse organizations, not-for-profit corporations, retailers, recyclers, and other suitable operations. If a manufacturer or its designee offers a mail-back system as described in subsection 4 of this section, either individually or by working together with a group of manufacturers or by working with others, it shall be deemed to meet the convenience requirements of this section.

6. The recovery plan shall include information for the consumer on how and where to return the manufacturer's equipment. The manufacturer:

- (1) Shall include collection, recycling, and reuse information on the manufacturer's publicly available Internet site;
- (2) Shall provide collection, recycling, and reuse information to the department; and
- (3) May include collection, recycling, and reuse information in the packaging for or in other materials that accompany the manufacturer's equipment when the equipment is sold.

7. Information about collection, recycling, and reuse on a manufacturer's publicly available Internet site does not constitute a determination by the department that the manufacturer's recovery plan or actual practices are in compliance with sections 260.1050 to 260.1101 or other state or federal law.

8. Each manufacturer shall submit a report to the department not later than January thirty-first of each year that includes:

- (1) The weight of equipment collected, recycled, and reused during the preceding calendar year; and
- (2) Documentation certifying that the collection, recycling, and reuse of equipment during the preceding calendar year was conducted in a manner that complies with section 260.1089 regarding sound environmental management.

9. If more than one person is a manufacturer of a certain brand of equipment as defined by section 260.1053, any of those persons may assume responsibility for and satisfy the obligations of a manufacturer under sections 260.1050 to 260.1101 for that brand. If none of those persons assumes responsibility or satisfies the obligations of a manufacturer for the equipment of that brand, the department may consider any of those persons to be the responsible manufacturer for purposes of sections 260.1050 to 260.1101.

10. The obligations under sections 260.1050 to 260.1101 of a manufacturer who manufactures or manufactured equipment, or sells or sold equipment manufactured by others, under a brand that was previously used by a different person in the manufacture of the equipment extends to all equipment bearing that brand regardless of its date of manufacture.

260.1065. 1. A person who is a retailer of equipment shall not sell or offer to sell new equipment in this state unless the equipment is labeled with the manufacturer's label and the manufacturer is included on the department's list of manufacturers that have recovery plans.

2. Retailers can go to the department's Internet site as outlined in section 260.1071 and view all manufacturers that are listed as having registered a collection program. Covered electronic products from manufacturers on that list may be sold in or into this state.

3. A retailer is not required to collect equipment for recycling or reuse under sections 260.1050 to 260.1101.

260.1068. 1. A manufacturer or retailer of equipment is not liable in any way for information in any form that a consumer leaves on computer materials that are collected, recycled, or reused under sections 260.1050 to 260.1101.

2. The consumer is responsible for any information in any form left on the consumer's computer materials that are collected, recycled, or reused.

3. Compliance with sections 260.1050 to 260.1101 does not exempt a person from liability under other law.

**260.1071. 1.** The department shall educate consumers regarding the collection, recycling, and reuse of equipment.

**2.** The department shall host or designate another person to host an Internet site providing consumers with information about the recycling and reuse of equipment, including best management practices and information about and links to information on:

(1) Manufacturers' collection, recycling, and reuse programs, including manufacturers' recovery plans; and

(2) Equipment collection events, collection sites, and community equipment recycling and reuse programs.

**260.1074. 1.** The department may conduct audits and inspections to determine compliance with sections 260.1050 to 260.1101.

**2.** The department and the attorney general, as appropriate, shall enforce sections 260.1050 to 260.1101 and, except as provided by subsections 4 and 5 of this section, take enforcement action against any manufacturer, retailer, or person who recycles or reuses equipment for failure to comply with sections 260.1050 to 260.1101.

**3.** The attorney general may file suit to enjoin an activity related to the sale of equipment in violation of sections 260.1050 to 260.1101.

**4.** The department shall issue a written warning notice to a person upon the person's first violation of sections 260.1050 to 260.1101. The person shall comply with sections 260.1050 to 260.1101 not later than the sixtieth day after the date the warning notice is issued.

**5.** A retailer who receives a warning notice from the department that the retailer's inventory violates sections 260.1050 to 260.1101 because it includes equipment from a manufacturer that has not submitted the recovery plan required by section 260.1062 shall bring the inventory into compliance with sections 260.1050 to 260.1101 not later than the sixtieth day after the date the warning notice is issued.

**6. (1)** The department may assess a penalty against a manufacturer that does not label its equipment or adopt, implement, or submit a recovery plan as required by section 260.1062. No penalty shall be assessed for a first violation and the amount of the penalty shall not exceed ten thousand dollars for the second violation or twenty-five thousand dollars for each subsequent violation.

**(2)** Any penalty collected under this section shall be credited to the "Equipment Recycling Subaccount", which is hereby created, in the hazardous waste fund. Moneys in the subaccount shall be used for the purpose of administering the provisions of sections 260.1050 to 260.1101. The state treasurer shall be custodian of the subaccount and may approve disbursements from the fund in accordance with sections 30.170 and 30.180, RSMo. Upon appropriation, money in the subaccount shall be used solely for the administration of sections 260.1050 to 260.1101. Any moneys remaining in the subaccount at the end of the biennium shall revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the subaccount.

**260.1077.** Financial or proprietary information submitted to the department under sections 260.1050 to 260.1101 shall not be considered a public record under chapter 610, RSMo.

**260.1080.** The department shall compile information from manufacturers and issue an electronic report to the committee in each house of the general assembly having primary jurisdiction over environmental matters not later than March first of each year.

**260.1083.** Sections 260.1050 to 260.1101 do not authorize the department to impose a fee, including a recycling fee or registration fee, on a consumer, manufacturer, retailer, or person who recycles or reuses equipment.

**260.1089. 1.** All equipment collected under sections 260.1050 to 260.1101 shall be recycled or reused in a manner that complies with federal, state, and local law.

**2.** The department shall, by rule, adopt as mandatory standards for recycling or reuse of equipment in this state the standards provided by "Electronics Recycling Operating Practices" as approved by the board of directors of the Institute of Scrap Recycling Industries, Inc., April 25, 2006, or other standards issued from the U.S. Environmental Protection Agency, if available.

**260.1092. 1.** If federal law establishes a national program for the collection and recycling of equipment and the department determines that the federal law substantially meets the purposes of sections 260.1050 to 260.1101, the department may adopt an agency statement that interprets the federal law as preemptive of sections 260.1050 to 260.1101.

**2.** Sections 260.1050 to 260.1101 shall expire on the date the department issues a statement under this section.

**260.1101. 1.** The department shall adopt any rules required to implement sections 260.1050 to 260.1101 not later than July 1, 2009. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

**2.** Sections 260.1050 to 260.1101 shall not be enforced before rules developed under this section are promulgated.

**3.** It shall not be considered a violation of sections 260.1050 to 260.1101 for a retailer to sell any inventory accrued before the effective date of sections 260.1050 to 260.1101.

**260.1104.** Sections 260.1050 to 260.1101 shall not apply to:

If any individual with an ownership interest in the property fails to satisfy the eligibility requirements of an individual eligible owner or if the combined income of all individuals with interest in the property exceeds the maximum upper limit, then all individuals with an ownership interest in such property shall be deemed ineligible owners regardless of such other individual's ability to individually meet the eligibility requirements; or

Pursuant to article X, section 6(a) of the Constitution of Missouri, if in the prior tax year, the property tax liability on any parcel of subclass (1) real property increased by more than the homestead exemption limit, without regard for any prior credit received due to the provisions of this section, then any eligible owner of the property shall receive a homestead exemption credit to be applied in the current tax year property tax liability to offset the prior year increase to tax liability that exceeds the homestead exemption limit, except as eligibility for the credit is limited by the provisions of this section. The amount of the credit shall be listed separately on each taxpayer's tax bill for the current tax year, or on a document enclosed with the taxpayer's bill. (2) Obtain appropriate prior tax year levy codes for each homestead from the county clerks for inclusion on the form;

(3) Record on the application the assessed valuation of the homestead for the current tax year, and any new construction or improvements for the current tax year; and

(4) Sign the application, certifying the accuracy of the assessor's entries.

6. If application is made after 2005,] Any potential eligible owner may apply for the homestead exemption credit by completing an application. Applications may be completed between April first and October fifteenth of any tax year in order for the taxpayer to be eligible for the homestead exemption credit in the tax year next following the calendar year in which the homestead exemption credit application was completed. The application shall be on forms provided by the department. Forms also shall be made available on the department's Internet site and at all permanent branch offices and all full-time, temporary, or fee offices maintained by the department of revenue. The applicant shall attest under penalty of perjury:

- (1) To the applicant's age;
- (2) That the applicant's prior year income was less than the maximum upper limit;
- (3) To the address of the homestead property;
- (4) That any improvements made to the homestead, not made to accommodate a disabled person, did not total more than five percent of the prior year appraised value[; and
- (5)] .

The applicant shall also include with the application copies of receipts indicating payment of property tax by the applicant for the homestead property for the three prior tax years.

[7.] **5.** Each applicant shall send the application to the department by [September thirtieth] **October fifteenth** of each year for the taxpayer to be eligible for the homestead exemption credit in the tax year next following the calendar year in which the application was completed.

[8. If application is made in 2005, upon receipt of the applications, the department shall calculate the tax liability, adjusted to exclude new construction or improvements verify compliance with the maximum income limit, verify the age of the applicants, and make adjustments to these numbers as necessary on the applications. The department also shall disallow any application where the applicant has also filed a valid application for the senior citizens property tax credit, pursuant to sections 135.010 to 135.035, RSMo. Once adjusted tax liability, age, and income are verified, the director shall determine eligibility for the credit, and provide a list of all verified eligible owners to the county collectors or county clerks in counties with a township form of government by December fifteenth of each year. By January fifteenth, the county collectors or county clerks in counties with a township form of government shall provide a list to the department of any verified eligible owners who failed to pay the property tax due for the tax year that ended immediately prior. Such eligible owners shall be disqualified from receiving the credit in the current tax year.

9. If application is made after 2005,] **6.** Upon receipt of the applications, the department shall calculate the tax liability, verify compliance with the maximum income limit, verify the age of the applicants, and make adjustments to these numbers as necessary on the applications. The department also shall disallow any application where the applicant also has filed a valid application for the senior citizens property tax credit under sections 135.010 to 135.035, RSMo. Once adjusted tax liability, age, and income are verified, the director shall determine eligibility for the credit and provide a list of all verified eligible owners to the county assessors or county clerks in counties with a township form of government by December fifteenth of each year. By January fifteenth, the county assessors shall provide a list to the department of any verified eligible owners who made improvements not for accommodation of a disability to the homestead and the dollar amount of the assessed value of such improvements. If the dollar amount of the assessed value of such improvements totaled more than five percent of the prior year appraised value, such eligible owners shall be disqualified from receiving the credit in the current tax year.

[10.] **7.** The director shall calculate the level of appropriation necessary [to] **and** set the homestead exemption limit at five percent when based on a year of general reassessment or at two and one-half percent when based on a year without general reassessment for the homesteads of all verified eligible owners, and provide such calculation to the speaker of the house of representatives, the president pro tempore of the senate, and the director of the office of budget and planning in the office of administration by January thirty-first of each year.

[11. For applications made in 2005, the general assembly shall make an appropriation for the funding of the homestead exemption credit that is signed by the governor, then the director shall, by July thirty-first of such year, set the homestead exemption limit. The limit shall be a single, statewide percentage increase to tax liability, rounded to the nearest hundredth of a percent, which, if applied to all homesteads of verified eligible owners who applied for the homestead exemption credit in the immediately prior tax year, would cause all but one-quarter of one percent of the amount of the appropriation, minus any withholding by the governor, to be distributed during that fiscal year. The remaining one-quarter of one percent shall be distributed to the county assessment funds of each county on a proportional basis, based on the number of eligible owners in each county; such one-quarter percent distribution shall be delineated in any such appropriation as a separate line item in the total appropriation.]

8. If no appropriation is made by the general assembly during any tax year or no funds are actually distributed pursuant to any appropriation therefor, then no homestead preservation credit shall apply in such year.

[12. After setting the homestead exemption limit for applications made in 2005, the director shall apply the limit to the homestead of each verified eligible owner and calculate the credit to be associated with each verified eligible owner's homestead, if any. The director shall send a list of those eligible owners who are to receive the homestead exemption credit, including the amount of each credit, the certified parcel number of the homestead, and the address of the homestead property, to the county collectors or county clerks in counties with a township form of government by August thirty-first. Pursuant to such calculation, the director shall instruct the state treasurer as to how to distribute the appropriation and assessment fund allocation to the county collector's funds of each county or the treasurer ex officio collector's fund in counties with a township form of government where recipients of the homestead exemption credit are located, so as to exactly offset each homestead exemption credit being issued, plus the one-quarter of one percent distribution for the county assessment funds. As a result of the appropriation, in no case shall a political subdivision receive more money than it would have received absent the provisions of this section plus the one-quarter of one percent distribution for the county assessment funds. Funds, at the direction of the county collector or the treasurer ex officio collector in counties with a township form of government, shall be deposited in the county collector's fund of a county or the treasurer ex officio collector's fund or may be sent by mail to the collector of a county, or the treasurer ex officio collector in counties with a township form of government, not later than October first in any year a homestead exemption credit is appropriated as a result of this section and shall be distributed as moneys in such funds are commonly distributed from other property tax revenues by the collector of the county or the treasurer ex officio collector of the county in counties with a township form of government, so as to exactly offset each homestead exemption credit being issued. In counties with a township form of government, the county clerk shall provide the treasurer ex officio collector a summary of the homestead exemption credit for each township for the purpose of distributing the total homestead exemption credit to each township collector in a particular county.

13.] 9. If, in any given year after 2005, the general assembly shall make an appropriation for the funding of the homestead exemption credit that is signed by the governor, then the director shall[, by July thirty-first of such year, set the homestead exemption limit. The limit shall be a single, statewide percentage increase to tax liability, rounded to the nearest hundredth of a percent, which, if applied to all homesteads of verified eligible owners who applied for the homestead exemption credit in the immediately prior tax year, would cause all of the amount of the appropriation, minus any withholding by the governor, to be distributed during that fiscal year] **determine the apportionment percentage by equally apportioning the appropriation among all eligible applicants on a percentage basis.** If no appropriation is made by the general assembly during any tax year or no funds are actually distributed pursuant to any appropriation therefor, then no homestead preservation credit shall apply in such year.

[14.] 10. After [setting the homestead exemption limit for applications made after 2005, the director shall apply the limit to the homestead of each verified eligible owner and] **determining the apportionment percentage, the director shall** calculate the credit to be associated with each verified eligible owner's homestead, if any. The director shall send a list of those eligible owners who are to receive the homestead exemption credit, including the amount of each credit, the certified parcel number of the homestead, and the address of the homestead property, to the county collectors or county clerks in counties with a township form of government by August thirty-first. Pursuant to such calculation, the director shall instruct the state treasurer as to how to distribute the appropriation to the county collector's fund of each county where recipients of the homestead exemption credit are located, so as to exactly offset each homestead exemption credit being issued. As a result of the appropriation, in no case shall a political subdivision receive more money than it would have received absent the provisions of this section. Funds, at the direction of the collector of the county or treasurer ex officio collector in counties with a township form of government, shall be deposited in the county collector's fund of a county or may be sent by mail to the collector of a county, or treasurer ex officio collector in counties with a township form of government, not later than October first in any year a homestead exemption credit is appropriated as a result of this section and shall be distributed as moneys in such funds are commonly distributed from other property tax revenues by the collector of the county or the treasurer ex officio collector of the county in counties with a township form of government, so as to exactly offset each homestead exemption credit being issued.

[15.] 11. The department shall promulgate rules for implementation of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void. Any rule promulgated by the department shall in no way impact, affect, interrupt, or interfere with the performance of the required statutory duties of any county elected official, more

particularly including the county collector when performing such duties as deemed necessary for the distribution of any homestead appropriation and the distribution of all other real and personal property taxes.

[16.] **12.** In the event that an eligible owner dies or transfers ownership of the property after the homestead exemption limit has been set in any given year, but prior to January first of the year in which the credit would otherwise be applied, the credit shall be void and any corresponding moneys[, pursuant to subsection 12 of this section,] shall lapse to the state to be credited to the general revenue fund. In the event the collector of the county or the treasurer ex officio collector of the county in counties with a township form of government determines prior to issuing the credit that the individual is not an eligible owner because the individual did not pay the prior three years' property tax liability in full, the credit shall be void and any corresponding moneys[, under subsection 11 of this section,] shall lapse to the state to be credited to the general revenue fund.

[17. This section shall apply to all tax years beginning on or after January 1, 2005. This subsection shall become effective June 28, 2004.

18.] **13.** In accordance with the provisions of sections 23.250 to 23.298, RSMo, and unless otherwise authorized pursuant to section 23.253, RSMo:

(1) Any new program authorized under the provisions of this section shall automatically sunset six years after the effective date of this section; and

(2) This section shall terminate on September first of the year following the year in which any new program authorized under this section is sunset, and the revisor of statutes shall designate such sections and this section in a revision bill for repeal."; and ';

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Zweifel offered **House Substitute Amendment No. 1 for House Amendment No. 3, as amended.**

Representative Yates raised points of order that **House Substitute Amendment No. 1 for House Amendment No. 3, as amended**, goes beyond the scope of the bill, is not a true substitute amendment and is in violation of Rule 46(b).

The Chair ruled the first point of order well taken.

On motion of Representative St. Onge, **House Amendment No. 3, as amended**, was adopted.

Representative Kingery offered **House Amendment No. 4.**

*House Amendment No. 4*

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 711, Section 135.083, Page 13, Line 35, by inserting after all of said section the following:

"137.016. 1. As used in section 4(b) of article X of the Missouri Constitution, the following terms mean:

(1) "Residential property", all real property improved by a structure which is used or intended to be used for residential living by human occupants, vacant land in connection with an airport, land used as a golf course, and manufactured home parks, but residential property shall not include other similar facilities used primarily for transient housing. For the purposes of this section, "transient housing" means all rooms available for rent or lease for which the receipts from the rent or lease of such rooms are subject to state sales tax pursuant to section 144.020.1(6), RSMo;

(2) "Agricultural and horticultural property", all real property used for agricultural purposes and devoted primarily to the raising and harvesting of crops; to the feeding, breeding and management of livestock which shall include breeding, **showing**, and boarding of horses; to dairying, or to any other combination thereof; and buildings and structures customarily associated with farming, agricultural, and horticultural uses. Agricultural and horticultural property shall also include land devoted to and qualifying for payments or other compensation under a soil conservation or agricultural assistance program under an agreement with an agency of the federal government. Agricultural and horticultural property shall further include land and improvements, exclusive of structures, on privately owned airports that qualify as reliever airports under the Nation Plan of Integrated Airports System, to receive federal airport improvement project funds through the Federal Aviation Administration. Real property classified as forest croplands shall not be agricultural or horticultural property so long as it is classified as forest croplands and shall be taxed in accordance with the laws enacted to implement section 7 of article X of the Missouri Constitution;

(3) "Utility, industrial, commercial, railroad and other real property", all real property used directly or indirectly, for any commercial, mining, industrial, manufacturing, trade, professional, business, or similar purpose, including all property centrally assessed by the state tax commission but shall not include floating docks, portions of which are separately owned and the remainder of which is designated for common ownership and in which no one person or business entity owns more than five individual units. All other real property not included in the property listed in subclasses (1) and (2) of section 4(b) of article X of the Missouri Constitution, as such property is defined in this section, shall be deemed to be included in the term "utility, industrial, commercial, railroad and other real property".

2. Pursuant to article X of the state constitution, any taxing district may adjust its operating levy to recoup any loss of property tax revenue, except revenues from the surtax imposed pursuant to article X, section 6.2 of the constitution, as the result of changing the classification of structures intended to be used for residential living by human occupants which contain five or more dwelling units if such adjustment of the levy does not exceed the highest tax rate in effect subsequent to the 1980 tax year. For purposes of this section, loss in revenue shall include the difference between the revenue that would have been collected on such property under its classification prior to enactment of this section and the amount to be collected under its classification under this section. The county assessor of each county or city not within a county shall provide information to each taxing district within its boundaries regarding the difference in assessed valuation of such property as the result of such change in classification.

3. All reclassification of property as the result of changing the classification of structures intended to be used for residential living by human occupants which contain five or more dwelling units shall apply to assessments made after December 31, 1994.

4. Where real property is used or held for use for more than one purpose and such uses result in different classifications, the county assessor shall allocate to each classification the percentage of the true value in money of the property devoted to each use; except that, where agricultural and horticultural property, as defined in this section, also contains a dwelling unit or units, the farm dwelling, appurtenant residential-related structures and up to five acres immediately surrounding such farm dwelling shall be residential property, as defined in this section.

5. All real property which is vacant, unused, or held for future use; which is used for a private club, a not-for-profit or other nonexempt lodge, club, business, trade, service organization, or similar entity; or for which a determination as to its classification cannot be made under the definitions set out in subsection 1 of this section, shall be classified according to its immediate most suitable economic use, which use shall be determined after consideration of:

- (1) Immediate prior use, if any, of such property;
- (2) Location of such property;
- (3) Zoning classification of such property; except that, such zoning classification shall not be considered conclusive if, upon consideration of all factors, it is determined that such zoning classification does not reflect the immediate most suitable economic use of the property;
- (4) Other legal restrictions on the use of such property;
- (5) Availability of water, electricity, gas, sewers, street lighting, and other public services for such property;
- (6) Size of such property;
- (7) Access of such property to public thoroughfares; and
- (8) Any other factors relevant to a determination of the immediate most suitable economic use of such property.

6. All lands classified as forest croplands shall not, for taxation purposes, be classified as subclass (1), subclass (2), or subclass (3) real property, as such classes are prescribed in section 4(b) of article X of the Missouri Constitution and defined in this section, but shall be taxed in accordance with the laws enacted to implement section 7 of article X of the Missouri Constitution."; and

Oral testimony shall not be considered. The application may be submitted by facsimile or other electronic means.

4. The judge shall determine whether sufficient facts have been stated to justify the issuance of a search warrant. If it appears from the application and any supporting affidavit that there is probable cause to believe that property, article, material, substance, or person subject to seizure is on the person or at the place or in the thing described, a search warrant shall immediately be issued. The warrant shall be issued in the form of an original and two copies.

- (6) Command that the described person, place, or thing be searched and that any of the described property, article, material, substance, or person found thereon or therein be seized or photographed or copied and within ten days after filing of the application, any photographs or copies of the items may be filed with the issuing court;
- (7) Be signed by the judge, with his or her title of office indicated.

7. A search warrant issued under this section may be executed only by a peace officer. The warrant shall be executed by conducting the search and seizure commanded. The search warrant issued under this section may be issued by facsimile or other electronic means.

8. A search warrant shall be executed as soon as practicable and shall expire if it is not executed and the return made within ten days after the date of the making of the application. **A search and any subsequent searches of the contents of any property, article, material, or substance seized and removed from the location of the execution of any search warrant during its execution may be conducted at any time during or after the execution of the warrant, subject to the continued existence of probable cause to search the property, article, material, or substance seized and removed. A search and any subsequent searches of the property, article, material, or substance seized and removed may be conducted after the time for delivering the warrant, return, and receipt to the issuing judge has expired. A supplemental return and receipt shall be delivered to the issuing judge upon final completion of any search which concludes after the expiration of time for delivering the original return and receipt.**

9. After execution of the search warrant, the warrant with a return thereon, signed by the officer making the search, shall be delivered to the judge who issued the warrant. The return shall show the date and manner of execution, what was seized, and the name of the possessor and of the owner, when he or she is not the same person, if known. 3. The tax credit allowed by this section shall be claimed by the qualified taxpayer at the time such taxpayer files a return and shall be applied against the income tax liability imposed by chapter 143, RSMo, after all other credits provided by law have been applied. Where the amount of the credit exceeds the tax liability, the difference between the credit and the tax liability shall not be refundable but may be carried forward to any of the taxpayer's four subsequent taxable years.

4. The department of elementary and secondary education shall establish, by rule, guidelines and criteria for approval of sponsorship and mentoring programs established by school districts and for determining the eligibility of students for participation in sponsorship and mentoring programs established pursuant to this section. Such determinations for eligibility of students shall be based upon a definition of an at-risk student as established by the department by rule.

5. A local school board may establish a sponsorship and mentoring program and apply to the department of elementary and secondary education for approval of such program. A tax credit may only be received pursuant to this section for expenditures for sponsorship and mentoring programs approved by the department. The school board of each district which has an approved program shall annually certify to the department of elementary and secondary education the number of eligible students participating in the program. The principal of any school in a district which has an approved program may recommend, to the local school board, those students who do not meet the definition of "at-risk" students established pursuant to this section, and the school board may submit the names of such students and the circumstances which justify the student's participation in an approved program to the department of elementary and secondary education for approval of such student's participation. If approved by the department, such students shall be considered eligible students for participation in an approved program.

6. The department of elementary and secondary education shall provide written notification to the department of revenue of each eligible student participating in an approved program pursuant to this section, the student's school district, the name of the qualified taxpayer approved to receive a tax credit on the basis of such eligible student's participation in an approved program pursuant to this section and the amount of such credit as determined in subsection 2 of this section. This section is subject to appropriations.]

[260.285. 1. Any manufacturer engaged in this state in production of a meat or poultry food product intended for human consumption that is recycling flexible cellulose casing manufactured from cotton linters used and consumed directly in the production of such food product shall be eligible for

a credit as defined in subsection 2 of this section. For purposes of this section, "cotton linters" means fibers from any plant or wood pulp material used for the creation of flexible cellulose casings.

2. The credit authorized in subsection 1 shall be equal to the amount of state sales or use taxes paid by a manufacturer to a retailer on such packaging material which is subsequently recycled by either the manufacturer or other person or entity to which the manufacturer conveys such packaging materials, less any consideration received by the manufacturer for such conveyance.

3. A manufacturer shall claim the refund in the month following the month in which the material has been recycled or conveyed for recycling. When claiming a credit pursuant to this section, a manufacturer shall provide a detailed accounting of the amount of packaging material recycled, amount of sales or use tax paid on such material, an affidavit attesting that the manufacturer is eligible pursuant to the provisions of this section for the credit being claimed, documentation that the activity constitutes recycling as certified by the director of the department of natural resources and any other documentation determined necessary by the director of the department of revenue. The director shall refund any valid credit claims within sixty days of receipt. If the director determines that a fraudulent claim for the credit has been filed, the director may assess a penalty in an amount not to exceed twice the amount of fraudulent credits claimed.

4. Payment of credits authorized by this section shall not alter the liability of a retailer regarding sales tax on such material. Credits authorized by this section shall be paid from funds appropriated for the refund of taxes.]"; and

Further amend said title, enacting clause and intersectional references accordingly.

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SEVENTY-SECOND DAY, WEDNESDAY, MAY 14, 2008

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Reverend James Earl Jackson.

Gracious, Heavenly Father, You know each request before prayed. It seems, at times, while we are still talking about our needs, You answer us! Throughout this Session, You have graciously and generously answered the requests we have placed before You. We are thankful.

As it was from the first day, throughout the Session and even now, as we see the end rapidly approaching, we give thanks for the patience, compassion, mercy and grace You have liberally showered upon us. We have been exalted in success and humbled in failure, but our eyes remain on You; our Strength, our Help.

Lord God, we have dreamed big, accomplished much and yet we sense that there is much left for another day. Help us to finish our course well, with no regrets, assured that we have given our all for the betterment of the state and its citizens.

Now may the grace of our Lord be with us all. To You be glory, majesty, power and authority.

In the name of Your Son, we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Misty Smith and Jack Troyer.

#### *House Amendment No. 2*

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 765, Section 72.080, Page 3, Line 83, by inserting the following after all of said line:

"137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in all counties of this state including the city of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in subsection 3 of this section and section 137.078, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection 5 of this section. The assessor shall annually assess all real property in the following manner: new assessed values shall be determined as of January first of each odd-numbered year and shall be entered in the assessor's books; those same assessed values shall apply in the following even-numbered year, except for new construction and property improvements which shall be valued as though they had been completed as of January

first of the preceding odd-numbered year. The assessor may call at the office, place of doing business, or residence of each person required by this chapter to list property, and require the person to make a correct statement of all taxable tangible personal property owned by the person or under his or her care, charge or management, taxable in the county. On or before January first of each even-numbered year, the assessor shall prepare and submit a two-year assessment maintenance plan to the county governing body and the state tax commission for their respective approval or modification. The county governing body shall approve and forward such plan or its alternative to the plan to the state tax commission by February first. If the county governing body fails to forward the plan or its alternative to the plan to the state tax commission by February first, the assessor's plan shall be considered approved by the county governing body. If the state tax commission fails to approve a plan and if the state tax commission and the assessor and the governing body of the county involved are unable to resolve the differences, in order to receive state cost-share funds outlined in section 137.750, the county or the assessor shall petition the administrative hearing commission, by May first, to decide all matters in dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by the parties. The final decision of the administrative hearing commission shall be subject to judicial review in the circuit court of the county involved. In the event a valuation of subclass (1) real property within any county with a charter form of government, or within a city not within a county, is made by a computer, computer-assisted method or a computer program, the burden of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing or appeal. In any such county, unless the assessor proves otherwise, there shall be a presumption that the assessment was made by a computer, computer-assisted method or a computer program. Such evidence shall include, but shall not be limited to, the following:

(1) The findings of the assessor based on an appraisal of the property by generally accepted appraisal techniques; and

(2) The purchase prices from sales of at least three comparable properties and the address or location thereof. As used in this [paragraph] **subdivision**, the word "comparable" means that:

(a) Such sale was closed at a date relevant to the property valuation; and

(b) Such properties are not more than one mile from the site of the disputed property, except where no similar properties exist within one mile of the disputed property, the nearest comparable property shall be used. Such property shall be within five hundred square feet in size of the disputed property, and resemble the disputed property in age, floor plan, number of rooms, and other relevant characteristics.

2. Assessors in each county of this state and the city of St. Louis may send personal property assessment forms through the mail.

3. The following items of personal property shall each constitute separate subclasses of tangible personal property and shall be assessed and valued for the purposes of taxation at the following percentages of their true value in money:

(1) Grain and other agricultural crops in an unmanufactured condition, one-half of one percent;

(2) Livestock, twelve percent;

(3) Farm machinery, twelve percent;

(4) Motor vehicles which are eligible for registration as and are registered as historic motor vehicles pursuant to section 301.131, RSMo, and aircraft which are at least twenty-five years old and which are used solely for noncommercial purposes and are operated less than fifty hours per year or aircraft that are home built from a kit, five percent;

(5) Poultry, twelve percent; [and]

(6) Tools and equipment used for pollution control and tools and equipment used in retooling for the purpose of introducing new product lines or used for making improvements to existing products by any company which is located in a state enterprise zone and which is identified by any standard industrial classification number cited in subdivision (6) of section 135.200, RSMo, twenty-five percent;

**(7) Vehicles that are modified to transport persons who are physically disabled as defined in section 301.142, RSMo, if such vehicle is medically necessary to transport the owner's physically disabled family member or the owner of the vehicle if such owner is physically disabled, twelve percent.**

4. The person listing the property shall enter a true and correct statement of the property, in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered to the assessor.

5. All subclasses of real property, as such subclasses are established in section 4(b) of article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the following percentages of true value:

(1) For real property in subclass (1), nineteen percent;

(2) For real property in subclass (2), twelve percent; and

(3) For real property in subclass (3), thirty-two percent.

6. Manufactured homes, as defined in section 700.010, RSMo, which are actually used as dwelling units shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request is made; however, the removal from the tax books does not remove the tax lien on the manufactured home if it is later identified or found. A manufactured home located in a manufactured home rental park, rental community or on real estate not owned by the manufactured home owner shall be considered personal property. A manufactured home located on real estate owned by the manufactured home owner may be considered real property.

7. Each manufactured home assessed shall be considered a parcel for the purpose of reimbursement pursuant to section 137.750, unless the manufactured home has been converted to real property in compliance with section 700.111, RSMo, and assessed as a realty improvement to the existing real estate parcel.

8. Any amount of tax due and owing based on the assessment of a manufactured home shall be included on the personal property tax statement of the manufactured home owner unless the manufactured home has been converted to real property in compliance with section 700.111, RSMo, in which case the amount of tax due and owing on the assessment of the manufactured home as a realty improvement to the existing real estate parcel shall be included on the real property tax statement of the real estate owner.

9. The assessor of each county and each city not within a county shall use the trade-in value published in the October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, as the recommended guide of information for determining the true value of motor vehicles described in such publication. In the absence of a listing for a particular motor vehicle in such publication, the assessor shall use such information or publications which in the assessor's judgment will fairly estimate the true value in money of the motor vehicle.

10. Before the assessor may increase the assessed valuation of any parcel of subclass (1) real property by more than fifteen percent since the last assessment, excluding increases due to new construction or improvements, the assessor shall conduct a physical inspection of such property.

11. If a physical inspection is required, pursuant to subsection 10 of this section, the assessor shall notify the property owner of that fact in writing and shall provide the owner clear written notice of the owner's rights relating to the physical inspection. If a physical inspection is required, the property owner may request that an interior inspection be performed during the physical inspection. The owner shall have no less than thirty days to notify the assessor of a request for an interior physical inspection.

12. A physical inspection, as required by subsection 10 of this section, shall include, but not be limited to, an on-site personal observation and review of all exterior portions of the land and any buildings and improvements to which the inspector has or may reasonably and lawfully gain external access, and shall include an observation and review of the interior of any buildings or improvements on the property upon the timely request of the owner pursuant to subsection 11 of this section. Mere observation of the property via a "drive-by inspection" or the like shall not be considered sufficient to constitute a physical inspection as required by this section.

13. The provisions of subsections 11 and 12 of this section shall only apply in any county with a charter form of government with more than one million inhabitants.

14. A county or city collector may accept credit cards as proper form of payment of outstanding property tax or license due. No county or city collector may charge surcharge for payment by credit card which exceeds the fee or surcharge charged by the credit card bank, processor, or issuer for its service. A county or city collector may accept payment by electronic transfers of funds in payment of any tax or license and charge the person making such payment a fee equal to the fee charged the county by the bank, processor, or issuer of such electronic payment.

15. Any county or city not within a county in this state may, by an affirmative vote of the governing body of such county, opt out of the provisions of this section and sections 137.073, 138.060, and 138.100, RSMo, as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by [this act] **house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session**, for the next year of the general reassessment, prior to January first of any year. No county or city not within a county shall exercise this opt-out provision after implementing the provisions of this section and sections 137.073, 138.060, and 138.100, RSMo, as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by [this act] **house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session**, in a year of general reassessment. For the purposes of applying the provisions of this subsection, a political subdivision contained within two or more counties where at least one of such counties has

opted out and at least one of such counties has not opted out shall calculate a single tax rate as in effect prior to the enactment of house bill no. 1150 of the ninety-first general assembly, second regular session. A governing body of a city not within a county or a county that has opted out under the provisions of this subsection may choose to implement the provisions of this section and sections 137.073, 138.060, and 138.100, RSMo, as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session, and section 137.073 as modified by [this act] **house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session**, for the next year of general reassessment, by an affirmative vote of the governing body prior to December thirty-first of any year.

16. The governing body of any city of the third classification with more than twenty-six thousand three hundred but fewer than twenty-six thousand seven hundred inhabitants located in any county that has exercised its authority to opt out under subsection 15 of this section may levy separate and differing tax rates for real and personal property only if such city bills and collects its own property taxes or satisfies the entire cost of the billing and collection of such separate and differing tax rates. Such separate and differing rates shall not exceed such city's tax rate ceiling."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

If a proposal receives less than the required majority, then the governing body of the city shall have no power to impose the sales tax herein authorized unless and until the governing body of the city shall again have submitted another proposal to authorize the governing body of the city to impose the sales tax authorized by this section and such proposal is approved by the required majority of the qualified voters voting thereon. However, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal pursuant to this section.

3. All revenue received by a city from the tax authorized under the provisions of this section shall be deposited in a special trust fund and shall be used solely for improving the public safety for such city for so long as the tax shall remain in effect.

4. Once the tax authorized by this section is abolished or is terminated by any means, all funds remaining in the special trust fund shall be used solely for improving the public safety for the city. Any funds in such special trust fund which are not needed for current expenditures may be invested by the governing body in accordance with applicable laws relating to the investment of other city funds.

5. All sales taxes collected by the director of the department of revenue under this section on behalf of any city, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, RSMo, shall be deposited in a special trust fund, which is hereby created [in the state treasury], to be known as the "City Public Safety Sales Tax Trust Fund". After one year has elapsed after the effective date of abolition of the tax in such city, the director of the department of revenue shall remit the balance in the account to the city and close the account of that city. 3. Any sales tax imposed under this section shall be administered, collected, enforced, and operated as required in section 32.087, RSMo. Not later than the tenth day of each month the director shall distribute all moneys deposited in the trust fund during the preceding month to the city which levied the tax. Such funds shall be deposited with the city treasurer of each such city, and all expenditures of funds arising from the trust fund shall be by an appropriation act to be enacted by the governing body of each such city. Expenditures may be made from the fund for any functions authorized in the ordinance or order adopted by the governing body submitting the tax to the voters. If the tax is repealed, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes. in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. The director of the department of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any city for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such cities. If any city abolishes the tax, the city shall notify the director of the action at least ninety days before the effective date of the repeal, and the director may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such city, the director shall remit the balance in the account to the city and close the account of that city. The director shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.

5. The governing body of any city that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the city. The ballot of submission shall be in substantially the following form:

6. Whenever the governing body of any city that has adopted the sales tax authorized in this section receives a petition, signed by ten percent of the registered voters of the city voting in the last gubernatorial election, calling for an election to repeal the sales tax imposed under this section, the governing body shall submit to the voters of the city a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. Representative Harris (110) offered **House Amendment No. 11**.

*House Amendment No. 11*

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 765, Section A, Page 1, Line 3, by inserting the following after all of said line:

**"67.585. 1. The board of trustees of the public health center of any county of the first classification with more than one hundred ninety-eight thousand but fewer than one hundred ninety-nine thousand two hundred inhabitants may impose, by order or resolution, a sales tax on all retail sales made within the county which are subject to sales tax under chapter 144, RSMo. The tax authorized in this section shall not exceed one-half of one percent, shall only be imposed at the rate of one-fourth, three-eighths, or one-half of one percent, and shall be imposed solely for the purpose of funding the public health and safety projects and programs of the county public health center as established under sections 205.010 to 205.150, RSMo. The tax authorized in this section shall only be imposed in conjunction with a property tax reduction for each year in which the sales tax is imposed. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes.**

2. No such order or resolution adopted under this section shall become effective unless the board of trustees submits to the voters residing within the county at a state general, primary, or special election a proposal to authorize the board of trustees to impose a tax under this section. The ballot of submission shall contain substantially the following language: Shall the ..... (insert county name) public health center impose a countywide sales tax of ..... (insert amount) percent and reduce its total property tax levy annually by ..... (insert amount) percent of the total amount of sales tax revenue collected in the same tax year for the purpose of providing public health services for the improvement of the health of all inhabitants of the county?

3. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter after the director of revenue receives notification of adoption of the local sales tax. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question, but no such question shall be resubmitted sooner than twelve months from the date the question was last submitted under this section.

4. All revenue collected under this section by the director of the department of revenue on behalf of any county public health center, except for one percent for the cost of collection which shall be deposited in the state's general revenue fund, shall be deposited in a special trust fund, which is hereby created and shall be known as the "County Public Health Center Improvement Sales Tax Fund", and shall be used solely for the designated purposes. Moneys in the fund shall not be deemed to be state funds, and shall not be commingled with any funds of the state. The director may make refunds from the amounts in the fund and credited to the county public health center for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such county public health center. Any funds in the special fund which are not needed for current expenditures shall be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund. The director of revenue shall keep accurate records of the moneys in the fund that were collected in each county imposing a sales tax under this section, and such records shall be open for inspection by the board of trustees and the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust funds during the preceding month to the treasury of the county public health center which levied the tax. Such funds shall be administered by the board of trustees of the county public health center.

5. (1) As used in this section, the term "total property tax levy" includes all ad valorem taxes originally requiring voter approval, plus an allowance for ad valorem taxes that will be billed but not collected in that calendar year.

(2) Each year in which a sales tax is imposed under this section, after determining its budget and within the limits set by the constitution and laws of this state for the following year and for the total property tax levy needed to collect the revenue required by such budget, the board of trustees of the county public health center shall reduce the total property tax levy in an amount sufficient to decrease the total property taxes it will collect. The reduction shall be one of the following percentages:

- (a) Fifty percent of the sales tax revenue collected in the tax year for which the property taxes are being levied;
- (b) Sixty percent of the sales tax revenue collected in the tax year for which the property taxes are being levied;
- (c) Seventy percent of the sales tax revenue collected in the tax year for which the property taxes are being levied;
- (d) Eighty percent of the sales tax revenue collected in the tax year for which the property taxes are being levied;
- (e) Ninety percent of the sales tax revenue collected in the tax year for which the property taxes are being levied;
- (f) One hundred percent of the sales tax revenue collected in the tax year for which the property taxes are being levied.

(3) In the event that, in the immediately preceding year, a county public health center collects either more or less sales tax revenue than the amount of sales tax revenue received by the county public health center during the first six months of the current year multiplied by two, the county public health center shall adjust its total property tax levy for the current year to reflect such increase or decrease.

(4) The tax rate for county public health centers levying a sales tax under this section shall be computed in the following manner:

(a) Divide the amount of the sales tax revenue required for reduction under this subsection by the total assessed valuation of the county and multiply by one hundred to determine the amount of property tax rate reduction; and

(b) Subtract such property tax rate reduction from the tax rate ceiling for each class of property or subclass of real property.

6. The board of trustees of any county public health center that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the county. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

7. Whenever the board of trustees of any county public health center that has adopted the sales tax authorized in this section receives a petition, signed by a number of registered voters of the county equal to at least ten percent of the number of registered voters of the county voting in the last gubernatorial election, calling for an election to repeal the sales tax imposed under this section, the board shall submit to the voters of the county a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, the repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

8. If the tax is repealed or terminated by any means, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes, and the county public health center shall notify the director of the department of revenue of the action at least ninety days before the effective date of the repeal and the director may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director shall remit the balance in the account to the county public health center and close the account of that county public health center. The director shall notify each county public health center of each instance of any amount refunded or any check redeemed from receipts due the county public health center.

9. Except as modified in this section, all provisions of sections 32.085 and 32.087, RSMo, shall apply to the tax imposed under this section."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Harris (110), **House Amendment No. 11** was adopted.

Representative Nance offered **House Amendment No. 12**.

*House Amendment No. 12*

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 765, Section 190.451, Page 4, Line 22, by inserting after all of said section, the following:

"302.341. **1.** If a Missouri resident charged with a moving traffic violation of this state or any county or municipality of this state fails to dispose of the charges of which [he] **the resident** is accused through authorized prepayment of fine and court costs and fails to appear on the return date or at any subsequent date to which the case has been continued, or without good cause fails to pay any fine or court costs assessed against [him] **the resident** for any such violation within the period of time specified or in such installments as approved by the court or as otherwise provided by law, any court having jurisdiction over the charges shall within ten days of the failure to comply inform the defendant by ordinary mail at the last address shown on the court records that the court will order the director of revenue to suspend the defendant's driving privileges if the charges are not disposed of and fully paid within thirty days from the

date of mailing. Thereafter, if the defendant fails to timely act to dispose of the charges and fully pay any applicable fines and court costs, the court shall notify the director of revenue of such failure and of the pending charges against the defendant. Upon receipt of this notification, the director shall suspend the license of the driver, effective immediately, and provide notice of the suspension to the driver at the last address for the driver shown on the records of the department of revenue. Such suspension shall remain in effect until the court with the subject pending charge requests setting aside the noncompliance suspension pending final disposition, or satisfactory evidence of disposition of pending charges and payment of fine and court costs, if applicable, is furnished to the director by the individual. Upon proof of disposition of charges and payment of fine and court costs, if applicable, and payment of the reinstatement fee as set forth in section 302.304, the director shall reinstate the license. The filing of financial responsibility with the bureau of safety responsibility, department of revenue, shall not be required as a condition of reinstatement of a driver's license suspended solely under the provisions of this section.

**2.** If any city, town, or village receives more than [forty-five] **thirty-five** percent of its [total] annual **general operating** revenue from fines and court costs for traffic violations occurring on state highways, all revenues from such violations in excess of [forty-five] **thirty-five** percent of the [total] annual **general operating** revenue of the city, town, or village shall be sent to the director of the department of revenue and shall be distributed annually to the schools of the county in the same manner that proceeds of all penalties, forfeitures and fines collected for any breach of the penal laws of the state are distributed. For the purpose of this section the words "state highways" shall mean any state or federal highway, including any such highway continuing through the boundaries of a city, town or village with a designated street name other than the state highway number. **If any city, town, or village fails to send such excess revenues to the director of the department of revenue in a timely fashion which shall be set forth by the director by rule, such city, town, or village may submit to an annual audit by the state auditor under the authority of article IV, section 13 of the Missouri Constitution. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.**

(4) The validity of each petition filed under provisions of this section shall be determined in the manner provided for new party and independent candidate petitions in sections 115.333, 115.335 and 115.337, RSMo.

(5) Upon the filing of a valid petition for the formation of a planning commission, it shall be the duty of the election authority to have the following question placed on the official ballot, in the same manner other questions are placed, at the next general election:

"Should a planning commission be established in ..... County to assume responsibility for the creation of a county comprehensive plan?"

(6) The votes for and against the question shall be counted and certified in the same manner as votes on other questions.

(7) If the question is approved by a majority of the voters at the election, a planning commission shall be appointed as provided in this chapter and shall have the same rights and responsibilities provided by law for all planning commissions. If a majority of the votes cast on the question are in opposition to the question, a planning commission shall not be appointed under this subsection unless and until the question is resubmitted to the qualified voters and such question is approved by a majority of the qualified voters voting on the question.

(8) Any person who is a registered voter of a county not having a planning commission may sign a petition for the formation of a commission in the county. Any person who signs a name other than the person's own to any petition or knowingly signs the person's name more than once to the same petition or who knows the person is not a registered voter at the time of signing such petition, or any officer or person willfully violating any provision of this section shall be guilty of a class two election offense.

4. The county commission shall appoint the members of the planning commission, and shall, by resolution, ordinance, or order, establish the procedures for membership, compensation, terms, vacancies, and removal of the planning commissioners. The planning commission shall elect its own chair and shall adopt rules of procedure consistent with sections 64.1000 to 64.1042 and any local regulations delegating authority to the planning commission. The planning commission shall appoint a secretary to keep a public record of its

resolutions, transactions, findings, and recommendations; schedule and provide notice of all public meetings; and keep records of all public hearings.

5. The planning commission of any county shall have the following powers under sections 64.1000 to 64.1042:

- (1) To cause to be prepared a comprehensive plan and other associated plans;
- (2) To review and adopt a comprehensive plan and other associated plans, and to review and adopt any updates, amendments, and revisions to such plans;
- (3) To recommend regulations and amendments to such regulations for unincorporated areas of the county for adoption by the county commission;
- (4) To review plat applications in accordance with adopted subdivision regulations;
- (5) To review all public improvements in the county planning jurisdiction in accordance with the comprehensive plan;
- (6) To review and make recommendations to the county commission regarding zoning regulations, amendments to zoning regulations, and zoning maps;
- (7) To appoint employees and contract with consultants, as authorized by the county commission;
- (8) Other powers delegated to it by the county commission.

64.1009. 1. The purpose of a comprehensive plan is to guide and accomplish the coordinated, efficient, and orderly physical development of the county and its environs that will, based on a careful and comprehensive analysis and after sufficient public input and review, best promote the public health, safety, and welfare. Each element of the plan, as described in subsection 2 of this section, accomplishes this purpose through analysis of existing conditions and trends, identification of issues, opportunities, goals, and policies, development of reasonable projections, forecasts, and assumptions about anticipated future conditions or impacts, consideration of interrelationships between plan elements, prioritization of issues and actions, and preparation of implementation strategies which identify how goals may be achieved.

2. The planning commission may determine the applicability to the county of the elements described in this subsection. A comprehensive plan for a county may contain any of the following elements addressing all unincorporated areas of the county and any infrastructure or services the county provides to incorporated jurisdictions in the county:

- (1) Policies and maps or other description of land classifications to guide current and future development and redevelopment in areas to which the county plan is made applicable, including general locations of future land uses, goals, and characteristics of future development. The land use element may consider the suitability of land for development or redevelopment, including topography, geology, hydrology, natural resources, and any existing site or building conditions;
- (2) Policies for transportation systems, including their relationship to land use. The transportation element may include a map or maps generally identifying existing, programmed, planned, or potential transportation facilities, and a description of the design, extent, and qualities of these facilities;
- (3) Policies to provide adequate housing quality and supply to meet forecasted population needs. The housing element may include needed support in achieving a range of housing choices for various discrete or special needs populations;
- (4) Policies for community facilities to serve the population, including, but not limited to, solid waste management and disposal, water supply, waste water treatment and disposal, electric supply, communication facilities, public safety, schools, libraries, parks and recreation, and other government or quasi-government services. The community facilities element may include an analysis of desired levels of service, and recommended levels of service need not be uniform throughout the county, but may vary based on population characteristics, recommended land uses, or development characteristics;
- (5) Policies to promote the stabilization, retention, or expansion of the economy and employment opportunities. The economic development element may include analysis, forecasts, and policies related to labor forces, land markets, consumer markets, business sectors, or other applicable economic characteristics;
- (6) Policies for the identification, utilization, and management of scarce, threatened, or nonrenewable natural and manmade resources in the county, including the risk and impact of natural hazards. The preservation element may identify valued resources, assess the relative importance of those resources, and provide an analysis of actions or strategies that can strengthen the viability of those resources;
- (7) Policies to ensure the social and physical welfare of the citizens of the county. The human services element may identify sectors of the population that have special needs and may require special services, training,

assistance, or facilities to attain an acceptable quality of life, and may identify the role of county government in facilitating or providing such specialized services;

(8) Policies regarding the design of public and private development, considering the character, function, impacts, and interrelationship of public and private spaces and buildings, public or common open space, and desired building qualities including scale, mass, architectural features, or other design or aesthetic elements. The community design or urban design element may include general countywide recommendations or recommendations for specific land areas or for specific land use categories or development patterns;

(9) Policies regarding the cumulative environmental, economic, fiscal, and social impacts of decisions and actions over the life of the plan. The sustainability element may include, but is not limited to, analysis of development, transportation, and building practices on ecosystems or critical or sensitive resources, and may be conducted on a countywide, ecosystem, watershed, or other similarly comprehensive basis;

(10) Any county that prepares a comprehensive plan may add area plans which contain more detailed policies relating to specific land areas, but which shall not conflict with other portions of the comprehensive plan, and may add any other elements, studies, information, or data that the planning commission determines are not in conflict with the purposes of sections 64.1000 to 64.1042.

3. (1) After careful study and consideration of the conditions, issues, goals, public input, anticipated future events or conditions, and comprehensive countywide impacts of plans and policies, the planning commission may adopt the comprehensive plan as a whole by a single resolution. Studies and plans for incorporated jurisdictions in the county or any adjoining county may be considered in the findings and analysis, and may be factored into the recommendations of the comprehensive plan for unincorporated areas of the county.

(2) The planning commission shall accept and consider oral and written public comments throughout the process of developing the plan. Before the adoption, amendment, or extension of the plan, the planning commission shall hold at least one public hearing in order to encourage public participation in and awareness of the development of the plan. The hearing may be adjourned from time to time.

(3) At least fifteen days prior to the date of the hearing, notice of the public hearing shall be published at least once in a newspaper having general circulation within the county. The notice shall also be posted continuously for fifteen days prior to the hearing on a bulletin board or other prominent place which is easily accessible to the public and clearly designated for that purpose at the principal office of the county and also at the location where the meeting is to be held. The notice shall fix the time and place for the hearing and shall describe the topic in general terms. At least fifteen days before the date of the hearing, the plan to be considered at the hearing shall be on file in the office of the planning commission during normal office hours.

(4) The adoption of the plan requires a majority vote of the full membership of the planning commission. The adopting resolution shall refer expressly to the maps, descriptive matter, and other materials intended by the planning commission to form the whole or part of the plan. As the making of the whole county plan progresses, the planning commission may from time to time adopt a part or parts of the plan, any part to correspond generally with one or more of the elements of the plan. The action taken shall be recorded as the adopted plan or part of the plan by the identifying signature of the secretary of the planning commission.

(5) The adopted plan shall be filed in the office of the planning commission, identified properly by file number. A notice of the plan adoption shall be provided to other agencies and departments as determined by the county commission, and the adopted plan or portion thereof shall be available at the offices of the planning commission and the county clerk for public inspection during normal office hours.

(6) A public involvement record shall be attached to and incorporated in the resolution adopting the plan, and shall describe all public participation, notice, and outreach efforts undertaken by the county related to the preparation, consideration, and adoption of the plan.

(7) The county commission may review and accept the comprehensive plan by resolution.

4. (1) The planning commission may periodically review and amend the comprehensive plan of the county or any part thereof. The review may include discussion of the comprehensive plan during at least one regularly scheduled planning commission meeting. Notice of all review meetings shall be given in the same manner provided in sections 64.1000 to 64.1042 for adoption of the plan. Any interested party shall have the opportunity to comment on the plan during the review.

(2) Amendments of an adopted comprehensive plan may be prepared at any time upon the planning commission's initiative, or upon suggestion by the county commission, to revise, update, replace, add, or supplement elements of the plan. Amendments may be prepared for the plan in its entirety or for segments addressing a specific element or elements, or for a specific area of the county.

(3) When a comprehensive plan is amended in segments, it shall include a statement indicating specifically what portions of the existing comprehensive plan are being amended and what portions of the existing comprehensive plan are to remain as part of the adopted comprehensive plan.

(4) A comprehensive plan amendment is subject to the same procedures provided in sections 64.1000 to 64.1042 for preparation and adoption of the initial comprehensive plan.

**64.1012.** 1. The planning commission may recommend and the county commission may adopt and amend regulations governing subdivisions of land in unincorporated areas to protect the public health, safety, and welfare in accordance with the comprehensive plan. The regulations may provide standards for:

- (1) The location, width, design, and layout of streets, rights-of-way, and blocks;
- (2) The width, area, and arrangement of lots, access, easements, and building lines; and
- (3) The manner in which streets, water, sewer, drainage, and other utility services shall be improved and provided.

2. The regulations may provide that in lieu of the immediate completion or installation of such work, the planning commission may accept, at the option of the developer, an escrow secured with cash or an irrevocable letter of credit or a surety bond, all in the amount and with surety and conditions satisfactory to the county commission. Such escrow or bond shall secure the county commission for the actual construction of such improvements and utilities within a period specified by the county planning commission, and the county commission shall have power to enforce such escrow or bond by all proper remedies.

3. In the event a developer who has posted an escrow or bond with a county in accordance with subsection 2 of this section transfers title of the subdivision property before full release of the escrow or bond, the county shall accept a replacement escrow or letter of credit from the successor developer in the form allowed in subsection 2 of this section and in the amount of the letter of credit or bond held by the county at the time of the transfer, and the county shall release the original escrow or bond in full and release the prior developer from all further obligations.

4. The county commission shall release any escrow or bond held by the county to secure actual construction on a category of improvements or utilities, such as streets, sewer, sidewalks, within thirty days of completion of that category of improvement or utilities. The county shall inspect each category of improvement or utility work for completion within twenty business days after a request for such inspection.

5. If the county has not released the escrow or bond amount as set forth in subsection 4 of this section, the county shall pay the owner or developer, in addition to the escrow or bond funds due, interest at the rate of one and one-half percent per month calculated from the expiration of the thirty-day period until full release of the escrow or bond funds. Any owner or developer aggrieved by the county's failure to observe the requirements of this section may bring a civil action to enforce the provisions of this section, and in such action, the court may award the prevailing party the amount of all costs attributable to the action, including reasonable attorneys' fees.

6. Prior to adoption or amendment of the subdivision regulations, the planning commission shall hold a public hearing on the proposed subdivision regulations or amendment. At least fifteen days prior to the date of the hearing, notice of the public hearing shall be published at least once in a newspaper having general circulation within the county. The notice shall also be posted continuously for fifteen days prior to the hearing on a bulletin board or other prominent place which is easily accessible to the public and clearly designated for that purpose at the principal office of the county and at the location where the hearing is to be held. The notice shall fix the time and place for the hearing and shall describe such proposal in general terms. A county commission may hold a public hearing, but no separate hearing is required for the adoption or amendment of subdivision regulations by the county commission after receiving the planning commission's recommendation.

7. Subdivision regulations shall establish standards for the development of a complete subdivision plat application, and shall designate a person authorized to determine completeness of applications and official acceptance of a plat submitted to the county.

**64.1015.** 1. After the county commission has adopted and filed certified copies of subdivision regulations, no plat of a subdivision of land within the unincorporated area of the county shall be recorded until the plat is approved by the planning commission or as otherwise provided by the adopted subdivision regulations. If the planning commission does not act upon the plat at an official meeting within thirty days from the date of official acceptance, the plat may then be deemed approved. If the plat is amended or rejected by the planning commission, the action may be overruled and the plat approved only by the county commission after a public hearing, provided the reasons for such overruling shall be specifically stated in the action by the county commission.

2. Any approved plat with dedication of public lands to the county or any other public body shall be submitted to the county commission, or other jurisdiction receiving dedicated lands, for acceptance of the dedication prior to recording. The acceptance shall be noted on the plat.

3. The recorder of deeds shall record a plat of a subdivision of land in the unincorporated area of the county only after having received a certificate of authority from the planning commission secretary, who shall issue such certificate if such plat has been approved under the provisions of sections 64.1000 to 64.1042 and the subdivision regulations.

4. A county planning commission may, upon the written request of the legislative body of an incorporated area in which there is no municipal planning commission, pass upon subdivision plats within said incorporated areas, and said plats shall be subject to all rules and regulations of the county planning commission and shall not be recorded until they have been approved in the same manner as a subdivision plat in an unincorporated area. If, however, the county planning commission does not agree to pass upon plats in an incorporated area, the county recorder shall be advised of the fact by registered letter.

5. The planning commission, after a public hearing, may vacate any plat of a subdivision of land including roads, streets, highways, and alleys located in the unincorporated areas of the county. At such hearing, the commission may require that expert witnesses providing evidence be sworn in so that their statements are statements made under oath. Upon the vacation of the plat, the recorder of deeds shall be notified in writing of the vacation. Any vacation of public lands, rights-of-ways, or easements shall be submitted to the county commission, or other jurisdiction in control of such lands, for approval of the vacation.

64.1018. After a planning commission adopts a comprehensive plan of the county or any part thereof, no street, public improvement, or other public facilities, or no public utility, whether publicly or privately owned, where the location, extent and character thereof having been included in the recommendations and proposals of the plan, shall be constructed or authorized in the county until the location, extent, and character thereof has been submitted to and, after review and consideration of the comprehensive plan, approved by the planning commission. In the case of disapproval of the planning commission, the planning commission shall communicate its reasons to the county commission, or if the street, public improvement, public facility, or utility is one which the authorization or financing does not fall under the authority of the county commission, then the reasons shall be communicated to the board having authority over the public facility or utility. The county commission or other agency having jurisdiction, by vote of not less than two-thirds of the entire membership of its governing body, may overrule the disapproval stating the reasons for the overruling. Upon the overruling, the county commission or the appropriate agency or officer may proceed. The failure of the planning commission to act within sixty days after the date of official submission to it shall be deemed approval.

64.1021. The planning commission may adopt a major street plan for all unincorporated areas of the county in accordance with a transportation element of a comprehensive plan. The plan may include standards and recommendations for the location, extent, and design of streets, and for building setback lines of streets. The county may, by ordinance, establish building lines on any public street identified in the major street plan. Such building lines shall be established by the same procedure established in sections 64.1000 to 64.1042 for the adoption and amendment of subdivision regulations. After the establishment of any such line, all buildings or other structures shall be erected, reconstructed or substantially repaired as specified by the building lines. The county commission shall appoint an appeals board with the same powers to vary the building lines in specific cases as provided and in the manner specified in sections 64.1000 to 64.1042 for a board of zoning adjustment. If a board of zoning adjustment exists, it shall serve as the appeals board with respect to application of the building lines to specific property.

64.1024. 1. Upon the request of the county commission and after a vote of the people as provided in this section, the planning commission may recommend and the county commission may adopt zoning regulations for all unincorporated areas of the county in accordance with the comprehensive plan or any specific area plan created under the comprehensive plan.

(1) Prior to adopting zoning regulations as provided for in sections 64.1024 to 64.1042, the county commission shall submit the question of whether or not it shall adopt zoning regulations to the voters residing within the county at a state general, primary, or special election;

(2) The ballot of submission for the zoning regulations authorized under sections 64.1024 to 64.1042 shall be in substantially the following form:

"Shall...(insert name of county) adopt zoning regulations authorized under the "Missouri County Planning Act"?";

(3) If a majority of the votes cast on the question are in favor of the adoption of county zoning regulations, the county commission may then proceed to adopt zoning regulations authorized under sections 64.1024 to 64.1042. If a majority of the votes cast on the question are in opposition to the question, the county commission shall not adopt zoning regulations authorized under sections 64.1024 to 64.1042 unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on this question.

2. Zoning regulations may divide the jurisdiction into districts for different types of buildings, uses of land, character of design, or intensity of development, as may be deemed suited to carry out the purposes of sections 64.1000 to 64.1042. All such regulations shall be uniform for each type of building or land uses throughout each district, but the regulations in one district may differ from those in other districts, and may differ for different building types or use types or mixture of use types in a single district. They may also designate special uses within districts with specific conditions or review processes. The regulations shall give reasonable consideration, among other things, to the existing character of the districts, their suitability for particular uses, conservation of the value of buildings and of existing development, and encouragement of the most appropriate use of land throughout the county.

3. The regulations may include, but not be limited to, provisions regulating:

- (1) The kind, class, or form of buildings, including height, bulk, use, location, and design;
- (2) The use of land and buildings for particular purposes, or classes or categories or mixtures of uses;
- (3) The density of population or intensity of nonresidential structures;
- (4) The extent and design of site elements such as parking, landscape, or signs subject to the provisions of sections 226.500 to 226.600, RSMo;

(5) The design, size, location, and relationship of courts, yards, plazas, natural areas, or other open spaces;

(6) The preservation of resources including water or other natural resources, agriculture land, flood plains, or historical structures; and

(7) Sexually oriented businesses.

4. The regulations shall define the boundaries of zoning districts or any other special area under which the regulations differ from one area to another by incorporating a map or maps as part of the regulations, or by defining the boundaries in any other manner that clearly establishes the boundaries of the district or districts. The county shall designate one map as the official zoning map for the county, which shall indicate all zoning districts, or which may incorporate by reference any specific zoning map or materials which establish regulations for the property. The official zoning map shall be filed in the office of the county clerk or other such public office designated by the county commission.

5. The regulations shall designate an individual as the administrative official responsible for interpretation and administration of the zoning regulations.

6. Farm buildings and farm structures used for such purposes that are not in a designated flood plain shall be exempt from zoning regulations.

64.1027. 1. After zoning regulations and districts are adopted by a county commission, the county commission may amend the regulations, map, or districts as provided in this section. Amendments may be initiated by the planning commission, county commission, or a property owner as provided in this section.

2. The planning commission shall hold a public hearing on the proposed amendment. At least fifteen days prior to the date of the hearing, notice of the public hearing shall be published at least once in a newspaper having general circulation within the county. The notice shall also be posted continuously for fifteen days prior to the hearing on a bulletin board or other prominent place which is easily accessible to the public and clearly designated for that purpose at the principal office of the county and also at the location where the hearing is to be held. The notice shall fix the time and place for the hearing and shall describe such proposal in general terms. The hearing may be adjourned from time to time, but in the event there are amendments to the zoning map that affect regulations of a specific property, the hearing shall be concluded within sixty days of the commencement of the hearing, unless the county and the property owner agree to extend such deadline. Within thirty days from the conclusion of the hearing, the planning commission shall submit its recommendations to the county commission, together with a written summary of the hearing and how the amendment is in accordance with the comprehensive plan, or if not, justification for the recommendations. Any recommendation shall be by the affirmative vote of a majority of the entire membership of the planning commission.

**3. The county commission may:**

(1) Approve the planning commission's recommendations by the adoption of the amendment;

(2) Override the planning commission's recommendations or otherwise revise the recommendations by a two-thirds vote of all of the members of the county commission, provided that the reasons for such overruling or revision shall be stated in the action by the county commission; or

(3) Return the recommendation to the planning commission for further consideration, together with a statement specifying the basis for the needed further consideration. If the county commission returns the planning commission's recommendations, the planning commission, after considering the same, may resubmit its original recommendations giving the reasons therefore or submit new and amended recommendations. Upon the receipt of any new recommendations, the county commission, by a simple majority of all of the members, may adopt, revise, or override such recommendations. If the planning commission fails to deliver its recommendations to the county commission following the planning commission's next regular meeting after receipt of the county commission's report, the county commission shall consider such course of inaction on the part of the planning commission as a resubmission of the original recommendations and may proceed accordingly.

**4. After review and consideration of the comprehensive plan, the county commission may from time to time change, supplement, or revise the regulations or boundaries of districts according to the procedures in this section. The county commission shall establish in its zoning regulations the matters to be considered when approving or disapproving a request to amend the zoning map.**

(1) Amendments to the text of the generally applicable zoning regulations may be initiated by the planning commission or county commission. Amendments to generally applicable zoning regulations shall follow the procedures established in this section and any other additional procedures in the approved county zoning regulations.

(2) Amendments to the zoning map that affect regulations to a specific property may be initiated by the planning commission, the county commission, or a property owner or property owner's authorized agent. Amendments to the zoning map shall follow the procedures established in this section, any other additional procedures in the approved county zoning regulations, and the following specific procedures:

(a) Published notice for any required public hearing shall include a legal description or a general description sufficient to identify the property under consideration. In addition to published notice, written notice of the proposed amendment shall be mailed at least fifteen days before the hearing to all owners of record of real property within the area to be altered and to all owners of record of real property located within at least six hundred feet of the area proposed to be altered, or greater distance specified in the county zoning ordinance;

(b) All notices shall include a statement that a complete legal description and application file is available for public inspection and shall indicate where such information is available;

(c) Regardless of the recommendation of the planning commission, if a valid protest petition against the amendment is filed in the office of the county clerk within fifteen days after the date of the conclusion of the planning commission public hearing or any additional public hearings required by the county zoning regulations, the amendment shall not be passed except by at least a two-thirds vote of all of the members of the county commission. A valid protest petition requires the signatures of the owners of record of thirty percent or more of the land area of any real property proposed to be rezoned, excluding streets and public ways, or signatures of the owners of record of thirty percent or more of the land area of real property, excluding streets and public ways, within the area required to be notified by this section of the proposed rezoning of a specific property.

**64.1030. 1. Any county commission which has adopted a zoning map and regulations as provided in sections 64.1000 to 64.1042 shall appoint a county board of zoning adjustment. The board shall consist of five residents of the county, but not more than two shall be residents of the incorporated area of the county. The membership of the first board appointed shall serve respectively: one for one year, one for two years, one for three years, two for four years. Thereafter members shall be appointed for terms of four years each. Members shall be removable for cause by the county commission upon written charges and after a public hearing. Vacancies shall be filled by the county commission for the unexpired term of any member whose term becomes vacant.**

**2. The board of zoning adjustment shall have the following powers and it shall be its duty:**

(1) To hear and decide appeals where it is alleged there is error of law in any order, requirement, decision, or determination made by an administrative official or body in the enforcement or administration of the county zoning regulations;

(2) To hear and decide all matters referred to it or which it is required to determine under the zoning ordinance adopted by the county commission as herein provided;

(3) To authorize variances where, by reason of exceptional narrowness, shallowness, shape, or topography, or other extraordinary or exceptional situation or condition of a specific piece of property, the strict application of any regulation adopted under sections 64.1000 to 64.1042 would result in peculiar and exceptional difficulties to, or exceptional and demonstrable undue hardship upon, the owner of the property as an unreasonable deprivation of use as distinguished from the mere grant of a privilege. Upon an appeal relating to the property by the owner or person with a real property interest in such property, the board may authorize a variance from the strict application so as to relieve the demonstrable difficulties or hardships, provided the relief can be granted without substantial detriment to the public safety and welfare and without substantially impairing the intent, purpose, and integrity of the zoning map and regulations.

3. The board of zoning adjustment shall elect its own chair and shall adopt rules of procedure consistent with the provisions of the zoning regulations and the provisions of sections 64.1000 to 64.1042. The chair or the acting chair may administer oaths and compel the attendance of witnesses. All meetings of the board of zoning adjustment shall be open to the public, and minutes shall be kept of all proceedings and official actions, which minutes shall be filed in the office of the board and shall be a public record.

4. Appeals to the board of zoning adjustment may be taken by any owner, lessee or tenant of land, or by a public officer, department, board or bureau, affected by any decision of a body or official acting to administer county zoning regulations. The appeals shall be taken within a period of not more than three months of such decision, and in the manner provided by the rules of the board. An appeal shall stay all proceedings in furtherance of the action appealed, unless the officer from whom the appeal is taken shall certify to the board that by reason of facts stated in the certificate a stay would, in the officer's opinion, cause imminent peril to life or property. In exercising the above powers, the board may reverse or affirm wholly or partly, or may modify the order, requirement, decision, or determination appealed from and may take such order, requirement, decision, or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken.

5. Any owners, lessees, or tenants of buildings, structures, or land jointly or severally aggrieved by any decision of the board of zoning adjustment under the provisions of sections 64.1000 to 64.1042, may present to the circuit court of the county in which the property affected is located, a petition, duly verified, stating that the decision is illegal in whole or in part, specifying the grounds of the illegality, and asking for relief. Upon the presentation of the petition, the court shall allow a writ of certiorari directed to the board of adjustment or the county commission, respectively, of the action taken and data and records acted upon, and may appoint a referee to take additional evidence in the case. The court may reverse or affirm or may modify the decision brought up for review. After entry of judgment in the circuit court in the action in review, any party to the cause may bring an appeal to the appropriate appellate court.

64.1033. 1. Any violation of any regulation adopted under the authority of sections 64.1000 to 64.1042 shall be a misdemeanor. Any person with an interest in the property where a violation exists, or any person who knowingly commits, takes part or assists in the violation, may be subject to fines and penalties for other misdemeanors resulting from the same action. Each day of the offense may be considered a separate offense.

2. The county commission of any county that has appointed a county counselor and adopts or has adopted rules, regulations, or ordinances under the authority of sections 64.1000 to 64.1042 may by rule, regulation, or ordinance impose a civil fine for each violation. Any fines imposed and collected under such rules, regulations, or ordinances shall be payable to the county general fund to be used to pay for the cost of enforcement of such rules, regulations, or ordinances.

3. The county may institute any appropriate action or proceedings to enforce the adopted regulations and to remove violations.

4. No owner, or agent of the owner, of any land located within the platting jurisdiction of any county that has adopted subdivision regulations may transfer, sell, agree to sell, or negotiate to sell that land by reference to or by other use of a plat of any purported subdivision of the land before the plat has been approved by the county commission or planning commission and recorded in the office of the appropriate county recorder, unless the owner or agent shall disclose in writing that such plat has not been approved and the sale is contingent upon the approval of such plat by the planning commission or county commission. Each such transfer, sale, or agreement shall be a separate violation, and in addition to all other remedies, a county may enjoin or vacate the transfer or sale or agreement by legal action, and may recover the penalty in such action.

5. The county may designate an administrative officer or official with power to cause any land, building, structure, place or premises to be inspected and examined and to order in writing the remedying of any condition

The money in the fund shall be used solely to supplement the salaries of county or city deputy sheriffs. The state treasurer shall be custodian of the fund and may approve disbursements from the fund in accordance with sections 30.170 and 30.180, RSMo. The Missouri sheriff methamphetamine relief taskforce created under section 650.350, RSMo, shall administer the fund.**

**2. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.**

57.280. 1. Sheriffs shall receive a charge for service of any summons, writ or other order of court, in connection with any civil case, and making on the same either a return indicating service, a non est return or a nulla bona return, the sum of twenty dollars for each item to be served, except that a sheriff shall receive a charge for service of any subpoena, and making a return on the same, the sum of ten dollars; however, no such charge shall be collected in any proceeding when court costs are to be paid by the state, county or municipality. In addition to such charge, the sheriff shall be entitled to receive for each mile actually traveled in serving any summons, writ, subpoena or other order of court, the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile, provided that such mileage shall not be charged for more than one subpoena or summons or other writ served in the same cause on the same trip. All of such charges shall be received by the sheriff who is requested to perform the service. Except as otherwise provided by law, all charges made pursuant to this section shall be collected by the court clerk as court costs and are payable prior to the time the service is rendered; provided that if the amount of such charge cannot be readily determined, then the sheriff shall receive a deposit based upon the likely amount of such charge, and the balance of such charge shall be payable immediately upon ascertainment of the proper amount of said charge. A sheriff may refuse to perform any service in any action or proceeding, other than when court costs are waived as provided by law, until the charge provided by this section is paid. Failure to receive the charge shall not affect the validity of the service.

2. The sheriff shall receive for receiving and paying moneys on execution or other process, where lands or goods have been levied and advertised and sold, five percent on five hundred dollars and four percent on all sums above five hundred dollars, and half of these sums, when the money is paid to the sheriff without a levy, or where the lands or goods levied on shall not be sold and the money is paid to the sheriff or person entitled thereto, his agent or attorney. The party at whose application any writ, execution, subpoena or other process has issued from the court shall pay the sheriff's costs for the removal, transportation, storage, safekeeping and support of any property to be seized pursuant to legal process before such seizure. The sheriff shall be allowed for each mile, going and returning from the courthouse of the county in which he resides to the place where the court is held, the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile. The provisions of this subsection shall not apply to garnishment proceeds.

3. The sheriff upon the receipt of the charge herein provided for shall pay into the treasury of the county any and all charges received pursuant to the provisions of this section; however, in any county, any funds, not to exceed fifty thousand dollars in any calendar year, **except as otherwise provided in subsection 4 of this section** and other than as a result of regular budget allocations or land sale proceeds, coming into the possession of the sheriff's office, such as from the sale of recovered evidence, shall be held in a fund established by the county treasurer, which may be expended at the discretion of the sheriff for the furtherance of the sheriff's set duties. Any such funds in excess of fifty thousand dollars, **except as otherwise provided in subsection 4 of this section** and other than regular budget allocations or land sale proceeds, shall be placed to the credit of the general revenue fund of the county. Moneys in the fund established pursuant to this subsection shall not lapse to the county general revenue fund at the end of any county budget or fiscal year.

**4. Notwithstanding the provisions of subsection 3 of this section to the contrary, the sheriff shall receive fifteen dollars for service of any summons, writ, subpoena, or other order of the court included under subsection 1 of this section, in addition to the charge for such service that each sheriff receives under subsection 1 of this**

**section; provided, however, that in charter counties and any city not within a county, the sheriff shall receive five dollars for service of any summons, writ, subpoena, or other order of the court included under subsection 1 of this section, in addition to the charge for such service that each sheriff receives under subsection 1 of this section. The money received by the sheriff under this subsection shall be paid into the county or city treasury and the county or city treasurer shall make such money payable to the state treasurer. The state treasurer shall deposit such moneys in the deputy sheriff salary supplementation fund created under section 57.278.**

488.435. 1. Sheriffs shall receive a charge, as provided in section 57.280, RSMo, for service of any summons, writ or other order of court, in connection with any civil case, and making on the same either a return indicating service, a non est return or a nulla bona return, the sum of twenty dollars for each item to be served, as provided in section 57.280, RSMo, except that a sheriff shall receive a charge for service of any subpoena, and making a return on the same, the sum of ten dollars, as provided in section 57.280, RSMo; however, no such charge shall be collected in any proceeding when court costs are to be paid by the state, county or municipality. In addition to such charge, the sheriff shall be entitled, as provided in section 57.280, RSMo, to receive for each mile actually traveled in serving any summons, writ, subpoena or other order of court, the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile, provided that such mileage shall not be charged for more than one subpoena or summons or other writ served in the same cause on the same trip. All of such charges shall be received by the sheriff who is requested to perform the service. Except as otherwise provided by law, all charges made pursuant to section 57.280, RSMo, shall be collected by the court clerk as court costs and are payable prior to the time the service is rendered; provided that if the amount of such charge cannot be readily determined, then the sheriff shall receive a deposit based upon the likely amount of such charge, and the balance of such charge shall be payable immediately upon ascertainment of the proper amount of such charge. A sheriff may refuse to perform any service in any action or proceeding, other than when court costs are waived as provided by law, until the charge provided by this section is paid. Failure to receive the charge shall not affect the validity of the service.

2. The sheriff shall, as provided in section 57.280, RSMo, receive for receiving and paying moneys on execution or other process, where lands or goods have been levied and advertised and sold, five percent on five hundred dollars and four percent on all sums above five hundred dollars, and half of these sums, when the money is paid to the sheriff without a levy, or where the lands or goods levied on shall not be sold and the money is paid to the sheriff or person entitled thereto, his or her agent or attorney. The party at whose application any writ, execution, subpoena or other process has issued from the court shall pay the sheriff's costs, as provided in section 57.280, RSMo, for the removal, transportation, storage, safekeeping and support of any property to be seized pursuant to legal process before such seizure. The sheriff shall be allowed for each mile, as provided in section 57.280, RSMo, going and returning from the courthouse of the county in which he or she resides to the place where the court is held, the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile. The provisions of this subsection shall not apply to garnishment proceeds.

**3. As provided in subsection 4 of section 57.280, RSMo, in all counties except for charter counties and any city not within a county the sheriff shall receive fifteen dollars for service of any summons, writ, subpoena, or other order of the court included under subsection 1 of section 57.280, RSMo, in addition to the charge for such service that each sheriff receives under subsection 1 of section 57.280, RSMo, and in charter counties and any city not within a county the sheriff shall receive five dollars for service of any summons, writ, subpoena, or other order of the court included under subsection 1 of section 57.280, RSMo, in addition to the charge for such service that each sheriff receives under subsection 1 of section 57.280, RSMo. The money received by the sheriff under subsection 4 of section 57.280, RSMo, shall be paid into the county or city treasury and the county or city treasurer shall make such money payable to the state treasurer. The state treasurer shall deposit such moneys in the deputy sheriff salary supplementation fund created under section 57.278, RSMo.**

650.350. 1. There is hereby created within the department of public safety the "Missouri Sheriff Methamphetamine Relief Taskforce" (MoSMART). MoSMART shall be composed of five sitting sheriffs. Every two years, the Missouri Sheriffs' Association board of directors will submit twenty names of sitting sheriffs to the governor. The governor shall appoint five members from the list of twenty names, having no more than three from any one political party, to serve a term of two years on MoSMART. The members shall elect a chair from among their membership. Members shall receive no compensation for the performance of their duties pursuant to this section, but each member shall be reimbursed from the MoSMART fund for actual and necessary expenses incurred in carrying out duties pursuant to this section.

2. MoSMART shall meet no less than twice each calendar year with additional meetings called by the chair upon the request of at least two members. A majority of the appointed members shall constitute a quorum.

3. A special fund is hereby created in the state treasury to be known as the "MoSMART Fund". The state treasurer shall invest the moneys in such fund in the manner authorized by law. All moneys received for MoSMART from interest, state, and federal moneys shall be deposited to the credit of the fund. The director of the department of public safety shall distribute at least fifty percent but not more than one hundred percent of the fund annually in the form of grants approved by MoSMART.

4. **Except for money deposited into the deputy sheriff salary supplemental fund created under section 57.278, RSMo**, all moneys appropriated to or received by MoSMART shall be deposited and credited to the MoSMART fund. The department of public safety shall only be reimbursed for actual and necessary expenses for the administration of MoSMART, which shall be no less than one percent and which shall not exceed two percent of all moneys appropriated to the fund, **except that the department shall not receive any amount of the money deposited into the deputy sheriff salary supplemental fund for administrative purposes**. The provisions of section 33.080, RSMo, to the contrary notwithstanding, moneys in the MoSMART fund shall not lapse to general revenue at the end of the biennium.

5. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2003, shall be invalid and void.

6. Any county law enforcement entity or established task force with a memorandum of understanding and protocol may apply for grants from the MoSMART fund on an application to be developed by the department of public safety with the approval of MoSMART. All applications shall be evaluated by MoSMART and approved or denied based upon the level of funding designated for methamphetamine enforcement before 1997 and upon current need and circumstances. No applicant shall receive a MoSMART grant in excess of one hundred thousand dollars per year. The department of public safety shall monitor all MoSMART grants.

7. MoSMART's anti-methamphetamine funding priorities are as follows:

(1) Sheriffs who are participating in coordinated multijurisdictional task forces and have their task forces apply for funding;

(2) Sheriffs whose county has been designated HIDTA counties, yet have received no HIDTA or narcotics assistance program funding; and

(3) Sheriffs without HIDTA designations or task forces, whose application justifies the need for MoSMART funds to eliminate methamphetamine labs.

8. **MoSMART shall administer the deputy sheriff salary supplemental fund as provided under section 57.278, RSMo.**"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Daus moved that **House Amendment No. 18** be adopted.

"210.221. 1. The department of health and senior services shall have the following powers and duties:

(1) After inspection, to grant licenses to persons to operate child-care facilities if satisfied as to the good character and intent of the applicant and that such applicant is qualified and equipped to render care or service conducive to the welfare of children, and to renew the same when expired. No license shall be granted for a term exceeding two years. Each license shall specify the kind of child-care services the licensee is authorized to perform, the number of children that can be received or maintained, and their ages and sex;

(2) To inspect the conditions of the homes and other places in which the applicant operates a child-care facility, inspect their books and records, premises and children being served, examine their officers and agents, deny, suspend, place on probation or revoke the license of such persons as fail to obey the provisions of sections 210.201 to 210.245 or the rules and regulations made by the department of health and senior services. The director also may revoke or suspend a license when the licensee fails to renew or surrenders the license;

(3) To promulgate and issue rules and regulations the department deems necessary or proper in order to establish standards of service and care to be rendered by such licensees to children. No rule or regulation promulgated by the division shall in any manner restrict or interfere with any religious instruction, philosophies or ministries provided by the facility and shall not apply to facilities operated by religious organizations which are not required to be licensed; [and]

(4) To determine what records shall be kept by such persons and the form thereof, and the methods to be used in keeping such records, and to require reports to be made to the department at regular intervals; **and**

**(5) To deny, suspend, place on probation, or revoke a license for any child care facility that does not obtain and maintain a local license or permit for the operation of a child care facility, if required by local law.**

2. Any child-care facility may request a variance from a rule or regulation promulgated pursuant to this section. The request for a variance shall be made in writing to the department of health and senior services and shall include the reasons the facility is requesting the variance. The department shall approve any variance request that does not endanger the health or safety of the children served by the facility. The burden of proof at any appeal of a disapproval of a variance application shall be with the department of health and senior services. Local inspectors may grant a variance, subject to approval by the department of health and senior services.

3. The department shall deny, suspend, place on probation or revoke a license if:

(1) It receives official written notice that the local governing body has found that license is prohibited by any local law related to the health and safety of children. The department may, after inspection, find the licensure, denial of licensure, suspension or revocation to be in the best interest of the state; or

(2) **It receives official written notice from the local governing body that the local license or permit for the child care facility has been denied, suspended, placed on probation, or revoked.**

4. **For any child care facility required to obtain and maintain a local license or permit issued by a political subdivision of this state and the requirements of such local license or permit are consistent with but more restrictive than the child care facility licensure requirements of the state, the child care facility shall be required to meet the requirements for the local license or permit in order to maintain the facility's state licensure. Any child care facility that does not obtain or maintain the required local license or permit shall be subject to state licensure sanction in accordance with subsection 3 of this section.**

5. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in sections 210.201 to 210.245 shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. All rulemaking authority delegated prior to August 28, 1999, is of no force and effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if it fully complied with all applicable provisions of law. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

*House Amendment No. 23*

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 765, Section 72.080, Page 3, Line 83, by inserting after all of said line the following:

"135.967. 1. A taxpayer who establishes a new business facility may, upon approval by the department, be allowed a credit, each tax year for up to ten tax years, in an amount determined as set forth in this section, against the tax imposed by chapter 143, RSMo, excluding withholding tax imposed by sections 143.191 to 143.265, RSMo. No taxpayer shall receive multiple ten-year periods for subsequent expansions at the same facility.

2. Notwithstanding any provision of law to the contrary, any taxpayer who establishes a new business facility in an enhanced enterprise zone and is awarded state tax credits under this section may not also receive tax credits under sections 135.100 to 135.150, sections 135.200 to 135.268, or section 135.535.

3. No credit shall be issued pursuant to this section unless:

(1) The number of new business facility employees engaged or maintained in employment at the new business facility for the taxable year for which the credit is claimed equals or exceeds two; and

(2) The new business facility investment for the taxable year for which the credit is claimed equals or exceeds one hundred thousand dollars.

4. The annual amount of credits allowed for an approved enhanced business enterprise shall be the lesser of:

(1) The annual amount authorized by the department for the enhanced business enterprise, which shall be limited to the projected state economic benefit, as determined by the department; or

(2) The sum calculated based upon the following:

(a) A credit of four hundred dollars for each new business facility employee employed within an enhanced enterprise zone;

(b) An additional credit of four hundred dollars for each new business facility employee who is a resident of an enhanced enterprise zone;

(c) An additional credit of four hundred dollars for each new business facility employee who is paid by the enhanced business enterprise a wage that exceeds the average wage paid within the county in which the facility is located, as determined by the department; and

(d) A credit equal to two percent of new business facility investment within an enhanced enterprise zone.

5. Prior to January 1, 2007, in no event shall the department authorize more than four million dollars annually to be issued for all enhanced business enterprises. After December 31, 2006, in no event shall the department authorize more than [fourteen] **twenty-four** million dollars annually to be issued for all enhanced business enterprises.

6. If a facility, which does not constitute a new business facility, is expanded by the taxpayer, the expansion shall be considered eligible for the credit allowed by this section if:

(1) The taxpayer's new business facility investment in the expansion during the tax period in which the credits allowed in this section are claimed exceeds one hundred thousand dollars and if the number of new business facility employees engaged or maintained in employment at the expansion facility for the taxable year for which credit is claimed equals or exceeds two, and the total number of employees at the facility after the expansion is at least two greater than the total number of employees before the expansion; and

(2) The taxpayer's investment in the expansion and in the original facility prior to expansion shall be determined in the manner provided in subdivision (14) of section 135.950.

7. The number of new business facility employees during any taxable year shall be determined by dividing by twelve the sum of the number of individuals employed on the last business day of each month of such taxable year. If the new business facility is in operation for less than the entire taxable year, the number of new business facility employees shall be determined by dividing the sum of the number of individuals employed on the last business day of each full calendar month during the portion of such taxable year during which the new business facility was in operation by the number of full calendar months during such period. For the purpose of computing the credit allowed by this section in the case of a facility which qualifies as a new business facility under subsection 6 of this section, and in the case of a new business facility which satisfies the requirements of paragraph (c) of subdivision (14) of section 135.950, or subdivision (22) of section 135.950, the number of new business facility employees at such facility shall be reduced by the average number of individuals employed, computed as provided in this subsection, at the facility during the taxable year immediately preceding the taxable year in which such expansion, acquisition, or replacement occurred and shall further be reduced by the number of individuals employed by the taxpayer or related taxpayer that was subsequently transferred to the new business facility from another Missouri facility and for which credits authorized in this section are not being earned, whether such credits are earned because of an expansion, acquisition, relocation, or the establishment of a new facility.

8. In the case where a new business facility employee who is a resident of an enhanced enterprise zone for less than a twelve-month period is employed for less than a twelve-month period, the credits allowed by paragraph (b) of subdivision (2) of subsection 4 of this section shall be determined by multiplying four hundred dollars by a fraction, the numerator of which is the number of calendar days during the taxpayer's tax year for which such credits are claimed, in which the employee was a resident of an enhanced enterprise zone, and the denominator of which is three hundred sixty-five.

9. For the purpose of computing the credit allowed by this section in the case of a facility which qualifies as a new business facility pursuant to subsection 6 of this section, and in the case of a new business facility which satisfies the requirements of paragraph (c) of subdivision (14) of section 135.950 or subdivision (22) of section 135.950, the amount of the taxpayer's new business facility investment in such facility shall be reduced by the average amount, computed as provided in subdivision (14) of section 135.950 for new business facility investment, of the investment of the taxpayer, or related taxpayer immediately preceding such expansion or replacement or at the time of acquisition. Furthermore, the amount of the taxpayer's new business facility investment shall also be reduced by the amount of investment employed by the taxpayer or related taxpayer which was subsequently transferred to the new business facility from another Missouri facility and for which credits authorized in this section are not being earned, whether such credits are earned because of an expansion, acquisition, relocation, or the establishment of a new facility.

10. For a taxpayer with flow-through tax treatment to its members, partners, or shareholders, the credit shall be allowed to members, partners, or shareholders in proportion to their share of ownership on the last day of the taxpayer's tax period.

11. Credits may not be carried forward but shall be claimed for the taxable year during which commencement of commercial operations occurs at such new business facility, and for each of the nine succeeding taxable years for which the credit is issued.

12. Certificates of tax credit authorized by this section may be transferred, sold, or assigned by filing a notarized endorsement thereof with the department that names the transferee, the amount of tax credit transferred, and

the value received for the credit, as well as any other information reasonably requested by the department. The sale price cannot be less than seventy-five percent of the par value of such credits.

13. The director of revenue shall issue a refund to the taxpayer to the extent that the amount of credits allowed in this section exceeds the amount of the taxpayer's income tax.

14. Prior to the issuance of tax credits, the department shall verify through the department of revenue, or any other state department, that the tax credit applicant does not owe any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent fees or assessments levied by any state department and through the department of insurance that the applicant does not owe any delinquent insurance taxes. Such delinquency shall not affect the authorization of the application for such tax credits, except that the amount of credits issued shall be reduced by the applicant's tax delinquency. If the department of revenue or the department of insurance, or any other state department, concludes that a taxpayer is delinquent after June fifteenth but before July first of any year and the application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then the taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all available credits toward a tax delinquency, the administering agency shall notify the appropriate department, and that department shall update the amount of outstanding delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions of other provisions of law."; and

"311.090. 1. Any person who possesses the qualifications required by this chapter, and who meets the requirements of and complies with the provisions of this chapter, and the ordinances, rules and regulations of the incorporated city in which such licensee proposes to operate his business, may apply for, and the supervisor of liquor control may issue, a license to sell intoxicating liquor, as defined in this chapter, by the drink at retail for consumption on the premises described in the application; provided, that no license shall be issued for the sale of intoxicating liquor, other than malt liquor containing alcohol not in excess of five percent by weight, and light wines containing not in excess of fourteen percent of alcohol by weight made exclusively from grapes, berries and other fruits and vegetables, by the drink at retail for consumption on the premises where sold to any person other than a charitable, fraternal, religious, service or veterans' organization which has obtained an exemption from the payment of federal income taxes as provided in section 501(c)(3), 501(c)(4), 501(c)(5), 501(c)(7), 501(c)(8), 501(c)(10), 501(c)(19), or 501(d) of the United States Internal Revenue Code of 1954, as amended, in any incorporated city having a population of less than nineteen thousand five hundred inhabitants, until the sale of such intoxicating liquor, by the drink at retail for consumption on the premises where sold, shall have been authorized by a vote of the majority of the qualified voters of the city. Such authority shall be determined by an election to be held in those cities having a population of less than nineteen thousand five hundred inhabitants as determined by the last preceding federal decennial census, under the provisions and methods set out in this chapter. Once such licenses are issued in a city with a population of at least nineteen thousand five hundred inhabitants, any subsequent loss of population shall not require the qualified voters of such a city to approve the sale of such intoxicating liquor prior to the issuance or renewal of such licenses. No license shall be issued for the sale of intoxicating liquor, other than malt liquor containing alcohol not in excess of five percent by weight, and light wines containing not in excess of fourteen percent of alcohol by weight made exclusively from grapes, berries and other fruits and vegetables, by the drink at retail for consumption on the premises where sold, outside the limits of such incorporated cities unless the licensee is a charitable, fraternal, religious, service or veterans' organization which has obtained an exemption from the payment of federal income taxes as provided in section 501(c)(3), 501(c)(4), 501(c)(5), 501(c)(7), 501(c)(8), 501(c)(10), 501(c)(19), or 501(d) of the United States Internal Revenue Code of 1954, as amended.

2. Notwithstanding any other provisions of this chapter to the contrary, any charitable, fraternal, religious, service or veterans' organization which has obtained an exemption from the payment of federal income taxes as provided in section 501(c)(3), 501(c)(4), 501(c)(5), 501(c)(7), 501(c)(8), 501(c)(10), 501(c)(19), or 501(d) of the United States

Internal Revenue Code of 1954, as amended, may apply for, and the supervisor of liquor control may issue, a license to sell intoxicating liquor, as defined in this chapter, between the hours of [11:00] **9:00** a.m. on Sunday and midnight on Sunday by the drink at retail for consumption on the premises described in the application. The authority for the collection of fees by cities and counties as provided in section 311.220, and all other laws and regulations of the state relating to the sale of liquor by the drink for consumption on the premises where sold, shall apply to organizations licensed under this subsection in the same manner as they apply to establishments licensed under subsection 1 of this section and sections 311.085 and 311.095. In addition to all other fees required by law, an organization licensed under this section shall pay an additional fee of two hundred dollars a year payable at the same time and in the same manner as its other license fees.

3. If any charitable, fraternal, religious, service, or veterans' organization has a license to sell intoxicating liquor on its premises pursuant to this section and such premises includes two or more buildings in close proximity, such permit shall be valid for the sale of intoxicating liquor at any such building." ; and

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SEVENTY-THIRD DAY, THURSDAY, MAY 15, 2008

The House met pursuant to adjournment.

Speaker Jetton in the Chair.

Prayer by Msgr. Donald W. Lammers.

*(On the morning after working very late, this verse from Psalm 28 is a good prayer.)*

"Yahweh is my strength, my shield,  
my heart puts its trust in him,  
I have been helped, my flesh has bloomed again,  
I thank him with all my heart."  
*(Psalm 28:7)*

O Lord, be our strength as we approach the end of this 2008 Session.  
Many topics remain before us; important decisions must be made.  
By Your grace may we discern what advances best the common good;  
What is necessary for those most in need;  
What justice demands;  
What truth requires.  
We thank You, Lord God, for Your presence and strength this day.  
To You be glory and honor forever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Kaleena Logan, Dusty McCubbins, Marshal Meyer, Connor Balke, Jacob Hickman, John Schwartz, Dylana Fox, Miranda Goetz, Tanner Oelrichs, J.T. **THIRD READING OF SENATE BILLS**

**HCS#2 SB 976**, relating to judicial personnel and procedures, was taken up by Representative Stevenson.

Representative Stevenson offered **House Amendment No. 1**.

*House Amendment No. 1*

AMEND House Committee Substitute No. 2 for Senate Bill 976, Page 56, Section 217.831, Line 20, by inserting after all of said line, the following:

"233.155. 1. Whenever the inhabitants of any special road district already formed under sections 233.010 to 233.165 shall desire to extend the boundaries of such district to take in territory not included in the original district, and shall present a petition to the county commission of the county in which such district is located, or if the proposed district is to include portions of more than one county, then to the county commissions of each of such counties, signed by not less than thirty-five voters in the old district and not less than fifty percent of the voters in the territory proposed to be taken into said district, asking the county commission or commissions of such county or counties to submit the proposition of the proposed extension of such road district to a vote of the people of such proposed district for their adoption or rejection, the county commission of such county, or if the proposed district shall include parts of more than one county, the county commissions of all such counties, shall each make an order of record that the proposed extension of said road district under the provisions of this section, describing the same by its title and the date of its approval, and describing the boundaries of the district as proposed to be extended, be submitted to the voters of such proposed road district.

2. The question shall be submitted in substantially the following form:

Shall the special road district be extended?

3. If the territory of more than one county be included in said special road district, the county commission of each county in said district shall, as soon as the returns are in from said election, cause a certificate to be made out stating the number of votes cast for and against said proposition in said county, and cause such certificate to be filed with the county clerk of the county commission of every other county which shall form a part of said special road district. If it shall appear from the returns of said county and from said certificate that a majority of the votes cast upon the proposition in the whole proposed district be in favor of the extension of said road district, the county commission or county commissions in said proposed district shall declare the result of the vote thereon in said proposed district by an order of record, and shall make an order of record that the above specified road district laws shall extend to and be the law in such special road district, including the extension thereof, setting out the boundaries of said district as extended, the same to take effect and be in force from and after a day to be named in such order, said day to be not more than twenty days after said election.

4. If any territory added to any such original district be in any county outside of the county of such original district, each county outside of such original district may appoint one road commissioner to act with the commissioners appointed in the county of the original district. Such commissioners so appointed outside of the county of the original district shall serve for a term of three years from the date of such appointment, and until their successors shall be appointed and qualified. Such commissioners shall be voters of such added territory in such county of their appointment. Except as herein provided, such commissioners shall be governed by sections 233.010 to 233.165. No change shall be made in the number of commissioners appointed by the county of the original district or in the manner of their appointment. **In any special road district located in two counties with an additional fourth commissioner appointed by the county outside of the original district as provided in this subsection, a fifth commissioner may**

**be appointed by the same county that appointed the fourth commissioner. Except as herein provided, a fifth commissioner shall be governed by sections 233.010 to 233.165, shall serve for a term of three years from the date of the appointment and until the fifth commissioner's successor shall be appointed and qualified, and shall be a voter of the county of appointment.**

5. If a majority of the votes of the proposed district, as extended, be cast in favor of such extension, then the territory of such district, as extended, shall be governed by sections 233.010 to 233.165. But if such extension proposition shall not receive a majority of the votes of said district, as extended, then said special road district shall remain as it was before said petition was filed. Any special road district extended under the provisions of this section may be extended so that after such extension it shall not be more than seventeen miles square."; and

**2. No person who knows or should know of the existence of such rules may cause or permit any air pollution by emission of any air contaminant source located outside Missouri, and which emissions enter Missouri in excess of the emission control regulations applicable to the portion of Missouri where the air contaminant enters the state.**

**3. In the event the commission determines that any provision of sections 643.010 to 643.190, or the rules promulgated hereunder, permits issued, or any final order or determination made by the commission or the director is being violated, the commission may cause to have instituted a civil action in any court of competent jurisdiction for injunctive relief to prevent any further violation or for the assessment of a penalty not to exceed ten thousand dollars for each violation per day for each day, or part thereof, the violation continues to occur, or both, as the court may deem proper. A civil monetary penalty under this section shall not be assessed for a violation where an administrative penalty was assessed under section 643.085. The commission may request the attorney general or other counsel to bring such action in the name of the people of the state of Missouri. Process may be served in any manner provided by chapter 506, RSMo, including but not limited to sections 506.510 and 506.520, RSMo. Suit may be brought in any county where the defendant's principal place of business is located or where the air contaminant source is located or where the air contaminants enter the state of Missouri. Any offer of settlement to resolve a civil penalty under this section shall be**

in writing, shall state that an action for imposition of a civil penalty may be initiated by the attorney general or a prosecuting attorney representing the department under authority of this section, and shall identify any dollar amount as an offer of settlement which shall be negotiated in good faith through conference, conciliation and persuasion.

**4. Any concentrated animal feeding operation or recycling company that converts animal parts into petroleum that the commission or the director determines to be in persistent violation of the provisions of this section or any odor rule promulgated by the department shall forfeit any permits issued by the department under sections 640.700 to 640.755, RSMo, this chapter, or chapter 644, RSMo, until such time that the concentrated animal feeding operation or recycling company that converts animal parts into petroleum successfully reapplies for a new permit. For the purposes of this subsection, the term "persistent violation" shall mean any concentrated animal feeding operation or recycling company that converts animal parts into petroleum that has been found by the commission or the director to have violated the provisions of this section at least six times during any twelve-month period or at least twelve times during any thirty-six month period.**

**5. During any thirty-six month period, any concentrated animal feeding operation or recycling company that converts animal parts into petroleum that the commission or director has found to have violated the provisions of this section on more than one occasion shall be subject to a surcharge in addition to the civil penalties assessed under subsection 3 of this section. The surcharge shall be an amount equal to the sum of the penalty assessed under subsection 3 of this section for the current citation plus all the fines assessed against the violator during the thirty-six month period prior to the date the citation was issued.**

**6. *House Amendment No. 3*

AMEND House Committee Substitute No. 2 for Senate Bill No. 976, Section 566.226, Page 195, Line 15, by inserting after all of said section the following:

**"573.525. 1. It is the purpose of sections 573.525 to 573.537 to regulate sexually oriented businesses in order to promote the health, safety, and general welfare of the citizens of this state, and to establish reasonable and uniform regulations to prevent the deleterious secondary effects of sexually oriented businesses within the state. The provisions of sections 573.525 to 573.537 have neither the purpose nor effect of imposing a limitation or restriction on the content or reasonable access to any communicative materials, including sexually oriented materials. Similarly, it is neither the intent nor effect of sections 573.525 to 573.537 to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of sections 573.525 to 573.537 to condone or legitimize the distribution of obscene material.**

**2. The general assembly finds that:**

**(1) Sexually oriented businesses, as a category of commercial enterprises, are associated with a wide variety of adverse secondary effects, including but not limited to personal and property crimes, prostitution, potential spread of disease, lewdness, public indecency, obscenity, illicit drug use and drug trafficking, negative impacts on surrounding properties, urban blight, litter, and sexual assault and exploitation;**

**(2) Sexually oriented businesses should be separated from sensitive land uses to minimize the impact of their secondary effects upon such uses, and should be separated from other sexually oriented businesses, to minimize the secondary effects associated with such uses and to prevent an unnecessary concentration of sexually oriented businesses in one area;**

**(3) Each of the foregoing negative secondary effects constitutes a harm which the state has a substantial interest in preventing and/or abating. Such substantial government interest in preventing secondary effects, which is the state's rationale for sections 573.525 to 573.537, exists independent of any comparative analysis between sexually oriented and nonsexually oriented businesses. Additionally, the state's interest in regulating sexually oriented businesses extends to preventing future secondary effects of current or future sexually oriented businesses that may locate in the state.**

**573.528. For purposes of sections 573.525 to 573.537, the following terms shall mean:**

**(1) "Adult bookstore" or "adult video store", a commercial establishment which, as one of its principal business activities, offers for sale or rental for any form of consideration any one or more of the following: books, magazines, periodicals, or other printed matter, or photographs, films, motion pictures, video cassettes, compact discs, digital video discs, slides, or other visual representations which are characterized by their emphasis upon the display of specified sexual activities or specified anatomical areas. A "principal business activity" exists where the commercial establishment:**

**(a) Has a substantial portion of its displayed merchandise which consists of such items; or**

(b) Has a substantial portion of the wholesale value of its displayed merchandise which consists of such items; or

(c) Has a substantial portion of the retail value of its displayed merchandise which consists of such items; or

(d) Derives a substantial portion of its revenues from the sale or rental, for any form of consideration of such items; or

(e) Maintains a substantial section of its interior business space for the sale or rental of such items; or

(f) Maintains an adult arcade. "Adult arcade" means any place to which the public is permitted or invited wherein coin-operated or slug-operated or electronically, electrically, or mechanically controlled still or motion picture machines, projectors, or other image-producing devices are regularly maintained to show images to five or fewer persons per machine at any one time, and where the images so displayed are characterized by their emphasis upon matter exhibiting specified sexual activities or specified anatomical areas;

(2) "Adult cabaret", a nightclub, bar, juice bar, restaurant, bottle club, or other commercial establishment, regardless of whether alcoholic beverages are served, which regularly features persons who appear semi-nude;

(3) "Adult motion picture theater", a commercial establishment where films, motion pictures, video cassettes, slides, or similar photographic reproductions which are characterized by their emphasis upon the display of specified sexual activities or specified anatomical areas are regularly shown to more than five persons for any form of consideration;

(4) "Characterized by", describing the essential character or dominant theme of an item. As applied in sections 573.525 to 573.537, no business shall be classified as a sexually oriented business by virtue of showing, selling, or renting materials rated NC-17 or R by the Motion Picture Association of America;

(5) "Employ", "employee" or "employment", describe and pertain to any person who performs any service on the premises of a sexually oriented business, on a full-time, part-time, or contract basis, whether or not the person is denominated an employee, independent contractor, agent, or otherwise. Employee does not include a person exclusively on the premises for repair or maintenance of the premises or for the delivery of goods to the premises;

(6) "Establish" or "establishment", any of the following:

(9) "Operator", any person on the premises of a sexually oriented business who causes the business to function or who puts or keeps in operation the business or who is authorized to manage the business or exercise overall operational control of the business premises. A person may be found to be operating or causing to be operated a sexually oriented business whether or not such person is an owner, part owner, or licensee of the business;

(10) "Premises", the real property upon which the sexually oriented business is located, and all appurtenances thereto and buildings thereon, including but not limited to the sexually oriented business, the grounds, private walkways, and parking lots and/or parking garages adjacent thereto, under the ownership, control, or supervision of the licensee, as described in the application for a sexually oriented business license;

(11) "Regularly", the consistent and repeated doing of the act so described;

(12) "Semi-nude" or "state of semi-nudity", the showing of the female breast below a horizontal line across the top of the areola and extending across the width of the breast at such point, or the showing of the male or female buttocks. Such definition includes the lower portion of the human female breast, but shall not include

any portion of the cleavage of the human female breasts exhibited by a bikini, dress, blouse, shirt, leotard, or similar wearing apparel provided the areola is not exposed in whole or in part;

(13) "Semi-nude model studio", a place where persons regularly appear in a state of semi-nudity for money or any form of consideration in order to be observed, sketched, drawn, painted, sculptured, photographed, or similarly depicted by other persons. Such definition does not apply to any place where persons appearing in a state of semi-nudity did so in a modeling class operated:

  - b. Where, in order to participate in a class, a student must enroll at least three days in advance of the class;

(14) "Sexual encounter center", a business or commercial enterprise that, as one of its principal purposes, purports to offer for any form of consideration, physical contact in the form of wrestling or tumbling between persons of the opposite sex when one or more of the persons is semi-nude;

(15) "Sexually oriented business", an adult bookstore or adult video store, an adult cabaret, an adult motion picture theater, a semi-nude model studio, or a sexual encounter center;

(16) "Specified anatomical areas":

- (a) Less than completely and opaquely covered: human genitals, pubic region, buttock, and female breast below a point immediately above the top of the areola; and
- (b) Human male genitals in a discernibly turgid state, even if completely and opaquely covered;

- (b) Excretory functions as a part of or in connection with any of the activities describe in paragraph (a) of this subdivision;

(19) "Substantial", at least thirty percent of the item or items so modified;

(20) "Viewing room", the room, booth, or area where a patron of a sexually oriented business would ordinarily be positioned while watching a film, video cassette, digital video disc, or other video reproduction.

**573.531. 1.** No person shall establish a sexually oriented business within one thousand feet of any preexisting primary or secondary school, house of worship, state-licensed day care facility, public library, public park, residence, or other sexually oriented business. This subsection shall not apply to any sexually oriented business lawfully established prior to the effective date of sections 573.525 to 573.537. For purposes of this subsection, measurements shall be made in a straight line, without regard to intervening structures or objects, from the closest portion of the parcel containing the sexually oriented business to the closest portion of the parcel containing the preexisting primary or secondary school, house of worship, state-licensed day care facility, public library, public park, residence, or other sexually oriented business.

**2.** No person shall establish a sexually oriented business if a person with an influential interest in the sexually oriented business has been convicted of or pled guilty or nolo contendere to a specified criminal act.

**3.** No person shall knowingly or intentionally, in a sexually oriented business, appear in a state of nudity.

4. No employee shall knowingly or intentionally, in a sexually oriented business, appear in a semi-nude condition unless the employee, while semi-nude, shall be and remain on a fixed stage at least six feet from all patrons and at least eighteen inches from the floor in a room of at least six hundred square feet.

5. No employee who appears in a semi-nude condition in a sexually oriented business shall knowingly or intentionally touch a patron or the clothing of a patron in a sexually oriented business.

6. A sexually oriented business which exhibits on the premises, through any mechanical or electronic image-producing device, a film, video cassette, digital video disc, or other video reproduction characterized by an emphasis on the display of specified sexual activities or specified anatomical areas shall comply with the following requirements:

(1) The interior of the premises shall be configured in such a manner that there is an unobstructed view from an operator's station of every area of the premises, including the interior of each viewing room but excluding restrooms, to which any patron is permitted access for any purpose;

(2) An operator's station shall not exceed thirty-two square feet of floor area;

(3) If the premises has two or more operator's stations designated, the interior of the premises shall be configured in such a manner that there is an unobstructed view of each area of the premises to which any patron is permitted access for any purpose from at least one of the operator's stations;

(4) The view required under this subsection shall be by direct line of sight from the operator's station;

(5) It is the duty of the operator to ensure that at least one employee is on duty and situated in an operator's station at all times that any patron is on the portion of the premises monitored by such operator station; and

(6) It shall be the duty of the operator and of any employees present on the premises to ensure that the view area specified in this subsection remains unobstructed by any doors, curtains, walls, merchandise, display racks, or other materials or enclosures at all times that any patron is present on the premises.

7. Sexually oriented businesses that do not have stages or interior configurations which meet at least the minimum requirements of sections 573.525 to 573.537 shall be given one hundred eighty days after the effective date of sections 573.525 to 573.537 to comply with the stage and building requirements of sections 573.525 to 573.537. During such one-hundred-eighty-day period, any employee who appears within view of any patron in a semi-nude condition shall remain, while semi-nude, at least six feet from all patrons.

8. No operator shall allow or permit a sexually oriented business to be or remain open between the hours of 12:00 midnight and 6:00 a.m. on any day.

10. No person shall knowingly allow a person under the age of eighteen years on the premises of a sexually oriented business.

573.534. Sections 573.525 to 573.537 do not impose strict liability. Unless a culpable mental state is otherwise specified herein, a showing of a knowing or reckless mental state is necessary to establish a violation of sections 573.525 to 573.537. Notwithstanding any other provision of law to the contrary, for purposes of sections 573.525 to 573.537, an act by an employee shall be imputed to the sexually oriented business for purposes of finding a violation of sections 573.525 to 573.537 only if an officer, director, or general partner, or a person who managed, supervised, or controlled the operation of the business premises knowingly or recklessly allowed such act to occur on the premises. It shall be a defense to liability that the person to whom liability is imputed was powerless to prevent the act.

573.537. 1. Any person, business, or entity violating or refusing to comply with any provision of sections 573.525 to 573.537 shall, upon conviction, be deemed guilty of a misdemeanor and shall be punished by imposition of a fine not to exceed five hundred dollars or by imprisonment for a period not to exceed ninety days, or both. Each day that a violation is permitted to exist or occur, and each separate occurrence shall constitute a separate offense.

2. Any premises, building, dwelling, or other structure in which a sexually oriented business is repeatedly operated or maintained in violation of sections 573.525 to 573.537 shall constitute a public nuisance and shall be subject to civil abatement proceedings initiated by the state in a court of competent jurisdiction. Each day that a violation is permitted to exist or occur shall constitute a separate operation or maintenance of the violation.

3. Notwithstanding the provisions of this section, the state may employ any remedy available at law or in equity to prevent or remedy a violation of any provision of sections 573.525 to 573.537.

**573.540. Nothing in sections 573.525 to 573.537 shall preempt or prevent any political subdivision in this state from maintaining, enacting, or enforcing any local ordinance, rule, regulation, resolution, or similar law concerning the regulation of sexually oriented businesses or similar adult oriented businesses.”; and**

Representative Pratt offered **House Amendment No. 4.**

*House Amendment No. 4*

AMEND House Committee Substitute No. 2 for Senate Bill No. 976, Page 194, Section 559.115, Line 69, by inserting after all of said line, the following:

"565.005. 1. At a reasonable time before the commencement of the first stage of any trial of murder in the first degree, **forcible rape of a child under the age of twelve, or forcible sodomy of a child under the age of twelve**, at which the death penalty is not waived, the state and defendant, upon request and without order of the court, shall serve counsel of the opposing party with:

(1) A list of all aggravating or mitigating circumstances as provided in [subsection 1 of] section 565.032 **for murder in the first degree or section 565.415 for forcible rape of a child under the age of twelve or forcible sodomy of a child under the age of twelve**, which the party intends to prove at the second stage of the trial;

(2) The names of all persons whom the party intends to call as witnesses at the second stage of the trial;

(3) Copies or locations and custodian of any books, papers, documents, photographs or objects which the party intends to offer at the second stage of the trial. If copies of such materials are not supplied to opposing counsel, the party shall cause them to be made available for inspection and copying without order of the court.

2. The disclosures required in subsection 1 of this section are supplemental to those required by rules of the supreme court relating to a continuing duty to disclose information, the use of matters disclosed, matters not subject to disclosure, protective orders, and sanctions for failure to comply with an applicable discovery rule or order, all of which shall also apply to any disclosure required by this section.

565.006. 1. At any time before the commencement of the trial of a homicide [offense], **forcible rape of a child under the age of twelve, or forcible sodomy of a child under the age of twelve**, the defendant may, with the assent of the court, waive a trial by jury and agree to submit all issues in the case to the court, whose finding shall have the force and effect of a verdict of a jury. Such a waiver must include a waiver of a trial by jury of all issues and offenses charged in the case, including the punishment to be assessed and imposed if the defendant is found guilty.

2. No defendant who pleads guilty to a homicide [offense], **forcible rape of a child under the age of twelve, or forcible sodomy of a child under the age of twelve**, or who is found guilty of a homicide [offense], **forcible rape of a child under the age of twelve, or forcible sodomy of a child under the age of twelve** after trial to the court without a jury shall be permitted a trial by jury on the issue of the punishment to be imposed, except by agreement of the state.

3. If a defendant is found guilty of murder in the first degree, **forcible rape of a child under the age of twelve, or forcible sodomy of a child under the age of twelve** after a jury trial in which the state has not waived the death penalty, the defendant may not waive a jury trial of the issue of the punishment to be imposed, except by agreement with the state and the court.

4. Any waiver of a jury trial and agreement permitted by this section shall be entered in the court record.

565.035. 1. Whenever the death penalty is imposed in any case, and upon the judgment becoming final in the trial court, the sentence shall be reviewed on the record by the supreme court of Missouri. The circuit clerk of the court trying the case, within ten days after receiving the transcript, shall transmit the entire record and transcript to the supreme court together with a notice prepared by the circuit clerk and a report prepared by the trial judge. The notice shall set forth the title and docket number of the case, the name of the defendant and the name and address of his attorney, a narrative statement of the judgment, the offense, and the punishment prescribed. The report by the judge shall be in the form of a standard questionnaire prepared and supplied by the supreme court of Missouri.

2. The supreme court of Missouri shall consider the punishment as well as any errors enumerated by way of appeal.

3. With regard to the sentence, the supreme court shall determine:

(1) Whether the sentence of death was imposed under the influence of passion, prejudice, or any other arbitrary factor; and

(2) Whether the evidence supports the jury's or judge's finding of a statutory aggravating circumstance as enumerated in subsection 2 of section 565.032 **or subsection 2 of section 565.435** and any other circumstance found;

(3) Whether the sentence of death is excessive or disproportionate to the penalty imposed in similar cases, considering both the crime, the strength of the evidence and the defendant.

4. Both the defendant and the state shall have the right to submit briefs within the time provided by the supreme court, and to present oral argument to the supreme court.

5. The supreme court shall include in its decision a reference to those similar cases which it took into consideration. In addition to its authority regarding correction of errors, the supreme court, with regard to review of death sentences, shall be authorized to:

- (1) Affirm the sentence of death; or
- (2) Set the sentence aside and resentence the defendant to life imprisonment without eligibility for probation, parole, or release except by act of the governor; or
- (3) Set the sentence aside and remand the case for retrial of the punishment hearing. A new jury shall be selected or a jury may be waived by agreement of both parties and then the punishment trial shall proceed in accordance with this chapter, with the exception that the evidence of the guilty verdict shall be admissible in the new trial together with the official transcript of any testimony and evidence properly admitted in each stage of the original trial where relevant to determine punishment.

6. There shall be an assistant to the supreme court, who shall be an attorney appointed by the supreme court and who shall serve at the pleasure of the court. The court shall accumulate the records of all cases in which the sentence of death or life imprisonment without probation or parole was imposed after May 26, 1977, or such earlier date as the court may deem appropriate. The assistant shall provide the court with whatever extracted information the court desires with respect thereto, including but not limited to a synopsis or brief of the facts in the record concerning the crime and the defendant. The court shall be authorized to employ an appropriate staff, within the limits of appropriations made for that purpose, and such methods to compile such data as are deemed by the supreme court to be appropriate and relevant to the statutory questions concerning the validity of the sentence. The office of the assistant to the supreme court shall be attached to the office of the clerk of the supreme court for administrative purposes.

7. In addition to the mandatory sentence review, there shall be a right of direct appeal of the conviction to the supreme court of Missouri. This right of appeal may be waived by the defendant. If an appeal is taken, the appeal and the sentence review shall be consolidated for consideration. The court shall render its decision on legal errors enumerated, the factual substantiation of the verdict, and the validity of the sentence.

565.040. 1. In the event that the death penalty provided in this chapter is held to be unconstitutional, any person convicted of murder in the first degree, **forcible rape of a child under the age of twelve, or forcible sodomy of a child under the age of twelve** shall be sentenced by the court to life imprisonment without eligibility for probation, parole, or release except by act of the governor, with the exception that when a specific aggravating circumstance found in a case is held to be unconstitutional or invalid for another reason, the supreme court of Missouri is further authorized to remand the case for resentencing or retrial of the punishment pursuant to subsection 5 of section 565.036.

2. In the event that any death sentence imposed pursuant to this chapter is held to be unconstitutional, the trial court which previously sentenced the defendant to death shall cause the defendant to be brought before the court and shall sentence the defendant to life imprisonment without eligibility for probation, parole, or release except by act of the governor, with the exception that when a specific aggravating circumstance found in a case is held to be inapplicable, unconstitutional or invalid for another reason, the supreme court of Missouri is further authorized to remand the case for retrial of the punishment pursuant to subsection 5 of section 565.035."; and

Further amend said bill, Page 195, Section 565.084, Line 20, by inserting after all of said line, the following:

**"565.425. 1. Except as provided in subsections 2, 3, and 4 of this section, no forcible rape of a child under the age of twelve offense may be tried together with any offense other than forcible rape of a child under the age of twelve and no forcible sodomy of a child under the age of twelve offense may be tried together with any offense other than forcible sodomy of a child under the age of twelve. In the event of a joinder of forcible rape of a child under the age of twelve offenses or forcible sodomy of a child under the age of twelve offenses, all offenses charged which are supported by the evidence in the case shall, when requested by one of the parties or the court, be submitted to the jury or, in a jury-waived trial, considered by the judge.**

**2. A count charging any offense of forcible rape of a child under the age of twelve of a particular individual may be joined in an indictment or information and tried with one or more counts charging alternatively any other forcible rape of a child under the age of twelve or offense other than forcible rape of a child under the age of twelve committed against that individual. A count charging any offense of forcible sodomy of a child under the age of twelve of a particular individual may be joined in an indictment or information and tried with one or more counts charging alternatively any other forcible sodomy of a child under the age of twelve or offense other than forcible sodomy of a child under the age of twelve committed against that individual. The state shall not be required to make an election as to the alternative count on which it will proceed. This subsection in no way limits the right to try in the conjunctive, where they are properly joined under subsection 1 of this section, either:**

(1) Separate offenses other than forcible rape of a child under the age of twelve or separate offenses of forcible rape of a child under the age of twelve committed against different individuals;

(2) Separate offenses other than forcible sodomy of a child under the age of twelve or separate offenses of forcible sodomy of a child under the age of twelve committed against different individuals.

3. (1) When a defendant has been charged and proven before trial to be a prior offender pursuant to chapter 558, RSMo, so that the judge shall assess punishment and not a jury for an offense other than forcible rape of a child under the age of twelve, that offense may be tried and submitted to the trier together with any forcible rape of a child under the age of twelve charge with which it is lawfully joined. In such case the judge shall assess punishment on any offense joined with a forcible rape of a child under the age of twelve charge according to law and, when the trier is a jury, it shall be instructed upon punishment on the charge of forcible rape of a child under the age of twelve in accordance with section 565.430.

(2) When a defendant has been charged and proven before trial to be a prior offender pursuant to chapter 558, RSMo, so that the judge shall assess punishment and not a jury for an offense other than forcible sodomy of a child under the age of twelve, that offense may be tried and submitted to the trier together with any forcible sodomy of a child under the age of twelve charge with which it is lawfully joined. In such case the judge shall assess punishment on any offense joined with a forcible sodomy of a child under the age of twelve charge according to law and, when the trier is a jury, it shall be instructed upon punishment on the charge of forcible sodomy of a child under the age of twelve in accordance with section 565.430.

4. When the state waives the death penalty for a forcible rape of a child under the age of twelve offense or forcible sodomy of a child under the age of twelve offense, that offense may be tried and submitted to the trier together with any other charge with which it is lawfully joined.

565.430. 1. Where forcible rape of a child under the age of twelve or forcible sodomy of a child under the age of twelve is charged but not submitted or where the state waives the death penalty, the submission to the trier and all subsequent proceedings in the case shall proceed as in all other criminal cases with a single stage trial in which guilt and punishment are submitted together.

2. Where forcible rape of a child under the age of twelve or forcible sodomy of a child under the age of twelve is submitted to the trier without a waiver of the death penalty, the trial shall proceed in two stages before the same trier. At the first stage, the trier shall decide only whether the defendant is guilty or not guilty of any submitted offense. The issue of punishment shall not be submitted to the trier at the first stage. If an offense is charged other than forcible rape of a child under the age of twelve in a count together with a count of forcible rape of a child under the age of twelve, the trial judge shall assess punishment on any such offense according to law, after the defendant is found guilty of such offense and after he finds the defendant to be a prior offender pursuant to chapter 558, RSMo. If an offense is charged other than forcible sodomy of a child under the age of twelve in a count together with a count of forcible sodomy of a child under the age of twelve, the trial judge shall assess punishment on any such offense according to law, after the defendant is found guilty of such offense and after he finds the defendant to be a prior offender pursuant to chapter 558, RSMo.

3. If the trier at the first stage of a trial where the death penalty was not waived finds the defendant guilty of forcible rape of a child under the age of twelve or forcible sodomy of a child under the age of twelve, a second stage of the trial shall proceed at which the only issue shall be the punishment to be assessed and declared. Evidence in aggravation and mitigation of punishment, including but not limited to evidence supporting any of the aggravating or mitigating circumstances listed in subsection 2 or 3 of section 565.435, may be presented subject to the rules of evidence at criminal trials. Such evidence may include, within the discretion of the court, evidence concerning the victim and the impact of the crime upon the family of the victim and others. Rebuttal and surrebuttal evidence may be presented. The state shall be the first to proceed. If the trier is a jury, it shall be instructed on the law. The attorneys may then argue the issue of punishment to the jury, and the state shall have the right to open and close the argument. The trier shall assess and declare the punishment at life imprisonment without eligibility for probation, parole, or release except by act of the governor:

(1) If the trier finds by a preponderance of the evidence that the defendant is mentally retarded; or

(2) If the trier does not find beyond a reasonable doubt at least one of the aggravating circumstances set out in subsection 2 of section 565.435; or

(3) If the trier concludes that there is evidence in mitigation of punishment, including but not limited to evidence supporting the mitigating circumstances listed in subsection 3 of section 565.435, which is sufficient to outweigh the evidence in aggravation of punishment found by the trier; or

(4) If the trier decides under all of the circumstances not to assess and declare the punishment at death. If the trier is a jury it shall be so instructed.

If the trier assesses and declares the punishment at death it shall, in its findings or verdict, set out in writing the aggravating circumstance or circumstances listed in subsection 2 of section 565.435 which it found beyond a reasonable doubt. If the trier is a jury, it shall be instructed before the case is submitted that if it is unable to decide or agree upon the punishment the court shall assess and declare the punishment at life imprisonment without eligibility for probation, parole, or release except by act of the governor or death. The court shall follow the same procedure as set out in this section whenever it is required to determine punishment for forcible rape of a child under the age of twelve or forcible sodomy of a child under the age of twelve.

4. Upon written agreement of the parties and with leave of the court, the issue of the defendant's mental retardation may be taken up by the court and decided prior to trial without prejudicing the defendant's right to have the issue submitted to the trier of fact as provided in subsection 3 of this section.

5. As used in this section, the terms "mental retardation" or "mentally retarded" refer to a condition involving substantial limitations in general functioning characterized by significantly subaverage intellectual functioning with continual extensive related deficits and limitations in two or more adaptive behaviors such as communication, self-care, home living, social skills, community use, self-direction, health and safety, functional academics, leisure and work, which conditions are manifested and documented before eighteen years of age.

6. The provisions of this section shall only govern offenses committed on or after August 28, 2008.

565.435. 1. In all cases of forcible rape of a child under the age of twelve or forcible sodomy of a child under the age of twelve for which the death penalty is authorized, the judge in a jury-waived trial shall consider, or he or she shall include in his or her instructions to the jury for it to consider:

(1) Whether an aggravating circumstance or circumstances enumerated in subsection 2 of this section is established by the evidence beyond a reasonable doubt; and

(2) If an aggravating circumstance or circumstances is proven beyond a reasonable doubt, whether the evidence as a whole justifies a sentence of death or a sentence of life imprisonment without eligibility for probation, parole, or release except by act of the governor. In determining the issues enumerated in this subdivision and subdivision (1) of this subsection, the trier shall consider all evidence which it finds to be in aggravation or mitigation of punishment, including evidence received during the first stage of the trial and evidence supporting any of the aggravating or mitigating circumstances set out in subsections 2 and 3 of this section. If the trier is a jury, it shall not be instructed upon any specific evidence which may be in aggravation or mitigation of punishment, but shall be instructed that each juror shall consider any evidence which he or she considers to be aggravating or mitigating.

2. Aggravating circumstances for a forcible rape of a child under the age of twelve offense or forcible sodomy of a child under the age of twelve offense shall be limited to the following:

(1) The offense was committed by a person with a prior record of pleading to or being found guilty of forcible rape of a child under the age of twelve or forcible sodomy of a child under the age of twelve, or the offense was committed by a person who has pleaded guilty to or been found guilty of one or more serious assaultive criminal offenses;

(2) The offense was committed while the offender was engaged in the commission or attempted commission of another unlawful rape or sodomy;

(6) The raped or sodomized individual was a witness or potential witness in any past or pending investigation or past or pending prosecution, and was raped or sodomized as a result of his or her status as a witness or potential witness;

(7) The offense was committed during the commission of a crime which is part of a pattern of criminal street gang activity as defined in section 578.421, RSMo;

(8) The offense was committed outrageously, wantonly vile, horribly, or inhumanely in that it involved torture or depravity of mind;

(9) The offense was committed by a person in, or who escaped from, the lawful custody of a peace officer or place of lawful confinement;

(10) The offense was committed while the defendant was engaged in the perpetration or was aiding or encouraging another person to perpetrate or attempt to perpetrate a felony of any degree of homicide, burglary, robbery, kidnapping or any felony offense under chapter 195, RSMo.

3. Mitigating circumstances shall include the following:

- (1) The defendant has no significant history of prior criminal activity;
- (2) The offense was committed while the defendant was under the influence of extreme mental or emotional disturbance;
- (3) The capacity of the defendant to appreciate the criminality of his or her conduct or to conform his or her conduct to the requirements of law was substantially impaired;

6. The state's participating forensic DNA laboratories may provide the system for identification purposes to criminal justice, law enforcement officials and prosecutors in the preparation and utilization of DNA evidence for presentation in court and provide expert testimony in court on DNA evidentiary issues.

7. The department of public safety shall have the authority to promulgate rules and regulations to carry out the provisions of sections 650.050 to 650.100. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void.

650.055. 1. Every individual, in a Missouri circuit court, who pleads guilty to, or is found guilty of a felony or any offense under chapter 566, RSMo, **or who is seventeen years of age or older and who is arrested for a felony offense under chapter 565 or 566, RSMo,** or has been determined beyond a reasonable doubt to be a sexually violent predator pursuant to sections 632.480 to 632.513, RSMo, shall have a blood or scientifically accepted biological sample collected for purposes of DNA profiling analysis:

(1) **Upon booking at a county jail or detention facility; or**

(2) Upon entering or before release from the department of corrections reception and diagnostic centers; or

[(2)] (3) Upon entering or before release from a county jail or detention facility, state correctional facility, or any other detention facility or institution, whether operated by private, local, or state agency, or any mental health facility if committed as a sexually violent predator pursuant to sections 632.480 to 632.513, RSMo; or

[(3)] (4) When the state accepts a person from another state under any interstate compact, or under any other reciprocal agreement with any county, state, or federal agency, or any other provision of law, whether or not the person is confined or released, the acceptance is conditional on the person providing a DNA sample if the person was convicted of, pleaded guilty to, or pleaded nolo contendere to an offense in any other jurisdiction which would be considered a qualifying offense as defined in this section if committed in this state, or if the person was convicted of, pleaded guilty to, or pleaded nolo contendere to any equivalent offense in any other jurisdiction; or

[(4)] (5) If such individual is under the jurisdiction of the department of corrections. Such jurisdiction includes persons currently incarcerated, persons on probation, as defined in section 217.650, RSMo, and on parole, as also defined in section 217.650, RSMo.

2. The Missouri state highway patrol and department of corrections shall be responsible for ensuring adherence to the law. Any person required to provide a DNA sample pursuant to this section shall be required to provide such sample, without the right of refusal, at a collection site designated by the Missouri state highway patrol and the department of corrections. Authorized personnel collecting or assisting in the collection of samples shall not be liable in any civil or criminal action when the act is performed in a reasonable manner. Such force may be used as necessary to the effectual carrying out and application of such processes and operations. The enforcement of these provisions by the authorities in charge of state correctional institutions and others having custody or jurisdiction over those who have been **arrested for**, convicted of, pleaded guilty to, or pleaded nolo contendere to felony offenses which shall not be set aside or reversed is hereby made mandatory. The board of probation or parole shall recommend that an individual who refuses to provide a DNA sample have his or her probation or parole revoked. In the event that a person's DNA sample is not adequate for any reason, the person shall provide another sample for analysis.

3. The procedure and rules for the collection, analysis, storage, expungement, use of DNA database records and privacy concerns shall not conflict with procedures and rules applicable to the Missouri DNA profiling system and the Federal Bureau of Investigation's DNA databank system.

4. Unauthorized uses or dissemination of individually identifiable DNA information in a database for purposes other than criminal justice or law enforcement is a class A misdemeanor.

5. Implementation of sections 650.050 to 650.100 shall be subject to future appropriations to keep Missouri's DNA system compatible with the Federal Bureau of Investigation's DNA databank system.

6. All DNA records and biological materials retained in the DNA profiling system are considered closed records pursuant to chapter 610, RSMo. All records containing any information held or maintained by any person or by any agency, department, or political subdivision of the state concerning an individual's DNA profile shall be strictly confidential and shall not be disclosed, except to:

(1) Peace officers, as defined in section 590.010, RSMo, and other employees of law enforcement agencies who need to obtain such records to perform their public duties;

(2) The attorney general or any assistant attorneys general acting on his or her behalf, as defined in chapter 27, RSMo;

(3) Prosecuting attorneys or circuit attorneys as defined in chapter 56, RSMo, and their employees who need to obtain such records to perform their public duties; or

(4) Associate circuit judges, circuit judges, judges of the courts of appeals, supreme court judges, and their employees who need to obtain such records to perform their public duties.

7. Any person who obtains records pursuant to the provisions of this section shall use such records only for investigative and prosecutorial purposes, including but not limited to use at any criminal trial, hearing, or proceeding; or for law enforcement identification purposes, including identification of human remains. Such records shall be considered strictly confidential and shall only be released as authorized by this section.

8. An individual may request expungement of his or her DNA sample and DNA profile through the court issuing the reversal or dismissal. A certified copy of the court order establishing that such conviction has been reversed or guilty plea or plea of nolo contendere has been set aside shall be sent to the Missouri state highway patrol crime laboratory. Upon receipt of the court order, the laboratory will determine that the requesting individual has no other qualifying offense as a result of any separate plea or conviction prior to expungement.

(1) A person whose DNA record or DNA profile has been included in the state DNA database in accordance with this section, section 488.5050, RSMo, and sections 650.050, 650.052, and 650.100 may request expungement on the grounds that the conviction has been reversed, or the guilty plea or plea of nolo contendere on which the authority for including that person's DNA record or DNA profile was based has been set aside.

(2) Upon receipt of a written request for expungement, a certified copy of the final court order reversing the conviction or setting aside the plea and any other information necessary to ascertain the validity of the request, the Missouri state highway patrol crime laboratory shall expunge all DNA records and identifiable information in the database pertaining to the person and destroy the DNA sample of the person, unless the Missouri state highway patrol determines that the person is otherwise obligated to submit a DNA sample. Within thirty days after the receipt of the court order, the Missouri state highway patrol shall notify the individual that it has expunged his or her DNA sample and DNA profile, or the basis for its determination that the person is otherwise obligated to submit a DNA sample.

(3) The Missouri state highway patrol is not required to destroy any item of physical evidence obtained from a DNA sample if evidence relating to another person would thereby be destroyed.

(4) Any identification, warrant, arrest, or evidentiary use of a DNA match derived from the database shall not be excluded or suppressed from evidence, nor shall any conviction be invalidated or reversed or plea set aside due to the failure to expunge or a delay in expunging DNA records."; and

2. Unless otherwise prohibited by federal statutes or regulations, all state agencies shall disregard the trust as a resource when determining eligibility of Missouri residents for assistance under chapter 208, RSMo.

3. The assets of the board of trustees and assets held in trust pursuant to the provisions of sections 402.199 to 402.220 shall not be considered state money, assets of the state or revenue for any purposes of the state constitution or statutes. The property of the board of trustees and its income and operations shall be exempt from all taxation by the state or any of its political subdivisions.

402.210. 1. There is hereby created the "Missouri Family Trust Board of Trustees", which shall be a body corporate and an instrumentality of the state. The board of trustees shall consist of nine persons appointed by the

governor with the advice and consent of the senate. The members' terms of office shall be three years and until their successors are appointed and qualified. The trustees shall be persons who are not prohibited from serving by sections 105.450 to 105.482, RSMo, and who are not otherwise employed by the department of mental health. The board of trustees shall be composed of the following:

(1) Three members of the immediate family of persons who have a disability [or are the recipients of services provided by the department in the treatment of mental illness] **of mental illness**. The advisory council for comprehensive psychiatric services, created pursuant to section 632.020, RSMo, shall submit a panel of nine names to the governor, from which he shall appoint three. One shall be appointed for a term of one year, one for two years, and one for three years. Thereafter, as the term of a trustee expires each year, the Missouri advisory council for comprehensive psychiatric services shall submit to the governor a panel of not less than three nor more than five proposed trustees, and the governor shall appoint one trustee from such panel for a term of three years;

(2) Three members of the immediate family of persons who [are recipients of services provided by the department in the habilitation of the mentally retarded or developmentally disabled] **have a developmental disability**. The Missouri advisory council on mental retardation and developmental disabilities, created pursuant to section 633.020, RSMo, shall submit a panel of nine names to the governor, from which he shall appoint three. One shall be appointed for one year, one for two years and one for three years. Thereafter, as the term of a trustee expires each year, the Missouri advisory council on mental retardation and developmental disabilities shall submit to the governor a panel of not less than three nor more than five proposed trustees, and the governor shall appoint one trustee from such panel for a term of three years;

(3) Three persons who are recognized for their expertise in general business matters and procedures. Of the three business people to be appointed by the governor, one shall be appointed for one year, one for two years and one for three years. Thereafter, as the term of a trustee expires each year, the governor shall appoint one business person as trustee for a term of three years.

2. The trustees shall receive no compensation for their services. The trust shall reimburse the trustees for necessary expenses actually incurred in the performance of their duties.

3. As used in this section, the term "immediate family" includes spouse, parents, parents of spouse, children, spouses of children and siblings.

4. The board of trustees shall be subject to the provisions of sections 610.010 to 610.120, RSMo.

5. The board of trustees shall annually prepare or cause to be prepared an accounting of the trust funds and shall transmit a copy of the accounting to the governor, the president pro tempore of the senate and the speaker of the house of representatives.

6. The board of trustees shall establish policies, procedures and other rules and regulations necessary to implement the provisions of sections 402.199 to 402.220.

402.215. 1. The board of trustees is authorized and directed to establish and administer the Missouri family trust and to advise, consult with, and render services to departments and agencies of the state of Missouri and to other nonprofit organizations which qualify as organizations pursuant to Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and which provide services to Missouri residents with a disability. The board shall be authorized to execute all documents necessary to establish and administer the trust including the formation of a not-for-profit corporation created pursuant to chapter 355, RSMo, and to qualify as an organization pursuant to Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended.

2. The trust documents shall include and be limited by the following provisions:

(1) The Missouri family trust shall be authorized to accept contributions from any source including trustees, personal representatives, personal custodians pursuant to chapter 404, RSMo, and other fiduciaries, and, subject to the provisions of subdivision [(11)] **(10)** of this subsection, from the life beneficiaries and their respective spouses, to be held, administered, managed, invested and distributed in order to facilitate the coordination and integration of private financing for individuals who have a disability or are eligible for services provided by the Missouri department of mental health, or both, while maintaining the eligibility of such individuals for government entitlement funding. All contributions, and the earnings thereon, shall be administered as one trust fund; however, separate accounts shall be established for each designated beneficiary. The income earned[, after deducting administrative expenses,] shall be credited to the accounts of the respective life beneficiaries in proportion to the principal balance in the account for each such life beneficiary, to the total principal balances in the accounts for all life beneficiaries;

(2) Every donor may designate a specific person as the life beneficiary of the contribution made by such donor. In addition, each donor may name a cotrustee, including the donor, and a successor or successors to the cotrustee, to act with the trustees of the trust on behalf of the designated life beneficiary; provided, however, a life beneficiary shall not be eligible to be a cotrustee or a successor cotrustee[, provided, however, that]. Court approval of the specific [person]

**persons** designated as life beneficiary and as cotrustee or successor trustee shall be required [in connection with] **at the time** any trust is created pursuant to section 473.657, RSMo, or section 475.093, RSMo;

(3) The cotrustee, with the consent of the trust, shall from time to time [but not less frequently than annually] determine the amount of income or principal or income and principal to be used to provide noncash benefits and the nature and type of benefits to be provided for the life beneficiary. Any net income which is not used shall be added to principal annually. In the event that the trust and the cotrustee shall be unable to agree either on the amount of income or principal or income and principal to be used or the benefits to be provided, then either the trust or the cotrustee shall have the right to request that the matter be resolved by arbitration which shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The requesting party shall send a written request for arbitration to the responding party and shall in such request set forth the name, address and telephone number of such requesting party's arbitrator. The responding party shall, within ten days after receipt of the request for arbitration, set forth in writing to the requesting party the name, address and telephone number of the responding party's arbitrator. Copies of the request for arbitration and response shall be sent to the director of the department. If the two designated arbitrators shall be unable to agree upon a third arbitrator within ten days after the responding party shall have identified such party's arbitrator, then the director of the department shall designate the third arbitrator by written notice to the requesting and responding parties' arbitrators. The three arbitrators shall meet, conduct a hearing, and render a decision within thirty days after the appointment of the third arbitrator. A decision of a majority of the arbitrators shall be binding upon the requesting and responding parties. Each party shall pay the fees and expenses of such party's arbitrator and the fees and expenses of the third arbitrator shall be borne equally by the parties. Judgment on the arbitrators' award may be entered in any court of competent jurisdiction;

(4) Any donor, during his or her lifetime, except for a trust created pursuant to section 473.657, RSMo, or section 475.093, RSMo, may revoke any gift made to the trust; provided, however, any donor may, at any time, voluntarily waive the right to revoke. In the event that at the time the donor shall have revoked his or her gift to the trust the life beneficiary shall not have received any benefits provided by use of trust income or principal, then an amount equal to one hundred percent of the principal balance shall be returned to the donor. Any undistributed net income shall be distributed to the charitable trust. In the event that at the time the donor shall have revoked his or her gift to the trust the life beneficiary shall have received any benefits provided by the use of trust income or principal, then an amount equal to ninety percent of the principal balance shall be returned to the donor. The balance of the principal balance together with all undistributed net income shall be distributed to the charitable trust;

(5) Any acting cotrustee, except a cotrustee of a trust created pursuant to section 473.657, RSMo, or section 475.093, RSMo, other than the original donor of a life beneficiary's account, shall have the right, for good and sufficient reason upon written notice to the trust and the department stating such reason, to withdraw all or a portion of the principal balance. In such event, the applicable portion, as set forth in subdivision (7) of this subsection, of the principal balance shall then be distributed to the successor trust and the balance of the principal balance together with any undistributed net income shall be distributed to the charitable trust;

(6) In the event that a life beneficiary for whose benefit a contribution or contributions shall have been made to the family trust shall cease to [be eligible for services provided by the department of mental health] **have a disability as defined in section 402.200** and neither the donor nor the then acting cotrustee, except a cotrustee of a trust created pursuant to section 473.657, RSMo, or section 475.093, RSMo, shall revoke or withdraw the applicable portion, as set forth in subdivision (7) of this subsection, of the principal balance, then the board of trustees may, by written notice to such donor or acting cotrustee, terminate the trust as to such beneficiary and thereupon shall distribute the applicable portion, as set forth in subdivision (7) of this subsection, of the principal balance, to the trustee of the successor trust to be held, administered and distributed by such trustee in accordance with the provisions of the successor trust described in subdivision (12) of this subsection;

(7) If at the time of withdrawal or termination as provided in subdivision (6) of this subsection of a life beneficiary's account from the trust either the life beneficiary shall not have received any benefits provided by the use of the trust income or principal or the life beneficiary shall have received benefits provided by the use of trust income or principal for a period of not more than five years from the date a contribution shall have first been made to the trust for such life beneficiary, then an amount equal to ninety percent of the principal balance shall be distributed to the successor trust, and the balance of the principal balance together with all undistributed net income shall be distributed to the charitable trust; provided, however, if the life beneficiary at the time of such withdrawal by the cotrustee or termination as provided above shall have received any benefits provided by the use of trust income or principal for a period of more than five years from the date a contribution shall have first been made to the trust for such life beneficiary, then an amount equal to seventy-five percent of the principal balance shall be distributed to the successor trust, and the balance of the principal balance together with all undistributed net income shall be distributed to the charitable trust;

(8) Subject to the provisions of subdivision (9) of this subsection, if the life beneficiary dies before receiving any benefits provided by the use of trust income or principal, then an amount equal to one hundred percent of the principal balance shall be distributed to such person or persons as the donor shall have designated. Any undistributed net income shall be distributed to the charitable trust. If at the time of death of the life beneficiary, the life beneficiary shall have been receiving benefits provided by the use of trust income or principal or income and principal, then, in such event, an amount equal to seventy-five percent of the principal balance shall be distributed to such person or persons as the donor designated, and the balance of the principal balance, together with all undistributed net income, shall be distributed to the charitable trust;

(9) In the event the trust is created as a result of a distribution from a personal representative of an estate of which the life beneficiary is a distributee, then if the life beneficiary dies before receiving any benefits provided by the use of trust income or principal, an amount equal to one hundred percent of the principal balance shall be distributed to such person or persons who are the life beneficiary's heirs at law. Any undistributed income shall be distributed to the charitable trust. If at the time of death of the life beneficiary the life beneficiary shall have been receiving benefits provided by the use of trust income or principal or income and principal, then, an amount equal to seventy-five percent of the principal balance shall be distributed to such person or persons who are the life beneficiary's heirs at law. The balance of the principal balance together with all undistributed income shall be distributed to the charitable trust. If there are no heirs at the time of either such distribution, the then-principal balance together with all undistributed income shall be distributed to the charitable trust;

(10) In the event the trust is created [as a result of the recovery of damages by reason of a personal injury to the life beneficiary, then if the life beneficiary dies before receiving any benefits provided by the use of trust income or principal, the state of Missouri shall receive all amounts remaining in the life beneficiary's account up to an amount equal to the total medical assistance paid on behalf of such life beneficiary under a state plan under Title 42 of the United States Code, and then to the extent there is any amount remaining in the life beneficiary's account, an amount equal to one hundred percent of the principal balance shall be distributed to such person or persons who are the life beneficiary's heirs at law. If there are no heirs, the balance, if any, of the principal balance together with all undistributed income shall be distributed to the charitable trust. If at the time of death of the life beneficiary the life beneficiary should have been receiving benefits provided by the use of trust income or principal or income and principal then the state of Missouri shall receive all amounts remaining in the life beneficiary's account up to an amount equal to the total medical assistance paid on behalf of such life beneficiary under a state plan under Title 42 of the United States Code, and then to the extent there is any amount remaining in the life beneficiary's account, an amount equal to seventy-five percent of the principal balance shall be distributed to such person or persons who are the life beneficiary's heirs at law and the balance of the principal balance together with all undistributed income shall be distributed to the charitable trust. If there are no heirs, the balance of the principal balance, together with all undistributed income, shall be distributed to the charitable trust;

(11) In the event an account is established] **with the proceeds from the recovery of damages by reason of a personal injury to the life beneficiary or with the assets of the beneficiary by the beneficiary, a family member, the beneficiary's guardian, or pursuant to a court order, all in accordance with Title 42 of the United States Code Section 1396p(d)(4)(A) or Section 1396p(d)(4)(C), then upon the death of the life beneficiary the state of [Missouri] residence of the beneficiary shall receive all amounts remaining in the life beneficiary's account up to an amount equal to the total medical assistance paid on behalf of such life beneficiary under a state plan under Title 42 of the United States Code[, and then] ("State Plan"); except that twenty-five percent of the principal balance shall first be distributed to the charitable trust.** To the extent there is any amount remaining in the life beneficiary's account, [an amount equal to seventy-five percent of] the principal balance shall be distributed to such person or persons who are the life beneficiary's heirs at law [and the balance of the principal balance together with all undistributed income shall be distributed to the charitable trust]. If there are no heirs, the balance of the principal balance together with all undistributed income shall be distributed to the charitable trust. **In the event that two or more states are entitled to receive reimbursement for medical assistance paid on behalf of a beneficiary and the total of such medical assistance is in excess of the balance in the beneficiary account, then each such state shall be paid an amount equal to that portion of the beneficiary's account as is equal to the portion of the total medical assistance paid by each such state;**

[(12)] (11) Notwithstanding the provisions of subdivisions (4) to (8) of this subsection to the contrary, the donor may voluntarily agree to a smaller percentage of the principal balance in any account established by such donor than is provided in this subsection to be returned to the donor or distributed to the successor trust, as the case may be; and a corresponding larger percentage of the principal balance in such account to be distributed either to the charitable trust or to a designated restricted account within the charitable trust;

[(13)] (12) Upon receipt of a notice of withdrawal from a designated cotrustee, other than the original donor, and a determination by the board of trustees that the reason for such withdrawal is good and sufficient, or upon the issuance of notice of termination by the board of trustees, the board of trustees shall distribute and pay over to the

designated trustee of the successor trust the applicable portion of the principal balance as set forth in subdivision (7) of this subsection; provided, however, that court approval of distribution to a successor trustee shall be required in connection with any trust created pursuant to section 473.657, RSMo, or section 475.093, RSMo.

The designated trustee of the successor trust shall hold, administer and distribute the principal and income of the successor trust, in the discretion of such trustee, for the maintenance, support, health, education and general well-being of the beneficiary, recognizing that it is the purpose of the successor trust to supplement, not replace, any government benefits for the beneficiary's basic support to which such beneficiary may be entitled and to increase the quality of such beneficiary's life by providing the beneficiary with those amenities which cannot otherwise be provided by public assistance or entitlements or other available sources. Permissible expenditures include, but are not limited to, more sophisticated dental, medical and diagnostic work or treatment than is otherwise available from public assistance, private rehabilitative training, supplementary education aid, entertainment, periodic vacations and outings, expenditures to foster the interests, talents and hobbies of the beneficiary, and expenditures to purchase personal property and services which will make life more comfortable and enjoyable for the beneficiary but which will not defeat his or her eligibility for public assistance. Expenditures may include payment of the funeral and burial costs of the beneficiary. The designated trustee, in his or her discretion, may make payments from time to time for a person to accompany the beneficiary on vacations and outings and for the transportation of the beneficiary or of friends and relatives of the beneficiary to visit the beneficiary. Any undistributed income shall be added to the principal from time to time. Expenditures shall not be made for the primary support or maintenance of the beneficiary, including basic food, shelter and clothing, if, as a result, the beneficiary would no longer be eligible to receive public benefits or assistance to which the beneficiary is then entitled. After the death and burial of the beneficiary, the remaining balance of the successor trust shall be distributed to such person or persons as the donor shall have designated;

[(14)] (13) The charitable trust shall be administered as part of the family trust, but as a separate account. The income attributable to the charitable trust shall be used to provide benefits for individuals who have a disability [or who are eligible for services provided by or through the department and who either have no immediate family or whose immediate family, in the reasonable opinion of the trustees, is financially unable to make a contribution to the trust sufficient to provide benefits for such individuals, while maintaining such individuals' eligibility for government entitlement funding] **and who have no income or very limited income other than benefits.** The trustees may from time to time determine to use part of the principal of the charitable trust to provide such benefits. [As used in this section, the term "immediate family" includes parents, children and siblings. The individuals to be beneficiaries of the charitable trust shall be recommended to the trustees by the department and others from time to time.] The trustees shall annually determine the amount of charitable trust income or principal to be used to provide benefits and the nature and type of benefits to be provided for each identified beneficiary of the charitable trust. Any income not used shall be added to principal annually;

[(15)] (14) Any person, with the consent of the board of trustees, may establish a restricted account within the charitable trust and shall be permitted to determine, with the consent of the board of trustees, the beneficiaries of such restricted account provided such beneficiaries qualify as participants of the trust as set forth in subsection 1 of section 402.205.

402.217. 1. No beneficiary shall have any vested or property rights or interests in [the family] **any trust established for the benefit of such beneficiary**, nor shall any beneficiary have the power to anticipate, assign, convey, alienate, or otherwise encumber any interest in the income or principal of the [family] trust, nor shall such income or the principal or any interest of any beneficiary thereunder be liable for any debt incurred by such beneficiary, nor shall the principal or income of the [family] trust be subject to seizure by any creditor or any beneficiary under any writ or proceeding in law or in equity.

2. Except for the right of a donor to revoke any gift made to the trust, pursuant to subdivision (4) of subsection 2 of section 402.215, and the right of any acting cotrustee, other than the original donor, to withdraw all or a portion of the principal balance, pursuant to subdivision (5) of subsection 2 of section 402.215, neither the donor nor any acting cotrustee shall have the right to sell, assign, convey, alienate or otherwise encumber, for consideration or otherwise, any interest in the income or principal of the family trust, nor shall such income or the principal or any interest of any beneficiary thereunder be liable for any debt incurred by the donor or any acting cotrustee, nor shall the principal or income of the family trust be subject to seizure by any creditor of any donor or any acting cotrustee under any writ or proceeding in law or in equity.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

**HCS SCS SB 1209, as amended, with House Amendment No. 2, pending**, relating to taxes and fees, was taken up by Representative Sutherland.

On motion of Representative Sutherland, **House Amendment No. 2** was adopted.

Representative Silvey offered **House Amendment No. 3**.

*House Amendment No. 3*

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 1209, Section 32.400, Page 3, Line 9, by inserting after all of said section, the following:

"52.240. 1. The statement and receipt required by section 52.230 shall be mailed to the address of the taxpayer as shown by the county assessor on the current tax books, and postage for the mailing of the statements and receipts shall be furnished by the county commission. The failure of the taxpayer to receive the notice provided for in section 52.230 in no case relieves the taxpayer of any tax liability **and penalties and interest** imposed [on him] by law. **No penalty or interest imposed under any law shall be charged on any real property tax when there is clear and convincing evidence that the county made an error or omission in determining taxes owed by a taxpayer.**

**2. The county collector shall refund penalties, interest, and taxes if the county made an error or omission. If a taxpayer believes that an error or omission has occurred and discovers the error or omission after December thirty-first, and the taxpayer has not paid current year taxes owing, the taxpayer shall pay the taxes with any penalties or interest owing. The taxpayer may then submit a written request for a refund of penalties, interest, or taxes to the county commission. If the county commission approves the refund, then such penalties, interest, or taxes shall be refunded as provided in subsection 5 of section 139.031, RSMo.**

52.290. 1. **", an emergency clause for certain sections,"; and**

Further amend said bill, Page 5, Section 208.009, Line 24 of said page, by inserting after all of said line the following:

**"285.309. 1. Every employer doing business in this state who employs five or more employees shall, if applicable, submit federal 1099 miscellaneous forms to the department of revenue. Such forms shall be submitted to the department of revenue within the time lines established for the filing of Missouri Form 99 forms.**

**2. Any employer who intentionally, on five or more occasions, fails to submit information on any employee required under subsection 1 of this section is guilty of a class A misdemeanor and shall be fined not more than one hundred dollars for each time the employer fails to submit the information on or after the fifth occurrence. If the failure is the result of a conspiracy between the employer and the employee or worker to not supply the required report or to supply a false or incomplete report, the fine shall be one thousand dollars for each failure to report or each false or incomplete report on and after the fifth occurrence.**

**285.500. For the purposes of sections 285.500 to 285.515 the following terms mean:**

**(1) "Employee", any individual who performs services for an employer that would indicate an employer-employee relationship in satisfaction of the factors in IRS Rev. Rule 87-41, 1987-1 C.B.296.;**

**(2) "Employer", any individual, organization, partnership, political subdivision, corporation, or other legal entity which has or had in the entity's employ five or more individuals performing any of the following services within this state:**

**(a) Construction as defined in section 290.210, RSMo;**

**(b) Public works as defined in section 290.210, RSMo;**

**(c) Maintenance work as defined in section 290.210, RSMo.**

**285.503. 1. An employer knowingly misclassifies a worker if that employer fails to claim the worker as an employee but knows, or has reason to know, that worker is an employee.**

**2. The attorney general may investigate alleged or suspected violations of sections 285.500 to 285.515 and shall have all powers provided by sections 407.040 to 407.090, RSMo, in connection with any investigation of an alleged or suspected violation of sections 285.500 to 285.515 as if the acts enumerated in sections 285.500 to 285.515 are unlawful acts proscribed by chapter 407, RSMo.**

**3. In addition to the powers set out in subsection 1 of this section, the attorney general may serve and enforce subpoenas related to the enforcement of sections 285.500 to 285.515.**

**285.506. 1.** In any action brought under sections 285.500 to 285.515, the state shall have the burden of proving that the employer misclassified the worker. If the state is unable to produce any evidence supporting its contention that the alleged misclassified worker is misclassified, the court shall find that the worker is not an employee for purposes of that action.

**2.** In any action brought under sections 285.500 to 285.515, there is a rebuttable presumption that a worker is an employee if the worker is an unauthorized alien as defined in 8 U.S.C. 1324a(h)(3). To rebut this presumption, the employer must produce an I-9 form to establish that the worker is not an unauthorized alien or other documentation to show that the worker is an independent contractor. If the employer fails to produce such evidence, the court shall find that the worker is an employee for purposes of that action.

**285.509. 1.** The department of labor and industrial relations shall establish a complaint form to receive complaints about alleged misclassification of workers. The form shall be made available on the Internet. Upon receiving a complaint, the department shall cross-check the complaint against any employer records it maintains and shall also cross-check the complaint against any records maintained by the department of revenue.

**2.** If the department determines, after conducting the review set out in subsection 1 of this section, that an employer appears to have misclassified a worker, it shall forward its determination along with supporting documentation to the attorney general.

**3.** Upon receiving the department's determination, the attorney general may request additional information or records from the department of labor and industrial relations, the department of revenue, or any other state agency that may have information or records relevant to the matter. Upon request, the department or other state agency shall provide the information or records requested. If the attorney general receives records that are otherwise closed pursuant to law, the attorney general shall likewise treat any such records obtained in the course of an investigation as closed records, except that such records may be used in the course of any action brought under sections 285.500 to 285.515.

**4.** The department of labor and industrial relations shall have the authority to promulgate rules necessary to administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

**285.512. 1.** Whenever the attorney general has reason to believe that an employer has engaged in, is engaging in, or is about to engage in any conduct that would be a violation of sections 285.500 to 285.515, the attorney general may seek an injunction prohibiting the employer from engaging in such conduct.

**2.** The attorney general may bring an action for injunctive relief in the circuit court of any county where the alleged violation is occurring or about to occur.

**3.** In seeking injunctive relief, the attorney general may petition the court to order that all work contracted for by the employer at any site of the employer be halted if the court determines that the employer has engaged in, or is about to engage in, any conduct that would be a violation of sections 285.500 to 285.515. In addition to such relief, the court may issue any other order or judgment necessary to prevent the employer from committing any further violations of sections 285.500 to 285.515.

**285.515. 1.** If a court determines that an employer has knowingly misclassified a worker, the court shall enter a judgment in favor of the state and award penalties in the amount of fifty dollars per day per misclassified worker up to a maximum of fifty thousand dollars to the Missouri worker protection fund established in section 285.518.

**2.** If a court determines that an employer has knowingly misclassified a worker after having been previously adjudicated for knowing misclassification of a worker, the court shall enter a judgment in favor of the state and award penalties in the amount of one hundred dollars per day per misclassified worker up to a maximum of one hundred thousand dollars to the Missouri worker protection fund established in section 285.518.

**3.** The court may, in addition to the penalties authorized by this section, order that attorneys' fees and costs be paid to the state.

**4.** The attorney general may enter into a consent judgment with any person alleged to have violated sections 285.500 to 285.515.

**285.518. There is hereby created in the state treasury the "Missouri Worker Protection Fund", which shall consist of money collected under sections 285.500 to 285.515. The state treasurer shall be custodian of the fund and may approve disbursements from the fund in accordance with sections 30.170 and 30.180, RSMo. Upon appropriation, money in the fund shall be used solely for the administration of sections 285.500 to 285.515. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund. This fund shall be administered by the attorney general for the purposes of ensuring that Missouri employers hire employees and subcontract with workers who are not misclassified. The fund shall consist of:**

- (1) All amounts ordered to be paid into the fund pursuant to section 285.515;**
- (2) Any amounts appropriated to the fund; and**
- (3) Any voluntary contributions, gifts, or bequests to the fund."; and**

Further amend said bill, Section C, Page 30, Line 25 of said page, by inserting immediately after all of said line the following:

"Section D. Because of the need to provide a level playing field for Missouri employers and workers, the provisions of sections 285.309 and 285.500 to 285.518 of this act are deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and are hereby declared to be an emergency within the meaning of the constitution, and sections 285.309 and 285.500 to 285.518 of this act shall be in full force and effect upon its passage and approval."; and

This initial board shall serve until its successor board is duly elected and installed in office. The commission shall ensure geographic representation of the county by appointing no more than four members from each district of the county commission.

10. Beginning in 1994, three members shall be elected from each district of the county commission and one member shall be elected at large, such member to be the chairman of the board. Of those first elected, four members from districts of the county commission shall be elected for terms of two years and two members from districts of the county commission and the member at large shall be elected for terms of four years. In 1996, and thereafter, all terms of office shall be four years.

**HCS SCS SBs 1181, 1100, 1262 & 1263**, relating to energy regulation, was taken up by Representative Schoeller.

Representative Emery offered **House Amendment No. 1**.

*House Amendment No. 1*

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill Nos. 1181, 1100, 1262 & 1263, Pages 21 and 22, Section 393.108, Lines 1 to 17, by deleting all of said lines and inserting in lieu thereof the following:

**"393.108. For purposes of this section, the hot weather rule shall mean the period of time from June first to September thirtieth, in which the discontinuance of gas and electric service to all residential users, including all residential tenants of apartment buildings, for nonpayment of bills where gas or electricity is used as the source of cooling or to operate the only cooling equipment at the residence, is prohibited in the following situations:**

**(1) On any day when the National Weather Service local forecast between 6:00 a.m. and 9:00 p.m. for the following twenty-four hours predicts that the temperature shall rise above ninety-five degrees Fahrenheit or that the heat index shall rise above one hundred five degrees Fahrenheit;**

**(2) On any day when utility personnel are not available to reconnect utility service during the immediately succeeding day or days and the National Weather Service local forecast between 6:00 a.m. and 9:00 p.m. predicts that the temperature during the period of unavailability shall rise above ninety-five degrees Fahrenheit or that the heat index shall rise above one hundred five degrees Fahrenheit; and**

**(3) In any other applicable situations provided for in rules established and amended by the public service commission."; and**

Further amend said bill, Page 22, Section 393.171, Lines 1 to 16, by deleting all of said lines and inserting in lieu thereof the following:

**"393.171. 1. The commission shall have the authority to grant the permission and approval specified in section 393.170, after the construction or acquisition of any electric plant located in a first class county without a charter form of government has been completed if the commission determines that the grant of such permission and approval is necessary or convenient for the public service. Any such permission and approval shall, for all purposes, have the same effect as the permission and approval granted prior to such construction or acquisition. This subsection is enacted to clarify and specify the law in existence at all times since the original enactment of section 393.170.**

**2. No permission or approval granted for an electric plant by the commission under subsection 1 of this section, nor any special use permit issued for any such electric plant by the governing body of the county in which the electric plant is located, shall extinguish, render moot, or mitigate any suit or claim pending or otherwise allowable by law by any landowner or other legal entity for monetary damages allegedly caused by the operation or existence of such electric plant. Expenses incurred by an electrical corporation in association with the payment of any such damages shall not be recoverable, in any form at any time, from the rate payers of any such electrical corporation.**

**3. The commission's authority under subsection 1 of this section shall expire on August 28, 2009."; and**

Further amend said bill, Pages 22 and 23, Section 393.275, Lines 1 to 40, by deleting all of said lines and inserting in lieu thereof the following:

"393.275. 1. The commission shall notify the governing body of each city or county imposing a business license tax pursuant to section 66.300, 92.045, 94.110, 94.270 or 94.360, RSMo, or a similar tax adopted pursuant to charter provisions in any constitutional charter city with a population of at least three hundred fifty thousand inhabitants which is located in more than one county, on gross receipts of any gas corporation, electric corporation, water corporation or sewer corporation of any tariff increases authorized for such firm doing business in that city or county if the approved increase exceeds seven percent. The commission shall include with such notice to any city or county the percentage increase approved for the utility, together with an estimate of the annual increase in gross receipts resulting from the tariff increase on customers residing in that city or county. The provisions of this subsection shall not apply to rate adjustments in the purchase price of natural gas which are approved by the commission.

2. The governing body of each city or county notified of a tariff increase as provided in subsection 1 of this section shall reduce the tax rate of its business license tax on the gross receipts of utility corporations. Within sixty days of the effective date of the tariff increase, the tax rate shall be reduced to the extent necessary so that revenue for the ensuing twelve months will be approximately equal to the revenue received during the preceding twelve months plus a growth factor. The growth factor shall be equal to the average of the additional revenue received in each of the preceding three years. However, a city or county may maintain the tax rate of its business license tax on the gross receipts of utility corporations without reduction if an ordinance to maintain the tax rate is enacted by the governing body of the city or an order to maintain the tax rate is issued by the governing body of the county after September 28, 1985. The provisions of this subsection shall not apply to rate adjustments in the purchase price of natural gas which are approved by the commission **and such purchased gas adjustment rates shall include the gas cost portion of net write-offs incurred by the gas corporation in providing service to system sales customers upon the filing and approval of new rate schedules applicable to such customers. Such rate schedules shall be designed to simultaneously decrease the gas corporation's base rates and increase its purchased gas adjustment rates by like amounts so as to reasonably ensure that the gas cost portion of the net write-offs applicable to such customers, as such portion is determined by the commission, is only being recovered once through the gas corporation's purchased gas adjustment rates. Increases and decreases in the gas cost portion of net write-offs shall thereafter be reflected in the gas corporation's purchased gas adjustment rates pursuant to tariff provisions approved by the commission provided, however, that such tariff provisions shall:**

- (1) **Limit increases or decreases in the gas cost portion of net write-offs as reflected in purchased gas adjustment rates to once each year;**
- (2) **Require a true-up of the gas cost portion of net write-offs as reflected in purchased gas adjustment rates once each year; and**
- (3) **Require commission review of the gas cost portion of net write-offs as reflected in purchased gas adjustment rates once each year to insure that the gas corporation is prudently pursuing collection of amounts owed by its customers.**

**Based on its annual reviews of such collection efforts, the commission shall prepare and submit a report to the general assembly by December 1, 2011, comparing and describing any changes made or experienced in the collection practices, level of utility resources devoted to collection activities, amount and percentage of net write-offs incurred, and regulations affecting collection activities for the period beginning July 1, 2007, and ending July 1, 2011.";** and

Further amend said bill, Pages 24 and 25, Section 407.300, Lines 1 to 36, by deleting all of said lines and inserting in lieu thereof the following:

"407.300. 1. Every **purchaser or** collector of, or dealer in, junk, **scrap metal**, or any secondhand property shall keep a register [which shall contain the name and address of the person from whom] **containing a written or electronic record for each purchase or trade in which each type of metal subject to the provisions of this section is obtained for value. There shall be a separate record for each transaction involving any:**

- (1) **Copper, brass, or bronze;**
- (2) **Aluminum wire [or is purchased,], cable, pipe, tubing, bar, ingot, rod, fitting, or fastener; or**
- (3) **Material containing copper or aluminum that is knowingly used for farming purposes as "farming" is defined in section 350.010, RSMo;**

whatever may be the condition or length of such [copper wire or cable] metal. **The record shall contain the following data: A copy of the driver's license or photo identification issued by the state or by the United States government or agency thereof to the person from whom the material is obtained, which shall contain a current address of the person from whom the material is obtained; [the residence or place of business and driver's license number of such person;] and the date, time, and place of and a full description of each such purchase or trade including the quantity by weight thereof; and shall permit any peace officer to inspect the register at any reasonable time].**

**2. The records required under this section shall be maintained for a minimum of twenty-four months from when such material is obtained and shall be available for inspection by any law enforcement officer.**

**3. Anyone convicted of violating this section shall be [fined not less than twenty-five dollars nor more than five hundred dollars, or imprisoned for not less than thirty days nor more than six months, or both] guilty of a class A misdemeanor.**

**4. This section shall not apply to any of the following transactions:**

**(1) Any transaction for which the total amount paid for all regulated scrap metal purchased or sold does not exceed fifty dollars;**

**(2) Any transaction for which the seller, including a farm or farmer, has an existing business relationship with the scrap metal dealer and is known to the scrap metal dealer making the purchase to be an established business or political subdivision that operates a business with a fixed location that can be reasonably expected to generate regulated scrap metal and can be reasonably identified as such a business; or**

**(3) Any transaction for which the type of metal subject to subsection 1 of this section is a minor part of a larger item, except for equipment used in the generation and transmission of electrical power or telecommunications."; and**

Further amend said bill, Page 25, Section 407.301, Lines 1 to 9, by deleting all of said lines and inserting in lieu thereof the following:

**"407.301. 1. No scrap metal dealer shall knowingly purchase or possess a metal beer keg, whether damaged or undamaged, or any reasonably recognizable part thereof, on any premises that the dealer uses to buy, sell, store, shred, melt, cut, or otherwise alter scrap metal except when the purchase is from the brewer or its authorized representative. For purposes of this section, "keg" shall have the same meaning as in section 311.082, RSMo.**

**2. Anyone who is found guilty of, or pleads guilty to, violating this section shall be guilty of a class A misdemeanor punishable only by fine. Nothing in this section shall be construed to preclude a person violating this section from also being prosecuted for any applicable criminal offense."; and**

Further amend said bill, Page 25, Section 407.302, Lines 1 to 11, by deleting all of said lines and inserting in lieu thereof the following:

**"407.302. 1. No scrap yard shall purchase any metal that can be identified as belonging to a public or private cemetery or to a political subdivision or electrical cooperative, municipal utility, or a utility regulated under chapter 386 or 393, RSMo, including bleachers, guardrails, signs, street and traffic lights or signals, and manhole cover or covers, whether broken or unbroken, from anyone other than the cemetery or monument owner, political subdivision, electrical cooperative or utility, or manufacturer of the metal or item described in this section unless such person is authorized in writing by the cemetery or monument owner, political subdivision, electrical cooperative or utility, or manufacturer to sell the metal.**

**2. Anyone convicted of violating this section shall be guilty of a class B misdemeanor."; and**

Further amend said bill, Page 26, Section 407.303, Lines 1 to 8, by deleting all of said lines and inserting in lieu thereof the following:

**"407.303. 1. Any scrap metal dealer paying out an amount that is five hundred dollars or more shall make such payment in the form of a check or shall pay by any method in which a financial institution makes and retains a record of the transaction.**

**2. This section shall not apply to any transaction for which the seller has an existing business relationship with the scrap metal dealer and is known to the scrap metal dealer making the purchase to be an established business or political subdivision that operates a business with a fixed location that can be reasonably expected to generate regulated scrap metal and can be reasonably identified as such a business."; and**

Further amend said bill, Pages 26 to 28, Section 537.340, Lines 1 to 68, by deleting all of said lines; and

Further amend said bill, Page 28, Section 570.055, Lines 1 to 5, by deleting all of said lines and inserting in lieu thereof the following:

**"570.055. Any person who steals or appropriates, without consent of the owner, any wire, electrical transformer, metallic wire associated with transmitting telecommunications, or any other device or pipe that is associated with conducting electricity or transporting natural gas or other combustible fuels shall be guilty of a class C felony.";** and

Further amend said bill, Page 28, Section 570.056, Lines 1 to 4, by deleting all of said lines and inserting in lieu thereof the following:

**"570.056. Any person who steals or appropriates, without consent of the owner, any property located on the premises of electrical cooperatives or municipal utilities or utilities regulated under chapter 386, RSMo, shall be guilty of a class D felony.";** and

Further amend said bill, Page 31, Lines 1 to 14, by deleting all of said lines and inserting in lieu thereof the following:

"660.115. 1. For each eligible household, an amount not exceeding [six] **eight** hundred dollars for each fiscal year may be paid from the utilicare stabilization fund to the primary or secondary heating source supplier, or both, including suppliers of heating fuels, such as gas, electricity, wood, coal, propane and heating oil. For each eligible household, an amount not exceeding [six] **eight** hundred dollars for each fiscal year may be paid from the utilicare stabilization fund to the primary or secondary cooling source supplier, or both; provided that the respective shares of overall funding previously received by primary and secondary heating and cooling source suppliers on behalf of their customers shall be substantially maintained.

2. For an eligible household, other than a household located in publicly owned or subsidized housing, an adult boarding facility, an intermediate care facility, a residential care facility or a skilled nursing facility, whose members rent their dwelling and do not pay a supplier directly for the household's primary or secondary heating or cooling source, utilicare payments shall be paid directly to the head of the household, except that total payments shall not exceed eight percent of the household's annual rent or one hundred dollars, whichever is less."; and

Further amend said bill, Pages 31 and 32, Section 660.135, Lines 1 to 13, by deleting all of said lines and inserting in lieu thereof the following:

"660.135. 1. Not more than five million dollars from state general revenue shall be appropriated by the general assembly to the utilicare stabilization fund established pursuant to section 660.136 for the support of the utilicare program established by sections 660.100 to 660.136 for any fiscal year, except in succeeding years the amount of state funds may be increased by a percentage which reflects the national cost-of-living index or seven percent, whichever is lower.

2. The department of social services [may] **shall**, in coordination with the department of natural resources, apply a portion of the funds appropriated annually by the general assembly to the utilicare stabilization fund established pursuant to section 660.136 to the low income weatherization assistance program of the department of natural resources; provided that any project financed with such funds shall be consistent with federal guidelines for the Weatherization Assistance Program for Low-Income Persons as authorized by 42 U.S.C. 6861."; and

**"Section 1. For any electric generation plant unlawfully constructed after August 28, 2008, in any suit or claim brought by any landowner or other legal entity for monetary damages allegedly caused by the operation or existence of such electric plant, the measure of damages shall be treble the actual damages to the plaintiff's real estate proved as determined by a judge or jury, plus court costs and reasonable attorney fees.";** and

Further amend said title, enacting clause and intersectional references accordingly.

On motion of Representative Emery, **House Amendment No. 1** was adopted.

Representative Schoeller offered **House Amendment No. 2**.

Solar rebates shall not exceed twenty-five percent of the cost of the solar panels and are included in the one percent rate cap provided for in this section.";** and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Chappelle-Nadal offered **House Amendment No. 1 to House Amendment No. 2**.

*House Amendment No. 1*

*House Amendment No. 2*

AMEND House Amendment No. 2 to House Committee Substitute for Senate Committee Substitute for Senate Bill Nos. 1181, 1100, 1262 & 1263, Page 1, Line 1, by inserting immediately before said line the following:

'AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill Nos. 1181, 1100, 1262, & 1263, Section 393.275, Page 23, Line 40, by inserting immediately after said line the following:

**"393.1036. Sections 393.1036 to 393.1040 shall be known as the "Renewable Energy Standard".**

**393.1037. As used in sections 393.1036 to 393.1040, the following terms mean:**

- (1) "Commission", the public service commission;
- (2) "Department", the department of natural resources;
- (3) "Electric utility", any electrical corporation as defined by section 386.020, RSMo;
- (4) "Renewable energy resources", electric energy produced from wind, solar thermal sources, photovoltaic cells and panels, dedicated crops grown for energy production, cellulosic agricultural residues, plant residues, methane from landfills or from wastewater treatment, clean and untreated wood such as pallets, hydropower (not including pumped storage), that does not require a new diversion or impoundment of water and that has a nameplate rating of ten megawatts or less, fuel cells using hydrogen produced by one of the above-named renewable energy sources, and other sources of energy not including nuclear that become available after August 28, 2008, and are certified as renewable by rule by the department; and
- (5) "Renewable energy credit" or "REC", a tradeable certificate of proof that one megawatt-hour of electricity has been generated from renewable energy sources.

**393.1038. 1. The commission shall, in consultation with the department, prescribe by rule a portfolio requirement for all electric utilities to generate or purchase electricity generated from renewable energy resources. Such portfolio requirement shall provide that electricity from renewable energy resources shall constitute the following portions of each electric utility's sales:**

- (1) No less than two percent for calendar years 2011 to 2013;
- (2) No less than five percent for calendar years 2014 to 2017;
- (3) No less than ten percent for calendar years 2018 to 2020; and
- (4) No less than fifteen percent in each calendar year beginning in 2021.

At least two percent of each portfolio requirement shall be derived from solar energy. The portfolio requirement shall apply to all power sold to Missouri consumers whether such power is self-generated or purchased from another source in or outside of this state. A utility may comply with the standard in whole or in part by purchasing RECs. Each kilowatt-hour of eligible energy generated in Missouri shall count as one and one-quarter kilowatt-hour for purposes of compliance.

2. The commission, in consultation with the department and within one year of August 28, 2008, shall select a program for tracking and verifying the trading of renewable energy credits. An unused credit may exist for up to three years from the date of its creation. A credit may be used only once to comply with sections 393.1036 to 393.1040 and shall not also be used to satisfy any similar nonfederal requirement. An electric utility shall not use a credit derived from a green pricing program. Certificates from net-metered sources shall initially be owned by the customer-generator. The commission, except where the department is specified, shall make whatever rules are necessary to enforce the renewable energy standard. Such rules shall include:

(1) A maximum average retail rate increase of one percent determined by estimating and comparing the electric utility's cost of compliance with least-cost renewable generation and the cost of continuing to generate or purchase electricity from entirely nonrenewable sources, taking into proper account future environmental regulatory risk including the risk of greenhouse gas regulation;

(2) Penalties of at least twice the average market value of renewable energy credits for the compliance period for failure to meet the targets of subsection 1 of this section. An electric utility shall be excused if it proves to the commission that failure was due to events beyond its reasonable control that could not have been reasonably mitigated, or that the maximum average retail rate increase has been reached. Penalties shall not be recovered from customers. Amounts forfeited under this section shall be remitted to the department to purchase renewable energy credits needed for compliance. Any excess forfeited revenues shall be used by the department's energy center solely for renewable energy and energy efficiency projects;

(3) Provisions for an annual report to be filed by each electric utility in a format sufficient to document its progress in meeting the targets;

(4) Provisions for recovery outside the context of a regular rate case of prudently incurred costs and the pass through of benefits to customers of any savings achieved by an electrical corporation in meeting the requirements of this section.

3. Each electric utility shall make available to its retail customers a standard rebate offer of at least two dollars per installed watt for new or expanded solar electric systems sited on the customers' premises, up to a maximum of twenty-five kilowatts per system, that becomes operational after 2009.

4. The department shall, in consultation with the commission, establish by rule a certification process for electricity generated from renewable resources and used to fulfill the requirements of subsection 1 of this section. Certification criteria for renewable energy generation shall be determined by factors that include fuel type, technology, and the environmental impacts of the generating facility. Renewable energy facilities shall not cause undue adverse air, water, or land use impacts, including impacts associated with the gathering of generation feedstocks. If any amount of fossil fuel is used with renewable energy resources, only the portion of electrical output attributable or renewable energy resources shall be used to fulfill the portfolio requirements.

5. The department and the commission shall promulgate rules to implement the provisions of sections 393.1036 to 393.1040. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly under chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

393.1040. In addition to the renewable energy objectives set forth in sections [393.1025, 393.1030, and 393.1035] **393.1036, 393.1037, and 393.1038**, it is also the policy of this state to encourage electrical corporations to develop and administer energy efficiency initiatives that reduce the annual growth in energy consumption and the need to build additional electric generation capacity."; and ' ; and

Further amend said amendment, said page, Line 10, by deleting said line and inserting in lieu thereof the following:

**"section.**

[393.1020. 1. It is the general assembly's intent to encourage the development and utilization of technically feasible and economical renewable technologies, creating cleaner and more sustainable forms of energy for the residents of the state. It is for this reason that sections 393.1020 to 393.1040 shall be known as the "Green Power Initiative".

2. The definitions provided in section 386.020, RSMo, shall apply to sections 393.1020 to 393.1040. As used in sections 393.1020 to 393.1040, the following terms mean:

- (1) "Department", the department of natural resources;
- (2) "Eligible renewable energy technology", sources of energy that shall be considered renewable for purposes of this section shall include but not be limited to the following:
  - (a) Solar, including photovoltaic cells, concentrating solar power technologies, and low temperature solar collectors;
  - (b) Wind;
  - (c) Hydroelectric, not including pump storage;
  - (d) Hydrogen from renewable sources;
  - (e) Biomass, any organic matter available on a renewable basis, including dedicated energy crops and trees, agricultural food and feed crops, agricultural crop wastes and residues, wood wastes and residues, animal waste, aquatic plants, biogas from landfills or wastewater treatment plants; and
  - (f) Other renewable energy sources defined by rule by the commission after consultation with the department;
- (3) "Energy efficiency", verifiable reductions in energy consumption, or verifiable reductions in the rate of energy consumption growth, as defined by rule by the commission after consultation with the department, as a result of measures implemented by electrical corporations and electricity consumers which may include, but not be limited to, pricing signals, electronic controls, education, information, infrastructure improvements, and the use of high efficiency equipment and lighting;
- (4) "Total retail electric sales", the kilowatt-hours of electricity delivered in a year by an electrical corporation to its Missouri retail customers.]

[393.1025. 1. Each electrical corporation shall make a good faith effort to generate or procure sufficient electricity generated by an eligible renewable energy technology, and support energy efficiency measures, so that by 2012, four percent of total retail electric sales in the aggregate by electrical corporations is generated by eligible renewable energy technologies, increasing to eight percent by 2015, and eleven percent generated by eligible renewable energy technologies by 2020. Generation provided by any existing eligible renewable energy technology, owned, controlled, or purchased by electrical corporations, that are operational prior to August 28, 2007, shall be applied towards meeting the objective so long as it continues to generate electricity. Credit towards the objective also may be achieved through energy efficiency that includes electrical corporation and consumer efforts to reduce the consumption of electric energy. After consulting with the department, the commission may establish intermediate goals for the use of renewable energy technologies as part of its rulemaking process.

2. By July 1, 2008, the commission shall, after consultation with the department, adopt rules that integrate into its resource planning rules the renewable energy objective of subsection 1 of this section and the criteria and standards by which it will measure an electrical corporation's efforts to meet that objective to determine whether it is making the required good faith effort. In this rulemaking, the commission shall include criteria and standards that, at a minimum, shall:

- (1) Protect against adverse economic impacts, including the costs of any transmission investments necessary to access eligible renewable energy technologies, on the ratepayers and shareholders;
- (2) Protect against undesirable impacts on the reliability of each electrical corporation's system;
- (3) Consider environmental compliance costs, present and future, of each source being evaluated; and

(4) Consider technical feasibility, providing for flexibility in meeting the objective in the event electrical corporations are, for good cause shown, unable to meet in aggregate the objective of this section.

3. In its rulemaking under this section, the commission shall provide for a weighted scale of how energy produced by various eligible renewable energy technologies shall count toward an electrical corporation's objective. In establishing this scale, the commission shall consider the attributes of various technologies and fuels and shall establish a system that grants multiple credits toward the objective for those technologies and fuels the commission determines are in the public interest to encourage. The commission may also grant multiple credits toward the objective for generation in the state or procurement of electricity generated in the state that uses an eligible renewable energy technology.

4. The commission shall develop rules as provided in this section in consultation with the department as necessary to implement the requirements of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section and section 393.1020 shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.]

[393.1030. 1. Each electric corporation shall submit to the commission a biennial report by December thirty-first, beginning in 2009, on its plans, activities, and progress with regard to the objective of section 393.1025, demonstrating to the commission that it is making the required good faith effort. The report must be submitted in a format prescribed by the commission, not to exceed fifty pages, and it shall include the following:

- (1) Sufficient data to specify and verify the status of its renewable energy mix relative to the good faith objective;
- (2) Sufficient data to specify and verify the status of the electric corporation's and its customers' energy efficiency efforts relative to the good faith objective;
- (3) Efforts taken to meet the objective;
- (4) Any obstacles encountered or anticipated in meeting the objective; and
- (5) Potential solutions to the obstacles.

2. The commission shall compile the information provided under subsection 1 of this section and biennially report by July first, beginning in 2010, to the governor, the speaker of the house of representatives, the president pro tempore of the senate, the chairs of the committees in the house of representatives and senate with jurisdiction over energy and environment policy issues, and the department as to the progress of electrical corporations in the state in increasing the amount of renewable energy provided to retail customers and increasing energy efficiency, with any recommendations for regulatory or legislative action. In addition, the Missouri director of the department of economic development shall issue a biennial report by July first, beginning in 2010, on the impact of the renewable portfolio standard on the Missouri economy and the director of the department of natural resources shall issue a biennial report by July first, beginning in 2010, on the environmental impact of sections 393.1020 to 393.1040. The biennial reporting requirements under this subsection shall end after July 1, 2022.]

[393.1035. 1. Electricity produced by fuel combustion may only count toward an electrical corporation's objectives if the generation facility complies with all federal and state statutes and rules.

2. An electrical corporation may blend or co-fire a fuel listed in subsection 2 of section 393.1020, with other fuels in the generation facility, but only the percentage of electricity that is attributable to a fuel listed in that section can be counted toward an electric corporation's renewable energy objectives.]" and

For all tax years beginning on or after January 1, 2008, a taxpayer shall be allowed to claim a tax credit against the taxpayer's state tax liability in an amount equal to fifty percent of the amount such taxpayer paid to purchase and install idle reduction technology on a class 8 truck after January 1, 2008. In no case shall the tax credit exceed thirty five hundred dollars per truck.

3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability for the taxable year for which the credit is claimed. However, any tax credit that cannot be claimed in the taxable year the purchase and installation was made may be carried over to the next three succeeding taxable years until the full credit has been claimed. - (2) Determine allowable credit for each of:
  - (a) The whole green building credit component;
  - (b) The base green building credit component; and
  - (c) The green tenant space credit component.

The department shall promulgate rules for granting green building tax credits to applicants constructing or owning buildings that achieve National Association of Home Builder Model Green Building Ratings that are substantially similar to the performance standards set forth in this bill. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

- (e) Any other information determined by the director to be necessary prior to issuance of a preliminary certificate.

(3) The director may allow an applicant to file the preliminary application after the start of the construction of the facility if the director finds that filing the application before the start of construction is inappropriate because special circumstances render filing earlier unreasonable.

(4) If the director determines that the proposed construction is technically feasible and should operate in accordance with the representations made by the applicant, and is in accordance with the provisions under subsection 5 of this section and any applicable rules or standards adopted by the director, the director shall issue a preliminary credit certificate approving the construction of the facility. The preliminary credit certificate shall state the following:

- (a) The first taxable year for which the credit may be applied;
- (b) The expiration date of the tax credit. Such expiration date may be extended at the discretion of the director in order to avoid unwarranted hardship; and
- (c) The maximum amount of the total credit allowed and the maximum amount of credit allowed in any single tax year.

(5) If the director determines that the construction does not comply with the provisions under subsection 5 of this section and applicable rules and standards, the director shall issue an order denying certification.

9. (1) To change a project that has already received preliminary certification, the applicant shall file a written request to the director which states:

- (a) A detailed description of the changes;
- (b) The reasons for the changes; and
- (c) The effects that the changes will have on the amount of tax credit stated by the preliminary certification.

(2) The director shall make the determination as to whether the changed project complies with the requirements under subsection 5 of this section.

(a) If the changed project complies with the requirements under subsection 5 of this section, then the director shall issue an amended preliminary certification.

(b) If the changed project fails to comply with the requirements under subsection 5 of this section, then the director shall issue an order that revokes the preliminary certification.

10. (1) No final certification shall be issued by the director under this subsection unless the facility was constructed under a preliminary certificate of approval issued under subsection 8 of this section.

(2) An applicant may apply to the department for final certification of a facility:

(a) If the department issued preliminary certification for the facility under subsection 8 of this section; and

(b) After completion of construction of the proposed facility.

(3) An application for final certification shall be made in writing on a form prepared by the department and shall contain:

- (a) A statement that the conditions of the preliminary certification have been complied with;
- (b) An eligibility certificate from the project architect or professional engineer licensed to practice in the state of Missouri or from a LEED accredited professional that consists of a certification by either:

a. The Green Building Initiative that the building with respect to which the credit is claimed meets the requirements for a green globes rating; or

b. The United States Green Building Council that the building with respect to which the credit is claimed is LEED certified and that in achieving its LEED rating, the building has earned at least four LEED points for Energy and Atmosphere Credit Number One and the Energy and Atmosphere Credit Number Three;

(c) A statement of the level of Green Globes or LEED performance achieved by the building to permit determination of the proper credit amount under subsection 6 of this section;

(d) A statement that the facility is in operation; and

(e) Any other information determined by the director to be necessary prior to issuance of a final certificate, including inspection of the facility by the department.

11. (1) The director may order the revocation of the final certificate issued under subsection 10 of this section if the director finds that:

- (a) The certification was obtained by fraud or misrepresentation; or
- (b) The holder of the certificate has failed substantially to construct the facility in compliance with the plans, specification, and procedures in such certificate.

(2) As soon as the order of revocation under this subsection becomes final, the director shall notify the department of revenue of such order.

(3) If the certificate is ordered revoked under paragraph (a) of subdivision (1) of this subsection, all prior tax credits provided to the applicant by virtue of such certificate shall be forfeited, and upon notification under subdivision (2) of this subsection, the department of revenue immediately shall proceed to collect those taxes not paid by the applicant as a result of the tax credits provided to the applicant under this section.

(4) If the certificate is ordered revoked under this subsection, the applicant shall be denied any tax credit under this section in connection with such facility after the date that the order of revocation becomes final.

12. Pursuant to section 23.253, RSMo, of the Missouri sunset act:

(1) The tax credit authorized under this section shall automatically sunset three years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which a program authorized under this section is sunset."; and

Further amend said title, enacting clause and intersectional references accordingly.

On motion of Representative Holsman, **House Amendment No. 5** was adopted.

Representative Stevenson offered **House Amendment No. 6**.

(1) By ordinance introduced in the governing body of the municipality within fourteen to ninety days from the completion of the hearing required in section 99.825, approve redevelopment plans and redevelopment projects, and designate redevelopment project areas pursuant to the notice and hearing requirements of sections 99.800 to 99.865. No redevelopment project shall be approved unless a redevelopment plan has been approved and a redevelopment area has been designated prior to or concurrently with the approval of such redevelopment project and the area selected for the redevelopment project shall include only those parcels of real property and improvements thereon directly and substantially benefited by the proposed redevelopment project improvements;

(2) Make and enter into all contracts necessary or incidental to the implementation and furtherance of its redevelopment plan or project;

(3) Pursuant to a redevelopment plan, subject to any constitutional limitations, acquire by purchase, donation, lease or, as part of a redevelopment project, eminent domain, own, convey, lease, mortgage, or dispose of, land and other property, real or personal, or rights or interests therein, and grant or acquire licenses, easements and options with respect thereto, all in the manner and at such price the municipality or the commission determines is reasonably necessary to achieve the objectives of the redevelopment plan. Each municipality or its commission shall establish written procedures relating to bids and proposals for implementation of the redevelopment projects. Furthermore, no conveyance, lease, mortgage, or other disposition of land or agreement relating to the development of property shall be made without making public disclosure of the terms of the disposition and all bids and proposals made in response to the municipality's request. (11) Make payment in lieu of taxes, or a portion thereof, to taxing districts;

(12) Disburse surplus funds from the special allocation fund to taxing districts as follows:

(a) Such surplus payments in lieu of taxes shall be distributed to taxing districts within the redevelopment area which impose ad valorem taxes on a basis that is proportional to the current collections of revenue which each taxing district receives from real property in the redevelopment area;

(b) Surplus economic activity taxes shall be distributed to taxing districts in the redevelopment area which impose economic activity taxes, on a basis that is proportional to the amount of such economic activity taxes the taxing district would have received from the redevelopment area had tax increment financing not been adopted;

(13) If any member of the governing body of the municipality, a member of a commission established pursuant to subsection 2 or 3 of this section, or an employee or consultant of the municipality, involved in the planning and preparation of a redevelopment plan, or redevelopment project for a redevelopment area or proposed redevelopment area, owns or controls an interest, direct or indirect, in any property included in any redevelopment area, or proposed redevelopment area, which property is designated to be acquired or improved pursuant to a redevelopment project, he or she shall disclose the same in writing to the clerk of the municipality, and shall also so disclose the dates, terms, and conditions of any disposition of any such interest, which disclosures shall be acknowledged by the governing body of the municipality and entered upon the minutes books of the governing body of the municipality. If an individual holds such an interest, then that individual shall refrain from any further official involvement in regard to such redevelopment plan, redevelopment project or redevelopment area, from voting on any matter pertaining to such redevelopment plan, redevelopment project or redevelopment area, or communicating with other members concerning any matter pertaining to that redevelopment plan, redevelopment project or redevelopment area. (4) In all municipalities which are not counties and not in a first class county with a charter form of government having a population in excess of nine hundred thousand, two members shall be appointed by the county of such municipality in the same manner as members are appointed in subdivision (3) of this subsection;

(5) In a municipality which is a county with a charter form of government having a population in excess of nine hundred thousand, three members shall be appointed by the cities in the county which have tax increment financing districts in a manner in which the cities shall agree;

(6) In a municipality which is located in the first class county with a charter form of government having a population in excess of nine hundred thousand, three members shall be appointed by the county of such municipality in the same manner as members are appointed in subdivision (3) of this subsection;

In the event such commission votes in opposition to the redevelopment project, such redevelopment project shall not be approved unless at least two-thirds of the governing body of the city, town, or village votes to approve such project;

(9) At the option of the members appointed by the municipality, the members who are appointed by the school boards and other taxing districts may serve on the commission for a term to coincide with the length of time a redevelopment project, redevelopment plan or designation of a redevelopment area is considered for approval by the commission, or for a definite term pursuant to this subdivision. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax pursuant to the provisions of this section shall be effective unless the governing body of the city submits to the voters of the city, at a county or state general, primary or special election, a proposal to authorize the governing body of the city to impose a tax.

2. If the proposal submitted involves only authorization to impose the tax authorized by this section, the ballot of submission shall contain, but need not be limited to, the following language:

If a majority of the votes cast on the proposal by the qualified voters voting thereon are opposed to the proposal, then the tax shall not become effective unless the proposal is resubmitted under this section to the qualified voters and such proposal is approved by a majority of the qualified voters voting on the proposal. However, in no event shall a proposal under this section be submitted to the voters sooner than twelve months from the date of the last proposal under this section.

3. Any sales tax imposed under this section shall be administered, collected, enforced, and operated as required in section 32.087, RSMo. All sales taxes collected by the director of the department of revenue under this section on behalf of any city, less one percent for cost of collection which shall be deposited in the state's general revenue fund after

payment of premiums for surety bonds as provided in section 32.087, RSMo, shall be deposited in a special trust fund, which is hereby created in the state treasury, to be known as the "City Public Safety Sales Tax Trust Fund". The moneys in the trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The provisions of section 33.080, RSMo, to the contrary notwithstanding, money in this fund shall not be transferred and placed to the credit of the general revenue fund. The director shall keep accurate records of the amount of money in the trust **fund** and which was collected in each city imposing a sales tax under this section, and the records shall be open to the inspection of officers of the city and the public. Not later than the tenth day of each month the director shall distribute all moneys deposited in the trust fund during the preceding month to the city which levied the tax. Such funds shall be deposited with the city treasurer of each such city, and all expenditures of funds arising from the trust fund shall be by an appropriation act to be enacted by the governing body of each such city. Expenditures may be made from the fund for any functions authorized in the ordinance or order adopted by the governing body submitting the tax to the voters. If the tax is repealed, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes. Any funds in the special trust fund which are not needed for current expenditures shall be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. The director of the department of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any city for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such cities. If any city abolishes the tax, the city shall notify the director of the action at least ninety days before the effective date of the repeal, and the director may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such city, the director shall remit the balance in the account to the city and close the account of that city. The director shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.

5. The governing body of any city that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the city. The ballot of submission shall be in substantially the following form:

Shall ..... (insert the name of the city) repeal the sales tax imposed at a rate of ..... (insert rate of percent) percent for the purpose of improving the public safety of the city?

☐ YES

☐ NO

If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters, and the repeal is approved by a majority of the qualified voters voting on the question.

6. Whenever the governing body of any city that has adopted the sales tax authorized in this section receives a petition, signed by ten percent of the registered voters of the city voting in the last gubernatorial election, calling for an election to repeal the sales tax imposed under this section, the governing body shall submit to the voters of the city a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the tax shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

7. Except as modified in this section, all provisions of sections 32.085 and 32.087, RSMo, shall apply to the tax imposed under this section."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Scavuzzo, **House Amendment No. 6** was adopted.

Speaker Jetton resumed the Chair.

Representative Meiners offered **House Amendment No. 7**.

*House Amendment No. 7*

AMEND House Committee Substitute No. 2 for Senate Substitute for Senate Committee Substitute for Senate Bill No. 718, Page 30, Section 253.550, Line 20, by inserting after all of said line the following:

**"311.489. 1. A permit for the sale of intoxicating liquor as defined in section 311.020, and nonintoxicating beer as defined in section 312.010, RSMo, for consumption on premises where sold, and to conduct specified festival events, may be issued to any festival district, located in any home rule city with more than four hundred thousand inhabitants and located in more than one county, that includes three or more businesses that are licensed bars, nightclubs, restaurants, or other entertainment venues and a common area where a pedestrian access is controlled and that is closed to vehicle traffic, provided that the permit is held by a promotional association. A "promotional association" is defined as an entity formed by property owners who own or operate fifty percent or more of the square feet of bars, nightclubs, restaurants, and other entertainment venues located within the proposed district.**

**2. The promotional association may obtain a permit if the promotional association submits a plan to the governing body of the city containing basic information, which includes the legal description of the district and the common area within which such festivals shall be held, the name, address, and responsible person of each business participating in the promotional association, the specific calendar of events for the district which shall not exceed twenty such events and shall include the dates and times of any such events, a description of the proposed festival activities including any proposed public street closures if applicable, proof of adequate insurance, and a detailed description of security for any proposed festivals. Such permit shall cost three hundred dollars per year. Such plan may be amended during the year subject to governing municipality approval.**

**3. Prior to submitting a plan to the governing body of the city, the promotional association shall provide notice of its intent to apply for a festival district permit and conduct a public hearing on the plan. If any business owner, property owner, or resident within the boundaries of the common area of the event do not approve in the public hearing of any proposed event, or the proposed plan of events, the promotional association shall obtain written approval of such event or plan from seventy-five percent of the property owners, business owners, and residents within the district. If the plan is approved, the promotional association may conduct the events described in the plan and may sell liquor for consumption within the district common areas between 9:00 a.m. and 1:00 a.m. on Monday through Saturday and between 11:00 a.m. and 12:00 a.m. on Sunday and in accordance with any additional time constraints stated in such plan. Such promotional association may permit customers to leave an establishment within the district after purchasing an alcoholic beverage and consume the beverage in the district common areas or another licensed establishment within the district. No person shall be allowed to take any alcoholic beverage outside the boundaries of the festival district.**

**4. If participating in a promotional association event, every bar, nightclub, restaurant, promotional association, or other entertainment venue that serves alcoholic beverages within the festival district shall use disposable paper, plastic, or foam cups or other light-weight containers for all alcoholic beverages that the bar, nightclub, restaurant, promotional association, or other entertainment venue sells within the festival district boundaries for consumption in the district common area.**

**5. If minors are allowed to enter the festival district, which shall be clearly stated in the festival district's approved plan, the applicant shall ensure that such minors are easily distinguished from persons of legal age and any approved plan shall include the method by which this provision shall be satisfied.**

**6. The holder of the permit is solely responsible for any alcohol violations occurring within the common areas. For any violation of this chapter or of any rule or regulation of the supervisor of alcohol and tobacco control, the promotional association may be assessed a civil fine of not more than five thousand dollars. If a promotional association is found to be responsible for such violations at three separate events, then such promotional association shall not seek approval for subsequent plans without the prior written consent of the supervisor of alcohol and tobacco control. The promotional association's then current plan shall be deemed terminated, and the businesses participating in the promotional association's events shall not participate in activities permitted by subsection 3 of this section without prior written consent from the supervisor of alcohol and tobacco control."; and**

Further amend said bill, Page 1, Section A, Line 2, by deleting the word and the number "section 210.861," and inserting in lieu thereof the following:

"sections 210.861 and 491.725"; and

Further amend said bill, Page 193, Section 490.715, Line 33, by inserting after all of said line the following:

**"491.725. 1. This section shall be known and may be cited as the "Children's Bill of Courtroom Rights".**

**2. As used in this section, the following terms shall mean:**

(1) "Child", a person seventeen years of age or under who is a witness in any judicial proceeding under chapters 452 or 453, RSMo, or the alleged victim or witness in any judicial proceeding under chapters 455, 565, 566, or 568, RSMo. "Victim" or "witness" shall not include any child accused of committing a felony; however, these terms may, in the court's discretion, include:

(a) A child where such child's participation in a felony appears to have been induced, coerced, or unwilling; or

(b) A child who has participated in the felony, but who has subsequently and voluntarily agreed to testify on behalf of the state.

(2) "Comfort item", a favorite toy, stuffed animal, blanket, or any other object whose presence helps the child calm himself or herself;

(3) "Support person", an adult who is known to the child victim or witness and with whom the child feels comfortable, whose purpose will be to provide emotional support to the child and to promote the child's feelings of security and safety.

**3. In order to facilitate testimony that is fair and accurate, and in order to protect children from confusing practices while testifying in court, the following children's bill of courtroom rights shall apply to all children testifying in court:**

(1) A child victim or witness testifying at a judicial proceeding has the right to understand the oath which is being administered to such child. Whether at a competency hearing or trial itself, the judge shall ensure that any oath that is required of a child shall be administered in a developmentally appropriate manner;

(2) A child victim or witness testifying at a judicial proceeding has the right to understand all the questions asked of such child. Accordingly, the court shall take special care to ensure that questions are stated in a form which is appropriate to the age of the child. The court shall explain to the child that if he or she does not understand a question, the child has the right to say that he or she does not understand the question;

(3) A child victim or witness has a right to testify at a time of day when such child is best able to understand the questions and otherwise handle the stresses of testifying. Accordingly, in the court's discretion, the taking of testimony may be limited in duration or limited to normal school hours. The court may order a recess when the energy, comfort, or attention span of the child warrants;

(4) A child victim or witness testifying at or attending a judicial proceeding has a right to a comfort item. The court, at its discretion, may place any reasonable limitations on the size or type of comfort item;

(5) A child victim or witness testifying at or attending a judicial proceeding has a right to the presence of a support person designated by the child victim or witness and approved by the court. The court, at its discretion, may allow the support person to remain in close physical proximity to or in contact with the child while the child testifies, provided such person shall not obscure the child from the view of the defendant or the trier of fact. A support person shall not provide the child with an answer to any question directed to the child during the course of the child's testimony or otherwise prompt the child. If the support person attempts to influence or affect in any manner the testimony of the child victim or witness during the giving of testimony or at any other time, the court shall exclude that support person and allow the child victim or witness to designate another attendant;

(6) A child victim or witness testifying at a judicial proceeding has a right to be questioned in a manner that is neither intimidating nor frightening. Accordingly, the attorneys shall ask questions or pose objections in a manner which is not intimidating to the child and shall not engage in conduct that a child may interpret as an angry confrontation. The court shall take every reasonable means necessary to prevent intimidation or harassment of the child by the parties or their attorneys. The judge may rephrase any question so that the child is not intimidated; and

(7) A child victim or witness testifying at a judicial proceeding has a right to be comfortable when testifying. Accordingly, upon its own motion or the motion of a party, the court may order such accommodations as are appropriate under the circumstances to ensure the comfort of the child victim or witness, including the following measures:

- (a) Adjusting the layout of the courtroom;
- (b) Conducting the proceedings outside the normal courtroom; or
- (c) Relaxing the formalities of the proceedings."; and

Further amend said title, enacting clause and intersectional references accordingly.

  - (4) Complete a minimum of one hundred hours of community service or public internship within a twelve-month period beginning September first for each year in which the student is receiving a tuition and fee waiver award under this section. The department of higher education, in collaboration with participating state institutions of higher education, shall by rule determine the community service and public internships that students may participate in to meet the requirements of this subdivision. A student may fulfill this requirement by completing the necessary community service or public internship hours during the summer.
3. The tuition and fee waiver provided by this section shall be awarded on an annual basis, subject to appropriation and the availability of funds under subsection 6 of section 210.861, and shall continue to be available, if the student is otherwise eligible under this section, as long as the student remains in good academic standing at the state institution of higher education. The institution shall monitor compliance with subdivision (4) of subsection 2 of this section and report it to the department of higher education.
4. The waiver provided by this section for each eligible student may be used for no more than four years of undergraduate study and may only be used after other sources of financial aid that are dedicated solely to tuition and fees are exhausted.
5. No student who is enrolled in an institution of higher education as of the effective date of this section shall be eligible for a waiver award under this section.
6. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void."; and

Further amend said bill, Page13, Section 148.330, Line 68, by inserting after said line the following:

"194.119. 1. As used in this section, the term "right of sepulcher" means the right to choose and control the burial, cremation, or other final disposition of a dead human body.

2. For purposes of this chapter and chapters 193, 333, and 436, RSMo, and in all cases relating to the custody, control, and disposition of deceased human remains, including the common law right of sepulcher, where not otherwise defined, the term "next-of-kin" means the following persons in the priority listed if such person is eighteen years of age or older, is mentally competent, and is willing to assume responsibility for the costs of disposition:

(1) **An attorney in fact designated in a durable power of attorney wherein the deceased specifically granted the right of sepulcher over his or her body to such attorney in fact;**

(2) The surviving spouse;

[(2)] (3) Any surviving child of the deceased. If a surviving child is less than eighteen years of age and has a legal or natural guardian, such child shall not be disqualified on the basis of the child's age and such child's legal or natural guardian, if any, shall be entitled to serve in the place of the child unless such child's legal or natural guardian was subject to an action in dissolution from the deceased. In such event the person or persons who may serve as next-of-kin shall serve in the order provided in subdivisions [(3)] (4) to (8) of this subsection;

[(3)] (4) (a) Any surviving parent of the deceased; or

(b) If the deceased is a minor, a surviving parent who has custody of the minor; or

(c) If the deceased is a minor and the deceased's parents have joint custody, the parent whose residence is the minor child's residence for purposes of mailing and education;

[(4)] (5) Any surviving sibling of the deceased;

[(5)] Any person designated by the deceased to act as next-of-kin pursuant to a valid designation of right of sepulcher as provided in subsection 8 of this section;]

(6) The next nearest surviving relative of the deceased by consanguinity or affinity;

(7) Any person or friend who assumes financial responsibility for the disposition of the deceased's remains if no next-of-kin assumes such responsibility;

(8) The county coroner or medical examiner; provided however that such assumption of responsibility shall not make the coroner, medical examiner, the county, or the state financially responsible for the cost of disposition.

3. The next-of-kin of the deceased shall be entitled to control the final disposition of the remains of any dead human being consistent with all applicable laws, including all applicable health codes.

4. A funeral director or establishment is entitled to rely on and act according to the lawful instructions of any person claiming to be the next-of-kin of the deceased; provided however, in any civil cause of action against a funeral director or establishment licensed pursuant to this chapter for actions taken regarding the funeral arrangements for a deceased person in the director's or establishment's care, the relative fault, if any, of such funeral director or establishment may be reduced if such actions are taken in reliance upon a person's claim to be the deceased person's next-of-kin.

5. Any person who desires to exercise the right of sepulcher and who has knowledge of an individual or individuals with a superior right to control disposition shall notify such individual or individuals prior to making final arrangements.

6. If an individual with a superior claim is personally served with written notice from a person with an inferior claim that such person desires to exercise the right of sepulcher and the individual so served does not object within forty-eight hours of receipt, such individual shall be deemed to have waived such right. An individual with a superior right may also waive such right at any time if such waiver is in writing and dated.

7. If there is more than one person in a class who are equal in priority and the funeral director has no knowledge of any objection by other members of such class, the funeral director or establishment shall be entitled to rely on and act according to the instructions of the first such person in the class to make arrangements; provided that such person assumes responsibility for the costs of disposition and no other person in such class provides written notice of his or her objection.

Nothing in sections 334.500 to 334.620 shall prohibit any person licensed in this state under chapter 331, RSMo, from carrying out the practice for which the person is duly licensed, or from advertising the use of physiologic and rehabilitative modalities; nor shall it prohibit any person licensed or registered in this state under section 334.735 or any other law from carrying out the practice for which the person is duly licensed or registered; nor shall it prevent professional and semiprofessional teams, schools, YMCA clubs, athletic clubs and similar organizations from furnishing treatment to their players and members. This section, also, shall not be construed so as to prohibit masseurs and masseuses from engaging in their practice not otherwise prohibited by law and provided they do not represent themselves as physical therapists. This section shall not apply to physicians and surgeons licensed under this chapter or to a person in an entry level of a professional education program approved by the commission for accreditation of physical therapists and physical therapist assistant education (CAPTE) who is satisfying supervised clinical education requirements related to the person's physical therapist or physical therapist assistant education while under on-site supervision of a physical therapist; or to a physical therapist who is practicing in the United States Armed Services, United States Public Health Service, or Veterans Administration under federal regulations for state licensure for health care providers.

**334.611.** Notwithstanding any other provision of law to the contrary, any qualified physical therapist who is legally authorized to practice under the laws of another state may practice as a physical therapist in this state without examination by the board or payment of any fee if such practice consists solely of the provision of gratuitous services provided for a summer camp or teaching or participating in a continuing educational seminar for a period not to exceed fourteen days in any one calendar year. Nothing in sections 334.500 to 334.625 shall

be construed to prohibit isolated or occasional gratuitous service to and treatment of the afflicted or to prohibit physical therapists from other nations, states, or territories from performing their duties for their respective teams or organizations during the course of their teams' or organizations' stay in this state.

**334.612. 1.** If the board finds merit to a complaint by an individual incarcerated or under the care and control of the department of corrections and takes further investigative action, no documentation shall appear on file or disciplinary action shall be taken in regards to the licensee's license unless the provisions of subsection 2 of section 334.613 have been violated. Any case file documentation that does not result in the board filing an action under subsection 2 of section 334.613 shall be destroyed within three months after the final case disposition by the board. No notification to any other licensing board in another state or any national registry regarding any investigative action shall be made unless the provisions of subsection 2 of section 334.613 have been violated.

- (1) Destroy all documentation regarding the complaint;
- (2) If previously notified of the complaint, notify any other licensing board in another state or any national registry regarding the board's actions; and

**3.** Any person who has been the subject of an unsubstantiated complaint as provided in subsection 1 or 2 of this section shall not be required to disclose the existence of such complaint in subsequent applications or representations relating to their practice.

**334.613. 1.** The board may refuse to issue or renew a license to practice as a physical therapist or physical therapist assistant for one or any combination of causes stated in subsection 2 of this section. The board shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of the applicant's right to file a complaint with the administrative hearing commission as provided by chapter 621, RSMo. As an alternative to a refusal to issue or renew a license to practice as a physical therapist or physical therapist assistant, the board may, at its discretion, issue a license which is subject to probation, restriction, or limitation to an applicant for licensure for any one or any combination of causes stated in subsection 2 of this section. The board's order of probation, limitation, or restriction shall contain a statement of the discipline imposed, the basis therefor, the date such action shall become effective, and a statement that the applicant has thirty days to request in writing a hearing before the administrative hearing commission. If the board issues a probationary, limited, or restricted license to an applicant for licensure, either party may file a written petition with the administrative hearing commission within thirty days of the effective date of the probationary, limited, or restricted license seeking review of the board's determination. If no written request for a hearing is received by the administrative hearing commission within the thirty-day period, the right to seek review of the board's decision shall be considered as waived.

**2.** The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621, RSMo, against any holder of a license to practice as a physical therapist or physical therapist assistant who has failed to renew or has surrendered his or her license for any one or any combination of the following causes:

- (2) The person has been finally adjudicated and found guilty, or entered a plea of guilty or nolo contendere, in a criminal prosecution under the laws of any state or of the United States, for any offense reasonably related to the qualifications, functions, or duties of a physical therapist or physical therapist assistant, for any offense an essential element of which is fraud, dishonesty, or an act of violence, or for any offense involving moral turpitude, whether or not sentence is imposed;
- (3) Use of fraud, deception, misrepresentation, or bribery in securing any certificate of registration or authority, permit, or license issued under this chapter or in obtaining permission to take any examination given or required under this chapter;

(4) Misconduct, fraud, misrepresentation, dishonesty, unethical conduct, or unprofessional conduct in the performance of the functions or duties of a physical therapist or physical therapist assistant, including but not limited to the following:

(a) Obtaining or attempting to obtain any fee, charge, tuition, or other compensation by fraud, deception, or misrepresentation; willfully and continually overcharging or overtreating patients; or charging for sessions of physical therapy which did not occur unless the services were contracted for in advance, or for services which were not rendered or documented in the patient's records;

3. After the filing of such complaint before the administrative hearing commission, the proceedings shall be conducted in accordance with the provisions of chapter 621, RSMo. Upon a finding by the administrative hearing commission that the grounds provided in subsection 2 of this section for disciplinary action are met, the board may, singly or in combination:

(1) Warn, censure or place the physical therapist or physical therapist assistant named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed ten years;

(2) Suspend the physical therapist's or physical therapist assistant's license for a period not to exceed three years;

(9) Require the physical therapist or physical therapist assistant to attend such continuing educational courses and pass such examinations as the board may direct.

4. In any order of revocation, the board may provide that the physical therapist or physical therapist assistant shall not apply for reinstatement of the physical therapist's or physical therapist assistant's license for

a period of time ranging from two to seven years following the date of the order of revocation. All stay orders shall toll this time period.

5. Before restoring to good standing a license issued under this chapter which has been in a revoked, suspended, or inactive state for any cause for more than two years, the board may require the applicant to attend such continuing medical education courses and pass such examinations as the board may direct.

6. In any investigation, hearing or other proceeding to determine a physical therapist's, physical therapist assistant's or applicant's fitness to practice, any record relating to any patient of the physical therapist, physical therapist assistant, or applicant shall be discoverable by the board and admissible into evidence, regardless of any statutory or common law privilege which such physical therapist, physical therapist assistant, applicant, record custodian, or patient might otherwise invoke. In addition, no such physical therapist, physical therapist assistant, applicant, or record custodian may withhold records or testimony bearing upon a physical therapist's, physical therapist assistant's, or applicant's fitness to practice on the ground of privilege between such physical therapist, physical therapist assistant, applicant, or record custodian and a patient.

334.614. 1. Notwithstanding any other provisions of section 620.010, RSMo, to the contrary, the board shall at least quarterly publish a list of the names and addresses of all physical therapists and physical therapist assistants who hold licenses under the provisions of this chapter, and shall publish a list of all physical therapists and physical therapist assistants whose licenses have been suspended, revoked, surrendered, restricted, denied, or withheld.

2. Notwithstanding any other provisions of section 620.010, RSMo, to the contrary, in addition, the board shall prepare and make available to the public a report upon the disciplinary matters submitted to them where the board recommends disciplinary action, except in those instances when physical therapists and physical therapist assistants possessing licenses voluntarily enter treatment and monitoring programs for purposes of rehabilitation and, in such instances, only such specific action shall not be reported with any other actions taken prior to, as part of, or following voluntary entrance into such treatment programs. The report shall set forth findings of fact and any final disciplinary actions of the board. If the board does not recommend disciplinary action, a report stating that no action is recommended shall be prepared and forwarded to the complaining party.

334.615. 1. Upon receipt of information that the holder of any license as a physical therapist or physical therapist assistant issued under this chapter may present a clear and present danger to the public health and safety, the executive director shall direct that the information be brought to the board in the form of sworn testimony or affidavits during a meeting of the board.

2. The board may issue an order suspending or restricting the holder of a license as a physical therapist or physical therapist assistant if it believes:

- (1) The licensee's acts, conduct, or condition may have violated subsection 2 of section 334.613; and
- (2) A licensee is practicing, attempting, or intending to practice in Missouri; and
- (3) (a) A licensee is unable by reason of any physical or mental condition to receive and evaluate information or to communicate decisions to the extent that the licensee's condition or actions significantly affect the licensee's ability to practice; or
- (b) Another state, territory, federal agency, or country has issued an order suspending or restricting the physical therapist's or physical therapist assistant's right to practice his or her profession; or
- (c) The licensee has engaged in repeated acts of life-threatening negligence as defined in subsection 2 of section 334.613; and
- (4) The acts, conduct, or condition of the licensee constitute a clear and present danger to the public health and safety.

3. (1) The order of suspension or restriction:

- (a) Shall be based on the sworn testimony or affidavits presented to the board;
- (b) May be issued without notice and hearing to the licensee;
- (c) Shall include the facts which lead the board to conclude that the acts, conduct, or condition of the licensee constitute a clear and present danger to the public health and safety.

(2) The board or the administrative hearing commission shall serve the licensee, in person or by certified mail, with a copy of the order of suspension or restriction and all sworn testimony or affidavits presented to the board, a copy of the complaint and the request for expedited hearing, and a notice of the place of and the date upon which the preliminary hearing will be held.

(3) The order of restriction shall be effective upon service of the documents required in subdivision (2) of this subsection.

(4) The order of suspension shall become effective upon the entry of the preliminary order of the administrative hearing commission.

(5) The licensee may seek a stay order from the circuit court of Cole County from the preliminary order of suspension, pending the issuance of a final order by the administrative hearing commission.

4. The board shall file a complaint in the administrative hearing commission with a request for expedited preliminary hearing and shall certify the order of suspension or restriction and all sworn testimony or affidavits presented to the board. Immediately upon receipt of a complaint filed under this section, the administrative hearing commission shall set the place and date of the expedited preliminary hearing which shall be conducted as soon as possible, but not later than five days after the date of service upon the licensee. The administrative hearing commission shall grant a licensee's request for a continuance of the preliminary hearing; however, the board's order shall remain in full force and effect until the preliminary hearing, which shall be held not later than forty-five days after service of the documents required in subdivision (2) of subsection 3 of this section.

5. At the preliminary hearing, the administrative hearing commission shall receive into evidence all information certified by the board and shall only hear evidence on the issue of whether the board's order of suspension or restriction should be terminated or modified. Within one hour after the preliminary hearing, the administrative hearing commission shall issue its oral or written preliminary order, with or without findings of fact and conclusions of law, that adopts, terminates, or modifies the board's order. The administrative hearing commission shall reduce to writing any oral preliminary order within five business days, but the effective date of the order shall be the date orally issued.

6. The preliminary order of the administrative hearing commission shall become a final order and shall remain in effect for three years unless either party files a request for a full hearing on the merits of the complaint filed by the board within thirty days from the date of the issuance of the preliminary order of the administrative hearing commission.

7. Upon receipt of a request for full hearing, the administrative hearing commission shall set a date for hearing and notify the parties in writing of the time and place of the hearing. If a request for full hearing is timely filed, the preliminary order of the administrative hearing commission shall remain in effect until the administrative hearing commission enters an order terminating, modifying, or dismissing its preliminary order or until the board issues an order of discipline following its consideration of the decision of the administrative hearing commission under section 621.110, RSMo, and subsection 3 of section 334.100.

8. In cases where the board initiates summary suspension or restriction proceedings against a physical therapist or physical therapist assistant licensed under this chapter, and such petition is subsequently denied by the administrative hearing commission, in addition to any award made under sections 536.085 and 536.087, RSMo, the board, but not individual members of the board, shall pay actual damages incurred during any period of suspension or restriction.

9. Notwithstanding the provisions of this chapter or chapter 610, RSMo, or chapter 621, RSMo, to the contrary, the proceedings under this section shall be closed and no order shall be made public until it is final, for purposes of appeal.

10. The burden of proving the elements listed in subsection 2 of this section shall be upon the state board of registration for the healing arts.

334.616. 1. A license issued under this chapter by the Missouri state board of registration for the healing arts shall be automatically revoked at such time as the final trial proceedings are concluded whereby a licensee has been adjudicated and found guilty, or has entered a plea of guilty or nolo contendere, in a felony criminal prosecution under the laws of the state of Missouri, the laws of any other state, or the laws of the United States of America for any offense reasonably related to the qualifications, functions or duties of their profession, or for any felony offense, an essential element of which is fraud, dishonesty or an act of violence, or for any felony offense involving moral turpitude, whether or not sentence is imposed, or, upon the final and unconditional revocation of the license to practice their profession in another state or territory upon grounds for which revocation is authorized in this state following a review of the record of the proceedings and upon a formal motion of the state board of registration for the healing arts. The license of any such licensee shall be automatically reinstated if the conviction or the revocation is ultimately set aside upon final appeal in any court of competent jurisdiction.

2. Anyone who has been denied a license, permit, or certificate to practice in another state shall automatically be denied a license to practice in this state. However, the board of healing arts may set up other qualifications by which such person may ultimately be qualified and licensed to practice in Missouri.

**334.617. 1. Upon application by the board and the necessary burden having been met, a court of general jurisdiction may grant an injunction, restraining order, or other order as may be appropriate to enjoin a person from:**

**2. Any such action shall be commenced in the county in which such conduct occurred or in the county in which the defendant resides or Cole County.**

**3. Any action brought under this section shall be in addition to and not in lieu of any penalty provided by chapters 334.500 to 334.687 and may be brought concurrently with other actions to enforce chapters 334.500 to 334.687.**

**334.618. Upon receiving information that any provision of sections 334.500 to 334.687 has been or is being violated, the executive director of the board or other person designated by the board shall investigate, and upon probable cause appearing, the executive director shall, under the direction of the board, file a complaint with the administrative hearing commission or appropriate official or court. All such complaints shall be handled as provided by rule promulgated under subdivision (6) of subsection 16 of section 620.010, RSMo.**

2. The application shall contain the business address, not a post-office box, and telephone number of the place where the books, records, files and other matters required and necessary to conduct the business are located and where the same may be inspected during normal daytime business hours.

3. Each application shall contain such additional information as may be required by the commission to enable it to determine whether the applicant is a bona fide dealer in fact and is of good moral character.

4. On the payment of a registration fee of fifty dollars there shall be assigned to each dealer a certificate of registration in such form as the commission shall prescribe.]

[700.460. 1. [700.470. 1. The commission may refuse to register an applicant as a dealer, or may suspend the registration of an existing dealer from one day to thirty days, or revoke the registration of a dealer, after a written notice and a hearing when he is satisfied that the applicant or dealer has failed to comply with the provisions set out in sections 700.450 to 700.470. Notification of unfavorable action by the commission on any application for registration or renewal of registration must be accompanied by a notice informing the recipient that the decision of the director may be appealed as provided in chapter 536, RSMo.

# JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

---

SEVENTY-FOURTH DAY, FRIDAY, MAY 16, 2008

The House met pursuant to adjournment.

Speaker Jetton in the Chair.

Prayer by Reverend Kent Parson, Elkton Baptist Church, Flemington, Missouri.

Creator of all mankind: We come before You this morning to thank You for Your goodness and Your blessings. We pray for Your continued presence as we live our lives and make the decisions which affect the lives of the people of the Great State of Missouri.

Grant us the wisdom of Solomon, the courage of David, the leadership capabilities of Moses, the strength of Sampson, and the love of Jesus. Bless each member of this body for the commitment they have made and the service they have provided for the betterment of our people.

Bless their families, who have sacrificed to allow them to serve in their respective capacities. Bless the staff members of this astute body and bless the people who serve in sundry positions to make our government operate. Bless our military personnel who are serving throughout the world.

Thank You for the privilege to live among the greatest people upon the earth! Thank You for allowing us to be Your children and grant that each member of this body will someday hear You say, "Well done thou good and faithful servant". These blessings we ask in the name of Your Son and our Lord and Savior Jesus Christ. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Mitchell J. Marsh, Madison Ann Marsh, Owen Michael Marsh, Gavin Walker Marsh, Macie Rose Marsh and Jacob Tyler Frandson.

The Journal of the seventy-third day was approved as corrected.

## MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SCS HCS HB 2041**, entitled:

An act to repeal sections 178.585, 288.040, 288.042, 288.070, 288.250, and 290.505, RSMo, and to enact in lieu thereof eight new sections relating to employment, with penalty provisions, an effective date for certain sections, and an emergency clause for a certain section.

With Senate Amendment No. 1.

### *Senate Amendment No. 1*

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 2041, Page 14, Section 288.070, Line 124, by inserting after all of said line the following:

**"288.131. For calendar years 2009, 2010, and 2011, each employer that is liable for contributions under this chapter, except employers with a contribution rate equal to zero, shall pay an annual unemployment automation surcharge in an amount equal to five one-hundredths of one percent of such employer's total taxable wages for the twelve-month period ending the preceding June thirteenth. However, the division may reduce the foregoing percentage to ensure that the total amount of surcharge due from all employers under this subsection shall not exceed thirteen million dollars annually. Each employer liable to pay such surcharge shall be notified**

of the amount due under this subsection by March thirty-first of each year and such amount shall be considered delinquent thirty days thereafter. Delinquent unemployment automation surcharge amounts may be collected in the manner provided under sections 288.160 and 288.170. All moneys collected under this subsection shall be deposited in the unemployment automation fund established in section 288.312.

2. For calendar years 2009, 2010, and 2011, the otherwise applicable unemployment contribution rate of each employer liable for contributions under this chapter shall be reduced by five one-hundredths of one percent, except such contribution rate shall not be less than zero."; and

Further amend said bill, Page 15, Section 288.250, Line 30, by inserting after all of said line the following:

"288.312. 1. There is hereby created in the state treasury the "Unemployment Automation Fund", with shall consist of money collected under subsection 1 of section 288.131, and such other state funds appropriated by the general assembly. The state treasurer shall be custodian of the fund and may approve disbursements from the fund in accordance with sections 30.170 and 30.180, RSMo. Upon appropriation, money in the fund shall be used solely for the purpose of providing automated systems, and the payment of associated costs, to improve the administration of the state's unemployment insurance program. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, all moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and money earned on such investments shall be credited to the fund.

2. The unemployment automation fund shall not be used in whole or in part for any purpose or in any manner that would permit its substitution for, or a corresponding reduction in, federal funds that would be available in its absence to finance expenditures for the administration of this chapter, or cause the appropriate agency of the United States government to withhold any part of an administrative grant which would otherwise be made."; and

Further amend the title and enacting clause accordingly.

Emergency clause adopted.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted the Conference Committee Report on **HCS#2 SS SCS SB 718, as amended**, and has taken up and passed **CCS HCS#2 SS SCS SB 718**.

5. No preneed contract shall become effective unless and until the purchaser thereof has placed his **or her** signature in a space provided on such contract, or application therefor, and the purchaser has received a copy of such contract signed by the seller.

6. The seller and the provider of a preneed contract may be the same person.

436.011. 1. 2. Any person who knowingly permits a seller to sell a preneed contract designating him as the provider or as one of two or more providers who will furnish the funeral merchandise and services described in the preneed contract shall provide the funeral merchandise and services described in the preneed contract for the beneficiary. Failure of any such person to do so shall be a violation of the provisions of sections 436.005 to [436.071] **436.072** and shall be cause for suspension or revocation of that person's license under the provisions of section 333.061, RSMo.

3. If a provider has knowledge that a seller is designating him **or her** as the provider of funeral merchandise and services under any preneed contract and fails within thirty days after first obtaining such knowledge to take action to prevent the seller from so designating him **or her** as the provider, the provider shall be deemed to have consented to such designation.

436.015. 1. No person shall perform or agree to perform the obligations of, or be designated as, the provider under a preneed contract unless, at the time of such performance, agreement or designation:

(1) Such person is licensed by the state board as a funeral establishment pursuant to the provisions of section 333.061, RSMo, but such person need not be licensed as a funeral establishment if [he] **such person** is the owner of real estate situated in Missouri which has been formally dedicated for the burial of dead human bodies and the contract only provides for the delivery of one or more grave vaults at a future time and is in compliance with the provisions of chapter 214, RSMo; and

(2) Such person is registered **to conduct business with the secretary of state and is licensed** with the state board **as a provider and pays a licensing fee to be established by the board** and files with the state board a written consent authorizing the state board to order an **investigation**, examination [and if necessary an audit by the staff of the division of professional registration who are not connected with the board], **or audit** of its **joint accounts or** books and records which contain information concerning preneed contracts sold for, [in] **on** behalf of, or in which he **or she** is named as provider of the described funeral merchandise or services. **The state board may order an investigation to determine compliance with sections 436.005 to 436.072.**

2. Each provider under one or more preneed contracts shall:

(1) Furnish the state board in writing with the name and address of each seller authorized by the provider to sell preneed contracts in which the provider is named as such within fifteen days after the provider signs a written agreement or authorization permitting the seller to sell preneed contracts designating or obligating the provider as the "provider" under the contract. This notification requirement shall include a provider who, itself, acts as seller;

(2) **Pay an annual fee and file annually with the state board by the thirty-first day of October a report [which]. Annual reports filed after the date provided in this section shall be subject to a late fee of one hundred dollars for every six months past the renewal deadline or an amount determined by the board by rule. The annual report shall contain:**

(a) The business name or names of the provider and all addresses from which it engages in the practice of its business;

(b) The name and address of each seller with whom it has entered into a written agreement since last filing a report **including the total payments collected by the provider for each preneed contract since the last annual report filed with the board;**

(c) The name and address of the custodian of its books and records containing information about preneed contract sales and services; **and**

(4) At least thirty days prior to selling or otherwise disposing of its business assets, or its stock if a corporation, or ceasing to do business, give written notification to the state board and to all sellers with whom it has one or more preneed contracts of its intent to engage in such sale or to cease doing business. In the case of a sale of assets or stock, the written notice shall also contain the name, **phone number**, and address of the purchaser. Upon receipt of such written notification, the state board may take reasonable and necessary action to determine that any preneed contracts which the provider is obligated to service will be satisfied at the time of need, **including, but not limited to, an examination of books and records or audit of any joint account.** The state board may waive the requirements of this subsection, or may shorten the period of notification whenever in its discretion it determines that compliance with its provisions are not necessary. Failure of the state board to take action regarding such sale or termination of business within thirty days shall constitute such a waiver.

3. It is a violation of the provisions of sections 436.005 to [436.071] **436.072** and subdivision (3) of section 333.121, RSMo, for any person to sell, transfer or otherwise dispose of the assets of a provider without first complying with the provisions of subdivision (4) of subsection 2 of this section. This violation shall be in addition to the provisions of section 436.061.

4. If any licensed embalmer, funeral director or licensed funeral establishment shall knowingly allow such licensee's name to be designated as the provider under, or used in conjunction with the sale of, any preneed contract, such licensee shall be liable for the provider's obligations under such contract.

5. With respect to a provider or seller licensed under the provisions of chapter 333, RSMo, any violation of the provisions of sections 436.005 to 436.071 shall constitute a violation of subdivision (3) of section 333.121, RSMo.

436.021. 1. No person, including without limitation a person who is a provider under one or more preneed contracts, shall sell, perform or agree to perform the seller's obligations under, or be designated as the seller of, any preneed contract unless, at the time of that sale, performance, agreement, or designation, that person shall:

(1) Be an individual resident of Missouri or a business entity duly authorized to transact business in Missouri **and registered with the secretary of state;**

(3) Have registered with the state board **and have paid a licensing fee to be established by the board by rule.**

2. **In lieu of establishing a trust, the applicant may certify to the board that a whole life insurance policy will be purchased on the life of the beneficiary for each preneed contract, or that a certificate of deposit will be purchased on behalf of the beneficiary of the contract, provided that no amount shall be borrowed against such certificate, nor shall such certificates be redeemed for their cash value, until the terms of the contract have been fully performed.**

3. Each seller under one or more preneed contracts shall:

(1) Maintain adequate records of all such contracts and related agreements with providers and the trustee of preneed trusts regarding such contracts, including copies of all such agreements;

(2) Notify the state board in writing of the name and address of each provider who has authorized the seller to sell one or more preneed contracts under which the provider is designated or obligated as the contract's "provider";

(3) File annually with the state board **by the thirty-first day of October** a signed and notarized report on forms provided by the state board **and pay the annual renewal fee established by the board by rule. Annual reports filed after the date provided in this section shall be subject to a late fee of one hundred dollars for every six months past the renewal deadline or any amount as determined by the board by rule. Any seller who fails to file their annual report on or before the thirty-first day of October shall be prohibited from selling any preneed contracts until the annual report, and all applicable fees, have been paid to the board.** Such [a] report shall [only] contain:

(a) The date the report is submitted and the date of the last report;

(b) The name and address of each provider with whom it is under contract;

(c) The total number of preneed contracts sold in Missouri since the filing of the last report **and a detailed list including the name, contract number, amount of each preneed contract the seller has written in Missouri since the last filing report, the amount the seller has received as payment for each preneed contract and the address and phone number of the purchaser as reflected in the contract;**

(d) The total face value of all preneed contracts sold in Missouri since the filing of the last report;

(e) The name and address of the **insurance company issuing a whole life insurance policy on the life of each beneficiary for each preneed contract or the** financial institution in Missouri in which it maintains the trust accounts required under the provisions of sections 436.005 to [436.071] **436.072** and the account numbers of such trust accounts, **or the financial institution that issued any certificate of deposit purchased on behalf of a preneed contract beneficiary;**

(f) A consent authorizing the state board to order an examination and if necessary an audit [by staff of the division of professional registration who are not connected with the board] of the trust account, designated by depository and account number. [The staff of the division of professional registration in conducting the audit shall not release a detailed accounting of the trust account to the board unless there exist circumstances indicating that the account does not comply with the requirements of sections 436.005 to [436.071] **436.072**, but shall provide the board with a summary of the examination or audit showing general compliance with the provisions of sections 436.005 to 436.071];

(4) File with the state board a consent authorizing the state board to order an **investigation**, examination and if necessary an audit [by staff of the division of professional registration who are not connected with the board] of its books and records relating to the sale of preneed contracts and the name and address of the person designated by the seller as custodian of these books and records. [The staff of the division of professional registration in conducting the audit shall not release a detailed accounting of the trust account to the board unless there exist circumstances indicating that the account does not comply with the requirements of sections 436.005 to 436.071, but shall provide the board with a summary of the examination or audit showing general compliance with the provisions of sections 436.005 to 436.071];

(5) Cooperate with the state board, the office of the attorney general, [and] the division, **the division of finance, and the division of insurance** in any investigation, examination or audit brought under the provisions of sections 436.005 to [436.071] **436.072**.

[3.] **4.** Prior to selling or otherwise disposing of a majority of its business assets, or a majority of its stock if a corporation, or ceasing to do business as a seller, the seller shall provide written notification to the state board of its intent to engage in such sale at least sixty days prior to the date set for the closing of the sale, or of its intent to cease doing business at least sixty days prior to the date set for termination of its business. The written notice shall be sent, at the same time as it is provided to the state board, to all providers who are then obligated to provide funeral services or merchandise under preneed contracts sold by the seller. Upon receipt of the written notification, the state board may take reasonable and necessary action to determine that the seller has made proper plans to assure that the trust [assets] **accounts** of the seller will be set aside and used to service outstanding preneed contracts sold by the seller, **including, but not limited to, an examination of books and records or audit of the trust account.** The state board may waive the requirements of this subsection or may shorten the period of notification whenever in its discretion it determines that compliance with its provisions are not necessary. Failure of the state board to take action regarding such sale or termination of business within sixty days shall constitute such a waiver.

[4.] **5.** It is a violation of the provisions of sections 436.005 to [436.071] **436.072** for any person to sell, transfer or otherwise dispose of the assets of a seller without first complying with the provisions of subsection 3 of this section.

436.027. The seller may retain as his **or her** own money, for the purpose of covering his selling expenses, servicing costs, and general overhead, the initial funds so collected or paid until he **or she** has received for his **or her** use and benefit an amount not to exceed twenty percent of the total amount agreed to be paid by the purchaser of such prepaid funeral benefits as such total amount is reflected in the contract. **After the seller retains the amount authorized by this section, all funds paid to the purchaser shall be placed in trust, or shall be used to purchase insurance or certificates of deposit, as authorized by this chapter.**

436.031. 1. The trustee of a preneed trust shall be a state or federally chartered financial institution authorized to exercise trust powers in Missouri. The trustee shall accept all deposits made to it by the seller of a preneed contract and shall hold, administer, and distribute such deposits, in trust, as trust principal, pursuant to the provisions of sections 436.005 to [436.071] **436.072**. Payments regarding two or more preneed contracts may be deposited into and commingled in the same preneed trust, so long as the trust's grantor is the seller of all such preneed contracts and the trustee maintains adequate records of all payments received.

2. All property held in a preneed trust, including principal and undistributed income, shall be invested and reinvested by the trustee thereof. The trustee shall exercise such judgment and care under circumstances then prevailing

which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their [funds] **moneys**, considering the probable income therefrom as well as the probable safety of their capital. [A preneed trust agreement may provide that when the principal and interest in a preneed trust exceeds two hundred fifty thousand dollars, investment decisions regarding the principal and undistributed income may be made by a federally registered or Missouri-registered independent qualified investment advisor designated by the seller who established the trust; provided, that title to all investment assets shall remain with the trustee and be kept by the trustee to be liquidated upon request of the advisor of the seller.] In no case shall control of said assets be divested from the trustee nor shall said assets be placed in any investment which would be beyond the authority of a reasonably prudent trustee to invest in. [The trustee shall be relieved of all liability regarding investment decisions made by such qualified investment advisor.]

3. The seller of a preneed contract shall be entitled to all income, including, without limitation, interest, dividends, and capital gains, and losses generated by the investment of preneed trust property regarding such contract, and the trustee of the trust may distribute all income, net of losses, to the seller at least annually; but no such income distribution shall be made to the seller if, and to the extent that, the distribution would reduce the aggregate market value on the distribution date of all property held in the preneed trust, including principal and undistributed income, below the sum of all deposits made to such trust pursuant to subsection 1 of this section for all preneed contracts then administered through such trust.

4. All expenses of establishing and administering a preneed trust, including, without limitation, trustee's fees, legal and accounting fees, investment expenses, and taxes, shall be paid or reimbursed directly by the seller of the preneed contracts administered through such trust and shall not be paid from the principal of a preneed trust.

5. The trustee of a preneed trust shall maintain adequate books of account of all transactions administered through the trust and pertaining to the trust generally. The trustee shall assist **the** seller who established the trust or its successor in interest in the preparation of the annual report described in subdivision (3) of subsection 2 of section 436.021. The seller shall furnish to each contract purchaser, within fifteen days after receipt of the purchaser's written request, a written statement of all deposits made to such trust regarding such purchaser's contract.

6. The trustee of a preneed trust shall, from time to time, distribute trust principal as provided by sections 436.005 to [436.071] **436.072**.

7. A preneed trust shall terminate when trust principal no longer includes any payments made under any preneed contract, and upon such termination the trustee shall distribute all trust property, including principal and undistributed income, to the seller which established the trust.

436.048. If a seller shall fail to make timely payment of an amount due a purchaser or a provider pursuant to the provisions of sections 436.005 to [436.071] **436.072**, the purchaser or provider, as appropriate, shall have the right, in addition to other rights and remedies against such seller, to make demand upon the trustee of the preneed trust for the contract to distribute to the purchaser or provider from the trust, as damages for its breach, an amount equal to all deposits made into the trust for the contract.

436.051. Upon the death or legal incapacity of a purchaser, all rights and remedies granted to the purchaser pursuant to the provisions of sections 436.005 to [436.071] **436.072** shall be enforceable by and accrue to the benefit of the purchaser's legal representative or [his] **the purchaser's** successor designated in such contract, and all payments otherwise payable to the purchaser shall be paid to that person.

436.053. 1. Notwithstanding the provisions of sections 436.021 to 436.048, the provider and the purchaser may agree that all [funds] **moneys** paid the provider by the purchaser shall be deposited with financial institutions chartered and regulated by the federal or state government authorized to do business in Missouri in an account in the joint names and under the joint control of the provider and purchaser. If the purchaser has irrevocably waived and renounced his right to cancel the agreement between the provider and the purchaser pursuant to subdivision (5) of this subsection, such agreement may provide that all funds held in the account at the beneficiary's death shall be applied toward the purchase of funeral or burial services or facilities, or funeral merchandise, selected by the purchaser or the responsible party after the beneficiary's death, in lieu of the detailed identification of such items required by subdivision (3) of subsection 1 of section 436.007. The agreement between the provider and purchaser shall provide that:

(1) The total consideration to be paid by the purchaser under the contract shall be made in one or more payments into the joint account, **including the name and address of the financial institution which holds such moneys and the account numbers of such moneys**, at the time the agreement is executed or, thereafter within five days of receipt, respectively, **and the agreements shall contain the name and address of the financial institution that holds such moneys and the account numbers of such moneys**;

(2) The financial institution shall hold, invest, and reinvest the deposited [funds] **moneys** in savings accounts, certificates of deposit or other accounts offered to depositors by the financial institutions, as the [agreement] **contract** shall provide;

(3) The income generated by the deposited funds shall be used to pay the reasonable expenses of administering the agreement, and the balance of the income shall be distributed or reinvested as provided in the agreement;

(4) At any time before the final disposition, or before funeral services, facilities, and merchandise described in a preneed contract are furnished, the purchaser may cancel the contract without cause by delivering written notice thereof to the provider and the financial institution, and within fifteen days after its receipt of the notice, the financial institution shall distribute the deposited [funds] **moneys** to the purchaser;

(5) Notwithstanding the provisions of subdivision (4) of this subsection, if a purchaser is eligible, becomes eligible, or desires to become eligible to receive public assistance under chapter 208, RSMo, or any other applicable state or federal law, the purchaser may irrevocably waive and renounce his **or her** right to cancel such [agreement] **contract**. The waiver and renunciation must be in writing and must be delivered to the provider and the financial institution, **if requested**;

(6) If the death of the beneficiary occurs outside the general area served by the provider, then the provider shall either provide for the furnishing of comparable funeral services and merchandise by a licensed mortuary selected by the purchaser or, at the provider's option, shall pay over to the purchaser in fulfillment of the obligation of the preneed contract, an amount equal to the sums actually paid in cash by such purchaser under such preneed contract together with interest to be provided for in the contract, in which event the financial institution shall distribute the deposited funds to the provider;

(7) Within fifteen days after a provider and a witness certifies in writing to the financial institution that he **or she** has furnished the final disposition, or funeral services, facilities, and merchandise described in a contract, or has provided alternative funeral **arrangements or** benefits for the beneficiary pursuant to special arrangements made with the purchaser, if the certification has been approved by the purchaser, then the financial institution shall distribute the deposited funds to the provider.

2. There shall be a separate joint account as described in subsection 1 of this section for each preneed contract sold or arranged under this section.

3. If the total face value of the contracts sold by a provider operating solely under the provisions of this section does not exceed thirty-five thousand dollars in any one fiscal year, such a provider shall not be required to pay the annual reporting fee for such year required under subsection 1 of section 436.069.

**436.054. It is unlawful for the seller to:**

(1) **Purchase with preneed funds any term life insurance to fund the preneed contract;**

(2) **Procure or accept any loan against any life insurance contract.**

436.055. 1. All complaints received by the state board which allege a [registrant's] **licensee's** noncompliance with the provisions of sections 436.005 to [436.071 shall be forwarded to the division of professional registration for investigation, except minor complaints which the state board can mediate or otherwise dispose of by contacting the parties involved] **436.072, or allege that a licensee has committed any act for which the board may discipline or refuse to issue a license under section 436.062, may be investigated by the board.** A copy of each such complaint shall be forwarded to the subject [registrant] **licensee**, except [that each complaint] **the board shall not be required to forward complaints** in which the complainant alleges [under oath] that a [registrant] **licensee** has misappropriated preneed contract payments [may be forwarded to the division of professional registration without notice to the subject registrant]. **This section shall not be construed to limit the board's authority to file a complaint with the administrative hearing commission charging a licensee of the board with any actionable conduct or violation, regardless of whether such complaint exceeds the scope of acts charged in a preliminary public complaint filed with the board and whether any public complaint has been filed with the board.**

2. [The division shall investigate each complaint forwarded from the state board using staff who are not connected with the state board and shall forward the results of such investigation to the subject registrant and to the attorney general for evaluation. If the attorney general, after independent inquiry using staff of the attorney general's office who have not represented the board, determines that there is no probable cause to conclude that the registrant has violated sections 436.005 to 436.071, the registrant and the state board shall be so notified and the complaint shall be dismissed; but, if the attorney general determines that there is such probable cause the registrant shall be so notified and the results of such evaluation shall be transmitted to the state board for further action as provided in sections 436.061 and 436.063.] **The board may investigate, examine or audit the books or records of any licensee, or examine or audit a preneed trust or joint account, at any time to ensure a licensee's compliance with the provisions of sections**

**436.005 to 436.072.** The board shall have authority to conduct random inspections or audits with or without cause.

3. Upon determining that an inspection, investigation, examination or audit shall be conducted, the board shall issue a notice authorizing one or more employees or independent contractors to perform such inspection, investigation, examination or audit and instructing such employees or independent contractors as to the scope of such inspection, investigation, examination or audit. The board shall not appoint any employee or contract if such employee or contractor either directly or indirectly has a conflict of interest or is affiliated with the management of, or owns a pecuniary interest in, any person subject to inspection, investigation, examination or audit under section 436.005 to 436.072. The board shall request that the director of the division of professional registration or the director of the department of insurance, financial institutions and professional registration designate one or more financial examiners to assist in any examination or audit.

436.061. 1. Each violation of any provision of sections 436.005 to [436.071] **436.072** constitutes a separate offense and may be prosecuted individually. **The attorney general shall have concurrent jurisdiction with any local prosecutor to prosecute under this section.**

2. Any violation of the provisions of sections 436.005 to [436.071] **436.072** shall constitute a violation of the provisions of section 407.020, RSMo. In any proceeding brought by the attorney general for a violation of the provisions of sections 436.005 to [436.071] **436.072**, the court may **order all relief and penalties authorized under chapter 407, RSMo, and**, in addition to imposing the penalties provided for in sections 436.005 to [436.071] **436.072**, order the revocation or suspension of the [registration] **license** of a defendant seller or provider.

**436.062. 1. The board may refuse to issue any certificate of registration or authority, permit or license required under this chapter for one or any combination of causes stated in subsection 2 of this section. The board shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of his or her right to file a complaint with the administrative hearing commission as provided by chapter 621, RSMo.**

**2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621, RSMo, against any holder of any certificate of registration or authority, permit or license required by sections 436.005 to 436.072 or any person who has failed to renew or has surrendered his or her certificate of registration or authority, permit or license for any one or any combination of the following causes:**

### MESSAGE FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SCS HCS HBs 2062 & 1518**, entitled:

An act to repeal sections 41.1010, 42.007, 115.277, 160.053, 168.021, 170.011, and 620.515, RSMo, and to enact in lieu thereof sixteen new sections relating to members of the military and their families, with an emergency clause for certain sections.

With Senate Amendment No. 1.

#### *Senate Amendment No. 1*

AMEND Senate Committee Substitute for House Committee Substitute for House Bill Nos. 2062 & 1518, Pages 14-16, Section 173.234, by striking all of said section and inserting in lieu thereof the following:

**"173.234. 1. As used in this section, unless the context clearly requires otherwise, the following terms mean:**

- (1) "Board", the coordinating board for higher education;**
- (2) "Books", any books required for any course for which tuition was paid by a grant awarded under this section;**
- (3) "Grant", the war veteran's survivors grant as established in this section;**
- (4) "Institution of postsecondary education", any approved Missouri public institution of postsecondary education, as defined in section 173.205;**
- (5) "Survivor", a child or spouse of a war veteran;**
- (6) "Tuition", any tuition or incidental fee, or both, charged by an institution of postsecondary education for attendance at the institution by a student as a resident of this state. The tuition grant shall not exceed the amount of tuition charged a Missouri resident at the University of Missouri-Columbia for attendance;**
- (7) "War veteran", a person who served in armed combat in the military and to whom the following criteria shall apply:**
  - (a) The veteran was a Missouri resident when first entering the military service and at the time of death or injury; and**
  - (b) The veteran dies as a result of combat action or the veteran's death was certified by a Veterans' Administration medical authority to be attributable to an illness that was contracted while serving in combat, or who became eighty percent disabled as a result of injuries or accidents sustained in combat action.**

**2. Within the limits of the amounts appropriated therefor, the coordinating board for higher education shall award annually up to twenty-five grants to survivors of war veterans to attend institutions of postsecondary education in this state, which shall continue to be awarded annually to eligible recipients as long as the recipient achieves and maintains a cumulative grade point average of at least two and one-half on a four point scale, or its equivalent. If the waiting list of eligible survivors exceeds fifty, the coordinating board may petition the general**

assembly to expand the quota. If the quota is not expanded, then the eligibility of survivors on the waiting list shall be extended.

3. A survivor may receive a grant under this section only so long as the survivor is enrolled in a program leading to a certificate, or an associate or baccalaureate degree. In no event shall a survivor receive a grant beyond the completion of the first baccalaureate degree, regardless of age.

4. The coordinating board for higher education shall:

- (1) Promulgate all necessary rules and regulations for the implementation of this section; and
- (2) Provide the forms and determine the procedures necessary for a survivor to apply for and receive a grant under this section.

5. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

6. In order to be eligible to receive a grant under this section, a survivor shall be certified as eligible by the Missouri veterans' commission. In the case of an illness-related death, such certification shall be made upon qualified medical certification by a Veterans' Administration medical authority that the illness was both a direct result of the veteran's combat service and a substantial factor in the cause of the resulting death of the veteran.

7. A survivor who is enrolled or has been accepted for enrollment as an undergraduate postsecondary student at an approved institution of postsecondary education, and who is selected to receive a grant under this section, shall receive the following:

- (1) An amount not to exceed the actual tuition charged at the approved institution of postsecondary education where the survivor is enrolled or accepted for enrollment;
- (2) An allowance of up to two thousand dollars per semester for room and board; and
- (3) The actual cost of books, up to a maximum of five hundred dollars per semester.

8. A survivor who is a recipient of a grant may transfer from one approved public institution of postsecondary education to another without losing his or her entitlement under this section. The board shall make necessary adjustments in the amount of the grant. If a grant recipient at any time withdraws from the institution of postsecondary education so that under the rules and regulations of that institution he or she is entitled to a refund of any tuition, fees, room and board, books, or other charges, the institution shall pay the portion of the refund to which he or she is entitled attributable to the grant for that semester or similar grading period to the board.

9. If a survivor is granted financial assistance under any other student aid program, public or private, the full amount of such aid shall be reported to the board by the institution and the eligible survivor.

10. Nothing in this section shall be construed as a promise or guarantee that a person will be admitted to an institution of postsecondary education or to a particular institution of postsecondary education, will be allowed to continue to attend an institution of postsecondary education after having been admitted, or will be graduated from an institution of postsecondary education.

11. The benefits conferred by this section shall be available to any academically qualified surviving spouse or children of war veterans. Surviving children who are eligible shall be permitted to apply for full benefits conferred by this section until they reach twenty-five years of age.

12. Pursuant to section 23.253, RSMo, of the Missouri sunset act:

- (1) The provisions of the new program authorized under this section shall sunset automatically six years after the effective date of this section unless reauthorized by an act of the general assembly; and
- (2) If such program is reauthorized, the program authorized under this section shall sunset automatically twelve years after the effective date of the reauthorization of this section; and
- (3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset." ; and

Further amend the title and enacting clause accordingly.

Emergency clause adopted.

In which the concurrence of the House is respectfully requested.

## VETO SESSION

Second Regular Session, 94th GENERAL ASSEMBLY

---

FIRST DAY, WEDNESDAY, SEPTEMBER 10, 2008

Speaker Jetton in the Chair.

Prayer by Reverend James Earl Jackson.

Father, we give thanks for the State of Missouri and its government. We hold up in prayer before You these men and women of the House of Representatives, who have accepted the responsibility to govern.

As they take up the tasks presented in this veto session, we believe that skillful and godly wisdom has entered their hearts and knowledge is pleasant to them; discretion watches over them; understanding keeps them and delivers them from the way of deception and deceptive tactics.

We believe You cause them to be men and women of integrity, who lead a quiet and peaceable life in all godliness and honesty. We believe that their hearts are in Your hand and that their decisions are divinely directed of You.

We believe these legislators to be men and women who understand the times in which we live, and receive the wisdom from You as to the best course for Missouri to take.

We give thanks for this state and the leaders You have given us.

In the name of Your Son, we pray. Amen.

The Pledge of Allegiance to the flag was recited.

**MESSAGES FROM THE GOVERNOR**

July 10, 2008

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Senate Committee Substitute for House Bill No. 1689** entitled:

"AN ACT"

To repeal sections 286.200, 286.205, and 286.210, RSMo, and to enact in lieu thereof four new sections relating to the office of administration.

I disapprove of Senate Committee Substitute for House Bill No. 1689. My reasons for disapproval are as follows:

Although I acknowledge and respect that our state capitol belongs uniquely to the members of the Missouri General Assembly and their constituents, I believe that this legislation could pose potential harm and danger to legislators, their constituents and our historic capitol building.

The Capitol Police and the Missouri Department of Public Safety have expressed serious concerns and reservations with the requirement that keys to the capitol dome area be issued to each member of the General Assembly by the Office of Administration. My concern and their concern is not with the legislators who would receive these keys, but simply the increased access to more than a hundred additional keys which could be stolen and misplaced. The concerns of those responsible for the safety and security of our capitol building and its occupants and visitors are very serious and range from the inaccessibility of the capitol dome area in the event of a medical emergency to the potential for unseen homeland security threats.

Currently, five keys have been issued to the Senate administrator and six keys to the House administrator for access to the capitol dome area. Although my disapproval of this bill will not require the Office of Administration to provide keys to each legislator, nothing in current law prohibits current legislators from seeking an additional key from the Office of Administration and working with Capitol Police and the Office of Administration to ensure that their safety and the safety of our visitors in the capitol is put first.

For the above stated reasons, I am returning **Senate Committee Substitute for House Bill No. 1689** without my approval.

Respectfully submitted,

/s/ Matt Blunt  
Governor

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2003** entitled:

"AN ACT"

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Higher Education, the several divisions, programs, and institutions of higher education included therein to be

expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the period beginning July 1, 2008 and ending June 30, 2009.

Section 3.160

I hereby veto the words “- Health Care Account”. As acknowledged by the General Assembly, the inclusion of this text was an error. The Healthy Families Trust Fund – Health Care Account was abolished as per Executive Order 06-22, signed June 22, 2006. This and all other sub-accounts of the Healthy Families Trust Fund were transferred to the Healthy Families Trust Fund by the same executive order. By deleting the words “- Health Care Account,” the appropriation of \$437,640 for the Missouri Telehealth Network will be from the properly named Healthy Families Trust Fund.

On June 27, 2008 I approved said **Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2003**, except for those items specifically vetoed and not approved.

Respectfully submitted,

Section 8.005

I hereby veto \$500,000 Conservation Commission Fund for a statewide interoperable communications system. This appropriation violates Article IV, Section 43 (b) of the Missouri Constitution, which states that Conservation Commission funds shall be expended and used by the Conservation Commission, Department of Conservation, for the control, management, restoration, conservation and regulation of the bird, fish, game, forestry and wildlife resources of the state, and for no other purpose. This expenditure is not for purposes listed and was not approved by the Conservation Commission.

From \$500,000 to \$0 from the Conservation Commission Fund

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2011** entitled:

"AN ACT"

To appropriate money for the expenses, grants, and distributions of the Department of Social Services and the Office of Administration and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, for the period beginning July 1, 2008 and ending June 30, 2009.

Section 11.160

I hereby veto \$50,000 Child Support Enforcement Fund for the purpose of mediation services. These funds were not part of my original budget and were not requested by the department. Changes in federal law have diverted Child Support Enforcement Funds, which have come to states to support child support activities. Until the full impact of these changes is determined, diverting funding from core responsibilities of child support activities to mediation could undermine the child support program.

From \$665,000 to \$615,000 from Child Support Enforcement Collections Fund  
From \$40,064,163 to \$40,014,163 in total for the section.

Section 11.445

To appropriate money for planning, expenses, and for capital improvements including, but not limited to, major additions and renovations, new structures, and land improvements or acquisitions, and to transfer money among certain funds.

Section 23.032

I hereby veto \$25,000 General Revenue for the planning and construction of a sports complex in Kansas City. These funds were not part of my original budget and were not requested by any department. Typically, the state does not fund such projects. In addition, funds to complete the undertaking have not been identified.

Said section is vetoed in its entirety from \$25,000 to \$0 General Revenue Fund.

Section 23.064

I hereby veto \$500,000 General Revenue for renovation and preservation of the historic Jackson County Courthouse in Independence. This represents just the beginning of a large, multi-year, local capital improvement project. Typically, the state does not fund projects of this nature.
